Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders to Be Held on July 15, 2009

Our Proxy Statement and Annual Report to Stockholders, are available at www2.sn.l.com/irweblinx/docs.aspx?iid=1032031.com. The following materials are available for review:

- Proxy Statement;
- proxy card; and

- Annual Report to Stockholders.

Directions to attend the annual meeting, where you may vote in person, can be found online at www2.snl.com/irweblinx/docs.aspx?iid=1032031.com.

Who is Entitled to Vote?

We have fixed the close of business on May 21, 2009 as the record date for stockholders entitled to notice of and to vote at our annual meeting. Only holders of record of Riverview's common stock on that date are entitled to

notice of and to vote at the annual meeting. You are entitled to one vote for each share of Riverview common stock you own, unless you own more than 10% of Riverview's outstanding shares. As provided in our Articles of Incorporation, record holders of common stock who beneficially own in excess of 10% of Riverview's outstanding shares are not entitled to any vote in respect of the shares held in excess of the 10% limit. On May 21, 2009, there were 10,923,773 shares of Riverview common stock outstanding and entitled to vote at the annual meeting.

How Do I Vote at the Annual Meeting?

Proxies are solicited to provide all stockholders of record on the voting record date an opportunity to vote on matters scheduled for the annual meeting and described in these materials. You are a stockholder of record if your shares of Riverview common stock are held in your name. If you are a beneficial owner of Riverview common stock held by a broker, bank or other nominee (i.e., in "street name"), please see the instructions in the following question.

Shares of Riverview common stock can only be voted if the stockholder is present in person or by proxy at the annual meeting. To ensure your representation at the annual meeting, we recommend you vote by proxy even if you plan to attend the annual meeting. You can always change your vote at the meeting if you are a stockholder of record.

Voting instructions are included on your proxy card. Shares of Riverview common stock represented by properly executed proxies will be voted by the individuals named on the proxy card in accordance with the stockholder's instructions. Where properly executed proxies are returned to us with no specific instruction as how to vote at the annual meeting, the persons named in the proxy will vote the shares "FOR" the election of each of our director nominees. If any other matters are properly presented at the annual meeting for action, the persons named in the enclosed proxy and acting thereunder will have the discretion to vote on these matters in accordance with their best judgment. We do not currently expect that any other matters will be properly presented for action at the annual meeting.

You may receive more than one proxy card depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children. In this case, you will receive three separate proxy cards to vote.

What if My Shares Are Held in Street Name?

If you are the beneficial owner of shares held in street name by a broker, your broker, as the record holder of the shares, is required to vote the shares in accordance with your instructions. If your common stock is held in street name, you will receive instructions from your broker that you must follow in order to have your shares voted. Your broker may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form that accompanies this Proxy Statement. If you do not give instructions to your broker, your broker may nevertheless vote the shares with respect to discretionary items, but will not be permitted to vote your shares with respect to non-discretionary items, pursuant to current industry practice. In the case of non-discretionary items, shares not voted are treated as "broker non-votes." The proposal to elect directors described in this Proxy Statement is considered a discretionary item under the rules of The Nasdaq Stock Market LLC ("Nasdaq").

If your shares are held in street name, you will need proof of ownership to be admitted to the annual meeting. A recent brokerage statement or letter from the record holder of your shares are examples of proof of ownership. If you want to vote your shares of common stock held in street name in person at the annual meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

How Will My Shares of Common Stock Held in the Employee Stock Ownership Plan Be Voted?

We maintain an employee stock ownership plan ("ESOP") for the benefit of our employees. Each ESOP participant may instruct the ESOP trustee how to vote the shares of Riverview common stock allocated to his or her account

under the ESOP by completing the voting instruction card distributed by the ESOP trustee. If an ESOP participant properly executes the voting instruction card, the ESOP trustee will vote the participant's shares in accordance with the participant's instructions. Unallocated shares of Riverview common stock held by the ESOP and allocated shares for which no voting instructions are received will be voted by the trustee in the same proportion as shares for which the trustee has received voting instructions. As of the close of business on the voting record date, May 21, 2009,

2

487,178 shares have been allocated to participants' accounts. The trustees of the ESOP are Patrick Sheaffer, Ronald A. Wysaske, John A. Karas and David A. Dahlstrom. The deadline for returning your voting instructions to the trustees is July 8, 2009.

How Many Shares Must Be Present to Hold the Meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of at least a majority of the shares of Riverview common stock entitled to vote at the annual meeting as of the record date will constitute a quorum. Proxies received but marked as abstentions will be included in the calculation of the number of shares considered to be present at the meeting.

What if a Quorum Is Not Present at the Meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the stockholders present or represented by proxy may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given unless the meeting is adjourned for 120 days or more. An adjournment will have no effect on the business that may be conducted at the meeting.

Vote Required to Approve Proposal 1: Election of Directors

Directors are elected by a plurality of the votes cast, in person or by proxy, at the annual meeting by holders of Riverview common stock. Accordingly, the two nominees for election as directors who receive the highest number of votes actually cast will be elected. Pursuant to our Articles of Incorporation, stockholders are not permitted to cumulate their votes for the election of directors. Votes may be cast for or withheld from each nominee. Votes that are withheld will have no effect on the outcome of the election because the nominee receiving the greatest number of votes will be elected. Our Board of Directors unanimously recommends that you vote "FOR" the election of each of its director nominees.

May I Revoke My Proxy?

You may revoke your proxy before it is voted by:

- submitting a new proxy with a later date;
- notifying the Corporate Secretary of Riverview in writing before the annual meeting that you have revoked your proxy; or
- voting in person at the annual meeting.

If you plan to attend the annual meeting and wish to vote in person, we will give you a ballot at the annual meeting. However, if your shares are held in street name, you must bring a validly executed proxy from the nominee indicating that you have the right to vote your shares.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of May 21, 2009, the voting record date, information regarding share ownership of:

- those persons or entities (or groups of affiliated persons or entities) known by management to beneficially own more than five percent of Riverview's common stock other than directors and executive officers;

- each director and director nominee of Riverview;

Edgar Filing: RIVERVIEW BANCORP INC - Form DEF 14A

- each executive officer of Riverview or Riverview Community Bank named in the Summary Compensation Table appearing under “Executive Compensation” below (known as “named executive officers”); and
- all current directors and executive officers of Riverview and Riverview Community Bank as a group.

Persons and groups who beneficially own in excess of five percent of Riverview’s common stock are required to file with the Securities and Exchange Commission (“SEC”), and provide a copy to us, reports disclosing their ownership pursuant to the Securities Exchange Act of 1934. To our knowledge, no other person or entity, other than those set forth below, beneficially owned more than five percent of the outstanding shares of Riverview’s common stock as of the close of business on the voting record date.

Beneficial ownership is determined in accordance with the rules and regulations of the SEC. In accordance with Rule 13d-3 of the Securities Exchange Act, a person is deemed to be the beneficial owner of any shares of common stock if he or she has voting and/or investment power with respect to those shares. Therefore, the table below includes shares owned by spouses, other immediate family members in trust, shares held in retirement accounts or funds for the benefit of the named individuals, and other forms of ownership, over which shares the persons named in the table may possess voting and/or investment power. In addition, in computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to outstanding options that are currently exercisable or exercisable within 60 days after the voting record date are included in the number of shares beneficially owned by the person and are deemed outstanding for the purpose of calculating the person’s percentage ownership. These shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person.

PROPOSAL 1 – ELECTION OF DIRECTORS

Our Board of Directors consists of seven members and is divided into three classes. Approximately one-third of the directors are elected annually to serve for a three-year period or until their respective successors are elected and qualified. The table below sets forth information regarding each director of Riverview and each nominee for director. The Nominating Committee of the Board of Directors selects nominees for election as directors. All of our nominees currently serve as Riverview directors. Each nominee has consented to being named in this Proxy Statement and has agreed to serve if elected. If a nominee is unable to stand for election, the Board of Directors may either reduce the number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, the proxy holders will vote your shares for the substitute nominee, unless you have withheld authority. At this time, we are not aware of any reason why a nominee might be unable to serve if elected.

The Board of Directors recommends a vote “FOR” the election of Jerry C. Olson and Gary R. Douglass, each for a three-year term.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE MATTERS

Board of Directors

The Boards of Directors of Riverview and Riverview Community Bank conduct their business through Board and committee meetings. During the fiscal year ended March 31, 2009, the Riverview Board of Directors held eight regular meetings and the Bank Board of Directors held nine regular meetings. Neither Board held any special meetings

6

during the year ended March 31, 2009. No director attended fewer than 75% of the total meetings of the Boards and committees on which he served during this period.

Committees and Committee Charters

Riverview's Board of Directors has standing Audit and Nominating Committees. Riverview Community Bank's Board of Directors has standing Executive, Audit, Personnel/Compensation, Compliance and Risk Management, Senior Loan and Nominating Committees. Riverview's Board of Directors does not have its own compensation committee because Riverview has no employees. Riverview's Audit and Nominating Committees have adopted written charters, copies of which are available on our website at www.riverviewbank.com.

Committees of the Riverview Board of Directors

The Executive Committee consists of Directors Sheaffer (Chairman), Geiger and Olson. This Committee meets as necessary in between meetings of the full Board of Directors. The Executive Committee met seven times during the fiscal year ended March 31, 2009.

The Audit Committee consists of Directors Douglass (Chairman), Olson and Runyan, and is responsible for developing and monitoring the audit program. It also has the sole authority to appoint or replace our independent auditor. The Committee meets with the independent auditor to discuss the results of the annual audit and quarterly procedures. The members of the Committee also receive and review all the reports, findings and other information presented to them by the officers regarding financial reporting policies and practices. Each member of the Audit Committee is "independent," in accordance with the requirements for companies listed on Nasdaq. In addition, Mr. Douglass has been designated by the Board of Directors as the "audit committee financial expert," as defined by the SEC. The Audit Committee met five times during the fiscal year ended March 31, 2009.

The Nominating Committee consists of Directors Runyan (Chairman), Douglass and Allen, and is responsible for selecting nominees for the election of directors and developing a list of nominees for Board vacancies. Each member of the Committee is "independent," in accordance with the requirements for companies quoted on The Nasdaq Stock Market. The Committee met twice during the fiscal year ended March 31, 2009.

Only those nominations made by the Committee or properly presented by stockholders will be voted upon at the annual meeting. In its deliberations for selecting candidates for nominees as director, the Nominating Committee considers the candidate's knowledge of the banking business and involvement in community, business and civic affairs, and also considers whether the candidate would provide for adequate representation of the market area of Riverview Community Bank. Any nominee for director made by the Committee must be highly qualified with regard to some or all these attributes. In searching for qualified director candidates to fill vacancies in the Board, the Committee solicits its current Board of Directors for names of potentially qualified candidates. Additionally, the Committee may request that members of the Board of Directors pursue their own business contacts for the names of potentially qualified candidates. The Committee would then consider the potential pool of director candidates, select the candidate the Committee believes best meets the then-current needs of the Board, and conduct a thorough investigation of the proposed candidate's background to ensure there is no past history that would cause the candidate not to be qualified to serve as a Riverview director. The Committee will consider director candidates recommended by our stockholders. If a stockholder submits a proposed nominee, the Committee would consider the proposed nominee, along with any other proposed nominees recommended by members of our Board of Directors, in the same manner in which the Committee would evaluate its nominees for director. For a description of the proper procedure for stockholder nominations, see "Stockholder Proposals and Nominations" in this Proxy Statement.

Committees of the Riverview Community Bank Board of Directors

The Executive Committee, which consists of Directors Sheaffer (Chairman), Geiger and Olson, meets as necessary in between meetings of the full Board of Directors. This Committee met seven times during the fiscal year ended March 31, 2009.

7

The Audit Committee consists of Directors Douglass (Chairman), Olson and Runyan, and is responsible for developing and monitoring the audit program. The Committee meets with the independent auditor to discuss the results of the annual audit and quarterly procedures. The members of the Committee also receive and review all the reports, findings and other information presented to them by the officers regarding financial reporting policies and practices. The Audit Committee met five times during the fiscal year ended March 31, 2009.

The Personnel/Compensation Committee consists of Directors Geiger (Chairman), Runyan and Olson. This Committee determines annual grade and salary levels for Riverview Community Bank employees and establishes personnel policies. Each member of the Personnel/Compensation Committee is "independent," in accordance with the requirements for companies listed on Nasdaq. The Personnel/Compensation Committee met three times during the fiscal year ended March 31, 2009.

The Risk Management Committee consists of Directors Olson (Chairman), Allen, Douglass, Geiger, Runyan, Sheaffer and Wwaske, and Don Sasaki, the Risk Manager of the Bank, who does not vote on matters presented to the Committee. This Committee is responsible for directing and monitoring the internal audit and compliance programs. The Risk Management Committee met three times during the fiscal year ended March 31, 2009.

The Senior Loan Committee consists of Directors Sheaffer, Allen and Runyan, and is chaired by Executive Vice President David A. Dahlstrom, who does not vote on matters presented to the Committee. The Committee reviews and approves all aggregate lending relationships from \$4 million to Riverview Community Bank's internal loan limit. The Senior Loan Committee met 22 times during the fiscal year ended March 31, 2009.

The Nominating Committee consists of Directors Runyan (Chairman), Douglass and Allen, and is responsible for selecting nominees for the election of directors and developing a list of nominees for Board vacancies. The Committee met twice during the fiscal year ended March 31, 2009.

Corporate Governance

We are committed to establishing and maintaining high standards of corporate governance. The Board of Directors is cognizant of its responsibility to comply with the provisions contained in the Sarbanes-Oxley Act of 2002 and the rules and regulations of the SEC adopted thereunder, as well as Nasdaq rules with respect to corporate governance. The Board and its committees will continue to evaluate and improve our corporate governance principles and policies as necessary and as required.

Code of Ethics. On January 16, 2008, the Board of Directors revised the Officer and Director Code of Ethics, that had originally been adopted December 17, 2003. The Code is applicable to each of Riverview's directors and officers, including the principal executive officer and senior financial officers, and requires individuals to maintain the highest standards of professional conduct. A copy of the Code of Ethics is available on our website at www.riverviewbank.com.

Communication with the Board of Directors. The Board of Directors maintains a process for stockholders to communicate with the Board. Stockholders wishing to communicate with the Board should send any communication to the Corporate Secretary, Riverview Bancorp, Inc., 900 Washington Street, Suite 900, Vancouver, Washington 98660. Any communication must state the number of shares beneficially owned by the stockholder making the communication. The Corporate Secretary will forward such communication to the full Board of Directors or to any individual director or directors to whom the communication is directed unless the communication is unduly hostile, threatening, illegal or similarly inappropriate, in which case the Corporate Secretary has the authority to discard the communication or take appropriate legal action.

Annual Meeting Attendance by Directors. We do not have a policy regarding Board member attendance at annual meetings of stockholders. All members of the Board of Directors attended the 2008 annual meeting of stockholders.

Related Party Transactions. Federal regulations require that all loans or extensions of credit to executive officers and directors must be made on substantially the same terms, including interest rates and collateral, as those

8

prevailing at the time for comparable transactions with other persons (unless the loan or extension of credit is made under a benefit program generally available to all other employees and does not give preference to any insider over any other employee) and does not involve more than the normal risk of repayment or present other unfavorable features. Riverview Community Bank is therefore prohibited from making any new loans or extensions of credit to its executive officers and directors at different rates or terms than those offered to the general public and has adopted a policy to this effect. The aggregate amount of loans by the Bank to its executive officers and directors was approximately \$1.0 million at March 31, 2009. These loans (i) were made in the ordinary course of business, (ii) were made on substantially the same terms and conditions, including interest rates and collateral, as those prevailing at the time for comparable transactions with the Bank's other customers and (iii) did not involve more than the normal risk of collectibility or present other unfavorable features when made. Loans in amounts up to \$15.1 million are granted pursuant to Riverview Community Bank's normal approval procedures. All loans and aggregate loans to individual directors and executive officers are required to be reviewed by the Executive Committee and reported to the Board. All loan approval and review procedures are governed by written policies.

Director Independence. Our common stock is listed on the Nasdaq Global Select Market. In accordance with Nasdaq requirements, at least a majority of our directors must be independent directors. The Board has determined that five of our seven directors are independent, as defined by Nasdaq. Messrs. Allen, Douglass, Geiger, Olson and Runyan are all independent. Only Patrick Sheaffer, who is our Chairman and Chief Executive Officer, and Ronald A. Wyseske, who is our President and Chief Operating Officer, are not independent.

DIRECTORS' COMPENSATION

The following table shows the compensation paid to our non-employee directors for the fiscal year ended March 31, 2009. Compensation for Directors Patrick Sheaffer and Ronald A. Wyseske, who are employees of Riverview Community Bank, is included in the section entitled "Executive Compensation."

(1) Represents the dollar amount of expense recognized for financial statement reporting purposes for outstanding awards, calculated pursuant to the provisions of Financial Accounting Standards Board Statement of Financial Accounting Standards No. 123 (revised 2004), "Share-Based Payment" ("FAS 123R"). For a discussion of valuation assumptions, see Note 15 of the Notes to Consolidated Financial Statements in Riverview's Annual Report on Form 10-K for the year ended March 31, 2009.

(2) Consists of earnings on balances in the nonqualified deferred compensation plan.

(3) Consists of a small gift to directors.

Directors receive an annual retainer of \$5,000 and a fee of \$1,000 for each Board meeting attended. Outside directors also receive \$250 for each committee meeting attended. The Personnel/Compensation Committee recommends to the Board of Directors the amount of fees paid for service on the Board. During the fiscal year ended March 31, 2009, there were no increases in Board or committee meeting fees.

9

Riverview Community Bank adopted a non-qualified deferred compensation plan in 1986 which permits directors to elect to defer their retainer and monthly fees until retirement with no income tax payable by the director until retirement benefits are received. We credit an earnings adjustment on assets under the plan based on the rate of the Bank's average yield in assets for the prior year, less 100 basis points. For the calendar year ended December 31, 2008, this crediting rate was 7.57%. Under the current version of the plan, when the participant ceases to be a director, we will pay the director or his designated beneficiaries his plan benefit in a lump sum or in annual installments over ten years, as elected by the director. This election is made at the same time the director makes his compensation deferral election. The payment will be based on an amount equal to the balance in the director's account immediately before the date on which benefits commence, plus interest on the unpaid balance if the payment is made in installments. Payments shall commence upon the first day of the second year following the year in which the participant ceases to be a director, unless the committee administering the plan elects to commence payment earlier, and earlier payment is permitted by law. Payments may also be on account of hardship, as defined under the plan. The estimated liability under the plan is accrued as earned by the director. At March 31, 2009, our aggregate liability under the plan for directors was \$415,000.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Personnel/Compensation Committee. Because Riverview does not have its own employees, the Personnel/Compensation Committee of Riverview Community Bank is responsible for establishing and monitoring compensation policies, and for evaluating performance and setting salaries. The Committee is responsible for evaluating the performance of our Chief Executive Officer, while the Chief Executive Officer evaluates the performance of other senior officers of the Bank and makes recommendations to the Committee regarding compensation levels.

Objectives and Overview of the Compensation Program. Our executive compensation policies are designed to establish an appropriate relationship between executive pay and the annual and long-term performance of Riverview and Riverview Community Bank, to reflect the attainment of short- and long-term financial performance goals, to enhance our ability to attract and retain qualified executive officers, and to align to the greatest extent possible the interests of management and stockholders. The principles underlying the executive compensation policies include the following:

- to attract and retain key executives who are vital to our long-term success and are of the highest caliber;
- to provide levels of compensation competitive with those offered throughout the financial industry and consistent with our level of performance;
- to motivate executives to enhance long-term stockholder value by building their equity interest in Riverview; and
- to integrate the compensation program with our annual and long-term strategic planning and performance measurement processes.

The Committee considers a variety of subjective and objective factors in determining the compensation package for individual executives, including: (1) the performance of Riverview and Riverview Community Bank as a whole, with emphasis on annual performance factors and long-term objectives; (2) the responsibilities assigned to each executive; and (3) the performance of each executive of assigned responsibilities as measured by our progress during the year.

Compensation Program Elements. The Personnel/Compensation Committee focuses primarily on the following four components in forming the total compensation program for our executive officers:

- base salary;
- incentive compensation;

deferred compensation; and

long-term incentive compensation.

The current compensation plans involve a combination of salary, incentive compensation to reward short-term performance, deferred compensation and stock option grants to reward long-term performance.

Base Salary. The purpose of base salary is to create a secure base of cash compensation for our employees. Salary levels are designed to be competitive within the banking and financial services industries. In setting competitive salary levels, the Personnel/Compensation Committee regularly evaluates current salary levels by surveying similar institutions in Washington, Oregon, the Northwest and the United States. The survey analysis focuses primarily on asset size, nature of ownership, type of operation and other common factors. Specifically, the Committee annually reviews the Northwest Financial Industry Salary Survey prepared by Milliman USA in association with the Washington Bankers Association, the Washington Financial League and the Oregon Bankers Association, covering 164 Northwest financial organizations, and the American Bankers Association Compensation Survey which covers over 420 responding financial institutions nationwide. We analyze the results of the survey by position, and the midpoint of each position/grade, as it compares to Riverview Community Bank. Midpoints of each grade for Riverview are compared to midpoints of survey data to determine if grade adjustments are necessary to remain competitive. In the past, we have used the services of Watson Wyatt to assist in the development of salary and incentive compensation programs. Riverview engaged Watson Wyatt Worldwide to perform an analysis in 2005. The final report presented observations of competitive base salaries and short-term incentives. See “Incentive Compensation Program” for additional information.

Incentive Compensation Program. We believe it is appropriate to provide individuals who are responsible for managing existing business and/or generating new business with competitive incentive compensation opportunities. Our incentive compensation plan is designed to provide for incentive compensation with established targets of 40% of salary for the Chief Executive Officer, 50% of salary for the Chief Operating Officer, 35% to 45% of salary for executive vice presidents and 15% to 35% of salary for senior management. Certain other officers may participate in the plan at a level of 10% to 30% of salary. The Watson Wyatt review described above included a review of plan objectives, eligibility/participation, award potentials, performance measures and award determination. Recommendations included suggested participants (key management and loan production employees) and optimal incentives (increase the maximum award potential to two times the salary-at-risk percentage). By rewarding goals that are exceeded, we truly utilize incentive for growth and are competitive in the marketplace. The Personnel/Compensation Committee reviewed the recommendations of Watson Wyatt and approved them in 2005. We may utilize the services of compensation consultants, as needed, to remain fair and competitive in the future.

The Personnel/Compensation Committee approves goals and incentive participation each year. Individual participant goals and performance modifier targets are communicated to participants in writing in the first quarter of the fiscal year to which the goals apply. Goals are measured against performance after the end of the fiscal year. Results are communicated the month following year-end for each participant. The performance modifier ranges from zero to a maximum of two times the salary at risk percentage. In making awards under the incentive compensation plan, the Personnel/Compensation Committee, the Chief Operating Officer and Chief Executive Officer or executive officers, as appropriate, review quantifiable data versus a plan approved by the Board. The plan also provides for subjective evaluation of performance by the Committee, the Chief Operating Officer and Chief Executive Officer or executive officers, as appropriate.

Currently, performance measures include financial objectives such as profitability, loan production, deposit growth and efficiency. Participant salaries are recorded, with specific goals tied to Riverview Community Bank’s goals for the

year, and a percentage of compensation is noted as “salary at risk.” For example, if the Chief Executive Officer’s salary is \$235,937 per year with a 40% salary at risk factor, the opportunity for salary at risk compensation is \$94,375 if goals are met at 100%. The salary at risk is divided into several goals based on annual goals of Riverview and Riverview Community Bank. A performance modifier is used to determine the percentage of the goal met. A goal partially met at 88% with a weight factor of 25% of salary at risk would look like this:

11

$\$235,937 \times 40\%$ salary at risk = $\$94,375$

Goal Weight	Performance Modifier	Result
0.25	0.88	0.22

$\$94,375 \times .22 = \$20,763$

Performance goals are assessed annually and paid following the fiscal year end. For the fiscal year ended March 31, 2009, the performance goals for the named executive officers, with the exception of John A. Karas, consisted of profit, loan growth, deposit growth and efficiency ratio. The actual financial performance goals for all the named executive officers except for Mr. Karas were profit of \$9.2 million, loan production of \$300 million, deposit growth of \$18.5 million and an efficiency ratio of 62%. Mr. Karas' actual financial performance goals for the Riverview Asset Management Corp. plan based awards were total revenue of \$2.5 million and before tax profit of \$930,000. The weights assigned to each performance goal vary by position, as shown in the table below:

Name	Profit	Performance Goal			Efficiency Ratio
		Loan Production	Deposit Growth		
Patrick Sheaffer	25%	25%	25%	25%	25%
Ronald A. Wysaske	25%	25%	25%	25%	25%
David A. Dahlstrom	25%	25%	25%	25%	25%
Kevin J. Lycklama	30%	20%	20%	20%	30%

Mr. Karas, who is the President and Chief Executive Officer of Riverview Asset Management Corp., had 2009 performance goals that consisted of profit, weighted at 70%, and revenue, weighted at 30%. For all of the named executive officers, the goals had performance modifiers that ranged from zero to two times salary at risk.

For the fiscal year ended March 31, 2009, the corporate and financial performance goals for all of our executive officers, with the exception of Mr. Karas, under the incentive compensation plan were identical. For the year ended March 31, 2009, the salary at risk results for our named executive officers, with the exception of Mr. Karas, were as follows:

For the year ended March 31, 2009, the salary at risk result for Mr. Karas was as follows:

	Base Salary (1)	Profit	Revenue	Total	% Salary Eligible
John A. Karas	\$ 167,171	70%	30%	100%	40%
Performance Modifier	--	--	--		
Incentive Compensation (2)	--	--	--	--	

(1) As of April 1, 2008.

(2) No incentive compensation was paid to any of our executive officers for the year ended March 31, 2009.

Deferred Compensation. Officers at the level of senior vice president and above may elect to defer up to 50% of salary and bonus until retirement, with no income tax payable by the officer until retirement benefits are received. This alternative is available through the non-qualified deferred compensation plan described below in the section entitled "Nonqualified Deferred Compensation."

Long Term Incentive Compensation. In connection with Riverview Community Bank's reorganization into the holding company structure, the Board of Directors adopted the 1998 Stock Option Plan for executive officers, employees and non-employee directors. This plan was approved by Riverview's stockholders. The Board of Directors also adopted the 2003 Stock Option Plan, which was approved by stockholders at the 2003 annual meeting of stockholders. Under the plans, non-employee directors, executive officers and other employees may receive grants of stock options, although no further options may be granted under the 1998 Stock Option Plan. We believe that stock ownership by our executives is a significant factor in aligning the interests of the executives with those of stockholders. Stock option awards are allocated based upon regulatory practices and policies, and the practices of other publicly traded financial institutions as verified by external surveys and are based upon the executive officers' level of responsibility and contributions to Riverview and Riverview Community Bank.

Stock ownership is also enhanced through participation in our ESOP, under which eligible employees receive an allocation of Riverview stock based on a percentage of eligible wages. The Board of Directors has appointed an administrative committee of Riverview officers to administer the ESOP and the 401(k) plan, and the named executive officers participate in both of these plans. On an annual basis, Riverview allocates shares to the ESOP, which applies to all eligible participants including the named executive officers. In fiscal year 2009, Riverview contributed 24,633 shares into the ESOP on behalf of eligible participants, and matched the first four percent of participants' contributions into the 401(k) plan each payroll period.

Allocation of Compensation. We do not have any specific policies regarding allocation of total compensation between short-term and long-term elements, or cash and non-cash elements. For the year ended March 31, 2009, the composition of total compensation for our named executive officers was as follows:

Type of Compensation	Percentage of Total Compensation
Base salary	83.0
Incentive compensation	--
Deferred compensation earnings	7.4
Long-term incentive and other compensation	9.6
