Motion to Amend the Settlement Agreement

As previously reported, in September, 2005, in an effort to resolve the uncertainty surrounding the methodology that will be applied to determine Tucson

## Edgar Filing: TUCSON ELECTRIC POWER CO - Form 8-K

Electric Power Company's ("TEP") rates for generation service after the expiration of the competitive transition charges, TEP filed a motion and supporting testimony with the Arizona Corporation Commission ("ACC") to amend the rate settlement agreement ("Settlement Agreement") which had been approved by the ACC in 1999.

On January 30, 2006, the Administrative Law Judge for the ACC issued a recommended opinion and order, which, if adopted by the ACC, would deny TEP's motion to amend the Settlement Agreement.

TEP disagrees with the recommended opinion and order and believes that it is in the public interest to amend the Settlement Agreement.

Consideration of this matter by the ACC has been removed from the February 14, 2006 meeting agenda. The ACC is expected to reschedule consideration of this matter to a later date. TEP does not know how the ACC will rule on its motion to amend the Settlement Agreement.
