Settlement Agreement

As previously reported, Tucson Electric Power Company (TEP) has a rate case proceeding underway before the Arizona Corporation Commission (ACC).

On May 17, 2013, the ACC administrative law judge (ALJ) assigned to TEP's rate case issued a recommended opinion and order. The ALJ recommends that the ACC approve the settlement agreement (2013 Settlement Agreement) proposed by TEP and other parties to the rate proceeding. Parties to the proceeding may file exceptions to the recommended order on or before May 28, 2013. The ALJ's recommended opinion and order is subject to final approval by the ACC. The ACC is tentatively scheduled to consider this matter during an open meeting to be held on June 11-12, 2013.

The ALJ's recommended opinion and order can be found on UNS Energy's website through a link at <http://ir.uns.com/tep.cfm>. UNS Energy and TEP are providing the address of UNS Energy's website solely for the information of investors and do not intend the address to be an active link. Information contained on UNS Energy's website is not part of any report filed with the SEC by UNS Energy or TEP.

TEP cannot predict if the ACC will approve, modify or reject the ALJ's recommended opinion and order.
