The remaining employment agreement provides that Jere Northrop's compensation will be reviewed no less than once per year with a view to making such increases in his salary or declaring such bonuses or other benefits as may be merited and warranted in light of factors considered pertinent by our Board of Directors. Mr. Northrop is entitled to receive free of cost parking for his automobile, health, hospitalization and life insurance with coverage exceeding or equal to that which was then in force through us, as well as such other benefits as our Board may deem appropriate from time to time. The agreement also provides that in the event that we have a change in control at any time during his term, as a result of which the Board of Directors appoints any person other than Mr. Northrop to serve in the capacity for which he is entitled to receive compensation under his agreement, Mr. Northrop will nevertheless be entitled to receive all of his compensation and benefits under his agreement regardless of whether he continues to perform any services for us. In addition, the agreement provides that in the event that Jere Northrop is terminated upon death or disability, terminated without cause, or terminated upon change in management, all warrants, options or shares issued but unvested at the date of termination will become fully vested as of the date of termination.

Mitchell has been appointed to serve as our Chief Executive Officer, Chairman of our Executive Committee and as one of our Directors. we had with the warrant holders dated December 20, 1999. See our Form 8-K dated December 11, 1999, Exhibits 10.4, 10.9, and 10.13. Mark A. For further details see our Form 8-K dated August 3, 2000, and Exhibit 99.4 thereto.

On December 23, 1999, we entered into the following transactions with D2 Co., LLC and Southview, Inc., which was formerly unaffiliated with us (see our Forms 8-K dated December 11, 1999 and December 1, 2000):

i) We entered into a three year Management Agreement with D2 Co., LLC ("D2") of which David Mitchell, Chairman, CEO and President of the Company, is sole member, pursuant to which D2 agreed to provide us specific management and consulting services; compensation to D2 for such services consists of: \$240,000 per year payable in our Common Stock or cash; and 2,500,000 warrants exercisable at \$2.50 expiring on December 31, 2004.

iii) On December 23, 1999, D2, Mark A. Smith, Jere Northrop, Jon Northrop, LoTayLingKyur, Inc., and Dublin Holding, Ltd. entered into a Shareholders' Agreement which, among other things, provides that D2 will receive warrants to purchase additional shares of Common Stock, allows D2 to receive additional shares of Common Stock in lieu of cash payments for its fee, and grants D2 2,500,000 warrants to purchase additional shares of Common Stock for an aggregate purchase price of \$1,000,000. Effective August 31, 2001 this agreement was amended to remove Jon Northrop as a party.

iv) On August 10, 2000, we amended the Management Agreement with D2 that we entered into on December 23, 1999, which amendment (1) extended the agreement for D2's services for an additional year; and (2) issued D2 1,500,000 additional warrants (1,000,000 exercisable at \$3.50 per share and 500,000 exercisable at \$6.00 per share, both exercisable from January 1, 2002, until August 10, 2005). See our Form 8-K dated August 3, 2000.

13

v) On December 1, 2000, the Company made additional amendments to the D2 management and consulting agreement by extending the term of the agreement by 18 months, canceling all outstanding warrants owned by D2 by agreeing to repay to D2 \$1,000,000 with \$500,000 cash and cancellation of the existing \$500,000 non-recourse promissory note receivable and accrued interest and increasing the annual base consideration from \$240,000 as follows: calendar year 2001 - \$500,000; calendar year 2002 - \$600,000; and calendar year 2003 - \$750,000. The payments to the trust for the six months ended June 30, 2001 totaling \$250,000 were made in the form of 2000 and 2001 Convertible Bridge Notes. Commencing July 1, 2001, payments are to be made by the issuance to the trust of shares of Common Stock on a quarterly basis, based on the average closing price of the Common Stock during the quarter.

Additionally, each note holder agreed to participate in and support a future registered warrant exchange under specified terms and conditions. See our Form 8-K dated December 11, 1999.

Effective August 29, 2001, we amended the above agreements with holders of the outstanding promissory notes, pursuant to which each note holder agreed extend the maturity date to April 30, 2002, cancel certain outstanding options owned by the note holder, and change the terms of the note so that outstanding principal and interest shall be completely converted to shares of the Company's Common Stock upon the earlier of April 29, 2002 or the conversion of the Company's outstanding Convertible Bridge Notes which conversion shall take place at the lower of: i) \$2.25 per share, or ii) the conversion price of the convertible bridge notes. See our Form 8-K dated April 13, 2000. D2 and Salvatore Zizza participated in this offering on the same terms as unaffiliated third parties. D2 purchased four units (\$100,00 convertible debt and 30,000 warrants) and Mr. Zizza purchased two units (\$50,000 convertible debt and 15,000 warrants). Effective September 15, 2000, we amended certain terms of the convertible bridge notes upon approval of the holders of a majority of the notes concerning changes to the conversion procedure and amended exercise prices on the Bridge Warrants. Directors and officers were issued options and warrants as disclosed in Item 10 Executive Compensation in this Form 10-KSB, above.

The following transactions occurred effective on September 6, 2001:

(a) Severance Agreements. We entered into severance agreements with Jon Northrop and the only other employee that remained in our Denver, Colorado office. As a result, we no longer have any employees in Denver and substantially all of our business operations are conducted out of our office in New York City, although we will continue to have a small office in Denver which will be used by Mr. Northrop in his capacity as our consultant.

15

(b) Restructuring of Notes to Related Parties and Cancellation of Options and Warrants. We have amended the terms of certain notes that we owe to certain related parties and have cancelled certain outstanding options and warrants held by them. The accrued amounts due under notes that we amended are as follows:

Holder	Amount of Accrued Debt (Accrued to November 1, 2001)
-----	-----
Jon Northrop	\$ 337,466

## Edgar Filing: BION ENVIRONMENTAL TECHNOLOGIES INC - Form 10KSB/A

Jere Northrop	\$ 297,531
Harley Northrop	\$ 397,865
Northrop Family Trust	\$ 136,150
Edward A. Hennig	\$ 159,173
M. Duane Stutzman	\$ 181,106
William J. Crossetta	\$ 279,000
S. Craig Scott	\$ 49,804
Dublin Holding Ltd.	\$3,682,944
Mark Smith Rollover IRA	\$ 393,556
Kelly Smith Rollover IRA	\$ 339,870
	-----
TOTAL	\$6,254,465

The provisions of the agreements vary for each debt holder, with cancellations of certain options and warrants. All of the subject debt is convertible to shares of our Common Stock or before April 29, 2002, subject to certain conditions precedent.

### (c) Mark Smith Agreements.

- Mark Smith and certain entities related to him which own shares of our Common Stock (the "Smith Shares") entered into a voting agreement that gives David Mitchell, our President and CEO, the power to vote all of the Smith Shares as to most matters, but Mr. Smith will still have the right to vote the Smith Shares with respect to a sale of substantially all of our assets or a merger. The voting agreement is purely contractual and is not a formal voting trust.
- In addition, Mr. Smith and certain entities that he controls entered into a separate agreement with us which imposes certain restrictions on the sale and transfer of the Smith Shares and amends the respective terms of five convertible promissory notes payable to Dublin Holding, Ltd, the Mark A. Smith Rollover IRA and the Kelly Smith Rollover IRA to provide that all five of these notes will be automatically and fully converted (with all principal and accrued interest calculated as if they had been held to maturity) into shares of our Common Stock upon the conversion of our outstanding Convertible Bridge Notes and 2001 Convertible Notes at a conversion rate equal to the lesser of (i) \$1.80 per share or (ii) the conversion price of our outstanding Convertible Bridge Notes and 2001 Convertible Notes.

16

### (d) D2CO, LLC Agreements.

We entered into an agreement with D2CO, LLC, Southview, Inc. and Atlantic Partners, LLC, all of which are affiliates of David Mitchell, our President and CEO (collectively, "D2") in which, among other things, we agreed to:

- provide that certain compensation to D2 be paid in a deferred manner as set forth in an exhibit to the agreement;
- be a party to the voting agreement that gives David Mitchell the power to vote all of the Smith Shares as to most matters;
- release Jon Northrop from the restrictions related to the sale of shares of our Common Stock owned by him that are contained in the Shareholders Agreement dated December 23, 1999, as amended; and

Edgar Filing: BION ENVIRONMENTAL TECHNOLOGIES INC - Form 10KS/A

- amend the SV1 and SV2 Warrants held by D2 so that upon earlier of (i) completion of financing or series of financings large enough to "trigger" the conversion of Bion's outstanding Bridge Notes and 2001 Convertible Notes (collectively "CV Notes") into Bion Common Stock; or (ii) conversion of the CV Notes into Bion Common Stock on April 29, 2002, the outstanding Class SV1 and SV2 Warrants owned by D2 will be adjusted ("Adjusted Warrants") so that D2 owns Adjusted Warrants to purchase a number of shares of Bion Common Stock equal to 20% of the "fully\_diluted" outstanding shares, calculated by including (i) the Adjusted Warrants, (ii) the securities issued in the conversion of the CV Notes and other notes, (iii) the securities issued in connection with the subject financing, and (iv) other outstanding options, warrants and/or convertible promissory notes which are exercisable or convertible, as applicable, at a price equal to or lower than the exercise price of the Adjusted Warrants, which Adjusted Warrants will have the same expiration date as the current SV1 and SV2 Warrants and will have an exercise price equal to the lower of \$1.00 per share or the conversion price of the CV Notes; provided, however, that for purposes of calculating the number of Adjusted Warrants, no securities outstanding related to any portion of a financing aggregating greater than \$10,000,000 will be included in the calculation. As partial consideration for our agreeing to the adjustment to the warrants, Southview agreed to extend the term of the outstanding promissory note (with an accrued balance of \$521,039.81 as of July 31, 2001) so that such promissory note could be repaid from the proceeds of a new financing.

All past and future and ongoing transactions with affiliates are and will be on terms which our management believes are no less favorable than could be obtained from non-affiliated parties. All future and ongoing loans to our affiliates, officials and shareholders will be approved by the majority vote of disinterested directors.
