Item 5. Other Events

It has come to the Company's attention that the renegotiated terms of a severance agreement with the former Chairman and CEO were inadvertently not reflected in the June 30, 2001 and September 30, 2001 financial statements. The net impact on the Company's income statement for the nine months ending September 30, 2001 will be an increase in compensation expense of \$129,000 and an increase in interest expense of \$10,000.

In May 2001, the Company renegotiated the terms of the severance included in its employment agreement with Donald Sledge, former Chairman and CEO of RateXchange

Edgar Filing: RATEXCHANGE CORP - Form 8-K

Corporation. Upon his leaving the Company, Mr. Sledge was originally to receive one year's salary, or \$300,000, in addition to a \$150,000 severance payment in cash and the accelerated vesting of certain stock option grants. The Company did not accrue this original obligation as the terms were being renegotiated at the time. In lieu of the original agreement, the Company renegotiated these terms to payments of \$25,000 cash in May 2001, \$25,000 cash in July 2001 and the issuance of a \$400,000 two-year convertible promissory note from the Company with interest at 7.0% per annum. The principal can be converted to shares of common stock at \$2.75 per share conversion rate at any time during the term. Additionally, an option to purchase 300,000 shares of common stock that was granted to Mr. Sledge was terminated as part of the negotiation.

The Company's second quarter Form 10Q did not account for \$400,000 in deferred compensation expense and the associated promissory note as a long-term liability. Furthermore, the related accrued interest expense was not reflected in the second and third quarter statements. Additionally, the offsetting impact of not accounting for the terminated option resulted in the recognition of excess compensation expense of \$68,000 in the second quarter of 2001 and \$203,000 in the third quarter of 2001.

The Company is in the process of filing amendments to its Form 10Q for the second quarter of year 2001 and the Form 10Q for the third quarter of 2001 in order to properly reflect the impact of this renegotiated agreement.

Mr. Sledge remains a member of the Company's Board of Directors.

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.

RE: Separation Agreement

Dear Mr. Sledge:

I write to set forth the terms of RateXchange Corporation's ("Company") offer to you in consideration of your separation from your employment with the Company and chairmanship of the board of directors

The effective date of your separation will be May 25, 2001 ("Effective Date"), unless you waive your right to the additional time and agree to an earlier date. The Company offers you the following Terms of Separation, including applicable effective dates:

1. If you sign this document on or before June 15, 2001, and do not rescind, you will receive the following:
  - a. A lump sum payment of \$25,000 net of applicable taxes, paid on the Effective Date and another payment of \$25,000 upon the Company's receipt of new private financing or July 1, 2001, whichever is first.
  - b. A convertible promissory note from the Company to you, with principle amount of \$400,000 and term of (2) years. Interest on the note will accrue at 7.0% per annum. The principle, plus interest accrued will be due and payable at the end of the term.

You will have the option to elect to convert the principle to shares of the Company's common stock at any time during the term. Upon your election to convert the principle

you will receive shares based upon the principle value, including accrued interest, at the Conversion Price of \$2.75.

The Company reserves the right to pay the balance of the note, plus accrued interest, at any time during the term. Upon early payment, you will have the option to elect cash payment or payment in shares based upon the principle value, including accrued interest, at the Conversion Price of \$2.75.

You will have "piggyback" registration rights and, upon your election to convert, the Company will make best business efforts to register your conversion shares for resale in its next registration filing with the Securities and Exchange Commission including registration filings made on Forms S-1 or S-3.

Should the Company prepay the note, and you chose to convert at the time, the Company will register the converted shares within

90 days.

The promissory note will be in substantially the same form as Exhibit A, attached hereto.

- c. In addition to the 900,000 options that have previously vested under the terms of your "Out-of-Plan" option grant and the 100,000 shares granted to you for your Board participation, you have vested an additional 300,000 shares, effective January 1, 2001.

The balance of 300,000 option shares from your "Out of Plan" grant will terminate on the Effective Date and will not vest.

The exercise period for the 1,300,000 vested option shares will be extended to allow for your exercise within two (2) years after the Effective Date.

- d. You will continue to serve as a member of the Board of Directors of RateXchange Corporation pursuant to the terms of your election on September 27, 1999 and the Amended and Restated By-Laws of the Company, Article VII.
- e. You can retain your laptop computer, flat screen monitor and miscellaneous office equipment currently in your possession.

PROMISSORY NOTE

\$400,000

May 25, 2001

FOR VALUE RECEIVED, RateXchangeCorporation, a Delaware corporation (the "Maker"), promises to pay to Donald H. Sledge, or assigns (the "Holder"), at 185 Berry Street, Suite 3515, San Francisco, California 94107, or at such other place as the Holder of this Note may from time to time designate, on May 25, 2003 (or such earlier date as provided below) the principal amount of four hundred thousand DOLLARS (\$400,000), together with interest on the unpaid principal amount hereof from the date hereof, until paid in full, said interest to be due and payable on May 25, 2003 (or such earlier date as provided below), at a rate per annum (computed on the basis of a 365-day year and applied to the actual number of days elapsed in each interest calculation period) equal to seven percent (7.0%). All payments hereunder shall be made in lawful money of the United States of America, except as otherwise provided herein, without offset.

The unpaid principal amount of this Note may be prepaid in whole or in part at any time or times without premium or penalty. Each prepayment shall be applied first to the payment of all interest accrued hereunder on the date of any such prepayment, and the balance of any such prepayment shall be applied to the principal amount hereof. As described more fully below, Holder may elect conversion upon notice from Maker of intent to prepay. Holder will receive no less than ten (10) business days notice of Maker's intent to prepay.

At the Holder's option, at any time within the term of this Note, the Holder may elect to convert the unpaid principal amount of this Note, together with all accrued interest hereunder through the date of such election, in whole or in part, into shares of common stock issued by Maker; such shares to be valued for purposes of such conversion at \$2.75. The number of shares of common stock issuable upon conversion of this Note as provided herein shall equal the quotient obtained by dividing the amount of principal and interest of this Note so desired to be converted by the per share purchase price of \$2.75. In order to exercise the foregoing conversion right, the Holder shall surrender this Note to Maker at Maker's principal office address, 185 Berry Street, Suite 3515, San Francisco, California 94107 (or at such other address as Maker shall specify in writing to the Holder), accompanied by written notice (the "Conversion Notice") to Maker stating that the Holder elects to convert this Note or, if less than the entire unpaid principal amount, plus accrued interest through the date of the Conversion Notice, is to be converted, the portion thereof to be converted. As soon as practicable after receipt of any such Conversion Notice, and in any event within twenty (20) business days thereafter, Maker will cause to be issued in the name of and delivered to the Holder a

## Edgar Filing: RATEXCHANGE CORP - Form 8-K

certificate for the number of duly authorized, validly issued, fully paid and nonassessable whole shares of common stock of Maker, plus, in lieu of any fractional share to which the Holder would otherwise be entitled, cash equal to the amount of such fractional share.

The occurrence of any one or more of the following shall constitute an event of default ("Event of Default") hereunder:

(1) Failure to pay, when due, the principal and interest payable hereunder on the date on which such principal or interest is due (whether upon maturity hereof, upon any prepayment date, upon acceleration, or otherwise);

(2) The commencement by Maker of any case, proceeding, or other action seeking reorganization, arrangement, adjustment, liquidation, dissolution, or composition of it or its debts under any law relating to bankruptcy, insolvency, or reorganization, or relief of debtors, or seeking appointment of a receiver, trustee, custodian, or other similar official for it or for all or any substantial part of its property;

(3) The commencement of any case, proceeding, or other action against Maker seeking to have any order for relief entered, adjustment, liquidation, dissolution, or composition of Maker or its debts under any law relating to bankruptcy, insolvency, reorganization, or relief of debtors, or seeking appointment of a receiver, trustee, custodian, or other similar official for Maker or for all or any substantial part of the assets or property of Maker, and (i) Maker shall, by any act or omission, indicate its consent to, approval of, or acquiescence in such case, proceeding, or action, or (ii) such case, proceeding, or action results in the entry of an order for relief which is not fully stayed within seven (7) business days after the entry thereof, or (iii) such case, proceeding, or action remains undismissed for a period of sixty (60) days; or

(4) Any failure of the Maker to issue and deliver any shares of common stock as provided herein upon conversion of this Note.

Upon the occurrence of any such Event of Default hereunder, the entire principal amount hereof, and all accrued and unpaid interest thereon, shall be accelerated, and shall be immediately due and payable, at the option of the Holder, without demand or notice, and in addition thereto, and not in substitution therefor, the Holder shall be entitled to exercise any one or more of the rights and remedies provided by applicable law. Failure to exercise said option or to pursue such other rights and remedies shall not constitute a waiver of such option or such other rights and remedies or of the right to exercise any of the same in the event of any subsequent Event of Default hereunder.

The Maker promises to pay all reasonable costs and expenses (including without limitation reasonable attorneys' fees and disbursements) incurred in connection with the collection hereof, and to perform each and every covenant or agreement to be performed by the Maker under this Note.

Any payment on this Note coming due on a Saturday, a Sunday, or a day which is a legal holiday in the place at which a payment is to be made hereunder shall be made on the next succeeding day which is a business day in such place, and any such extension of the time of payment shall be included in the computation of interest hereunder.

Edgar Filing: RATEXCHANGE CORP - Form 8-K

No single or partial exercise by the Holder of any right hereunder shall preclude any other or further exercise thereof or the exercise of any other rights. No delay or omission on the part of the Holder in exercising any right hereunder shall operate as a waiver of such right or of any other right under this Note.

If any mutilated Note is surrendered to the Maker, the Maker shall execute and deliver to the Holder in exchange therefor a new Note of like tenor and principal amount. If there shall be delivered to the Maker (i) evidence to its satisfaction of the destruction, loss or theft of the Note and (ii) such security or indemnity as may be required by the Maker to save it harmless, then, in the absence of notice to the Maker that such Note has been acquired by a bona fide purchaser, the Maker shall execute and deliver to the Holder, in lieu of any such destroyed, lost or stolen Note, a new Note of like tenor and principal amount. In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Maker in its discretion may, instead of issuing a new Note, pay such Note. Upon the issuance of any new Note under this paragraph, the Maker may require the payment from the

-2-

Holder of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith.

Whenever used herein, the words "Maker" and "Holder" shall be deemed to include their respective successors and assigns.

This Note shall be governed by and construed under and in accordance with the laws of State of California (but not including the choice of law rules thereof).

IN WITNESS WHEREOF, the undersigned has duly executed this Note, or has caused this Note to be duly executed on its behalf, as of the day and year first hereinabove set forth.
