Re.: Registration of a Form F-3 with the SEC for the sale  
by the Repsol YPF Group of its shares in the company.

Dear sirs,

In order to comply with the rules currently in force, I hereby inform you that the Board of Directors of YPF S.A. (the "Company") has approved, at the request from our shareholder Repsol YPF S.A., the preparation and registration of a Form F-3 with the Securities and Exchange Commission (the "SEC") in accordance with the provisions of the Securities Act of 1933 of the United States of America. The registration of Form F-3 will allow to increase the liquidity of the Company's share through the continuing sales in the capital markets by Repsol YPF S.A., Repsol YPF Capital S.L. and Caveant S.A. (jointly the "Repsol YPF Group") of up to a maximum of 58,996,919 class "D" shares (or its equivalent in ADSs), representing fifteen percent (15%) of the existing capital stock and voting rights of the Company. As stated by Repsol YPF S.A., the determination of the number of shares, the timing, the opportunity, the price or pricing mechanism of the shares, the sales methods and the intermediaries, and other economic and legal terms of the offers will be decided by the selling shareholder.

It should be noted that the Form F-3, which preparation and filing are reported herein, will replace and supersede the previous Form F-3 filed with the SEC on February 29, 2008.

The Board of Directors of the Company considers that the registration requested by Repsol YPF S.A. and the potential sales are convenient to the Company's social interest, since the existence of a larger public float of the share in the market will increase its liquidity, and this will be beneficial to the Company and all of its shareholders.

Sincerely yours,

---
