### **Item 1.01. Entry into a Material Definitive Agreement**

On February 2, 2018, Ultra Clean Holdings, Inc. (the “Company”) issued and sold an aggregate of 4,761,905 shares (the “Shares”) of the Company’s common stock, par value \$0.001 per share (the “Common Stock”), pursuant to an underwriting agreement dated January 30, 2018 (the “Underwriting Agreement”) by and among the Company and Needham & Company, LLC and Cowen and Company, LLC, as representatives of the several underwriters named therein (the “Underwriters”), at a price of \$21.00 per share to the public. Pursuant to the Underwriting Agreement, the Underwriters were also granted the option to purchase an additional 714,285 shares of our common stock from us at the public offering price, less the underwriting discount, for a period of 30 days from the date of the Underwriting Agreement. The Shares were sold in a public offering (the “Offering”) pursuant to a Registration Statement on Form S-3ASR (File No. 333-222436) (the “Registration Statement”) and a related prospectus and prospectus supplement, in each case filed with the Securities and Exchange Commission. The Company received net proceeds from the Offering of approximately \$95.0 million, after deducting the underwriting discounts and before estimated offering expenses.

The Underwriting Agreement contains customary representations, warranties and agreements by the Company. Additionally, the Company has agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, or to contribute to payments the Underwriters may be required to make due to any such liabilities.

The description of the Underwriting Agreement set forth above is qualified in its entirety by reference to the Underwriting Agreement, a copy of which is filed as Exhibit 1.1 hereto and is incorporated herein by reference.

The Company intends to use the net proceeds from this offering for general corporate purposes, which may include working capital, capital expenditures, repayment of indebtedness and other corporate expenses. In addition, the Company has in the past made acquisitions of complementary businesses and assets and regularly evaluates opportunities to acquire complementary businesses or assets. The Company may use the net proceeds to fund all or a portion of the cost of any such acquisitions, although it has no agreements or understandings with respect to any acquisition at this time. The timing and amount of the Company’s actual expenditures will be based on many factors, including cash flows from operations and the anticipated growth of its business. As a result, management of the Company will have broad discretion to allocate the net proceeds of the offerings. Pending their ultimate use, the Company intends to invest the net proceeds in short-term, interest-bearing instruments or U.S. government securities.

A copy of the opinion of Davis Polk & Wardwell LLP relating to the validity of the Shares is filed as Exhibit 5.1 hereto and is incorporated by reference into the Registration Statement.
