THE PROPOSAL YOU MAY VOTE ON

ELECTION OF DIRECTORS

Our Board of Directors currently has four directors, divided into two classes. Three of the directors are class A directors and one of the directors is a class B director. One class A director and one class B director are to be elected at this meeting. Each of the class A directors serves for a term of three years or until his successor is elected and qualified and the class B director serves for a term of one year or until his successor is elected and qualified.

Mr. Jerd and Mr. Raymond have indicated that they will serve if elected. We do not anticipate that any of them will be unable to stand for election. If that occurred, the Board would designate a substitute. If a substitute were designated, proxies voting on the original director candidate would be cast for the substituted candidate.

Board and Committee Meetings

Our business is managed under the direction of the Board of Directors. The Board delegates the conduct of business to the Company's senior management team.

Our Board usually meets four times a year in regularly scheduled meetings. It may meet more often if necessary. The Board held five meetings in fiscal 2004. Each director attended all of the meetings. The Chairman usually determines the agenda for the meetings. Board members receive the agenda and supporting information in advance of the meetings. Board members may also raise other matters at the meetings.

Since we are not a listed company, we are not required to establish an audit committee. Our board of directors believes it can conduct all of the functions of an audit committee without unduly burdening the duties and responsibilities of the board members. Our board of directors has determined that Mr. George F. Raymond, an independent member of our board of directors, meets the SEC definition of an "audit committee financial expert."

Our Board of Directors has adopted a Code of Ethics applicable to all of its employees, including its Principal Executive Officer, Principal Financial Officer and Principal Accounting Officer, as well as the members of its board of directors.

-4-

Currently, there is no compensation committee. The members of the entire board deliberate and decide compensation. Neither Mr. Jerd nor Mr. Raymond is or has been an employee or an officer of our company. Mr. Howlett is our Chairman, and Chief Executive Officer, and Mr. Seitz is our President and Chief Operating Officer.

We do not have a nominating committee as the board has determined, given its relatively small size, to perform this function as a whole. We do not currently have a charter or written policy with regard to the nomination process. At this time, we do not have a formal policy with regard to the consideration of any director candidates recommended by our stockholders because historically we have not received recommendations from our stockholders.

Edgar Filing: EMTEC INC/NJ - Form DEF 14A

Qualifications for consideration as a board nominee may vary according to the particular areas of expertise being sought as a complement to the existing board composition. However, in making its nominations, the board of directors considers, among other things, an individual's business experience, industry experience, breadth of knowledge about issues affecting our company, time available for meetings and consultation regarding company matters and other particular skills and experience possessed by the individual.

Any shareholder recommendation of a director candidate should include the candidate's name, biographical data and a detailed description of the candidate's qualifications for board membership, and should be sent to Emtec, Inc. 572 Whitehead Road, Trenton, New Jersey 08619, Attention: John P. Howlett. Any shareholder recommendations must be submitted in sufficient time for an appropriate evaluation by the board.

Stockholder Communication with Board Members

We maintain contact information for stockholders, both telephone and email, on our website (www.emtecinc.com) under the heading "About Us -- Investor Relations." By following the link, a stockholder will be given access to our telephone number and mailing address as well as a link for providing email correspondence to Investor Relations. Communications sent to Investor Relations and specifically marked as a communication for our Board will be forwarded to the Board or specific members of the Board as directed in the stockholder communication. In addition, communications received via telephone or mail for the Board are forwarded to the Board by one of our officers.

Board Member Attendance at Annual Meetings

Our Board of Directors does not have a formal policy regarding attendance of directors at our annual stockholder meetings. All directors attended our 2003 annual meeting of stockholders except R. Frank Jerd and George F. Raymond.

Director Compensation

Non-employee directors receive annual compensation of \$10,000. Directors also receive stock options at the discretion of the Board. Non-employee directors receive reimbursement of out-of-pocket expenses incurred for each board meeting or committee meeting attended.

Section 16(a) of the Exchange Act requires our directors and executive officers and persons who own beneficially more than 10% of our common stock to file reports of ownership and changes in ownership of such common stock with the Securities and Exchange Commission, and to file copies of such reports with us. Based solely upon a review of the copies of such reports filed with us, we believe that during the fiscal year ended March 31, 2004, such reporting persons complied with the filing requirements of said Section 16(a), except that Mr. Guy Fessenden was not timely in the filing of his Initial Statement of Beneficial Ownership of Securities.

Compensation Committee Interlocks and Insider Participation

Currently, there is no compensation committee. The members of the entire board deliberate and decide compensation. Neither Mr. Jerd nor Mr. Raymond is or has been an employee or an officer of our company. Mr. Howlett is our Chairman and Chief Executive Officer, and Mr. Seitz is our President and Chief Operating Officer.

Report of the Board Regarding Executive Compensation

The Board as a whole meets to discuss executive compensation. For FY2005, the Board determined that increases to executive compensation should conform to recommendations received from our consultant, Compensation Consulting Alternatives. CCA has gathered average compensation data for the Computer Software/Services Industry that had been publicly released by Mercer's US Compensation Planning Survey, World at Work's Salary Budget Survey as well as Compensation Resource's Compensation Planning Survey. Based on CCA's report, increases in executive compensation for FY2005 were set at rates not to exceed 4% of base salary. The board also recommended reinstating a management bonus plan once earnings had returned to budgeted levels.
