## Edgar Filing: PSEG ENERGY HOLDINGS LLC - Form 8-K

The information contained in Item 8.01 Other Information in this combined Form 8-K is separately filed, as noted, by Public Service Enterprise Group Incorporated (PSEG), Public Service Electric and Gas Company (PSE&G), PSEG Power LLC (Power) and PSEG Energy Holdings L.L.C. (Energy Holdings). Information contained herein relating to any individual company is provided by such company on its own behalf and in connection with its respective Form 8-K. PSE&G, Power and Energy Holdings each makes representations only as to itself and makes no other representations whatsoever as to any other company.

### Item 8.01 Other Information

On December 20, 2004, PSEG and Exelon Corporation (Exelon) entered into an Agreement and Plan of Merger, pursuant to which PSEG would merge with and into Exelon with Exelon continuing as the surviving corporation (the Merger). On August 29, 2006, Exelon filed a Current Report on Form 8-K reporting, among other things, that a charge of approximately \$55 million (\$35 million after-tax) will be recorded in the third quarter of 2006 reflecting its write-off of its capitalized costs associated with the Merger. The text of Exelon's disclosure follows:

#### Merger-Related Costs

On December 20, 2004, Exelon and Public Service Enterprise Group Incorporated (PSEG) entered into an Agreement and Plan of Merger, pursuant to which PSEG would merge with and into Exelon with Exelon continuing as the surviving corporation (the Merger). Exelon has capitalized approximately \$55 million of costs associated with the Merger. Although Exelon remains committed to its ongoing efforts to complete the Merger, Exelon management determined that the probability of completion of the Merger is no longer more likely than not based on the status of settlement discussions in the proceedings before the New Jersey Board of Public Utilities. As required under GAAP, due to this decreased probability of completion of the Merger, Exelon will record a charge of approximately \$55 million (\$35 million after tax) in the third quarter of 2006 for the write-off of capitalized costs associated with the Merger.

PSEG has expensed all Merger-related costs, except for an immaterial amount of information technology-related costs. PSEG will make an assessment of these immaterial costs prior to the end of the third quarter of 2006.

A discussion of other risks associated with the proposed merger with Exelon Corporation is included in the definitive joint proxy statement/prospectus that Exelon filed with the SEC. These documents address in further detail the business, industry issues and other factors that could cause actual results to differ materially from those indicated in this communication. In addition, any forward-looking statements included herein represent PSEG's, PSE&G's, Power's and Energy Holdings' estimates only as of today and should not be relied upon as representing estimates as of any subsequent date.
