SUPPLEMENT TO PROXY STATEMENT
Amendment to Agreement and Plan of Merger Your Vote is Very Important

July 31, 2007

Dear Fellow Stockholder:

On or about June 13, 2007, we mailed to you a definitive proxy statement dated June 12, 2007 (the **Definitive Proxy**) relating to a special meeting of stockholders (the **Special Meeting**) of Vertrue Incorporated, a Delaware corporation (Vertrue, we or the **Company**), scheduled for July 12, 2007 to consider a proposal to adopt the Agreement and Plan of Merger, dated as of March 22, 2007 (the **Merger Agreement**), by and among the Company, Velo Holdings Inc., a Delaware corporation (**Parent**), and Velo Acquisition Inc., a Delaware corporation and a wholly owned subsidiary of Parent (**Merger Sub**). Parent is owned and/or backed by the equity commitment of an investor group consisting of One Equity Partners, Rho Ventures and Brencourt Credit Opportunities Master, Ltd. and Brencourt BD, LLC (collectively, **Brencourt Equity**). Under the terms of the Merger Agreement, Merger Sub will be merged with and into Vertrue, with Vertrue continuing as the surviving corporation (the **Merger**).

At the Special Meeting on July 12, 2007, the stockholders voted to adjourn the meeting until July 31, 2007 to permit the solicitation of additional proxies to adopt the Merger Agreement. The Special Meeting will be reconvened on Tuesday, July 31, 2007, at 9:30 a.m., Eastern Time, at the Stamford Marriott Hotel & Spa, 243 Tresser Boulevard, Stamford, Connecticut; however, we expect to convene the Special Meeting for the sole purpose of adjourning the Special Meeting to August 15, 2007 in order to permit the solicitation of additional proxies and to provide stockholders with additional time to consider the changes to the Merger effectuated by the Amendment (as defined below), including the Revised Merger Consideration (as defined below), and to review the enclosed proxy supplement. The further adjourned Special Meeting will be held on Wednesday, August 15, 2007, at 9:30 a.m., Eastern Time, at the Stamford Marriott Hotel & Spa, 243 Tresser Boulevard, Stamford, Connecticut.

As you may know, on July 18, 2007, the parties to the Merger Agreement amended the Merger Agreement to increase the consideration payable to Vertrue stockholders to \$50.00 per share in cash, without interest, from \$48.50 per share in cash, without interest. If the Merger is completed, you will be entitled to receive \$50.00 in cash (less any applicable withholding taxes), without interest, for each share of Vertrue common stock, par value \$0.01 per share (the **Common Stock**), that you own (the **Revised Merger Consideration**). In connection with the amendment to the Merger Agreement, on July 18, 2007, Parent entered into an agreement with Brencourt Advisors, LLC (**Brencourt Advisors**), pursuant to which Brencourt Advisors (i) agreed, on its behalf and on behalf of its managed accounts and funds, to vote in favor of the adoption of the amended Merger Agreement and the approval of the Merger and against any action adverse to the Merger, and (ii) was granted an option to acquire, for itself and/or one or more of its managed accounts, an interest in equity securities of Parent in an amount of not less than \$10 million and not more than \$25 million. On July 26, 2007, Brencourt Advisors gave irrevocable notice to Parent that it was exercising this option, on behalf of Brencourt Equity, to invest in equity securities of Parent in an amount of \$25 million. As of the date hereof, Brencourt

Advisors owned approximately 27.9% of the Common Stock.

Our board of directors (the Board of Directors), after careful consideration and following receipt of the unanimous recommendation of the Special Committee of the Board of Directors (the Special Committee) consisting of five independent and disinterested directors, has unanimously determined that the Merger is advisable and that the terms of the Merger are fair to and in the best interests of Vertrue and its stockholders (other than the

Table of Contents

Chief Executive Officer of Vertrue, Gary A. Johnson, and any other members of senior management of Vertrue who elect to invest in equity securities of Parent in connection with the Merger), and approved the amended Merger Agreement and the transactions contemplated thereby, including the Merger. FTN Midwest Securities Corp., financial advisor to the Special Committee, has delivered a fairness opinion to the effect that, as of July 18, 2007, and based upon and subject to the factors, qualifications, limitations and assumptions set forth therein, the Revised Merger Consideration to be received by the holders of shares of the Common Stock (other than shares held in the treasury of Vertrue and dissenting shares) pursuant to the amended Merger Agreement was fair, from a financial point of view, to such holders. Jefferies Broadview, a division of Jefferies & Company, Inc., financial advisor to the Board of Directors, has also delivered a fairness opinion to the effect that, as of July 18, 2007, and based upon and subject to the assumptions, limitations, qualifications and factors contained in its opinion, the Revised Merger Consideration to be received by holders of shares of the Common Stock pursuant to the amended Merger Agreement was fair, from a financial point of view, to such holders (other than Parent, Merger Sub and their respective affiliates).

Attached to this letter is a supplement to the Definitive Proxy containing additional and updated information about Vertrue and the amended Merger Agreement. Please read the proxy supplement carefully and in its entirety together with the Definitive Proxy (which was previously mailed to you). We also encourage you, if you have not done so already, to review carefully the Definitive Proxy that was previously mailed to you.

The record date for the adjourned Special Meeting has not changed and will not change when the meeting is adjourned on July 31, 2007 to August 15, 2007. The record date will remain June 7, 2007. This means that only holders of record of the Common Stock at the close of business on June 7, 2007 are entitled to vote at the Special Meeting.

Your vote is very important. We cannot complete the Merger unless holders of a majority of all outstanding shares of the Common Stock entitled to vote on the matter vote to adopt the amended Merger Agreement. **Our Board of Directors unanimously recommends that you vote FOR the proposal to adopt the amended Merger Agreement.** The failure of any stockholder to vote on the proposal to adopt the amended Merger Agreement will have the same effect as a vote against the adoption of the amended Merger Agreement.

For your convenience, we have enclosed revised proxy cards with the proxy supplement. If you have already delivered a properly executed proxy card regarding the Merger proposal, you do not need to do anything unless you wish to change your vote. If you have not previously submitted a proxy or if you wish to revoke or change your prior voting instruction, please submit a proxy by telephone or over the Internet, or complete, date, sign and return your proxy card as soon as possible. If you are a registered holder and have already submitted a properly executed proxy card, you can also attend the adjourned meeting and vote in person to change your vote. If your shares are held in street name by your bank, brokerage firm or other nominee, and if you have already provided instructions to your nominee but wish to change those instructions, you should provide new instructions following the procedures provided by your nominee.

If you have additional questions about the Merger after reading the proxy supplement, please contact our proxy solicitor, Georgeson Inc., by telephone at (212) 440-9800 (for banks and brokers) and (866) 577-4994 (for all others).

Our Board of Directors and management appreciate your continuing support of Vertrue, and we urge you to support the Merger.

Sincerely,

Robert Kamerschen
Chairman of the Special Committee

Gary A. Johnson
President, Chief Executive Officer and Director

INTRODUCTION

This supplement (this Proxy Supplement) is being sent to you because we have amended our Agreement and Plan of Merger, dated as of March 22, 2007 (the Merger Agreement), with Velo Holdings Inc. (Parent) and Velo Acquisition Inc., a wholly owned subsidiary of Parent (Merger Sub), by entering into the Amendment to the Agreement and Plan of Merger, dated as of July 18, 2007 (the Amendment) with Parent and Merger Sub (the Merger Agreement, as amended, the Amended Merger Agreement), the terms of which, among other things, increase the consideration payable to the stockholders of Vertrue Incorporated to \$50.00 per share in cash, without interest, from \$48.50 per share in cash, without interest, and our stockholders are being asked to adopt the Amended Merger Agreement. We are providing this Proxy Supplement in connection with the solicitation of proxies by the board of directors of Vertrue Incorporated (the Board of Directors) for use at a special meeting of our stockholders (the Special Meeting). This Proxy Supplement provides information about the amended transaction and updates our definitive proxy statement, which was filed on June 12, 2007 with the Securities and Exchange Commission (the SEC) (the Definitive Proxy). The information provided in our Definitive Proxy previously mailed to our stockholders on or about June 13, 2007 continues to apply, except as described in this Proxy Supplement. To the extent information in this Proxy Supplement differs from, updates or conflicts with information contained in the Definitive Proxy, the information contained in this Proxy Supplement is the more current information. If you need another copy of the Definitive Proxy or this Proxy Supplement, you may obtain it free of charge from the Company by directing such request to, the General Counsel, Vertrue Incorporated, 20 Glover Avenue, Norwalk, Connecticut 06850; or by telephone at (203) 324-7635. The Definitive Proxy is also available from the SEC s website at <http://www.sec.gov>. See Where You Can Find More Information beginning on page S-49 of this Proxy Supplement.

Table of Contents**UPDATE TO THE SUMMARY TERM SHEET**

This Update to the Summary Term Sheet, together with the Update to Questions and Answers About the Special Meeting and the Merger, summarizes the material information in the Proxy Supplement. You should carefully read this entire Proxy Supplement, the Definitive Proxy and the other documents to which this Proxy Supplement and the Definitive Proxy refer you for a more complete understanding of the matters being considered at the Special Meeting. In addition, this Proxy Supplement incorporates by reference important business and financial information about Vertrue. You may obtain the information incorporated by reference into this Proxy Supplement without charge by following the instructions in Where You Can Find More Information beginning on page S-49.

The Merger and the Merger Agreement Amendment***Merger Agreement Amendment (see page S-12).***

On July 18, 2007, we, together with Parent and Merger Sub, amended the Merger Agreement to increase the consideration payable to Vertrue stockholders to \$50.00 per share in cash, without interest (the Revised Merger Consideration), from \$48.50 per share in cash, without interest. If the merger of Merger Sub with and into Vertrue with Vertrue as the surviving corporation (the Surviving Corporation) as contemplated by the Amended Merger Agreement (the Merger) is completed, you will be entitled to receive \$50.00 in cash, without interest, less any applicable withholding taxes, for each share of Vertrue's common stock, par value \$0.01 per share (the Common Stock) that you own. See Summary of Amendment to the Merger Agreement beginning on page S-12.

Parent (see page S-12). Velo Holdings Inc., a Delaware corporation, was formed solely for the purpose of effecting the Merger and the transactions related to the Merger. Parent has not engaged in any business except in furtherance of this purpose. Parent is owned and/or backed by the equity commitments of an investor group consisting of One Equity Partners II, L.P. (OEP), Rho Ventures V, L.P. (Rho Ventures V), Rho Ventures V, Affiliates, L.L.C. (together with Rho Ventures V, Rho Ventures) and Brencourt Credit Opportunities Master, Ltd. and Brencourt BD, LLC (collectively, Brencourt Equity). OEP and Rho Ventures are collectively referred to in this Proxy Supplement as the Sponsors . Oak Investment Partners XII, L.P. (Oak), which was originally part of the investor group formed to acquire Vertrue, has determined not to participate in the Merger at the Revised Merger Consideration. Accordingly, the term Sponsor when used throughout the Definitive Proxy shall not include Oak. For more information on the Sponsors and Brencourt Equity, see Annex D.

Amendment to the Rollover and Voting Agreement Between Gary A. Johnson, Chief Executive Officer of Vertrue, and Parent (see page S-42). On July 18, 2007, Gary A. Johnson, Vertrue's Chief Executive Officer (CEO), and Parent entered into an amendment to the rollover and voting agreement, dated as of March 22, 2007, between Gary A. Johnson and Parent to reflect the increase of the merger consideration from \$48.50 per share in cash to \$50.00 per share in cash as contemplated by the Amended Merger Agreement. Pursuant to the rollover and voting agreement, as amended, Gary A. Johnson agreed to vote in favor of the adoption of the Amended Merger Agreement and the approval of the Merger and against any action adverse to the Merger. As of the date of this Proxy Supplement, Gary A. Johnson beneficially owned approximately 11.5% of the outstanding shares of the Common Stock. The rollover and voting agreement will terminate automatically upon termination of the Amended Merger Agreement.

Voting Agreement Between Brencourt Advisors, LLC and Parent (see page S-42). On July 18, 2007, Brencourt Advisors, LLC (Brencourt Advisors) and Parent entered into an agreement (the Brencourt Voting

Agreement) pursuant to which:

Brencourt Advisors was granted an option (the Brencourt Option) to acquire, for itself and/or one or more of its managed accounts, an interest in equity securities of Parent in an amount of not less than \$10 million and not more than \$25 million. On July 26, 2007, Brencourt Advisors gave irrevocable notice to Parent that it was exercising, on behalf of Brencourt Equity, the Brencourt Option to invest in equity securities of Parent in an amount of \$25 million;

S-2

Table of Contents

Brencourt Advisors agreed that it will vote or execute consents in respect of each share of the Common Stock with respect to which it has voting power: (i) in favor of the adoption of the Amended Merger Agreement, the Merger and the other transactions contemplated thereby, (ii) at Parent's direction, in favor of any further adjournments of the Special Meeting and (iii) against any action that would or is designed to delay, prevent or frustrate the Merger and the other transactions contemplated by the Amended Merger Agreement. As of the date of this Proxy Supplement, Brencourt Advisors owned approximately 27.9% of the outstanding shares of the Common Stock. As of the date of this Proxy Supplement, Brencourt Advisors and Gary A. Johnson owned an aggregate of approximately 34.4% of the outstanding shares of the Common Stock; and

The Brencourt Voting Agreement will terminate upon the first to occur of (i) the termination of the Amended Merger Agreement in accordance with its terms or (ii) the effective time of the Merger.

Rights Agreement and Its Amendment. On July 3, 2007, the Board of Directors declared a dividend of one right (a "Right"), payable in accordance with the terms of the Stockholder Protection Rights Agreement, dated as of July 3, 2007 (the "Rights Agreement"), between the Company and American Stock Transfer & Trust Company, a New York corporation, as Rights Agent, for each outstanding share of the Common Stock held of record at the close of business on July 16, 2007, and the Board of Directors authorized the issuance of one right for each share of Common Stock issued thereafter and prior to the separation time (as defined in the Rights Agreement) and thereafter pursuant to options and convertible securities outstanding at the separation time. Each Right entitles its registered holder to purchase from the Company, after the separation time, one one-hundredth of a share of the Company's Participating Preferred Stock, no par value, for \$240.00, subject to adjustment. On July 18, 2007, Vertrue entered into an amendment to the Rights Agreement to exempt the transaction contemplated by the Brencourt Voting Agreement.

Other Management Investors (see page S-41). Several other members of our management team have been provided an opportunity to purchase equity securities in Parent in connection with the consummation of the Merger. As of the date of this Proxy Supplement, although no definitive agreements have been reached, several members of our management team are expected to invest in Parent; however, the equity investment by each management investor, excluding Gary A. Johnson, is currently expected to represent an immaterial amount of the voting stock of Parent; and the equity investment of Gary A. Johnson in Parent, inclusive of his expected interest in restricted equity under Parent's equity incentive plan, is expected to represent approximately 13.2% of the outstanding voting stock of Parent as of the closing of the Merger. As of the date of this Proxy Supplement, our senior management (including Gary A. Johnson's 11.5% beneficial interest) beneficially owns approximately 18.4% of the outstanding shares of the Common Stock.

Treatment of Outstanding Options and Restricted Stock. Upon consummation of the Merger, each outstanding option to purchase shares of the Common Stock, vested or unvested, will be cancelled and will only entitle the holder of such option to receive a cash payment equal to the total number of shares of the Common Stock subject to such option multiplied by the amount (if any) by which \$50.00 exceeds the option exercise price, without interest and less any applicable withholding taxes. Additionally, each outstanding share of restricted stock of Vertrue will be cancelled and will only entitle the holder of such restricted stock to receive a cash payment of \$50.00, without interest and less any applicable withholding taxes.

The Special Meeting

See "Update to Questions and Answers About the Special Meeting and the Merger" beginning on page S-7 and "Update to the Special Meeting" beginning on page S-13.

Other Important Considerations

The Special Committee and its Recommendation. The Special Committee is a committee of our Board of Directors that was formed on December 15, 2006 for the purpose of reviewing, evaluating and, as appropriate, negotiating a possible transaction relating to the sale of Vertrue. The Special Committee is

S-3

Table of Contents

comprised of five independent and disinterested directors. The members of the Special Committee are Messrs. Joseph E. Heid, Robert Kamerschen (Chairman), Michael T. McClorey, Edward M. Stern and Marc S. Tesler. The Special Committee unanimously determined that the Amended Merger Agreement and the transactions contemplated thereby, including the Merger, are fair to and in the best interests of our stockholders (other than Parent, Merger Sub, their respective affiliates, our CEO Gary A. Johnson and any other members of our senior management who invest in Parent in connection with the Merger, such stockholders being referred to in this Proxy Supplement collectively as the unaffiliated stockholders) and recommended to our Board of Directors that the Amended Merger Agreement and the transactions contemplated thereby, including the Merger, be approved and declared advisable by our Board of Directors, and that our Board of Directors recommend adoption by our stockholders of the Amended Merger Agreement.

Our Board of Directors Recommendation. Our Board of Directors, following receipt of the unanimous recommendation of the Special Committee, unanimously recommends that our stockholders vote FOR the adoption of the Amended Merger Agreement.

For a discussion of the material factors considered by our Board of Directors and the Special Committee in reaching their conclusions and the reasons why our Board of Directors and the Special Committee determined that the Merger is fair, see Update to Special Factors Reasons for the Merger; Recommendation of the Special Committee and of Our Board of Directors; Fairness of the Merger beginning on page S-17.

Share Ownership of Directors and Executive Officers. As of June 7, 2007, the record date, our directors and executive officers (other than our CEO, Gary A. Johnson) held and are entitled to vote, in the aggregate, shares of the Common Stock representing approximately 1.7% of the outstanding shares of the Common Stock entitled to vote. Our directors and executive officers are expected to vote all of their shares of the Common Stock FOR the adoption of the Amended Merger Agreement and FOR the adjournment proposal, if necessary. In addition, our CEO Gary A. Johnson, holding approximately 6.5% of the outstanding shares of the Common Stock entitled to vote as of the record date, has entered into an agreement with Parent to vote his shares FOR the adoption of the Amended Merger Agreement. See Update to Important Information About Vertrue Security Ownership of Certain Beneficial Owners and Management beginning on page S-45.

Interests of Our Directors and Executive Officers in the Merger (see page S-39). In considering the recommendations of the Board of Directors, Vertrue's stockholders should be aware that certain of Vertrue's directors and executive officers have interests in the transaction that are different from, and/or in addition to, the interests of Vertrue's stockholders generally. The following information updates certain information presented in Special Factors Interests of Vertrue's Directors and Executive Officers in the Merger beginning on page 55 of the Definitive Proxy.

Vertrue's executive officers and directors will be entitled to receive the excess, if any, of \$50.00 over the applicable per share exercise price for each stock option held by them, whether or not vested or exercisable, less any applicable withholding tax.

Vertrue's executive officers and directors will be entitled to receive \$50.00 per share in cash for each share of restricted stock held by them.

Our CEO, Gary A. Johnson, has agreed to contribute up to \$20 million of his shares of the Common Stock (valued at \$50.00 per share) to Parent in exchange for equity securities of Parent.

Several other members of Vertrue's management team have been provided an opportunity to invest in Parent by purchasing equity securities of Parent in connection with the consummation of the Merger. As of the date

of this Proxy Supplement, although no definitive agreements have been reached, several members of the management team are expected to invest in Parent; however, the equity investment by each management investor, excluding Gary A. Johnson, is currently expected to represent an immaterial amount of the voting stock of Parent.

Table of Contents***Opinions of FTN Midwest Securities and Jefferies Broadview.***

Opinion of FTN Midwest Securities (see page S-19). FTN Midwest Securities Corp. (FTN) has delivered its opinion to the Special Committee that, as of July 18, 2007 and based upon and subject to the factors, qualifications, limitations and assumptions set forth therein, the Revised Merger Consideration to be received by the holders of shares of the Common Stock (other than shares held in the treasury of Vertrue and dissenting shares) pursuant to the Amended Merger Agreement was fair, from a financial point of view, to such holders. The full text of the written opinion of FTN, dated July 18, 2007, which sets forth the assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with FTN's opinion, is attached as Annex B and incorporated by reference into this Proxy Supplement. FTN provided its opinion for the information and assistance of the Special Committee, in connection with its consideration of the Merger. We urge you to read that opinion carefully and in its entirety for the assumptions made, procedures followed, other matters considered and limits of the review undertaken in arriving at the opinion. The opinion of FTN is not a recommendation as to how any holder of shares of the Common Stock should vote or act with respect to the Merger. FTN received a fee for rendering the opinion.

Opinion of Jefferies Broadview (see page S-28). Jefferies Broadview, a division of Jefferies & Company, Inc., has delivered its opinion to the Board of Directors that, as of July 18, 2007, based upon and subject to the assumptions, limitations, qualifications and factors contained in its opinion, the Revised Merger Consideration to be received by the holders of shares of the Common Stock pursuant to the Amended Merger Agreement was fair, from a financial point of view, to such holders (other than Parent, Merger Sub and their respective affiliates). The full text of the written opinion of Jefferies Broadview, dated July 18, 2007, is attached to this Proxy Supplement as Annex C and incorporated into this Proxy Supplement by reference. We urge you to read that opinion carefully and in its entirety for the assumptions made, procedures followed, other matters considered and limits of the review undertaken in arriving at the opinion. The opinion of Jefferies Broadview is not a recommendation as to how any holder of shares of the Common Stock should vote or act with respect to the Merger. Jefferies Broadview received a fee for rendering the opinion.

Sources of Financing (see page S-39). The Amended Merger Agreement does not contain any condition relating to the receipt of financing by Parent or Merger Sub. Vertrue and Parent estimate that the total amount of funds required to complete the Merger and the related transactions, including payment of fees and expenses in connection with the Merger, is approximately \$850 million. This amount is expected to be funded through a combination of equity and debt financing.

Equity Financing. Parent has received equity commitments with respect to an aggregate of up to \$200 million, consisting of up to \$185 million from OEP and up to \$15 million from Rho Ventures. In addition, Gary A. Johnson has agreed to contribute up to \$20 million of his shares of the Common Stock (valued at \$50.00 per share) to Parent in exchange for equity securities of Parent. On July 26, 2007, Brencourt Advisors, on behalf of Brencourt Equity, gave irrevocable notice to Parent that it was exercising the Brencourt Option to invest in equity securities of Parent in an amount of \$25 million, which amount will reduce the amount being invested by OEP by \$25 million.

Debt Financing. The debt financing remains the same as that described in the Definitive Proxy (see Special Factors Financing of the Merger Debt Financing beginning on page 52 of the Definitive Proxy).

Position of Gary A. Johnson as to Fairness (see page S-35). To comply with the requirements of Rule 13e-3, our Board of Directors and Gary A. Johnson make certain disclosure herein as to their belief as to the fairness of the Merger to our unaffiliated stockholders.

Position of Parent, Merger Sub and the Sponsors as to Fairness (see page S-35). Parent, Merger Sub and the Sponsors make certain disclosure herein as to their belief as to the fairness of the Merger to our unaffiliated stockholders.

Table of Contents

Position of the Brencourt Parties as to Fairness (see page S-36). Brencourt Equity and Brencourt Advisors (collectively, the Brencourt Parties) make certain disclosure herein as to their belief as to the fairness of the Merger to our unaffiliated stockholders.

Special Committee and Board of Directors Recommendation (see pages S-17 and S-18). Each of the Special Committee and our Board of Directors has unanimously determined that the Amended Merger Agreement and the transactions contemplated thereby, including the Merger, are advisable, fair to and in the best interests of our unaffiliated stockholders. In evaluating the Merger, the Special Committee retained and consulted with its independent legal and financial advisors, reviewed a significant amount of information and considered a number of factors and procedural safeguards set forth below in Update to Special Factors Reasons for the Merger; Recommendation of the Special Committee and of Our Board of Directors; Fairness of the Merger beginning on page S-17. Based upon the foregoing, and consistent with its general recommendation to stockholders, the Special Committee and our Board of Directors believe that the Amended Merger Agreement and the Merger are substantively and procedurally fair to our unaffiliated stockholders.

Market Price of the Common Stock (see page S-43). The closing sale price of the Common Stock on the NASDAQ Global Market (the NASDAQ) on January 23, 2007, the last trading day prior to (i) press reports of rumors regarding a potential acquisition of Vertrue, and (ii) the Company s press release announcing its second quarter earnings, which met or exceeded the previously announced guidance by Vertrue s management in most respects, was \$40.12 per share. The \$50.00 share to be paid for each share of the Common Stock in the Merger represents a premium of approximately 24.6% to the closing price on January 23, 2007.

Q. What is the effect of the July 18, 2007 amendment to the Merger Agreement?

A. The Amendment has the effect of increasing the merger consideration to be paid to the Company's stockholders for their shares to \$50.00 per share in cash, without interest, from \$48.50 per share in cash, without interest. The terms of the Amendment are described beginning on page S-12 of this Proxy Supplement under the heading Summary of Amendment to the Merger Agreement.

Q. How is the increase to the merger consideration being financed?

A. The increase in the merger consideration is being funded through an increase in the equity financing arranged by Parent. In connection with the amendment to the Merger Agreement, Parent received amended equity commitment letters, dated as of July 18, 2007, from each of OEP and Rho Ventures, pursuant to which OEP has committed to purchase up to \$185 million of equity securities of Parent for cash, and Rho Ventures has committed to purchase up to \$15 million of equity securities of Parent for cash. In addition, on July 26, 2007, Brencourt Advisors, on behalf of Brencourt Equity, gave irrevocable notice to Parent that it was exercising the Brencourt Option to invest in equity securities of Parent in an amount of \$25 million, which amount will reduce the amount being invested by OEP by \$25 million.

Q. When do you expect to complete the Merger?

A. **The Merger will be completed after all of the conditions to completion of the Merger are satisfied or waived, including adoption of the Amended Merger Agreement by our stockholders.** We are working toward completing the Merger as quickly as possible, and we currently anticipate that it will be completed in the third calendar quarter of 2007, although we cannot assure completion by any particular date, if at all. We will issue a press release and send you a letter of transmittal for your stock certificates once the Merger has been completed.

Q. When and where is the Special Meeting?

A. The Special Meeting, which was first convened on July 12, 2007, has been adjourned to Tuesday, July 31, 2007 at 9:30 a.m., Eastern Time, at the Stamford Marriott Hotel & Spa, 243 Tresser Boulevard, Stamford, Connecticut; however, we expect to reconvene the Special Meeting on July 31, 2007 for the sole purpose of adjourning it in

order to permit the solicitation of additional proxies and to provide stockholders with additional time to consider the changes to the Merger effectuated by the Amendment, including the Revised Merger Consideration, and to review this Proxy Supplement. We expect to reconvene the Special Meeting on Wednesday, August 15, 2007, at 9:30 a.m., Eastern Time, at the Stamford Marriott Hotel & Spa, 243 Tresser Boulevard, Stamford, Connecticut.

Q. What matters will be considered and voted on at the Special Meeting?

A. You will be asked to consider and vote on the following proposals:

to adopt the Amended Merger Agreement;

S-7

to approve the adjournment or postponement of the Special Meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the Special Meeting to adopt the Amended Merger Agreement; and

to act upon other business as may properly come before the Special Meeting or any adjournment or postponement thereof.

Q. How does the Vertrue Board of Directors recommend that I vote on the proposal?

A. Our Board of Directors, acting on the unanimous recommendation of the Special Committee, unanimously recommends that you vote FOR the proposal to adopt the Amended Merger Agreement and approve the Merger and FOR the proposal to approve any adjournments of the Special Meeting for the purpose of soliciting additional proxies if there are not sufficient votes at the Special Meeting to adopt the Amended Merger Agreement and approve the Merger. We expect to reconvene the Special Meeting on July 31, 2007 for the sole purpose of holding a vote to adjourn it until August 15, 2007 in order to permit the solicitation of additional proxies and to provide stockholders with additional time to consider the changes to the Merger effectuated by the Amendment, including the Revised Merger Consideration, and to review this Proxy Supplement.

Q. Did the Vertrue Board of Directors receive fairness opinions from its financial advisors?

A. Yes. On July 18, 2007, FTN, financial advisor to the Special Committee, delivered an opinion to the Special Committee, and Jefferies Broadview, financial advisor to the Board of Directors, delivered an opinion to the Board of Directors, that, as of July 18, 2007 and based upon and subject to the factors and assumptions set forth therein, \$50.00 per share in cash, without interest, to be received by the holders of shares of the Common Stock pursuant to the Amended Merger Agreement was fair from a financial point of view to such holders.

Q. What do I need to do now?

A. Even if you plan to attend the Special Meeting, after carefully reading and considering the information contained in this Proxy Supplement, please vote your shares by:

if you hold your shares in your own name as the stockholder of record: (1) completing, signing, dating and returning the enclosed proxy card; (2) using the telephone number printed on your proxy card; or (3) using the Internet voting instructions printed on your proxy card. You can also attend the Special Meeting and vote in person; and

if you hold your shares in street name through a broker, bank or other nominee, following the voting instructions you received from your broker, bank or other nominee with this Proxy Supplement.

DO NOT ENCLOSE OR RETURN YOUR STOCK CERTIFICATE(S) WITH YOUR PROXY.

Q: How do I vote?

A. You may vote as described above. If you return your signed proxy card, but do not mark the boxes showing how you wish to vote, your shares will be voted FOR the proposal to adopt the Amended Merger Agreement and FOR the adjournment proposal.

Q. Who will count the votes?

A. A representative of Broadridge Financial Solutions, Inc. (Broadridge) will count the votes and act as an inspector of election. Questions concerning stock certificate or other matters pertaining to your shares may be directed to American Stock Transfer & Trust Company, Shareholder Relations Group at (800) 937-5449.

Q. What should I do if I have already voted?

A. **If you have already provided instructions on the merger proposal using a properly executed instruction card**, you will be considered to have voted on the Amended Merger Agreement as well, and you do not need to do anything **unless you wish to change your vote**.

S-8

Table of Contents

If you have already provided instructions on the merger proposal using a properly executed instruction card but wish to change your vote, simply fill out the instruction card included with this Proxy Supplement and return it in the accompanying prepaid envelope. Your shares will be voted in accordance with your duly executed instructions received by Broadridge by 11:59 p.m., Eastern Time, on August 14, 2007.

You may also revoke previously given voting instructions at any time before the vote is taken at the Special Meeting as follows:

if you hold your shares in your name as a stockholder of record;

by sending written notice to Loren Ambrose at 20 Glover Avenue, Norwalk, Connecticut 06850;

by attending the Special Meeting and voting in person (your attendance at the meeting will not, by itself, revoke your proxy; you must vote in person at the Special Meeting); or

by submitting a later-dated proxy card, proxy by telephone or proxy over the Internet; and

if your shares are held in street name, you must contact your broker, bank or other nominee and follow the instructions provided to you in order to revoke your vote.

Q. What happens if I sell my shares of Vertrue Common Stock before the Special Meeting?

A. The record date for stockholders entitled to vote at the Special Meeting remains June 7, 2007. If you transfer your shares of the Common Stock after the record date but before the Special Meeting (including any adjournment thereof), you will, unless special arrangements are made, retain your right to vote at the Special Meeting but will transfer the right to receive the Revised Merger Consideration to the person to whom you transfer (or have transferred) your shares.

Q. Who is soliciting my vote?

A. This proxy solicitation is being made and paid for by Vertrue. In addition, we have retained Georgeson Inc. (Georgeson) to assist in the solicitation. We will pay Georgeson approximately \$23,000 plus expenses for its assistance. Our directors, officers and regular employees, without additional remuneration, may also solicit proxies by telephone, telegraph, personal interviews, mail, e-mail, facsimile or other means of communication. We will also request brokers and other fiduciaries to forward proxy solicitation material to the beneficial owners of shares of the Common Stock that the brokers and fiduciaries hold of record. We will reimburse them for their reasonable out-of-pocket expenses.

Q. Who can help answer my questions?

A. If you have additional questions about the Merger after reading this Proxy Supplement, please contact us by telephone at (203) 324-7635 or our proxy solicitor, Georgeson Inc., by telephone at (212) 440-9800 (for banks and brokers) and (866) 577-4994 (for all others).

SUMMARY OF AMENDMENT TO THE MERGER AGREEMENT

The following describes the material provisions of the Amendment, but is not intended to be an exhaustive discussion of the Amendment. We encourage you to read each of the Amendment, attached as Annex A to this Proxy Supplement, and the Merger Agreement, attached as Annex A to the Definitive Proxy, carefully and in its entirety.

The Amendment provides for, among other things, an increase in the amount of consideration payable to Vertrue stockholders, if the Merger is completed, to \$50.00 per share in cash, without interest, from \$48.50 per share in cash, without interest.

UPDATE TO THE PARTIES INVOLVED IN THE MERGER

The Definitive Proxy describes the parties involved in the Merger. The discussion below updates the description of Parent.

Velo Holdings Inc., which we refer to as Parent in this Proxy Supplement, is a Delaware corporation that was formed solely for the purpose of acquiring Vertrue. Parent is owned and/or backed by the equity commitment of an investor group consisting of OEP, Rho Ventures and Brencourt Equity. We refer to OEP and Rho Ventures in this Proxy Supplement as the Sponsors. Oak, which was originally part of the investor group formed to acquire Vertrue, has determined not to participate in the Merger at the increased \$50.00 per share merger consideration. Accordingly, the term "Sponsor" when used throughout the Definitive Proxy shall not include Oak.

In connection with the termination of Oak's participation in the investor group, concurrently with the Amendment, Oak's limited guaranty in favor of the Company and equity commitment were terminated and each of OEP and Rho Ventures both increased the amount of their respective limited guaranties in favor of the Company to replace Oak's terminated guarantee, and amended their equity commitment letters to provide the required equity to replace Oak's equity commitment and to fund the aggregate amount of the Revised Merger Consideration. On July 26, 2007, Brencourt Advisors, on behalf of Brencourt Equity, gave irrevocable notice to Parent that it was exercising the Brencourt Option to invest in equity securities of Parent in an amount of \$25 million, which amount will reduce the amount being invested by OEP by \$25 million. The principal office address of Parent is still c/o One Equity Partners II, L.P., 320 Park Avenue, 18th Floor, New York, NY 10022; and the telephone number at such address is (212) 277-1500.

UPDATE TO SPECIAL FACTORS

This discussion of the Merger is qualified by reference to the Merger Agreement, which is attached to the Definitive Proxy as Annex A, and the Amendment, which is attached to this Proxy Supplement as Annex A. You should read the entire Merger Agreement and the Amendment carefully as they are the legal documents that govern the Merger. In addition, you should carefully read this Proxy Supplement, the Definitive Proxy and the other documents to which this Proxy Supplement and the Definitive Proxy refer you for a more complete understanding of the matters discussed in this section.

Background of the Merger

The Definitive Proxy describes the background of the proposed Merger up to and including June 12, 2007. The discussion below supplements that description.

From the second half of June until the date of this proxy supplement, Vertrue as well as its proxy solicitor, Georgeson, communicated with Vertrue's stockholders regarding the proposed Merger and monitored the votes cast by stockholders who had submitted their proxies.

On June 20, 2007, Brencourt Advisors entered into an agreement (the Brencourt Agreement) with Thomas W. Smith and Scott J. Vassalluzzo (collectively, Sellers) to purchase, on behalf of accounts and funds managed by it, 1,807,021 shares of the Common Stock from Sellers and funds managed by them at a price of \$48.90 per share (subject to adjustment). Pursuant to the terms of the Brencourt Agreement, Sellers agreed to grant Brencourt Advisors an irrevocable proxy to vote such shares. On July 11, 2007, promptly after expiration of the waiting period under the Hart-Scott Rodino Antitrust Improvement Act of 1976 as amended, the parties consummated the transaction contemplated by the Brencourt Agreement, and Brencourt Advisors acquired, on behalf of accounts and funds managed by it, 1,805,778 shares of the Common Stock for \$48.907 per share. As a result of the Brencourt Agreement, Brencourt Advisors increased its beneficial ownership of the Common Stock from 9.66% to 27.9% of the outstanding shares of the Common Stock.

On June 21, 2007, Brencourt Advisors filed an amendment to its Schedule 13D, initially filed with the SEC on May 18, 2007 and first amended on May 23, 2007. In an exhibit (hereinafter referred to as the Brencourt Letter) to the June 21 amendment to the Schedule 13D, Brencourt Advisors made additional arguments for its position that the merger consideration of \$48.50 per share in cash was too low and once again suggested that the Board of Directors pursue an alternative value-enhancing transaction, including a leveraged recapitalization of Vertrue. As disclosed in the Definitive Proxy, the Special Committee previously examined, with the assistance of FTN, a wide range of potential alternative value-enhancing transactions, including a leveraged recapitalization of Vertrue, before it recommended that the Board of Directors adopt the Merger Agreement, and the Special Committee and later the Board of Directors, after consideration and deliberation, concluded that a leveraged recapitalization was not in the best interests of the Company or its stockholders because it posed too great a risk to the Company and its stockholders and should not be pursued by the Company.

On June 22, 2007, Ramius Capital Group, LLC, Parche, LLC, RCG Ambrose Master Fund, Ltd., Admiral Advisors, LLC, C4S & Co., LLC, Peter A. Cohen, Morgan B. Stark, Thomas W. Strauss and Jeffrey M. Solomon (collectively, Ramius) filed an amendment to its Schedule 13D, disclosing that Ramius had, on June 20, 2007, entered into an agreement (the Ramius Agreement) pursuant to which Ramius purchased 411,000 shares of the Common Stock from Sellers and funds managed by them at a price of \$48.75 per share, and Sellers granted Ramius an irrevocable proxy to vote such shares in its discretion. As a result of the Ramius Agreement, Ramius increased its beneficial ownership of

the Common Stock from 5.4% to 9.9% of the outstanding shares of the Common Stock. Ramius had previously disclosed in its original Schedule 13D, filed on June 11, 2007, its view that the merger consideration of \$48.50 per share in cash did not adequately value Vertrue and that it intended to vote against the adoption of the Merger Agreement.

On June 25, 2007, the Special Committee held a telephonic meeting to discuss the Brencourt Agreement and the Ramius Agreement. Gary A. Johnson was invited to attend the meeting to discuss business aspects of the analyses in the Brencourt Letter. Representatives from Sullivan & Cromwell LLP, counsel to the Special Committee (S&C), Morris, Nichols, Arsht & Tunnell LLP, Delaware counsel to the Special Committee (MNAT), and FTN

S-14

Table of Contents

attended the meeting. At the meeting, representatives of each of S&C and MNAT reviewed for the Special Committee its fiduciary duties. The Special Committee discussed the Brencourt Letter, which focused on certain specific assumptions underlying the analyses of Jefferies Broadview and a potential leveraged recapitalization. After consideration and deliberation, the Special Committee authorized Vertrue to seek permission from OEP to approach Brencourt Advisors.

On June 25, 2007, Robert Kamerschen, the Chairman of the Special Committee (hereinafter referred to as Mr. Kamerschen), with OEP's consent and joined by representatives from each of S&C and FTN, held a discussion with Brencourt Advisors to obtain clarification regarding certain of the statements made in the Brencourt Letter.

On June 26, 2007, the Special Committee held a telephonic meeting to further discuss the Brencourt Agreement and the Ramius Agreement, and, in light of the fact that Brencourt Advisors had amassed a substantial stake in the Company through transactions in the market, to consider whether to recommend that the Board of Directors adopt a Stockholder Protection Rights Agreement (the Rights Agreement). Representatives from each of S&C and MNAT reviewed for the Special Committee its fiduciary duties. A representative from S&C discussed the terms of the proposed Rights Agreement, and noted that it would discourage Brencourt Advisors from acquiring additional shares of the Common Stock and would discourage any other person from acquiring 15% or more of shares of the Common Stock without first seeking the Board of Directors approval of an amendment to the Rights Agreement or a redemption of the Rights provided for in the Rights Agreement. The Special Committee considered whether the additional acquisition of shares by Brencourt Advisors or an acquisition of 15% or more of shares of the Common Stock by any other person would pose a threat to the Company and its stockholders. Among other things, the Special Committee determined once again that the leveraged recapitalization advocated by Brencourt Advisors was not in the best interests of the Company or its stockholders because it posed too great a risk to the Company and its stockholders and should not be pursued by the Company. The Special Committee was concerned that, absent the Rights Agreement, Brencourt Advisors, Ramius or some other third party might obtain control of the Company without paying a control premium to the other holders of the Common Stock. After further consideration and deliberation, the Special Committee concluded that adopting the Rights Agreement would be a reasonable response to address the concerns identified by the Special Committee, and would neither preclude the Company's stockholders from rejecting the Merger Agreement nor coerce the stockholders into voting in favor of the Merger Agreement, and recommended that the Board of Directors approve the Rights Agreement.

On July 2, 2007, the Board of Directors held a telephonic meeting to discuss the proposed Rights Agreement and the concerns identified by the Special Committee. Following the July 2 meeting, the Board of Directors approved the Rights Agreement by unanimous written consent. On July 3, 2007, Vertrue executed the Rights Agreement.

From and after June 22, 2007, and through the signing of the amendment to the Merger Agreement, Vertrue's management and representatives of FTN and S&C, from time to time, contacted the Sponsors to inquire whether the Sponsors would increase the merger consideration.

On July 9, 2007, Mr. Kamerschen, joined by representatives from each of S&C and FTN, held a discussion with Ramius to obtain clarification regarding Ramius' position with regard to the Merger.

On Wednesday, July 11, 2007, the Sponsors called Brencourt Advisors to inquire whether Brencourt Advisors was prepared to meet to discuss supporting the Merger if the Sponsors increased the merger consideration. During the telephone call, the Sponsors indicated that they were prepared to meet to discuss an increase of the merger consideration by \$0.50 per share to \$49.00 per share. Brencourt Advisors indicated that it did not believe it was worth meeting to discuss such an increase. Following the call, the Sponsors informed Mr. Kamerschen of this discussion.

In the afternoon of July 11, 2007, at the request of Mr. Kamerschen, representatives from Brencourt Advisors and OEP held a meeting with Mr. Kamerschen in an effort to determine whether the parties could agree to revise the terms of the Merger Agreement in a manner that would convince Brencourt Advisors to support the Merger Agreement. At that meeting, representatives from OEP indicated that they were prepared to increase the merger consideration to \$50.00 per share but were unwilling to go any higher. OEP also indicated that since Oak might not participate in the transaction at the higher price, there might be an opportunity for Brencourt Advisors to co-invest in

S-15

Table of Contents

Parent. The meeting ended without the parties reaching any agreement and later discussions through intermediaries also proved fruitless, as OEP continued to refuse to increase the merger consideration above \$50.00 per share. Later that evening, Brencourt Advisors indicated that it would be willing to vote in favor of an adjournment of the Special Meeting on July 12, 2007 in order to permit the representatives from Brencourt Advisors and OEP to continue discussions regarding a potential increase in the merger consideration and a potential co-investment by Brencourt Advisors in Parent.

At the Special Meeting convened on July 12, 2007, the stockholders approved a measure to adjourn the Special Meeting to July 31, 2007.

Between July 12, 2007 and July 16, 2007, representatives from Brencourt Advisors, OEP and the Company continued discussions regarding a potential increase in the merger consideration and a potential co-investment by Brencourt Advisors in Parent.

On July 16, 2007, Parent notified the Special Committee and the Company that it was prepared, subject to the approval of the Board of Directors, to enter into an agreement with Brencourt Advisors (the Brencourt Voting Agreement), pursuant to which (i) Brencourt Advisors would agree to vote all of its shares of the Common Stock in favor of the adoption of the Merger Agreement, as it would be amended, to increase the merger consideration to \$50.00 per share from \$48.50 per share and (ii) Parent would provide Brencourt Advisors an option (exercisable, on behalf of Brencourt Equity, for a period of five business days following Brencourt Advisors obtaining access to Vertrue's diligence data site) to purchase, on behalf of Brencourt Equity, equity securities of Parent in the amount of no less than \$10 million and no more than \$25 million on the same terms as Rho Ventures. The proposed Brencourt Voting Agreement would terminate upon the first to occur of (i) termination of the Merger Agreement, as it would be amended, by its terms and (ii) the effective time of the Merger. Parent also advised the Company that Oak had indicated that it did not wish to invest in Parent if Parent increased the merger consideration to \$50.00 per share. OEP and Rho Ventures indicated on that day they were willing to agree to replace the entire amount of Oak's equity commitment in Parent, in the event that Brencourt Advisors elected not to co-invest in Parent.

On July 17, 2007, the Special Committee and the Board of Directors held a combined telephonic meeting to discuss the proposal received from the Sponsors, including the following proposed actions: (i) an amendment to the Merger Agreement to increase the merger consideration to \$50.00 per share, (ii) Parent entering into the Brencourt Voting Agreement, (iii) an amendment to the Rights Agreement to exempt the transactions contemplated by the Brencourt Voting Agreement, (iv) an agreement to terminate Oak's obligations under the Oak Limited Guaranty (the Oak Agreement) and (v) an amendment to the OEP Limited Guaranty and an amendment to the Rho Ventures Limited Guaranty pursuant to which OEP and Rho Ventures would guarantee the portion of Parent's termination fee previously guaranteed by Oak (collectively, the Guarantee Amendments). Representatives from S&C, FTN, Jefferies Broadview and MNAT were also in attendance. At the meeting, a representative of S&C summarized the terms of the proposal received from the Sponsors and discussed various issues relating to the proposal. The Special Committee and the Board of Directors then received presentations from each of FTN and Jefferies Broadview on the financial aspects of the proposal. After consideration and deliberation, in which FTN and Jefferies Broadview participated, the Special Committee unanimously agreed that S&C should be instructed to negotiate with Dechert LLP, counsel to the Sponsors (Dechert), a potential amendment to the Merger Agreement that would increase the merger consideration to \$50.00 per share.

On July 18, 2007, the Special Committee and the Board of Directors convened a telephonic meeting, together with representatives of S&C, FTN, Jefferies Broadview and MNAT. S&C explained the terms of the proposed Brencourt Voting Agreement and the proposed amendment to the Merger Agreement, and FTN delivered its oral opinion to the Special Committee and Jefferies Broadview delivered its oral opinion to the Board of Directors, each later confirmed by delivery of a written opinion, dated July 18, 2007, to the effect that, as of such date and based on and subject to the

various factors, assumptions, qualifications and limitations set forth in the opinion, the \$50.00 per share merger consideration to be received by holders of shares of the Common Stock was fair from a financial point of view to the holders of such shares (other than shares held in the treasury of Vertrue, by Parent and Merger Sub and their affiliates, and dissenting shares).

After consideration and deliberation in which S&C, FTN, Jefferies Broadview and MNAT participated, the Special Committee voted unanimously to recommend that the Board of Directors approve the amendment to the

S-16

Table of Contents

Merger Agreement, the Brencourt Voting Agreement, the amendment to the Rights Agreement, the Oak Agreement and the Guarantee Amendments.

After consideration and deliberation, the Board of Directors unanimously adopted the unanimous recommendation of the Special Committee and declared the Amended Merger Agreement advisable and both procedurally and substantively fair to Vertrue's unaffiliated stockholders and in the best interests of Vertrue's stockholders. The Board of Directors then unanimously approved the execution, delivery and performance of the amendment to the Merger Agreement, the Brencourt Voting Agreement, the amendment to the Rights Agreement, the Oak Agreement and the Guarantee Amendments, and determined to recommend the approval and adoption of the Amended Merger Agreement by the stockholders of Vertrue. The Company then executed the amendment to the Rights Agreement.

Following the July 18 meeting and execution of the amendment to the Rights Agreement, Parent and Brencourt Advisors executed the Brencourt Voting Agreement, and Parent, Merger Sub and Vertrue executed the amendment to the Merger Agreement. OEP and Vertrue executed an amendment to the OEP Limited Guaranty, Rho Ventures and Vertrue executed an amendment to the Rho Limited Guaranty, and Oak and Vertrue executed the Oak Agreement. In the morning of July 19, 2007, Vertrue issued a press release announcing the amended transaction, the amendment to the Rights Agreement and the Brencourt Voting Agreement.

On July 19, 2007, Brencourt Advisors entered into a customary non-disclosure agreement with Vertrue, which includes a standstill provision that, terminates upon the later of (i) September 1, 2007 and (ii) the termination of the Merger Agreement.

On July 26, 2007, Brencourt Advisors, on behalf of Brencourt Equity, gave Parent a notice, exercising its option to purchase \$25 million in equity securities of Parent on the same terms as Rho Ventures.

Reasons for the Merger; Recommendation of the Special Committee and of Our Board of Directors; Fairness of the Merger

The Special Committee and the Board of Directors believes that the Amended Merger Agreement and the Merger (which is the Rule 13e-3 transaction for which a Schedule 13E-3 Transaction Statement has been filed with the SEC) are both procedurally and substantively fair to Vertrue's unaffiliated stockholders and in the best interests of Vertrue's stockholders.

In reaching their respective determinations and recommendations, the Special Committee and the Board of Directors reexamined and reconsidered the matters described in Special Factors Reasons for the Merger; Recommendation of the Special Committee and of Our Board of Directors; Fairness of the Merger beginning on page 24 of the Definitive Proxy and, in addition, considered, in consultation with their financial and legal advisors, the following additional factors and potential benefits of the Merger, each of which the Special Committee and the Board of Directors believed supported its decision.

The Special Committee

In the course of reaching its determination, the Special Committee considered, in addition to the factors disclosed in the Definitive Proxy, the following substantive factors and potential benefits of the Merger, each of which the Special Committee believed supported its decision, but which are not listed in any relative order of importance:

the Revised Merger Consideration provides for \$1.50 per share of additional cash value above the original \$48.50 per share consideration;

the Revised Merger Consideration represents a premium of approximately 24.6% of the closing price of the Common Stock on the NASDAQ on January 23, 2007, the last trading day prior to (i) press reports of a potential acquisition of Vertrue, and (ii) a press release issued by the Company announcing its earnings for the second quarter of fiscal year 2007, which met or exceeded the previously-announced guidance by Vertrue's management in most aspects;

S-17

Table of Contents

since the date of the announcement of the Merger Agreement on March 22, 2007, and as of the date of this Proxy Supplement, no other party has approached the Special Committee or Vertrue expressing an interest in pursuing a transaction to acquire Vertrue at a price in excess of \$48.50 per share;

the information contained in the financial presentations of FTN and Jefferies Broadview, including the opinions of FTN as to the fairness, as of the date of such opinions, and based upon and subject to the various factors, assumptions, qualifications and limitations set out therein, from a financial point of view, to the unaffiliated stockholders, of the Revised Merger Consideration to be received by such stockholders in the Merger (see Update to Special Factors Opinions of Financial Advisors beginning on page S-19); and

the fact that the opinion of FTN addresses the fairness, as of the date of such opinion, and based upon and subject to the various factors, assumptions, qualifications and limitations set out therein, from a financial point of view, of the Revised Merger Consideration to be received by the holders of shares of the Common Stock (other than shares held in the treasury of Vertrue and dissenting shares) in the Merger.

Summaries of the separate FTN and Jefferies Broadview presentations provided to the Special Committee and the Board of Directors, respectively, are set forth in Update to Special Factors Opinions of Financial Advisors beginning on page S-19.

The foregoing discussion summarizes the material factors considered by the Special Committee in its consideration of the Merger in addition to those already mentioned in the Definitive Proxy. After considering these factors, the Special Committee concluded that the positive factors relating to the Amended Merger Agreement and the Merger outweighed the potential negative factors. In view of the wide variety of factors considered by the Special Committee, and the complexity of these matters, the Special Committee did not find it practicable to quantify or otherwise assign relative weights to the foregoing factors. In addition, individual members of the Special Committee may have assigned different weights to various factors. The Special Committee approved and recommended the Amended Merger Agreement and the Merger based upon the totality of the information presented to and considered by it.

Our Board of Directors

Our Board of Directors, following receipt of the unanimous recommendation of the Special Committee, at a meeting described above on July 18, 2007 unanimously (i) determined that the Amended Merger Agreement and the transactions contemplated thereby, including the Merger, are advisable, fair to and in the best interests of Vertrue and our unaffiliated stockholders; (ii) approved the Amended Merger Agreement and the transactions contemplated thereby, including the Merger; and (iii) recommended the adoption by our stockholders of the Amended Merger Agreement. As Gary A. Johnson is the only director who is an employee of Vertrue, this approval of the Amended Merger Agreement and the Merger by our Board of Directors constitutes the approval by a majority of our directors who are not employees of Vertrue. In reaching these determinations, our Board of Directors considered (i) the fact that the Special Committee received an opinion delivered by FTN and the Board of Directors received an opinion delivered by Jefferies Broadview as to the fairness, as of the date of such opinions, and based upon and subject to the various factors, assumptions, qualifications and limitations set out therein, from a financial point of view, to our unaffiliated stockholders of the Revised Merger Consideration to be received by such holders in the Merger; (ii) one of the members of the Board of Directors, Alec L. Ellison, is the President of Jefferies Broadview, financial advisor to Vertrue, which will be entitled to a fee in connection with the Merger; and (iii) the unanimous recommendation and analysis of the Special Committee, as described above and in the Definitive Proxy, and adopted such recommendation and analysis in reaching its determinations.

The foregoing discussion summarizes the material factors considered by our Board of Directors in its consideration of the Merger in addition to those already mentioned in the Definitive Proxy. In view of the wide variety of factors considered by our Board of Directors, and the complexity of these matters, our Board of Directors did not find it practicable to quantify or otherwise assign relative weights to the foregoing factors. In addition, individual members of our Board of Directors may have assigned different weights to various factors. Our Board of Directors approved and recommends the Amended Merger Agreement and the Merger based upon the totality of the information presented to and considered by it.

Our Board of Directors recommends that you vote FOR the adoption of the Amended Merger Agreement.

Opinions of Financial Advisors

Financial Opinion of FTN

FTN rendered an oral opinion (subsequently confirmed in writing) on July 18, 2007 to the Special Committee to the effect that, as of July 18, 2007 and based upon and subject to the factors, qualifications, limitations and assumptions set forth therein, the \$50.00 in cash per share of the Common Stock to be received by the holders of the Common Stock (other than shares held in the treasury of Vertrue and dissenting shares) pursuant to the Amended Merger Agreement was fair, from a financial point of view, to such holders.

The full text of the written opinion of FTN, dated July 18, 2007, which sets forth the assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with the opinion, is attached as Annex B to this Proxy Supplement and incorporated into this Proxy Supplement by reference. FTN provided its opinion for the information and assistance of the Special Committee in connection with its consideration of the Merger. The opinion of FTN is not a recommendation as to how any holder of the Common Stock should vote or act with respect to the Merger.

In connection with rendering its opinion and performing its related financial analyses, FTN reviewed, among other things:

the terms of the Amended Merger Agreement;

Vertrue's annual reports to stockholders and Annual Reports on Form 10-K for the five fiscal years ended June 30, 2006, 2005, 2004, 2003 and 2002, and Vertrue's interim report to stockholders and Quarterly Report on Form 10-Q for the nine-month period ended March 31, 2007; and

certain financial and operating information concerning Vertrue provided by Vertrue, including quarterly financial projections through June 30, 2010 prepared by Vertrue's management.

FTN also held discussions with Vertrue's management concerning the operations, business strategy, current financial performance and prospects for Vertrue and with Vertrue's management and the Special Committee regarding their views of the strategic rationale for the Merger. In addition, FTN compared certain aspects of Vertrue's financial performance with comparable public companies, analyzed available public information concerning other mergers and acquisitions comparable in whole or in part to the Merger, and assisted in negotiations and discussions related to the Merger among Vertrue, Parent and their respective financial and legal advisors. FTN also performed other studies, analyses and investigations and considered other financial, economic and market criteria it considered appropriate in arriving at its opinion.

In rendering its opinion, FTN relied, without independent verification, on the accuracy and completeness of all of the financial and other information that was publicly available or furnished to it by Vertrue or its advisors. With respect to the financial projections examined by FTN, FTN assumed, with the Special Committee's permission, that such projections were reasonably prepared and reflect the best available estimates and good faith judgments of Vertrue's management as to the future performance of Vertrue. FTN expressed no view with respect to such projections or the information and data or other assumptions on which they were based. FTN noted that Vertrue's management had advised it that there are significant risks involved in achieving such financial projections, and accordingly, management's projections may not be achieved. However, Vertrue's management has not to date revised the projections examined by FTN. FTN also assumed that, in the course of obtaining the necessary regulatory and third party

approvals, consents and releases for the Merger, no modification, delay, limitation, restriction or condition would be imposed that would have a material adverse effect on the Merger and that the Merger would be consummated in accordance with applicable laws and regulations and the terms of the Amended Merger Agreement, without waiver, amendment or modification of any material term, condition or agreement. The opinion of FTN did not address the relative merits of the Merger as compared to other business strategies that may have been available to Vertrue, nor did it address the underlying business decision of Vertrue to proceed with the Merger. Further, the opinion of FTN addressed only the fairness from a financial point of view of the price per share to Vertrue stockholders as a whole, and did not address any other aspect of the Merger. FTN did not make or take into

S-19

Table of Contents

account any independent appraisal or valuation of any of Vertrue's assets or liabilities (contingent or otherwise). FTN did not express a view as to the federal, state or local tax consequences of the Merger.

For purposes of its opinion, FTN assumed that Vertrue was not involved in any material transaction other than the Merger, other publicly announced transactions and those activities undertaken in the ordinary course of conducting its business. The opinion of FTN was necessarily based upon market, economic, financial and other conditions as they existed and could be evaluated as of the date of its opinion, and the opinion of FTN speaks only as of the date thereof.

The following is a summary of the material financial analyses presented by FTN to the Special Committee in connection with rendering its opinion. The following summary, however, does not purport to be a complete description of the financial analyses performed by FTN. The order of analyses described does not represent the relative importance or weight given to those analyses by FTN. The analyses must be considered as a whole. Considering any portion of such analyses or other factors considered by FTN without considering all such analyses and factors could create a misleading or incomplete view of the process underlying the conclusions expressed herein. Some of the summaries of the financial analyses include information presented in tabular format. The tables must be read together with the full text of each summary, and, alone, are not a complete description of FTN's financial analyses. The following quantitative information, to the extent that it is based on market data, is based on market data as it existed on or before July 17, 2007, and is not necessarily indicative of current market conditions.

Implied Transaction Multiples

FTN calculated selected implied transaction multiples for Vertrue based on the \$50.00 to be paid for each share of the Common Stock (other than shares held in the treasury of Vertrue and dissenting shares). FTN calculated an implied equity consideration by multiplying \$50.00 by the total number of outstanding shares of the Common Stock on a fully diluted basis. Equity value was calculated by using the treasury stock method and included convertible debt and outstanding options. FTN then calculated an implied enterprise value based on the implied equity consideration by adding the amount of Vertrue's net debt, as provided by Vertrue's management, to the implied equity consideration. Based on the foregoing, FTN calculated that the implied equity value of Vertrue amounted to \$663.9 million and the implied enterprise value of Vertrue (including a \$45.3 million contingent liability recorded on December 31, 2006 in connection with the acquisition of MyChoice Medical, Inc.) amounted to \$806.5 million.

As used in this description of FTN's financial analyses, EBITDA means earnings before interest, taxes, depreciation and amortization. Estimates of future financial performance for Vertrue used by FTN in its analyses were based on forecasts prepared by Vertrue's management. Based on the foregoing, FTN calculated the following transaction multiples implied by the \$50.00 to be paid for each share of the Common Stock (other than shares held in the treasury of Vertrue and dissenting shares):

the enterprise value as a multiple of revenue for the latest twelve months as of March 31, 2007 and as estimated for the fiscal years ended June 30, 2007 and June 30, 2008;

the enterprise value as a multiple of EBITDA for the latest twelve months as of March 31, 2007 and as estimated for the fiscal years ended June 30, 2007 and June 30, 2008; and

the \$50.00 per share price as a multiple of earnings per share, referred to as the P/E ratio, for the latest twelve months as of March 31, 2007 and as estimated for the fiscal years ended June 30, 2007 and June 30, 2008.

Transaction Premium Analysis

FTN calculated the premium implied by the Revised Merger Consideration of \$50.00 per share of the Common Stock over the market price per share of the Common Stock at certain times. FTN compared the Revised Merger Consideration of \$50.00 per share with the following trading prices for the Common Stock:

the closing share price of \$49.17 per share as of July 16, 2007;

the undisturbed closing share price of \$40.12 per share as of January 23, 2007 (prior to a news report on January 24, 2007 of a potential sale of Vertrue);

the volume weighted average price of \$44.30 per share for the three months ended March 19, 2007;

the volume weighted average price of \$42.80 per share for the six months ended March 19, 2007, prior to the announcement of the transaction; and

the volume weighted average price of \$42.15 per share for the year ended March 19, 2007, prior to the announcement of the transaction.

FTN noted also that the Common Stock rose from \$40.12 to \$46.79 over the course of the five-day period following a news report on January 24, 2007 of a potential sale of Vertrue.

Applying the Revised Merger Consideration of \$50.00 per share, the results of FTN's calculations are reflected below:

Premium Based

Period	Share Price	on Merger Consideration of \$50.00 per Share
Current share price as of July 16, 2007	\$ 49.17	1.7%
Undisturbed share price on January 23, 2007	\$ 40.12	24.6%
3 month volume weighted average	\$ 44.30	12.9%
6 month volume weighted average	\$ 42.80	16.8%
1 year volume weighted average	\$ 42.15	18.6%

FTN also analyzed acquisition premiums for the two years prior to July 17, 2007 for all public companies, all small cap companies (those with a market capitalization of less than \$1 billion) and all Internet services companies, and, for each category, the market mean and median premium percentages one day prior to announcement, one

week prior to announcement and one month prior to announcement. FTN excluded deals with premiums below negative ten percent and those with premiums greater than 100% from its analysis. FTN obtained the information for the foregoing analyses from Capital IQ. The results of FTN's analysis are summarized in the table below:

	Market Premiums	
	Mean	Median
One Day Prior		
All public companies	24.7%	21.7%
All small cap companies	24.8%	19.1%
All internet service companies	14.6%	14.0%
One Week Prior		
All public companies	25.8%	23.9%
All small cap companies	25.9%	21.1%
All internet service companies	18.3%	19.2%
One Month Prior		
All public companies	29.1%	27.5%
All small cap companies	28.3%	24.6%
All internet service companies	24.3%	26.3%

FTN also analyzed various premiums for acquisitions of public companies during the two years prior to March 20, 2007, where the premium paid was between zero and five percent from the share price of the target company one day prior to the announcement of the transaction, the target company was a U.S. company, the transaction was valued at greater than \$100 million, and all of the capital stock of the target company was purchased. FTN's analysis showed 36 transactions within such criteria, of which 23 demonstrated meaningful price appreciation (as described below) from an undisturbed stock price. FTN used the price at which the target company was trading prior to any public announcement or rumor of a potential transaction and/or review of strategic alternatives, whether or not substantiated. For selected transactions, the undisturbed stock price was based on the lowest stock price for the 30-day period prior to the announcement of the transaction. The 23 transactions ranged in transaction value from \$226 million to \$7,770 million. For the 23 transactions that FTN selected, the average premium over the undisturbed stock price was equal to 23%, the premiums for the transaction price per share over the stock price one day prior to the announcement of the transaction ranged from 0.2% to 4.9%, and the premiums for the price per share paid over the undisturbed stock price ranged from 9.0% to 41.4%.

Discounted Cash Flow Analyses

FTN performed illustrative discounted cash flow sensitivity analyses to determine indications of illustrative implied equity values per share of Vertrue Common Stock based on financial information and projections provided by Vertrue's management.

In performing the illustrative discounted cash flow analysis, FTN applied discount rates ranging from 12.0% to 14.0% to the projected EBITDA of Vertrue for the calendar year 2010. FTN also applied exit value EBITDA multiples ranging from 6.0x to 7.0x. This analysis was based on EBITDA of \$159.1 million for the fiscal year ended June 30, 2010, based on Vertrue management's forecasts. Based on the foregoing, FTN derived illustrative implied equity values per share ranging from \$47.15 to \$57.61 per share with respect to Vertrue Common Stock. The financial information provided by Vertrue's management and used in the analysis included earn-out payments by Vertrue related to prior acquisitions of \$45.3 million and \$12.2 million in the fiscal years ended June 30, 2007 and June 30, 2008, respectively, and cost of debt refinance of \$16 million, as provided by Vertrue. The fully diluted share count used in

the analysis varied based on implied value per share.

Using the same forecasts, FTN applied perpetual growth rates ranging from 2.0% to 4.0%. FTN also applied discount rates ranging from 12.0% to 14.0% to the projected free cash flows of Vertrue for the fiscal years ended June 30, 2008 through June 30, 2010. This analysis was based on an unlevered free cash flow of \$93.9 million for

S-22

Table of Contents

the fiscal year ended June 30, 2010, based on Vertrue management's forecasts. Based on the foregoing, FTN derived illustrative implied per share equity values ranging from \$38.83 to \$60.38 per share.

The EBITDA multiple range was selected to be consistent with the EBITDA multiples at which Vertrue traded as a public company. The growth rate range was selected as a market-standard to be consistent with long-term growth in the economy. The discount rates were generated by undertaking a weighted average cost of capital (WACC) analysis on Vertrue.

Leveraged Buyout Analysis

FTN performed an illustrative leveraged buyout sensitivity analysis using Vertrue management's forecasts. The financial information provided by management and used in the analysis included earn-out payments by Vertrue related to prior acquisitions of \$45.3 million and \$12.2 million in the fiscal years ended June 30, 2007 and June 30, 2008, respectively, and cost of debt refinance of \$16 million, as provided by Vertrue. The fully diluted share count used in such analyses varied according to implied price per share. Estimated cost synergies were not included for purposes of this analysis.

FTN assumed, for purposes of this analysis, illustrative implied exit multiples of EBITDA ranging from 6.0x to 7.0x, which reflect illustrative implied purchase prices that a hypothetical financial buyer might pay for Vertrue. FTN also assumed, for purposes of this analysis, illustrative internal rates of return required by a hypothetical financial buyer upon exit ranging from 22.5% to 27.5%. This analysis resulted in illustrative implied offer prices per share of the Common Stock ranging from \$48.84 to \$55.38 per share.

Using the same forecasts, FTN also assumed illustrative leverage ratios (including senior and subordinated debt) of 4.5x to 5.5x EBITDA in a hypothetical exit transaction, and illustrative internal rates of return required by a hypothetical financial buyer ranging from 22.5% to 27.5%. This analysis resulted in illustrative implied offer prices per share of the Common Stock ranging from \$47.66 to \$54.19 per share.

Selected Companies Analysis

FTN calculated certain ratios and other parameters for Vertrue based on Vertrue's valuation as of July 17, 2007 and its undisturbed valuation as of January 23, 2007, in each case, adjusted to a calendar year basis and based on estimates provided by Vertrue's management, and compared it to the corresponding ratios and parameters for selected publicly traded companies in the marketing and advertising industry peer composites (online and offline) and membership-based marketing industry peer composite. The peer composites were comprised of the following companies:

	Peer Composites	
Online Peer Composite	Offline Peer Composite	Membership-Based Peer Composite
Marchex, Inc.	Harte-Hanks, Inc.	Intersections Inc.

ValueClick, Inc.	Valassis Communications, Inc.	Rewards Network Inc.
	ValueVision Media, Inc.	United Online, Inc.
		Weight Watchers International, Inc.

Although none of the selected companies is directly comparable to Vertrue, the companies included were chosen because they are publicly traded companies with operations that, for purposes of this analysis, may be considered

similar to certain operations of Vertrue. Projected information for all peer companies was based on information from Capital IQ. In each case, the valuation of the peer group companies was as of March 19, 2007. For each company and Vertrue, FTN analyzed the EBITDA margin, earnings per share long term growth rate, or EPS LTGR, the ratio of enterprise value to revenues, the ratio of enterprise value to EBITDA, and the P/E ratio based on the calculations of Capital IQ, in each case, other than with respect to EPS LTGR, for the fiscal years ended 2006, 2007 and 2008, respectively.

In addition, FTN conducted a month-by-month comparison of the trailing price to earnings ratios of Vertrue and each of the three peer composite groups for the two-year period from February 2005 to February 2007 (prior to the announcement of the transaction). The composite group indices in the analysis were market-cap weighted, and, within the marketing and advertising industry (offline) peer composite, Valassis Communications, Inc.'s acquisition of ADVO, Inc. was considered only until the July 5, 2006 announcement of the transaction. As compared to each peer group, FTN's trailing P/E analysis demonstrated that Vertrue's P/E ratio was at a lower multiple than those of the three peer composite groups during the majority of the period reviewed, except that Vertrue's P/E ratio was above the offline peer composite multiples from June 2006 through February 2007. FTN's analysis demonstrated that the trading price of Vertrue at March 20, 2007 was not at an unnaturally low point and was consistent with the company's historic performance.

Selected Transactions Analysis

FTN analyzed certain publicly available information relating to selected transactions involving companies in the online advertising and consumer marketing industry that were announced between July 2004 and July 2007 and the offline advertising and consumer marketing industry that were announced between July 2005 and March 2007. In the online advertising and consumer marketing industry, the transaction values ranged from \$12 million to \$5,963 million and in the offline advertising and consumer marketing industry, the transaction values ranged from \$46 million to \$3,383 million.

The transactions that FTN reviewed, listed by acquirer / target (date of announcement) included:

For each of the selected transactions, FTN calculated the ratio of transaction value as a multiple of latest twelve-month revenues prior to the announcement of the transaction, or LTM Revenues, and the latest twelve-month EBITDA prior to the announcement of the transaction, or LTM EBITDA. A higher ratio indicates that greater consideration was paid in the transaction relative to revenues or EBITDA, respectively, and implies a higher valuation. Data regarding LTM Revenues and LTM EBITDA were based on Capital IQ, company press releases and public filings.

The following table shows the results of this analysis:

	Mean	Median
Online Marketing and Advertising Industry		
Transaction Value as a multiple of LTM Revenues	5.3x	3.0x
Transaction Value as a multiple of LTM EBITDA	20.1x	18.7x
Offline Marketing and Advertising Industry		
Transaction Value as a multiple of LTM Revenues	1.6x	1.2x
Transaction Value as a multiple of LTM EBITDA	8.5x	8.5x

The transaction value of the Merger as a multiple of Revenues for the latest twelve months as of March 31, 2007 is 1.1x and the transaction value as a multiple of EBITDA for the latest twelve months as of March 31, 2007 is 9.0x. FTN also summarized certain terms of Apollo Management, L.P.'s October 2005 acquisition of the Marketing Services

Division of Cendant Corporation for \$1.83 billion. FTN calculated the ratio of such acquisition's transaction value as a multiple of LTM Revenues and LTM EBITDA, which equaled 1.2x and 5.4x, respectively.

Miscellaneous

The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. FTN's analyses must be considered as a whole. Considering any portion of such analyses or the factors considered, without considering all such analyses and factors, could create a misleading or incomplete view of the process underlying the conclusions expressed therein. In arriving at its fairness determination, FTN considered the results of all of its analyses and did not attribute any particular weight to any factor or analysis considered by it. Rather, FTN made its determination as to fairness on the basis of its experience and professional judgment after considering the results of all of its analyses. No company or transaction used in the above analyses as a comparison is directly comparable to Vertrue or the Merger.

Table of Contents

FTN prepared these analyses for the purpose of undertaking a study to enable FTN to render its opinion as to the fairness, from a financial point of view, to the holders of Vertrue Common Stock (other than shares held in the treasury of Vertrue and dissenting shares) of the \$50.00 per share of the Common Stock to be received by such holders pursuant to the Amended Merger Agreement. FTN's opinion does not address the underlying business decision of Vertrue to engage in the transaction. FTN's analyses do not purport to be appraisals nor do they necessarily reflect the prices at which businesses or securities may be sold. FTN's analyses based upon forecasts of future results are not necessarily indicative of actual future results, which may be significantly more or less favorable than suggested by these analyses. Because these analyses are inherently subject to uncertainty, being based upon numerous factors or events beyond the control of the parties or their respective advisors, none of Vertrue, FTN or any other person assumes responsibility if future results are materially different from those forecasted.

The \$50.00 per share purchase price for Vertrue stockholders was determined through arms-length negotiations among the Special Committee and the Sponsors and was approved by Vertrue's Board of Directors. FTN provided advice to the Special Committee during these negotiations. FTN did not, however, recommend any specific amount of consideration to Vertrue, the Special Committee or the Board of Directors or that any specific amount of consideration constituted the only appropriate consideration for the proposed Merger.

As described above, FTN's opinion to the Special Committee was one of many factors taken into consideration by the Special Committee in making its decision to recommend the Amended Merger Agreement. The foregoing summary does not purport to be a complete description of the analyses performed by FTN in connection with its fairness opinion and is qualified in its entirety by reference to the written opinion of FTN attached as Annex B to this Proxy Supplement.

FTN Midwest Securities Corp. and its affiliates, as part of their investment banking business, are continually engaged in performing financial analyses with respect to businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive biddings, secondary distributions of listed securities and other transactions. FTN was retained by Vertrue to advise the Special Committee in connection with the Special Committee's consideration of various strategic alternatives, including a possible sale of Vertrue. FTN participated in certain of the negotiations leading to the proposed Merger. FTN provides a full range of financial advisory and securities services and, in the course of its normal trading activities, may from time to time effect transactions in and hold securities of Vertrue or JP Morgan Chase & Co., an affiliate of Parent, for its own account and for the accounts of its customers. FTN received a fee of \$1.5 million for its advisory services and rendering its opinion on March 21, 2007 and will receive an additional \$250,000 for rendering the July 18, 2007 opinion. If the Merger is consummated, FTN will receive an additional fee of \$500,000 because Vertrue entered into a transaction whereby its stockholders will receive consideration greater than \$48.50 per share of the Common Stock. In addition, Vertrue agreed to reimburse FTN for its expenses, including attorneys' fees and disbursements, and to indemnify FTN and related persons against various liabilities, including liabilities under federal securities laws.

Opinion of Jefferies Broadview

Jefferies Broadview was engaged to render an opinion to the Board of Directors as to whether the original merger consideration to be received by the holders of shares of Common Stock pursuant to the original merger agreement is fair, from a financial point of view, to such holders (other than Parent, Merger Sub and their respective affiliates). As a result of the Amendment, Jefferies Broadview's engagement was amended to require Jefferies Broadview to render a separate opinion to the Board of Directors as to whether the Revised Merger Consideration to be received by the holders of shares of Common Stock pursuant to the Amended Merger Agreement is fair, from a financial point of view, to such holders (other than Parent, Merger Sub and their respective affiliates). On July 18, 2007, Jefferies Broadview delivered to the Board of Directors its oral opinion, subsequently confirmed in writing, that, as of the date of its opinion, based upon and subject to the assumptions, limitations, qualifications and factors contained in its

opinion, the Revised Merger Consideration to be received by the holders of shares of the Common Stock pursuant to the Amended Merger Agreement is fair, from a financial point of view, to such holders (other than Parent, Merger Sub and their respective affiliates). Jefferies Broadview's July 18, 2007 opinion is referred to hereinafter in this Opinion of Jefferies Broadview section as the opinion.

The full text of the Jefferies Broadview July 18, 2007 written opinion is attached to this Proxy Supplement as Annex C and incorporated into this Proxy Supplement by reference. We urge you to read that opinion carefully and in its entirety for the assumptions made, procedures followed, other matters considered and limits of the review undertaken in arriving at that opinion.

Jefferies Broadview's opinion is for the use and benefit of the Board of Directors in its consideration of the Merger, and Jefferies Broadview's opinion does not address the relative merits of the transactions contemplated by the Amended Merger Agreement as compared to any alternative transaction or opportunity that might be available to Vertrue, nor does it address the underlying business decision by Vertrue to engage in the Merger or the terms of the Amended Merger Agreement or the documents referred to therein. Jefferies Broadview's opinion does not constitute a recommendation as to how you or any other holder of shares of the Common Stock should vote on the Merger or any matter related thereto. In addition, Vertrue did not ask Jefferies Broadview to address, and Jefferies Broadview's opinion does not address, the fairness to, or any other consideration of, the holders of any class of securities, creditors or other constituencies of Vertrue, other than the holders of shares of the Common Stock. Jefferies Broadview expresses no opinion as to the price at which shares of the Common Stock would trade at any time.

In arriving at its opinion, Jefferies Broadview, among other things:

1. reviewed the Amended Merger Agreement;
2. reviewed a draft, dated July 18, 2007, of the Amendment;
3. reviewed certain publicly available financial and other information about Vertrue;
4. reviewed certain information furnished to Jefferies Broadview by Vertrue's management, including financial forecasts and analyses, relating to the business, operations and prospects of Vertrue;
5. held discussions with members of Vertrue's senior management concerning the matters described in clauses (ii) and (iii) above;
6. reviewed the share trading price history and valuation multiples for the Common Stock and compared them with those of certain publicly traded companies that Jefferies Broadview deemed relevant;
7. compared the proposed financial terms of the Merger with the financial terms of certain other transactions that Jefferies Broadview deemed relevant; and
8. conducted such other financial studies, analyses and investigations as Jefferies Broadview deemed appropriate.

In Jefferies Broadview's review and analysis and in rendering its opinion, Jefferies Broadview assumed and relied upon, but did not independently investigate or verify, the accuracy and completeness of all financial and other information that was supplied or otherwise made available by Vertrue or that was publicly available to Jefferies Broadview, or that was otherwise reviewed by Jefferies Broadview. In Jefferies Broadview's review, Jefferies Broadview did not obtain any independent evaluation or appraisal of any of the assets or liabilities of, nor did Jefferies Broadview conduct a physical inspection of any of the properties or facilities of, Vertrue, nor was Jefferies Broadview furnished with any such evaluations or appraisals of such physical inspections, nor does Jefferies Broadview have any responsibility to obtain any such evaluations or appraisals.

With respect to the financial forecasts provided to and examined by Jefferies Broadview, Jefferies Broadview notes that projecting future results of Vertrue is inherently subject to uncertainty. Vertrue informed Jefferies Broadview, and

Jefferies Broadview assumed, that such financial forecasts were reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of Vertrue's management as to the future financial performance of Vertrue. Jefferies Broadview expresses no opinion as to Vertrue's financial forecasts or the assumptions on which they were made.

Jefferies Broadview assumed that the final form of the Amendment would be substantially similar to the draft, dated July 18, 2007, of the Amendment reviewed by Jefferies Broadview. Jefferies Broadview also assumed that in the course of obtaining the necessary regulatory or third party approvals, consents and releases for the Merger, no

S-29

delay, limitation, restriction or condition would be imposed that would have an adverse effect on Vertrue, Parent or the contemplated benefits of the Merger.

Jefferies Broadview's opinion was based on economic, monetary, regulatory, market and other conditions existing and that could be evaluated as of the date of its opinion. Jefferies Broadview has no obligation to advise any person of any change in any fact or matter affecting its opinion of which Jefferies Broadview may have become aware of or of which Jefferies Broadview could become aware after the date of its opinion.

The following is a brief summary of the analyses performed by Jefferies Broadview in connection with its opinion. This summary is not intended to be an exhaustive description of the analyses performed by Jefferies Broadview but includes all material factors considered by Jefferies Broadview in rendering its opinion. Jefferies Broadview drew no specific conclusions from any individual analysis, but subjectively factored its observations from all of these analyses into its qualitative assessment of the Revised Merger Consideration. Each analysis performed by Jefferies Broadview is a common methodology utilized in determining valuations. Although other valuation techniques may exist, Jefferies Broadview believes that the analyses described below, when taken as a whole, provide the most appropriate analyses for Jefferies Broadview to arrive at its opinion.

Discounted Cash Flow Analysis

Jefferies Broadview examined the value of Vertrue based on projected free cash flow estimates. The free cash flow estimates were generated utilizing financial projections from July 1, 2007 through June 30, 2010 that were prepared and furnished to Jefferies Broadview by Vertrue's management and financial projections from July 1, 2010 through June 30, 2012 that were derived by Jefferies Broadview based on certain financial assumptions provided by Vertrue's management and then confirmed by Vertrue's management. A range of terminal values at June 30, 2012 was determined by ascribing terminal growth rates, which ranged from 2.5% to 3.5%, to the projected free cash flow for the trailing twelve-month period (TTM) ending June 30, 2012. Jefferies Broadview calculated a discount rate of 15.9% based on the Capital Asset Pricing Model using the calculated median capital structure adjusted beta for three of the four public company comparables (excluding Rewards Network, Inc.), adjusting for a market risk premium of 7.1% and then adding a size premium of 2.3%. Based on a range of terminal growth rates (2.5%-3.5%) and discount rates (15.0%-17.0%), Jefferies Broadview calculated values ranging from \$45.83 to \$57.30 per share with a median implied equity value of \$50.91 per share, calculated using a discount rate of 16.0% and a terminal growth rate of 3.0%.

While discounted cash flow analysis is a widely accepted and practiced valuation methodology, it relies on a number of assumptions, including growth rates and discount rates. The valuation derived from the discounted cash flow analysis is not necessarily indicative of Vertrue's present or future value or results. Discounted cash flow analysis in isolation from other analyses is not an effective method of evaluating transactions.

Comparable Transaction Analysis

Jefferies Broadview analyzed one previous transaction that it deemed most comparable to the Merger from a business model and product portfolio perspective, Apollo Management L.P.'s acquisition of Cendant Corporation's Marketing Services Division (now known as Affinion Group, or Affinion), announced July 26, 2005. Jefferies Broadview reviewed other previous direct marketing and Internet-related transactions, determined that they involved targets very different from Vertrue in terms of business model, scale and breadth of offerings and consequently did not conduct detailed analyses of such other transactions.

Jefferies Broadview considered certain publicly available actual financial data relating to the Affinion transaction, including the adjusted purchase price (\$1.825 billion) and the seller's actual revenue (\$1.474 billion) and EBITDA

(\$291.8 million) for the TTM prior to the announcement of the Affinion transaction. From this information, Jefferies Broadview calculated an Affinion transaction multiple of 6.25x TTM EBITDA, calculated based on financial data of Cendant Corporation's Marketing Services Division set forth in Affinion's Form S-4 filed with the SEC on May 8, 2006 and adjusted for non-recurring charges and gains, which Jefferies Broadview noted implied a per Vertrue share price of \$33.57 based on Vertrue's EBITDA for the TTM ended March 31, 2007.

The transaction utilized in the comparable transaction analysis is not identical to the Merger. In evaluating the transaction, Jefferies Broadview made judgments and assumptions with regard to industry performance, general

business, economic, market and financial conditions and other matters, many of which are beyond the control of either Vertrue or the Sponsors. Mathematical analysis of comparable transaction data in isolation from other analyses is not an effective method of evaluating transactions.

Comparable Public Company Analysis

Comparable Public Company Analysis is a method of valuing an entity relative to publicly-traded companies with similar products or services, similar operating or financial characteristics, or servicing similar customers or markets. Jefferies Broadview reviewed and compared selected financial data for four publicly traded companies chosen by Jefferies Broadview that were deemed to be comparable to Vertrue. Jefferies Broadview selected these four companies based on their participation in the comparable offline and online consumer subscription services industry and their similar revenues to Vertrue (*i.e.*, less than \$1.5 billion in revenue for the TTM ended March 31, 2007). The comparable companies chosen by Jefferies Broadview included:

*Intersections Inc.**Netflix, Inc.**Pre-Paid Legal Services, Inc.**Rewards Network Inc.*

For each of the comparable companies, Jefferies Broadview calculated total market capitalization as a multiple of (i) that company's EBITDA for the TTM ended March 31, 2007, as reflected in periodic reports filed with the SEC, and (ii) that company's projected EBITDA, to the extent available, for the year ending December 31, 2007, as set forth in selected analyst reports. Total market capitalization (TMC) was calculated as equity market capitalization, plus total debt and preferred stock, less cash and cash equivalents as of March 31, 2007. Jefferies Broadview also calculated price-to-earnings (P/E) multiples for each of the comparable companies by dividing each company's respective closing stock price on July 16, 2007 by (i) that company's earnings per share (EPS) for the TTM ended March 31, 2007, as reflected in periodic reports filed with the SEC, and (ii) that company's projected earnings per share, to the extent available, for the year ending December 31, 2007, as set forth in selected analyst reports.

Jefferies Broadview next calculated the corresponding multiples for Vertrue in the Merger on the same basis, but (i) defining equity market capitalization (for purposes of calculating TMC) as the \$50.00 Revised Merger Consideration multiplied by the sum of the number of diluted shares outstanding plus the additional shares that would be issued upon conversion of convertible notes, (ii) using the Revised Merger Consideration instead of stock closing price, and (iii) using management projections instead of selected analyst reports for projected EBITDA and EPS for the year ending December 31, 2007.

The resulting multiples are set forth in the table below:

Company	TTM	Projected	TTM/P/E	Projected
	TMC/EBITDA	12/31/07		TMC/EBITDA
				P/E
Pre-Paid Legal Services, Inc.	10.2x	NA	18.8x	NA
Rewards Network Inc.	10.2x	NM	NM	NM

Edgar Filing: VERTRUE INC - Form DEFA14A

Netflix, Inc.	4.1x	3.5x	25.8x	24.8x
Intersections Inc.(1)	6.3x	5.8x	18.5x	16.7x
Mean	7.7x	4.6x	21.0x	20.8x
High	10.2x	5.8x	25.8x	24.8x
Median	8.2x	4.6x	18.8x	20.8x
Low	4.1x	3.5x	18.5x	16.7x
Vertrue	8.7x	6.8x	18.8x	12.9x

(1) Pro forma for acquisition of Chartered Marketing Services, Inc., which closed on July 5, 2006.

With respect to each ratio, a higher multiple implies a higher valuation. The comparable public company analyses performed by Jefferies Broadview indicated an implied Vertrue equity price per share ranging from \$39.13 to \$51.58 based on a 7.0 x 9.0 x TTM EBITDA multiple (based on \$88.9 million in EBITDA in the TTM ended March 31, 2007) and an implied Vertrue equity price per share ranging from \$47.96 to \$52.78 based on a 18.0 x

S-31

Table of Contents

20.0 x TTM P/E multiple (based on \$35.1 million in net income in the TTM ended March 31, 2007). Jefferies Broadview noted that the Revised Merger Consideration of \$50.00 was within this range.

No company utilized in the comparable public company analysis is identical to Vertrue. Jefferies Broadview made judgments and assumptions with regard to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of Vertrue and the Sponsors. Mathematical analysis of comparable public companies (such as determining means and medians) in isolation from other analyses is not an effective method of evaluating transactions.

Premiums Paid Analysis

Using publicly available information, Jefferies Broadview conducted premiums paid analyses using two different sets of transactions announced since January 1, 2005. The first set of transactions involved North American sellers in the consumer-focused digital media and marketing services industry and equity consideration between \$100.0 million and \$2.0 billion. The second set of transactions were going-private transactions in the North American software and services industry that involved equity consideration between \$250.0 million and \$2.0 billion.

First, Jefferies Broadview reviewed the following 13 consumer-focused digital media and marketing services transactions:

Announcement Date	Buyer	Seller
1) 5/17/2007	WPP Group LLC	24/7 Real Media, Inc.
2) 12/20/2006	Publicis Groupe S.A.	Digitas, Inc.

4) 3/6/2006	General Electric Company (NBC Universal, Inc.)	iVillage Inc.
5) 12/8/2005	Electronic Arts Inc.	JAMDAT Mobile Inc.
6) 12/5/2005	Liberty Media Corporation	Provide Commerce, Inc.

12) 4/25/2005	Click Holding Corp (Hellman & Friedman and JMI Equity)	DoubleClick, Inc.
13) 3/21/2005	IAC/InterActiveCorp	Ask Jeeves Inc.

For each of the target companies involved in the 13 transactions, Jefferies Broadview examined the closing stock price one trading day, 40 trading days and 60 trading days prior to announcement of the relevant transaction in order to calculate the mean, high, 75th percentile, median, 25th percentile, and low premiums paid by the acquiror over the target's closing stock price at those points in time. Jefferies Broadview then compared those premiums to the premium implied by the \$50.00 Revised Merger Consideration over Vertrue's undisturbed stock price of \$39.20 on the date 40 trading days prior to March 16, 2007. A summary of the 40-trading day premiums observed in this first premiums paid analysis is set forth in the table below:

Mean	34.7%
High	139.0%
75th Percentile	46.3%

Median	24.4%

For each of the target companies involved in the 15 transactions, Jefferies Broadview examined the closing stock price one trading day, 40 trading days and 60 trading days prior to announcement of the relevant transaction in order to calculate the mean, high, 75th percentile, median, 25th percentile, and low premiums paid by the acquiror over the target's closing stock price at those points in time. Jefferies Broadview then compared those premiums to the premium implied by the \$50.00 Revised Merger Consideration over Vertrue's undisturbed stock price of \$39.20 on the date 40 trading days prior to March 16, 2007. A summary of the 40-trading day premiums observed in this second premiums paid analysis is set forth in the table below:

Mean	25.6%

Conclusion

The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. In arriving at its opinion, Jefferies Broadview considered the results of all of its analyses as a whole and did not attribute any particular weight to any analysis or factor considered by it. Furthermore, Jefferies Broadview believes that selecting any portion of its analysis, without considering all analyses, would create an incomplete view of the process underlying its opinion. In performing its analyses, Jefferies Broadview made

numerous assumptions with respect to industry performance and general business and economic conditions and other matters, many of which are beyond the control of Vertrue. The analyses performed by Jefferies Broadview are not necessarily indicative of actual values or actual future results, which may be significantly more or less favorable than suggested by such analyses. Jefferies Broadview did not recommend any specific consideration to the Board of Directors or that any specific consideration constituted the only appropriate consideration with respect to the Amended Merger Agreement and the transactions contemplated thereby, including the Merger.

Miscellaneous

Jefferies Broadview has, in the past, provided financial advisory and financing services to Vertrue and may continue to do so and has received, and may receive, fees for the rendering of such services. In addition, Jefferies Broadview may seek to, in the future, provide financial advisory and financing services to Vertrue, Parent or entities that are affiliated with Vertrue or Parent, for which Jefferies Broadview would expect to receive compensation. In addition, you should note that a managing director of Jefferies Broadview is also a director of Vertrue.

Pursuant to an engagement letter dated November 27, 2006 (the Jefferies Broadview Engagement Letter), the Board of Directors agreed to cause Vertrue to pay Jefferies Broadview a fee in connection with rendering an opinion regarding the original merger consideration to be received by the holders of shares of the Common Stock, pursuant to the Merger Agreement (the Jefferies Broadview March 20, 2007 Opinion), \$2 million of which was paid upon delivery of the Jefferies Broadview March 20, 2007 Opinion and approximately \$6.3 million of which is payable upon consummation of the Merger (the Contingent Fee). Pursuant to an amendment to the Engagement Letter, dated July 18, 2007, the Board of Directors agreed to cause Vertrue to pay Jefferies Broadview a \$0.5 million fee in connection with rendering the opinion, which fee became payable to Jefferies Broadview upon delivery of the opinion. If the Merger is consummated and the \$0.5 million fee has been paid, it will be credited against the Contingent Fee, which will cause the Contingent Fee to be approximately \$5.8 million. The Board of Directors has also agreed to cause Vertrue to reimburse Jefferies Broadview for its expenses incurred in connection with rendering the Jefferies Broadview March 20, 2007 Opinion and the opinion and to indemnify Jefferies Broadview against liabilities arising out of or in connection with the services rendered by Jefferies Broadview in connection with rendering the Jefferies Broadview March 20, 2007 Opinion and the opinion.

Jefferies Broadview and their affiliates, in the ordinary course of their business, may publish research reports regarding the securities of Vertrue and its affiliates, may trade or hold such securities for their own account and the accounts of their customers and, accordingly, may at any time hold long or short positions in those securities.

Certain Management Financial Projections

Although Vertrue may periodically issue limited guidance to investors concerning its expected financial performance, Vertrue does not as a matter of course publicly disclose detailed financial projections. However, in connection with potential buyers' review of Vertrue and in the course of the negotiations between Vertrue and potential buyers, Vertrue provided potential buyers, the Special Committee's financial advisor, FTN, and Vertrue's financial advisor, Jefferies Broadview, with non-public, financial projections for the years ending June 30, 2007 through June 30, 2010 prepared during the second quarter of fiscal year 2007 by Vertrue management for internal planning purposes. FTN and Jefferies Broadview used such financial projections in their financial analyses. A summary of these financial projections is set forth beginning on page 45 of the Definitive Proxy.

Purpose and Reasons for the Merger of the Brencourt Parties

For Brencourt Advisors (on behalf of accounts managed by it) the purpose of the Merger is to immediately realize in cash the value of its holdings in Vertrue. For Brencourt Equity, the purpose of the Merger is to allow it, along with the Sponsors and the management investors, to own the equity interests in Vertrue and to bear the rewards and risks of such ownership after shares of the Common Stock cease to be publicly traded.

The Brencourt Parties believe that it is best for Vertrue to operate as a privately held entity. As a privately held entity, Vertrue will have the flexibility to focus on continuing improvements to its business without the constraints and distractions caused by the public equity market's valuation of Vertrue. Moreover, the Brencourt Parties believe that Vertrue's future business prospects can be improved through the participation of a Brencourt Equity representative on

Parent's board of directors in the strategic direction and operations of Vertrue. Although the Brencourt Parties believe that there will be significant opportunities associated with its investment in Vertrue, it realizes that there are also substantial risks (including the risks and uncertainties relating to Vertrue's prospects, including the prospects described in management's projections summarized under "Opinions of Financial Advisors - Certain Management Financial Projections").

Position of Gary A. Johnson as to Fairness

Under SEC rules, Gary A. Johnson is required to provide certain information regarding his position as to the fairness of the Merger to the unaffiliated stockholders of Vertrue. Gary A. Johnson is making the statements included in this section solely for purposes of complying with such requirements. Gary A. Johnson's views as to the fairness of the Merger should not be construed as a recommendation to any stockholder as to how that stockholder should vote on the proposal to adopt the Amended Merger Agreement.

Gary A. Johnson has interests in the Merger different from, and in addition to, the other stockholders of Vertrue. These interests are described under [Interests of Vertrue's Directors and Executive Officers in the Merger](#).

Gary A. Johnson did not undertake a formal evaluation of the fairness of the Merger or engage a financial advisor for such purposes. However, Gary A. Johnson believes that the Amended Merger Agreement and the Merger are substantively and procedurally fair to the unaffiliated stockholders of Vertrue and has adopted the analyses and conclusions of the Special Committee based upon the reasonableness of those analyses and conclusions and his knowledge of Vertrue, as well as the factors considered by, and the findings of, the Special Committee with respect to the fairness of the Merger to such stockholders (see [Reasons for the Merger; Recommendation of the Special Committee and of Our Board of Directors; Fairness of the Merger](#)), other than, in each case, with respect to the financial presentations of FTN and Jefferies Broadview which was provided for the information and assistance of the Special Committee and upon which Gary A. Johnson is not entitled to rely. Notwithstanding that Gary A. Johnson is not entitled to rely thereon, Gary A. Johnson did consider the fact that the Special Committee and the Board of Directors received opinions from FTN and Jefferies Broadview, respectively, to the effect that, as of the date of the fairness opinions, and based upon and subject to the various factors, assumptions, qualifications and limitations set out in the fairness opinions, the \$50.00 price per share to be received by the unaffiliated stockholders was fair to such stockholders from a financial point of view (see [Reasons for the Merger; Recommendation of the Special Committee and of Our Board of Directors; Fairness of the Merger](#)).

Furthermore, while Gary A. Johnson is a director of Vertrue, because of his differing interests in the Merger he did not participate in the negotiation of the Amended Merger Agreement or the evaluation or approval of the Amended Merger Agreement and the Merger. For these reasons, Gary A. Johnson does not believe that his interests in the Merger influenced the decision of the Board of Directors with respect to the Amended Merger Agreement or the Merger.

The foregoing discussion of the information and factors considered and given weight by Gary A. Johnson in connection with the fairness of the Amended Merger Agreement and the Merger is not intended to be exhaustive but is believed to include all material factors considered by Gary A. Johnson. Gary A. Johnson did not find it practicable to, and did not, quantify or otherwise attach relative weights to the foregoing factors in reaching his position as to the fairness of the Amended Merger Agreement and the Merger. Gary A. Johnson believes that these factors provide a reasonable basis for his belief that the Merger is fair to the unaffiliated stockholders of Vertrue.

Position of Parent, Merger Sub and the Sponsors as to Fairness

Under one interpretation of the rules governing going private transactions, one or more of Parent, Merger Sub and the Sponsors may be deemed to be affiliates of Vertrue and as such, in order to comply with the requirements of Rule 13e-3, may be required to express their beliefs as to the fairness of the Merger to our unaffiliated stockholders. Based on their interpretation, Parent, Merger Sub and the Sponsors are making the statements included in this section solely for the purposes of complying with the requirements of Rule 13e-3 and related rules under the Exchange Act.

None of Parent, Merger Sub or the Sponsors participated in the deliberation process of the Special Committee and none of them participated in the conclusions of the Special Committee or the Board of Directors of Vertrue that the Merger was fair to the unaffiliated stockholders of Vertrue, nor did they undertake any independent evaluation of the fairness of the Merger. However, based upon the same factors considered by, and the findings of, the Special Committee and the Board of Directors with respect to the fairness of the Merger to such unaffiliated stockholders as set forth in this Proxy Supplement (see Reasons for the Merger; Recommendation of the Special Committee

S-35

and of Our Board of Directors; Fairness of the Merger), which findings and related analyses Parent, Merger Sub and the Sponsors adopt, other than, in each case, with respect to the financial presentations of FTN and Jefferies Broadview which were provided for the information and assistance of the Special Committee and the Board of Directors, and upon which Parent, Merger Sub and the Sponsors are not entitled to rely, Parent, Merger Sub and the Sponsors believe that the Amended Merger Agreement and the Merger are substantively and procedurally fair to the unaffiliated stockholders. Notwithstanding that Parent, Merger Sub and the Sponsors are not entitled to rely thereon, Parent, Merger Sub and the Sponsors considered the fact that the Special Committee and the Board of Directors received opinions from FTN and Jefferies Broadview, respectively, to the effect that, as of the date of the fairness opinions, and based upon and subject to the various factors, assumptions, qualifications and limitations set out in the fairness opinions, the \$50.00 price per share to be received by the unaffiliated stockholders was fair to such stockholders from a financial point of view (see Reasons for the Merger; Recommendation of the Special Committee and of Our Board of Directors; Fairness of the Merger).

While each of Parent, Merger Sub and the Sponsors believe that the Merger is substantively and procedurally fair to the unaffiliated stockholders, they attempted to negotiate the terms of a transaction that would be most favorable to them, and not to the stockholders of Vertrue, and, accordingly, did not negotiate the Amended Merger Agreement with a goal of obtaining terms that were fair to such stockholders. None of Parent, Merger Sub or the Sponsors believes that it has or had any fiduciary duty to Vertrue or its stockholders, including with respect to the Merger and its terms. The stockholders of Vertrue were, as described elsewhere in the Definitive Proxy and this Proxy Supplement, represented by the Special Committee that negotiated with the Sponsors on their behalf, with the assistance of independent legal and financial advisors.

The reasons of Parent, Merger Sub and the Sponsors as to the fairness of the Merger should not be construed as a recommendation to any stockholder as to how that stockholder should vote on the proposal to adopt the amended Merger Agreement.

The foregoing discussion of the information and factors considered and given weight by Parent, Merger Sub and the Sponsors in connection with the fairness of the Amended Merger Agreement and the Merger is not intended to be exhaustive but is believed to include all material factors considered by Parent, Merger Sub and the Sponsors. Parent, Merger Sub and the Sponsors did not find it practicable to, and did not, quantify or otherwise attach relative weights to the foregoing factors in reaching their position as to the fairness of the Amended Merger Agreement and the Merger. Parent, Merger Sub and the Sponsors believe that these factors provide a reasonable basis for their belief that the Merger is fair to the unaffiliated stockholders.

Position of the Brencourt Parties as to Fairness

Under one interpretation of the rules governing going private transactions, the Brencourt Parties may be deemed to be affiliates of Vertrue and as such, in order to comply with the requirements of Rule 13e-3, may be required to express their beliefs as to the fairness of the Merger to our unaffiliated stockholders. Based on their interpretation, the Brencourt Parties are making the statements included in this section solely for the purposes of complying with the requirements of Rule 13e-3 and related rules under the Exchange Act.

The Brencourt Parties did not participate in the deliberation process of the Special Committee or in the conclusions of the Special Committee or the Board of Directors that the Merger was fair to the unaffiliated stockholders of Vertrue nor did they undertake any independent evaluation of the fairness of the Merger. However, based upon the same factors considered by, and the findings of, the Special Committee and the Board of Directors with respect to the fairness of the Merger to such unaffiliated stockholders as set forth in this Proxy Supplement (see Reasons for the Merger; Recommendation of the Special Committee and of Our Board of Directors; Fairness of the Merger), which findings and related analyses the Brencourt Parties adopt, other than, in each case, with respect to the financial

presentations of FTN and Jefferies Broadview which were provided for the information and assistance of the Special Committee and the Board of Directors and upon which the Brencourt Parties are not entitled to rely, the Brencourt Parties believe that the Amended Merger Agreement and the Merger are substantively and procedurally fair to the unaffiliated stockholders. Notwithstanding that the Brencourt Parties are not entitled to rely thereon, the Brencourt Parties considered the fact that the Special Committee and the Board of Directors received opinions from FTN and Jefferies Broadview, respectively, to the effect that, as of the date of the fairness

opinions, and based upon and subject to the various factors, assumptions, qualifications and limitations set out in the fairness opinions, the \$50.00 price per share to be received by the unaffiliated stockholders was fair to such stockholders from a financial point of view (see Reasons for the Merger; Recommendation of the Special Committee and of Our Board of Directors; Fairness of the Merger).

On May 17, 2007, Brencourt Advisors wrote to the Company to express its views that the \$48.50 per share in cash contained in the Merger Agreement as originally executed was too low and undervalued the Company by most measures, as more fully described in such letter (which Brencourt Advisors made public at the time via a filing on Schedule 13D, filed on May 18, 2007 and first amended on May 23, 2007). Brencourt Advisors in that letter suggested instead that the Company undertake a leveraged recapitalization transaction by borrowing sufficient sums to fund, together with cash on hand at the Company, a per share dividend of at least \$30.00. On June 21, 2007, Brencourt Advisors wrote to the Company a second letter to once again express its views that the original merger consideration of \$48.50 per share in cash was too low and undervalued the Company by several measures in addition to those disclosed in the May 17 letter, as more fully described in such letter (which Brencourt Advisors made public at the time via a filing amending the Schedule 13D) and once again suggested that the Board of Directors pursue an alternative value-enhancing transaction, including a leveraged recapitalization of Vertrue. Brencourt Advisors' analysis was not performed with the benefit of any access to Company non-public information and Brencourt Advisors obtained no commitment from any funding source for its leveraged dividend plan.

Brencourt Advisors subsequently negotiated with the Sponsors an increase in the per share merger consideration and agreed to vote its shares of the Common Stock in favor of the transaction at the higher price of \$50.00 per share. In making that decision, Brencourt Advisors was aware of recent difficulties in the corporate credit and equity markets that might present a greater risk for the proposed leveraged dividend transaction and equity valuation. Brencourt Advisors was also aware that, despite Brencourt Advisors' public opposition to the Merger Agreement, no firm, credible and fully financed competing offer to acquire the Company had been made since the publication of Brencourt Advisors' May 17 letter. In addition, Brencourt Advisors negotiated to have OEP and Rho Ventures increase its offer. Brencourt Advisors was advised that an investor, Oak, had indicated that it did not wish to invest in Parent if Parent increased the merger consideration to \$50.00 per share. The Brencourt Parties believe that the transactions contemplated under the Amended Merger Agreement is the best transaction available to the Company stockholders, under current market conditions.

The Brencourt Parties do not believe that they have any fiduciary duty to Vertrue or its stockholders, including with respect to the Merger and its terms. The stockholders of Vertrue were, as described in the Definitive Proxy and elsewhere in this Proxy Supplement, represented by the Special Committee that negotiated with the Sponsors and Brencourt Advisors on their behalf, with the assistance of independent legal and financial advisors.

The reasons of the Brencourt Parties as to the fairness of the Merger should not be construed as a recommendation to any stockholder as to how that stockholder should vote on the proposal to adopt the Amended Merger Agreement.

The foregoing discussion of the information and factors, considered and given weight by the Brencourt Parties in connection with the fairness of the Amended Merger Agreement and the Merger, is not intended to be exhaustive but is believed to include all material factors considered by the Brencourt Parties. The Brencourt Parties did not find it practicable to, and did not, quantify or otherwise attach relative weights to the foregoing factors in reaching their position as to the fairness of the Amended Merger Agreement and the Merger. The Brencourt Parties believe that these factors provide a reasonable basis for their belief that the Merger is fair to the unaffiliated stockholders.

Certain Effects of the Merger

If the Amended Merger Agreement is adopted by Vertrue's stockholders and the other conditions to the closing of the Merger are either satisfied or waived, Merger Sub will be merged with and into Vertrue, with Vertrue being the Surviving Corporation. Vertrue will continue its operations as a privately-held company with all of its equity interests owned by Parent.

S-37

Table of Contents***Effect on Outstanding Equity and Options***

Upon the consummation of the Merger, each share of the Common Stock issued and outstanding immediately prior to the effective time of the Merger (other than shares owned by Vertrue or any wholly owned subsidiary of Vertrue, shares owned by Parent, Merger Sub or any other wholly owned subsidiary of Parent immediately prior to the effective time of the Merger or shares held by stockholders who are entitled to and who properly exercise appraisal rights under Delaware law) will be converted into the right to receive \$50.00 in cash, without interest and less any applicable withholding taxes. Upon the consummation of the Merger, each outstanding option to purchase shares of the Common Stock, vested or unvested, will be cancelled and only entitle the holder of such option to receive a cash payment equal to the total number of shares of the Common Stock subject to such option multiplied by the amount (if any) by which \$50.00 exceeds the option exercise price, without interest and less any applicable withholding taxes. Upon consummation of the Merger, each outstanding share of restricted stock will be cancelled and only entitle the holder of such restrictive stock to receive a cash payment of \$50.00, without interest and less any applicable withholding taxes.

Effect on Ownership in Vertrue after the Merger

Following the Merger, the entire equity in the Surviving Corporation will be owned through Parent by the Sponsors, Brencourt Equity, Gary A. Johnson, any management investors and any additional investors that the Sponsors permit to invest in Parent, and these persons will be the sole beneficiaries of our future earnings and growth, if any, and will also bear the risks of ongoing operations, including the risks of any decrease in our value after the Merger and the operational and other risks related to the incurrence by the Surviving Corporation of significant additional debt as described in the Definitive Proxy beginning on page 52.

Following the Merger, Vertrue's unaffiliated stockholders will have no interest in Vertrue's net book value or net earnings. The table below sets forth the direct and indirect interests in Vertrue's net book value and net earnings of Gary A. Johnson and Brencourt Equity prior to and immediately after the Merger, based upon the net book value of Vertrue of \$0.59 per share as of March 31, 2007 and net income of Vertrue of \$19,796,000 for the nine months ended March 31, 2007. Immediately following the Merger, the entire interest in Vertrue's net book value and net income that is not ultimately held by Gary A. Johnson, the other management investors, Brencourt Equity or the Sponsors will be held through Parent by any additional investors that the Sponsors permit to invest in Parent or the Surviving Corporation.

(2) Based upon Vertrue's net book value of \$7,332,000 as of March 31, 2007 and net income for the nine months ended March 31, 2007. Assumes an equity contribution of \$220 million (the assumed aggregate equity

investments) and does not give effect to any indebtedness to be incurred in connection with the Merger, and is subject to change based upon the final equity contribution. As of the date of this Proxy Supplement, several other members of Vertrue's management team have been provided the opportunity to invest in Parent and, although no definitive agreements have been reached, several members of the management team are expected to invest in Parent; however, the equity investment by each member of senior management (other than Gary A. Johnson) is currently expected to represent an immaterial amount of the voting stock of Parent. Therefore, this table assumes that no equity investments are made by members of Vertrue's senior management other than Gary A. Johnson. At or shortly after the consummation of the Merger, Parent is expected to adopt a new equity incentive plan pursuant to which key employees of Vertrue, including executive officers, will be given the opportunity to buy Parent's restricted junior common stock, constituting, in the aggregate, up to 15% of Parent's common equity. As of the date of this Proxy Supplement, it is anticipated that at or shortly following the Merger approximately 13% of Parent's common equity will be issued to Vertrue's senior management under the new equity incentive plan. Except for Gary A. Johnson, who is expected to be issued incentive equity representing 5.5% of Parent's common stock, the equity investment of each manager under the new equity incentive plan is currently expected to represent an immaterial amount of the voting stock of Parent. Therefore, this table excludes the effect of any issuances under the new equity incentive plan.

(3) Includes the current equity commitment of Rho Ventures. See Financing of the Merger Equity Financing.

Table of Contents**Financing of the Merger*****Equity Financing***

On July 18, 2007, Parent received an equity commitment letter from each of the Sponsors, pursuant to which each Sponsor committed to contribute to Parent in connection with the proposed Merger up to the respective amount of cash set forth below:

Sponsors	Commitment
OEP	\$ 185,000,000
Rho Ventures	\$ 15,000,000

In addition, on July 26, 2007, Brencourt Advisors, on behalf of Brencourt Equity, gave irrevocable notice to Parent that it was exercising the Brencourt Option to purchase equity securities of Parent in an amount of \$25 million, which amount will reduce the amount invested by OEP by \$25 million.

OEP may assign its committed amount to other investors. As of the date of this Proxy Supplement, no decision has been made regarding whether OEP will assign any of its committed amount to other investors. The obligation to fund the commitments under the equity commitment letters is subject to the satisfaction or waiver by Parent of the conditions precedent to Parent's and Merger Sub's obligation to complete the Merger as set forth in the Amended Merger Agreement. Neither Vertrue nor any other person or entity other than Parent has any rights under the equity commitment letters. Each equity commitment letter will terminate upon the earliest of:

termination of the Amended Merger Agreement pursuant to its terms;

the consummation of the Merger; and

such time as Vertrue first seeks to enforce such Sponsor's limited guarantee. See *Special Factors - Guarantees; Remedies* beginning on page 54 of the Definitive Proxy.

In addition, Gary A. Johnson has committed to contribute up to \$20 million of the Common Stock (valued at \$50.00 per share) to Parent in exchange for equity interests in Parent, see *Update to Rollover and Voting Agreement* beginning on page S-42, and several other members of Vertrue's management team have been provided an opportunity to purchase equity securities in Parent in connection with the consummation of the Merger. As of the date of this Proxy Supplement, although no definitive agreements have been reached, several members of the management team are expected to invest in Parent; however, the equity investment by each management investor, excluding Gary A. Johnson, is currently expected to represent an immaterial amount of the voting stock of Parent.

The debt financing remains the same as that described in the Definitive Proxy (see *Special Factors - Financing of the Merger - Debt Financing* beginning on page 52 of the Definitive Proxy).

Gary A. Johnson's Investment in Parent

In connection with the Merger Agreement, Parent and Gary A. Johnson entered into a letter agreement (as amended, the Rollover Commitment Letter) pursuant to which Gary A. Johnson agreed to contribute his shares of the Common Stock valued at \$20 million to Parent immediately before the consummation of the Merger in exchange for equity interests in Parent. Each share that Gary A. Johnson contributes shall be valued at \$50.00 per share. Gary A. Johnson's equity investment, inclusive of his expected interest in restricted equity under Parent's

equity incentive plan, is expected to represent approximately 13.2% of the outstanding voting stock of Parent, as of the closing of the Merger. For more information on the Rollover Commitment Letter, see Rollover and Voting Agreement, in the Definitive Proxy, beginning on page 76.

Other Management Investors

Subsequent to the signing of the Amended Merger Agreement, several other members of Vertrue's management team were provided an opportunity to invest in Parent by purchasing equity securities of Parent in connection with the consummation of the Merger. As of the date of this Proxy Supplement, although no definitive agreements have been reached, several other members of the management team are expected to invest in Parent; however, the equity investment by each management investor, excluding Gary A. Johnson, is currently expected to represent an immaterial amount of the voting stock of Parent; and the equity investment of Gary A. Johnson in Parent is currently expected to represent approximately 13.2% of the outstanding voting stock of Parent as of the closing of the Merger. As of the date of this Proxy Supplement, Vertrue senior management (including Gary A. Johnson's 11.5% beneficial interest) beneficially owns approximately 18.4% of our outstanding Common Stock.

Fees and Expenses of the Merger

We estimate that we have incurred or will incur, and have paid or will be responsible for paying, transaction-related fees and expenses, consisting primarily of financial, legal, accounting and tax advisory fees, SEC filing fees and other related charges, totaling approximately \$14,756,000. This amount includes the following estimated fees and expenses:

Description	Amount to be Paid
SEC filing fee	\$ 16,949.82
Printing, proxy solicitation and mailing expenses	\$ 329,150.00
Financial, legal, accounting and tax advisory fees and expenses	\$ 14,151,000.00
Miscellaneous expenses	\$ 258,900.18
Total	\$ 14,756,000.00

These expenses will not reduce the Revised Merger Consideration to be received by Vertrue's stockholders in the Merger.

UPDATE TO ROLLOVER AND VOTING AGREEMENT

On July 18, 2007, Gary A. Johnson and Parent entered into an amendment to the rollover and voting agreement to reflect the change in the merger consideration from \$48.50 per share in cash to \$50.00 per share in cash. Immediately prior to the Merger, Gary A. Johnson will contribute up to the value of \$20 million of his shares of the Common Stock to Parent in exchange for equity interests in Parent. Each share of the Common Stock so contributed will be valued at \$50.00 for purposes of the contribution.

BRENCOURT VOTING AGREEMENT

Following our decision to enter into the Amendment with Parent and Merger Sub, Brencourt Advisors entered into the Brencourt Voting Agreement. Set forth below is a summary of the material terms of the Brencourt Voting Agreement, but is not intended to be an exhaustive discussion of the Brencourt Voting Agreement:

Brencourt Advisors was granted an option, for itself and/or one or more of its managed accounts, to acquire an interest in equity securities of Parent in an amount of not less than \$10 million and not more than \$25 million. On July 26, 2007, Brencourt Advisors gave irrevocable notice to Parent that it was exercising the option, on behalf of Brencourt Equity, to invest in equity securities of Parent in an amount of \$25 million;

Brencourt Advisors agreed, on its behalf and on behalf of its managed accounts and funds, that it will vote or execute consents in respect of each share of Common Stock with respect to which it has voting power: (i) in favor of the adoption of the Amended Merger Agreement, the Merger and the other transactions contemplated thereby, (ii) at Parent's direction, in favor of any further adjournments of the Special Meeting and (iii) against any action that would or is designed to delay, prevent or frustrate the Merger and the other transactions contemplated by the Amended Merger Agreement. As of the date of this Proxy Supplement, Brencourt Advisors owned approximately 27.9% of the outstanding shares of the Common Stock. As of the date of this Proxy Supplement, Brencourt Advisors and Gary A. Johnson owned an aggregate of approximately 34.4% of the outstanding shares of the Common Stock; and

Brencourt Advisors agreed that, without the prior written consent of Parent, it will not transfer any of its Common Stock.

The Brencourt Voting Agreement will terminate upon the first to occur of (i) the termination of the Amended Merger Agreement or (ii) the effective time of the Merger.

The table below sets forth the transactions in the Common Stock by Michael T. McClorey and Alec L. Ellison, two of Vertrue's directors, James B. McClorey effected such transactions pursuant to a Rule 10b-5 trading plan, which is a pre-established trading program that establishes certain standards and criteria for Vertrue's directors, executive officers and other officers to purchase or sell the Common Stock with a view to permit such insiders to legally accomplish their trading goals while at the same time reducing the risk that sales by such insiders will negatively impact Vertrue's stock price or market perception.

In rendering our opinion, we have, among other things:

- 1.) reviewed the terms of the Original Agreement;

- 3.) reviewed Vertrue's annual reports to stockholders and Annual Reports on Form 10-K for the five fiscal years ended June 30, 2006, and Vertrue's interim report to stockholders and Quarterly Report on Form 10-Q for the nine months ended March 31, 2007;

- 10.) assisted in negotiations and discussions related to the Transaction among Vertrue, Parent and their respective financial and legal advisors;

In addition to the foregoing, we performed such other studies, analyses, and investigations and considered such other financial, economic and market criteria as we considered appropriate in arriving at our opinion. Our analyses must be considered as a whole. Considering any portion of such analyses or the factors considered, without considering all such analyses and factors, could create a misleading or incomplete view of the process underlying the conclusions expressed herein.

In rendering our opinion, we have relied, without independent verification, on the accuracy and completeness of all the financial and other information (including without limitation the representations and warranties contained in the Agreement) that was publicly available or furnished to us by Vertrue or its advisors. With respect to the financial projections examined by us, we have assumed, with your permission, that they were reasonably prepared and reflect the best available estimates and good faith judgments of the management of the Company as to the future performance of the Company. We express no view with respect to such projections or the information and data or other assumptions on which they were based. Management of the Company advised us that there are significant risks involved in achieving such financial projections. Accordingly, management of the Company informed us that the projections may not be achieved. However, management of the Company has not to date revised the projections examined by us. We have also assumed, with your permission, that in the course of obtaining the necessary regulatory and third party approvals, consents and releases for the Transaction, no modification, delay, limitation,

restriction or condition will be imposed that will have a material adverse effect on the Transaction and that the Transaction will be consummated in accordance with applicable laws and regulations and the terms of the Agreement, without waiver, amendment or modification of any material term, condition or agreement. Our opinion does not address the relative merits of the Transaction as compared to other business strategies that might be available to the Company, nor does it address the underlying business decision of the Company to proceed with the Transaction. Further, this opinion addresses only the fairness from a financial point of view of the Merger Consideration to the stockholders of the Company as a whole, as of the date hereof, and does not address any other aspect of the Transaction, including the amount of the Merger Consideration to be received by the holders of any class of shares of the capital stock of the Company. We have not made or taken into account any independent appraisal or valuation of any of Vertrue's assets or liabilities (contingent or otherwise). We express no view as to the federal, state or local tax consequences of the Transaction.

For purposes of this opinion, we have assumed that Vertrue is not currently involved in any material transaction other than the Transaction, other publicly announced transactions and those activities undertaken in the ordinary course of conducting its business. Our opinion is necessarily based upon market, economic, financial and other conditions as they exist and can be evaluated as of the date of this opinion and this opinion speaks only as of the date hereof.

It is understood that this opinion is for the information of the Special Committee in connection with its consideration of the Transaction and does not constitute a recommendation to any holder of Vertrue stock, or any other person, as to how such person should vote or act with respect to the Transaction and may not be relied upon by any third party.

Based upon and subject to the foregoing qualifications and limitations and such other matters as we consider relevant, we are of the opinion that, as of the date hereof, the Merger Consideration is fair, from a financial point of view, to the stockholders of the Company,

Sincerely,

FTN Midwest Securities Corp.

Board of Directors
Vertrue Incorporated
20 Glover Avenue
Norwalk, CT 06850

Members of the Board of Directors:

We understand that Vertrue Incorporated (the Company), a consortium led by One Equity Partners II, LP (Velo Holdings Inc. or Parent), and Velo Acquisition Inc., a wholly-owned subsidiary of Parent (Merger Sub), have entered into an Agreement and Plan of Merger, dated as of March 22, 2007 (the Merger Agreement), and that the Company, the Parent and Merger Sub will enter into an amendment of the Merger Agreement (the Amendment) to increase the consideration to \$50.00 in cash per share from the \$48.50 in cash per share contemplated by the Merger Agreement (as amended by the Amendment, the Amended Merger Agreement). Pursuant to the Amended Merger Agreement, Merger Sub will merge with and into the Company (the Merger) in a transaction in which each outstanding share of common stock, par value \$0.01 per share, of the Company (the Common Stock), other than shares of Common Stock held in the treasury of the Company or owned by the Company, a subsidiary of the Company, Parent or Merger Sub, all of which shares will be canceled, or as to which dissenters rights have been properly exercised, will be converted into the right to receive \$50.00 in cash (the Consideration). The terms and conditions of the Merger are more fully set forth in the Amended Merger Agreement.

You have asked for our opinion as to whether the Consideration to be received by the holders of shares of Common Stock pursuant to the Amended Merger Agreement is fair, from a financial point of view, to such holders (other than Parent, Merger Sub and their respective affiliates).

In arriving at our opinion, we have, among other things:

- (i) reviewed an executed copy of the Merger Agreement;
- (ii) reviewed a draft, dated July 18, 2007, of the Amendment;
- (iii) reviewed certain publicly available financial and other information about the Company;
- (iv) reviewed certain information furnished to us by the Company's management, including financial forecasts and analyses, relating to the business, operations and prospects of the Company;

(v) held discussions with members of senior management of the Company concerning the matters described in clauses (ii) and (iii) above;

(vi) reviewed the share trading price history and valuation multiples for the Common Stock and compared them with those of certain publicly traded companies that we deemed relevant;

C-1

Table of Contents

(vii) compared the proposed financial terms of the Merger with the financial terms of certain other transactions that we deemed relevant;

(viii) conducted such other financial studies, analyses and investigations as we deemed appropriate.

In our review and analysis and in rendering this opinion, we have assumed and relied upon, but have not assumed any responsibility to independently investigate or verify, the accuracy and completeness of all financial and other information that was supplied or otherwise made available by the Company or that was publicly available to us (including, without limitation, the information described above), or that was otherwise reviewed by us. In our review, we did not obtain any independent evaluation or appraisal of any of the assets or liabilities of, nor did we conduct a physical inspection of any of the properties or facilities of, the Company, nor have we been furnished with any such evaluations or appraisals of such physical inspections, nor do we assume any responsibility to obtain any such evaluations or appraisals.

With respect to the financial forecasts provided to and examined by us, we note that projecting future results of any company is inherently subject to uncertainty. The Company has informed us, however, and we have assumed, that such financial forecasts were reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the management of the Company as to the future financial performance of the Company. We express no opinion as to the Company's financial forecasts or the assumptions on which they are made.

Our opinion is based on economic, monetary, regulatory, market and other conditions existing and which can be evaluated as of the date hereof. We expressly disclaim any undertaking or obligation to advise any person of any change in any fact or matter affecting our opinion of which we become aware after the date hereof.

We have made no independent investigation of any legal or accounting matters affecting the Company, and we have assumed the correctness in all respects material to our analysis of all legal and accounting advice given to the Company and its Board of Directors, including, without limitation, advice as to the legal, accounting and tax consequences of the terms of, and transactions contemplated by, the Amended Merger Agreement to the Company and its stockholders. In addition, in preparing this opinion, we have not taken into account any tax consequences of the transaction to any holder of Common Stock. We have assumed that the Amendment will be substantially similar to draft, dated July 18, 2007, of the Amendment reviewed by us. We have also assumed that in the course of obtaining the necessary regulatory or third party approvals, consents and releases for the Merger, no delay, limitation, restriction or condition will be imposed that would have an adverse effect on the Company, Parent or the contemplated benefits of the Merger.

It is understood that our opinion is for the use and benefit of the Board of Directors of the Company in its consideration of the Merger, and our opinion does not address the relative merits of the transactions contemplated by the Amended Merger Agreement as compared to any alternative transaction or opportunity that might be available to the Company, nor does it address the underlying business decision by the Company to engage in the Merger or the terms of the Amended Merger Agreement or the documents referred to therein. Our opinion does not constitute a recommendation as to how any holder of shares of Common Stock should vote on the Merger or any matter related thereto. In addition, you have not asked us to address, and this opinion does not address, the fairness to, or any other consideration of, the holders of any class of securities, creditors or other constituencies of the Company, other than the holders of shares of Common Stock. We express no opinion as to the price at which shares of Common Stock will trade at any time.

We have been engaged by the Company to act as financial advisor to the Company in connection with the Merger and we are receiving a fee for our services, a portion of which was paid to us upon the delivery of our March 20, 2007 fairness opinion in respect of the Merger Agreement, a portion of which is being paid to us upon the delivery of this

opinion in respect of the Amended Merger Agreement, and a significant portion of which is payable contingent upon consummation of the Merger. We also will be reimbursed for expenses incurred. The Company has agreed to indemnify us against liabilities arising out of or in connection with the services rendered and to be rendered by us under such engagement. We have, in the past, provided financial advisory and financing services to the Company and may continue to do so and have received, and may receive, fees for the rendering of such services. We maintain a market in the securities of the Company, and in the ordinary course of our business, we and our affiliates may trade or hold securities of the Company or Parent and/or their respective affiliates for our own account

and for the accounts of our customers and, accordingly, may at any time hold long or short positions in those securities. In addition, we may seek to, in the future, provide financial advisory and financing services to the Company, Parent or entities that are affiliated with the Company or Parent, for which we would expect to receive compensation. In addition, a director of the Company is a managing director of Jefferies Broadview.

Except as otherwise expressly provided in our engagement letter with the Company, our opinion may not be used or referred to by the Company, or quoted or disclosed to any person in any matter, without our prior written consent; provided, however, that this opinion may be included in its entirety in any document to be distributed to the holders of Common Stock in connection with the Merger.

Based upon and subject to the foregoing, we are of the opinion that, as of the date hereof, the Consideration to be received by the holders of shares of Common Stock pursuant to the Amended Merger Agreement is fair, from a financial point of view, to such holders (other than Parent, Merger Sub and their respective affiliates).

Very truly yours,

JEFFERIES BROADVIEW
