All other terms and covenants of the Series 2006-2 Supplement remain unchanged. The Series 2006-2 notes have a committed capacity of \$1.0 billion.

The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K (the Form 8-K) and is incorporated herein by reference. In addition, the full text of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information disclosed under Item 1.01 of this Form 8-K is incorporated herein by reference.

Item 7.01 Regulation FD Disclosure.

On November 26, 2008 the Company issued a press release announcing that on December 2, 2008, Terence W. Edwards, president and chief executive officer of PHH and PHH Mortgage, Sandra Bell, executive vice president and chief financial officer of PHH, and George Kilroy, president and chief executive officer of PHH Arval will make a presentation to investors at the Friedman, Billings, Ramsey & Co. Fall Investor Conference at approximately 10:45 a.m. EST at the Grand Hyatt Hotel in New York City.

A copy of the press release is furnished as Exhibit 99.2 to this Form 8-K. The information disclosed in this report, including Exhibit 99.2 hereto, is being furnished and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, (the Exchange Act) nor shall it be incorporated by reference into any registration statement or other document pursuant to the Securities Act of 1933, as amended (the Securities Act), except as expressly set forth in such filing.

Item 8.01 Other Events.

On November 26, 2008, PHH filed a universal shelf registration statement with the Securities and Exchange Commission (the SEC). The shelf registration statement, when declared effective by the SEC, will allow us to raise up to \$2.0 billion through sales of securities, which may consist of debt securities, common stock, preferred stock or warrants, or any combination of the foregoing, either individually or as units consisting of one or more securities, in one or more offerings in the future. The terms and prices of the specific securities being sold will be determined at the time of the offering of those securities and included in a prospectus supplement to be filed with the SEC related to that offering. When and if we utilize the new shelf registration statement to issue any securities, we intend to use the net proceeds from the sale of any such securities for general corporate purposes, which may include the repayment or refinancing of indebtedness (including, without limitation, the refinancing of our term indebtedness or the repayment of some or all of our borrowings under our revolver) or the acquisition of complementary products or companies.

After it becomes effective, the shelf registration statement will replace our existing shelf registration statement originally filed with the SEC in September 2000. The September 2000 shelf registration statement had \$874 million of remaining availability and would have expired on December 1, 2008 under the SEC's rules. While we have no current plans to raise additional capital under the new shelf registration statement, once effective, the shelf registration statement will provide us the opportunity to access the public capital markets should the need and opportunity arise.

A registration statement relating to the securities described therein has been filed with the SEC, but has not yet become effective. These securities may not be sold, nor may offers to buy such securities be accepted, prior to the time that the registration statement becomes effective. The information contained in this Form 8-K, including the exhibits hereto, do not constitute an offer to sell or the solicitation of an offer to buy securities. Any offer of the securities listed in the shelf registration statement will be made solely by means of the prospectus included in the registration statement and the prospectus supplement relating to that offering.
