To the best knowledge of the Reporting Persons, none of the Reporting Persons, nor any executive officer or director of the Reporting Persons (as applicable), has, during the past five years, (i) been convicted in any criminal proceeding (excluding traffic violations or similar misdemeanors) nor (ii) been a party to any civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Pursuant to the Merger Agreement, the Issuer issued (or reserved for issuance) to The Orchard s common and preferred stockholders (and holders of its deferred stock awards) an aggregate of 9,064,941 shares of Issuer Common Stock (on a pre-split basis) and 448,833 shares of Series A Preferred

Stock. As a result of the Merger, the Reporting Persons acquired beneficial ownership of 8,127,829 shares of Issuer Common Stock (on a pre-split basis) and 446,918 shares of Series A Preferred Stock.

Table of Contents**CUSIP NO. 25388X 20 5****13D****Page 8 of 11 pages**

On November 13, 2007, the Board of Directors of the Issuer declared a one for three reverse stock split of the Issuer's Common Stock effective November 14, 2007. Giving effect to the reverse stock split, The Orchard's common and preferred stockholders (and holders of its deferred stock awards) received (or had the right to receive) an aggregate of 3,021,640 shares of Issuer Common Stock and 448,833 shares of Series A Preferred Stock, of which the Reporting Persons acquired beneficial ownership of 2,709,276 shares of Issuer Common Stock and 446,918 shares of Series A Preferred Stock (which shares of Series A Preferred Stock are convertible into 1,489,727 shares of Issuer Common Stock after giving effect to the reverse stock split).

References to and descriptions of the Merger Agreement set forth above in this Item 3 are not intended to be complete and are qualified in their entirety by reference to the full text of the Merger Agreement.

ITEM 4. Purpose of Transaction.

The information set forth or incorporated by reference in Items 3 and 6 is hereby incorporated by reference herein. As described in more detail in Item 3 above, each of the Reporting Persons acquired beneficial ownership of shares of Issuer Common Stock upon consummation of the Merger pursuant to the Merger Agreement and hold a controlling equity interest in the Issuer. In addition, (a) on June 4, 2008, Daniel C. Stein was granted options to acquire 28,790 shares of Issuer Common Stock (of which 19,193 are currently vested and exercisable) and 9,596 shares of restricted Issuer Common Stock (of which 6,396 shares have vested), and (b) on June 2, 2009, Mr. Stein was granted 19,455 shares of restricted Issuer Common Stock (of which 9,727 shares have vested), in recognition for his service on the Board. The Reporting Persons beneficially own such shares of Issuer Common stock for investment purposes. The Reporting Persons intend to review on a continuing basis their investment in the Issuer, and will take such actions as they deem appropriate in light of circumstances existing from time to time.

In connection with the Merger, the Issuer, Dimensional and certain other stockholders of The Orchard entered into a Registration Rights Agreement dated November 13, 2007 (the "Registration Rights Agreement"). Under the terms of the Registration Rights Agreement, (i) Dimensional may demand the Issuer to file a registration statement for the resale of the shares of Issuer Common Stock beneficially owned by Dimensional at any time from and after the date that is six (6) months following the closing of the Merger or (ii) Dimensional and any other holders of Registrable Securities (as such term is defined in the Registration Rights Agreement) may demand that, upon the determination by the Issuer to prepare and file with the Securities and Exchange Commission a registration statement relating to an offering for its own account or the account of others of any of its equity securities at any time from and after the date that is twelve (12) months following the closing of the Merger, the shares of Issuer Common Stock beneficially owned by Dimensional and/or such other holders, as applicable, be included in any such registration statement filed by the Issuer.

As contemplated by the Merger Agreement, the Board of Directors of the Issuer was decreased to seven members in connection with the Merger. As contemplated by the Merger Agreement, certain Directors of the Issuer's Board resigned in connection with the Merger and The Orchard had the right to designate four members to fill such vacancies. One of The Orchard's designees is Daniel C. Stein.

On October 15, 2009, Dimensional delivered to the Board of Directors of the Issuer a letter in which Dimensional proposed to enter into non-binding discussions with the Issuer regarding a potential transaction through which Dimensional would acquire all of the outstanding shares of Issuer Common Stock that are not currently owned by Dimensional at a price of \$1.68 per share. The Board of Directors of the Issuer formed a Special Committee comprised of independent and disinterested directors to review and evaluate Dimensional's proposal. After preliminary discussions with representatives of the Special Committee, Dimensional revised its initial proposed price to \$1.84 per share.

The Special Committee is reviewing and evaluating Dimensional's revised proposal. The Special Committee has engaged independent legal counsel and an independent financial advisor to assist in its review and evaluation.

There can be no assurance that any agreement on financial or other terms satisfactory to Dimensional will be reached with the Special Committee or that any transaction will be approved or consummated. Furthermore, there can be no assurance regarding the timing of or whether Dimensional will elect to pursue any alternative transactions, or

that any such alternative transaction will be approved or consummated and there is no certainty that any transaction with the Issuer or any alternative transaction will result in the Issuer's stockholders receiving a share price equal to or above the current trading price of the Issuer Common Stock or equal to the prices per share proposed by Dimensional.

If a transaction is completed on the terms as currently being discussed by Dimensional and the Special Committee, the result would be that Dimensional would acquire all of the outstanding shares of Issuer Common Stock that are not currently owned by Dimensional through a merger involving a to-be-formed Dimensional subsidiary and the Issuer, the result of which would likely include (a) changes to the Issuer's present Board of Directors and management, (b) a material change in the present capitalization of the Issuer, (c) the Issuer Common Stock being delisted from a national securities exchange, and (e) the Issuer Common Stock becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act.

Except as described in this Item 4, the Reporting Persons do not have, as of the date of this Amendment, any plans or proposals that relate to or would result in any of the actions or events specified in clauses (a) through (j) of Item 4 of this Amendment. The Reporting Persons may change their plans or proposals in the future. In determining from time to time whether to sell the Issuer Common Stock or additional Issuer securities reported as beneficially owned in this Amendment (and in what amounts) or to retain such securities, the Reporting Persons will take into consideration such factors as they deem relevant, including the business and prospects of the Issuer, anticipated future developments concerning the Issuer, existing and anticipated market conditions from time to time, general economic conditions, regulatory matters, and other opportunities available to the Reporting Persons. The Reporting Persons reserve the right to acquire additional securities of the Issuer in the open market, in privately negotiated transactions (which may be with the Issuer or with third parties) or otherwise, to dispose of all or a portion of their holdings of securities of the Issuer or to change their intention with respect to any or all of the matters referred to in this Item 4.

Table of Contents**CUSIP NO. 25388X 20 5****13D****Page 9 of 11 pages**

References to the Merger Agreement and the Registration Rights Agreement are not intended to be complete and are qualified in their entirety by reference to the full text of each such agreement.

ITEM 5. Interest in Securities of the Issuer.

The information contained on each of the cover pages of this Amendment No. 1 to Schedule 13D and the information set forth or incorporated by reference in Items 2, 3, 4 and 6 is hereby incorporated by reference herein. (a) and (b)

The following disclosure assumes that there are 7,885,842 shares of Issuer Common Stock issued and outstanding, which represents the sum of (i) 6,396,115 shares of Issuer Common Stock that the Issuer represented to be outstanding as of August 12, 2009 and (ii) 1,489,727 shares of Issuer Common Stock resulting from the assumed conversion of 446,918 shares of Series A Preferred Stock owned by Dimensional.

On a post-reverse stock split basis, Dimensional directly owns 2,709,276 shares of Issuer Common Stock and 446,918 shares of Series A Preferred Stock (which Series A may be converted into 1,489,727 shares of Issuer Common Stock), for aggregate beneficial ownership of 4,199,003 shares of Issuer Common Stock, which represents approximately 53.2% of the outstanding shares of Issuer Common Stock. As described in greater detail in Item 2, JDS has a majority membership interest in, and is the manager of Dimensional, JDSCM is the general partner of JDS, Joseph D. Samberg has a minority membership interest in Dimensional and is the managing member of JDSCM and Daniel C. Stein is the Chief Executive Officer of Dimensional. Therefore, each of JDS, JDSCM, Joseph D. Samberg and Daniel C. Stein may be deemed to be the beneficial owner of the Issuer Common Stock (including shares arising upon conversion of the Series A Preferred Stock) held by Dimensional.

JDS, JDSCM, Joseph D. Samberg and Daniel C. Stein disclaim beneficial ownership of the shares of Issuer Common Stock directly beneficially owned by Dimensional (except for the indirect pecuniary interest of each of JDS, JDSCM, Joseph D. Samberg and Daniel C. Stein arising therein).

References to and descriptions of the Merger Agreement set forth above in this Item 5 are not intended to be complete and are qualified in their entirety by reference to the full text of the Merger Agreement.

(c) None of the Reporting Persons nor, to the best knowledge of the Reporting Persons, without independent verification, any person named in Item 2 hereof, has effected any transaction in the shares of Issuer Common Stock during the past 60 days, except as disclosed herein.

(d) To the best knowledge of the Reporting Persons, no person other than the Reporting Persons has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the securities beneficially owned by the Reporting Persons identified in this Item 5.

(e) Not applicable.

ITEM 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

The information set forth or incorporated by reference in Items 3, 4 and 5 is hereby incorporated herein by reference.

References to and descriptions of the Merger Agreement and the Registration Rights Agreement incorporated herein are not intended to be complete and are qualified in their entirety by reference to the full text of each such agreement.

Except as described herein, there are no contracts, arrangements, understandings or relationships (legal or otherwise) between the persons named in Item 2 hereof and any person with respect to any securities of the Issuer, including but not limited to transfer or voting of any other securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, divisions of profits or loss, or the giving or withholding of proxies.
