Amendment of 2004 Stock Incentive Plan

On December 16, 2009, the Compensation Committee of our Board of Directors (the *Compensation Committee* ) recommended, and our Board of Directors (the *Board* ) approved, an amendment of the Company's 2004 Stock Incentive Plan to remove from Article Four thereof the provision concerning the automatic grants of stock options to members of the Board for their service on committees of the Board. Beginning January 2010, each committee member will receive annual cash compensation in lieu of these stock options as follows:

Audit Committee Chairperson	\$20,000
Audit Committee Member	\$ 8,000
Compensation Committee Chairperson	\$12,000
Compensation Committee Member	\$ 5,000
Nominating & Corporate Governance Committee Chairperson	\$ 8,000
Nominating & Corporate Governance Committee Member	\$ 3,000

The payments listed above will be made to committee members in four equal payments at the end of each calendar quarter, contingent on their continued and uninterrupted service on the applicable committee(s). Payments will be pro-rated in the event of a termination or interruption in service.

The foregoing amendment does not affect stock options previously granted and issued to committee members for prior service.

Incentive Cash Bonuses

Our Board of Directors annually establishes targeted corporate goals, including research and development, business development and financial goals, for the ensuing fiscal year. The Compensation Committee also establishes individual goals each year for executive officers. In connection with these goals, the Compensation Committee and the Board establish maximum incentive cash bonus amounts for each named executive officer in the event that all corporate and, in the case of each named executive officer other than our Chief Executive Officer, individual goals are achieved. Our Chief Executive Officer's incentive cash bonus is based entirely on the achievement of corporate goals. Incentive cash bonuses for each other executive officer are based 75% on the achievement of corporate goals and 25% on the achievement of individual goals. Actual incentive cash bonuses paid are solely at the discretion of the Compensation Committee and the Board, may be higher or lower than the established target and are based on subjective overall determination of our performance relative to the corporate and, as applicable, individual goals achieved. Based on that determination,
