Item 1.01 Entry into a Material Definitive Agreement.

On October 5, 2010, Resolute Natural Resources Company, LLC, a wholly-owned subsidiary of Resolute Energy Corporation (the Company), entered into Amendment No. 3 (the Amendment) to the Product Sale and Purchase Contract dated July 1, 2007 (the Contract) with Kinder Morgan CO₂ Company, L.P. (Kinder Morgan). The Contract provides the Company with its principal source of CO₂, a crucial component for development of its properties in Aneth Field. The Amendment, which was made effective from September 1, 2010 (i) extends the term of the Contract from December 31, 2016 to December 31, 2020, (ii) increases overall volumes of CO₂ available for purchase by the Company and increases the volume of CO₂ committed to be purchased by the Company to an aggregate of approximately 176.5 Bcf over the term of the Contract, and (iii) reduces the price of CO₂ to the Company. In addition, the Amendment gives the Company greater flexibility to adjust annual volumes of CO₂ purchased to match requirement levels as they vary from time to time.
