**Item 1.01 Execution of a Material Definitive Agreement**

As reported by Federal Signal Corporation (the Company) in prior filings with the Securities and Exchange Commission, the Company has been subject to claims by firefighters seeking damages on the basis that exposure to the Company's sirens has impaired their hearing (Product Claims). On January 4, 2011, the Company received approval of its Board of Directors and entered into a Global Settlement Agreement (the Settlement Agreement) with the law firm of Cappelli Mustin LLC, including each individual attorney within such law firm (the Firm), on behalf of the eleven hundred and twenty-five (1,125) claimants the Firm represents (the Claimants) and who have asserted Product Claims against the Company (the Claims). The Settlement Agreement had been executed by management of the Company and the Firm on December 31, 2010, subject to approval of the Company's Board of Directors. Three hundred and eight (308) of these Claimants have lawsuits pending against the Company in Cook County, Illinois and six (6) Claimants have lawsuits pending against the Company in Philadelphia County, Pennsylvania (collectively, the Lawsuits).

The Settlement Agreement provides that the Company shall pay (the Settlement Payment) a total amount of Three Million Eight Hundred Thousand Dollars (\$3,800,000) to settle the Claims (including the costs, fees and other expenses of the Firm in connection with its representation of the Claimants), subject to certain terms, conditions and procedures set forth in the Settlement Agreement. In order for the Company to be required to make the Settlement Payment: (i) each Claimant who agrees to settle his or her Claims must sign a release acceptable to the Company (a Release), (ii) each Claimant who agrees to the settlement and who is a plaintiff in a Lawsuit, must dismiss his or her Lawsuit, with prejudice, (iii) by March 31, 2011, at least 93% of the Claimants identified in Appendix A to the Settlement Agreement must have agreed to settle their Claims and provide a signed Release to the Company, and (iv) the Firm shall have withdrawn from representing any Claimants who do not agree to the settlement including those who have filed Lawsuits.

If less than 93% of the Claimants identified in Appendix A to the Settlement Agreement agree to settle their Claims and provide a signed Release to the Company by March 31, 2011, the Settlement Agreement becomes null and void and the Company will not be required to make the Settlement Payment. If the conditions to the settlement set forth in the Settlement Agreement are met, but less than 100% of the Claimants have agreed to settle their Claims and sign a Release, the Settlement Payment will be reduced by the percentage of Claimants who do not agree to the settlement.

The Company generally denies the allegations made in the Claims and Lawsuits and denies that its products caused any injuries to the Claimants. Nonetheless, to avoid the expense and uncertainty of further litigation, the Company has entered into the Settlement Agreement for the purpose of minimizing its expenses, including legal fees, and the inconvenience and distraction of the Claims and Lawsuits.

The description of the Settlement Agreement set forth above is qualified in its entirety by reference to the actual terms of the Settlement Agreement, which is attached hereto as Exhibit 10.1 and is incorporated herein by reference. The press release issued by the Company on January 10, 2011 in connection with this matter is attached as Exhibit 99.1.
