Item 1.01. Entry Into a Material Definitive Agreement.

On February 27, 2011, Nationwide Health Properties, Inc., a Maryland corporation (the Company) entered into an Agreement and Plan of Merger (the Merger Agreement) with Ventas, Inc., a Delaware corporation (Ventas), and Needles Acquisition LLC, a Delaware limited liability company and wholly owned subsidiary of Ventas (Merger Sub).

Under the terms of the Merger Agreement, the Company will be merged with and into Merger Sub (the Merger), with Merger Sub surviving the Merger as a subsidiary of Ventas. Pursuant to the Merger Agreement, at the effective time of the Merger (the Effective Time), each outstanding share of common stock of the Company (Company Common Stock), other than shares held by any wholly owned subsidiary of the Company, by Ventas or by any subsidiary of Ventas, will be cancelled and converted into the right to receive 0.7866 shares (the Exchange Ratio) of common stock of Ventas (Ventas Common Stock).

Immediately prior to the Effective Time: (i) each option to purchase Company Common Stock will, at the option of Ventas, either be cancelled in exchange for the right to receive a cash payment, or be converted into an option exercisable for a number of shares of Ventas Common Stock, in either case, calculated based on the Exchange Ratio; (ii) all Company restricted stock units will vest and will either be assumed by Ventas or converted into the right to receive a cash amount calculated based on the Exchange Ratio; (iii) each share of Company restricted stock will vest and will be converted into the right to receive a number of shares of Ventas Common Stock equal to the Exchange Ratio; (iv) all Company dividend equivalent rights granted in connection with any other award will vest and will be paid in accordance with their terms; and (v) the performance period for any Company performance shares will be terminated, and the number of performance shares that vest will be determined based on the Company s actual performance for the shortened performance period, with each performance share that vests converted into the right to receive a number of shares of Ventas Common Stock equal to the Exchange Ratio.

The Company intends to pay its regular quarterly cash dividend, prorated through the closing of the Merger.

The Company has made customary representations and warranties in the Merger Agreement and has agreed to customary covenants, including covenants regarding the operation of the business of the Company and its subsidiaries prior to the closing and covenants prohibiting the Company from soliciting, providing information or entering into discussions concerning proposals relating to alternative business combination transactions, except in limited circumstances relating to unsolicited proposals that constitute, or are reasonably expected to lead to, a superior proposal.

Consummation of the Merger is subject to customary closing conditions, including approval of the Company s stockholders and Ventas s stockholders. The Merger Agreement may be terminated under certain circumstances, including by either party if the Merger has not occurred by October 31, 2011, if an order is entered prohibiting or disapproving the transaction and the order has become final and non-appealable, if the stockholders of the Company or Ventas fail to approve the transaction, or upon a material uncured breach by the other party that would cause the closing conditions not to be satisfied.

A copy of the Merger Agreement is filed herewith as Exhibit 2.1 and is incorporated in this Item 1.01 by reference. The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement. The representations and warranties in the Merger Agreement were made as of a specified date, may be subject to a contractual standard of materiality different from what might be viewed as material to stockholders, or may have been used for the purpose of allocating risk between the parties. Accordingly, the representations and warranties in the Merger Agreement are not necessarily characterizations of the actual state of facts about the Company or Ventas at the time they were made or otherwise and should only be read in conjunction with the other information that the Company makes publicly available in reports, statements and other documents filed with the Securities and Exchange Commission (the SEC).
