Item 1.01. Entry into a Material Definitive Agreement.

On September 14, 2011, ConAgra Foods, Inc. (the Company), entered into a Revolving Credit Agreement (the Credit Agreement) with JPMorgan Chase Bank, N.A., as administrative agent and a lender, Bank of America, N.A., as syndication agent and a lender, and the other financial institutions party thereto. The Credit Agreement provides for a revolving credit facility in a maximum aggregate principal amount outstanding at any one time of \$1.5 billion (subject to increase to a maximum aggregate principal amount of \$2.0 billion).

The revolving credit facility provided for under the Credit Agreement replaces the Company's revolving credit facility under that certain prior long-term revolving credit agreement (the Prior Credit Agreement), dated as of December 16, 2005, among the Company, JPMorgan Chase Bank, N.A., as administrative agent and a lender, Bank of America, N.A., as syndication agent and a lender, and the other financial institutions party thereto. The maturity date of the Prior Credit Agreement was December 16, 2011. No borrowings were outstanding under the Prior Credit Agreement upon its termination.

The revolving credit facility provided for under the Credit Agreement matures on September 14, 2016, and is unsecured. The term of the Credit Agreement may be extended for additional one-year periods on an annual basis.

Loans (other than bid loans) under the revolving credit facility will bear interest at, at the Company's election, either (a) LIBOR plus a percentage spread (ranging from 0.90% to 1.50%) based on the Company's unsecured senior long-term indebtedness ratings or (b) the alternate base rate, described in the Credit Agreement as the greatest of (i) JPMorgan Chase's prime rate, (ii) the federal funds rate plus 0.50% and (iii) one-month LIBOR plus 1.00%, plus a percentage spread (ranging from 0.0% to 0.50%) based on the Company's unsecured senior long-term indebtedness ratings. Additionally, the Company has the right to request of the lenders (although the lenders have no obligation to provide) bid loans with a lower, fixed interest rate.

The Company has agreed to pay a facility fee, payable quarterly, at rates that range from 0.10% to 0.25% (based on the Company's unsecured long-term debt ratings), and customary administrative agent fees and fees in respect of letters of credit.

The Credit Agreement contains customary affirmative and negative covenants for unsecured investment grade credit facilities of this type and financial covenants limiting the Company's total funded debt and requiring a minimum fixed charge coverage ratio.

The Credit Agreement contains events of default customary for unsecured investment grade credit facilities with corresponding grace periods. If an event of default occurs and is continuing, the lenders may terminate and/or suspend their obligations to make loans and issue letters of credit under the Credit Agreement and/or accelerate amounts due under the Credit Agreement and exercise other rights and remedies. In the case of certain events of default related to insolvency and receivership, the commitments of the lenders will be automatically terminated and all outstanding obligations of the Company will become immediately due and payable.

A copy of the Credit Agreement is filed as Exhibit 10.1 hereto. The foregoing description of the Credit Agreement does not purport to be complete, and is qualified in its entirety by

reference to the full text of the Credit Agreement, which is incorporated by reference herein.
