Item 1.02. Termination of a Material Definitive Agreement.

On October 11, 2011, ABM Industries Incorporated (the “Company”) entered into a Termination Agreement (the “Termination Agreement”) with International Business Machines Corporation (“IBM”) pursuant to which the parties agreed to terminate services currently being provided by IBM to the Company pursuant to a Master Professional Services Agreement dated October 1, 2006, as such agreement has been amended (the “Master Professional Services Agreement”). Under the Master Professional Services Agreement, the Company and IBM had entered into a statement of work relating to the design and build by IBM of the Company’s new primary data center in Alpharetta, Georgia and a statement of work relating to the relocation by IBM of certain Company IT environments now supported by IBM to the new data center. The Termination Agreement provides that services under the Master Professional Services Agreement shall terminate effective as of the successful completion of the design and build of the Company’s new primary data center and the relocation of the environments currently supported by IBM to that data center, both of which are expected to be completed by February 29, 2012.

The Termination Agreement provides that the Master Professional Services Agreement is being terminated for convenience and it further provides that the Company is not obligated to pay any Termination Charges (as such term is defined in the Master Professional Services Agreement), or any wind-down costs, stranded costs, early termination fees or redeployment costs, in connection with such termination.

The foregoing summary of the Termination Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Termination Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
