The following table sets forth certain information concerning grants of options to each of the named executive officers during the year ended June 30, 2006. In addition, in accordance with the rules and regulations of the Securities and Exchange Commission, the following table sets forth the hypothetical gains or option spreads that would exist for the options. Such gains are based on assumed rates of annual compound stock appreciation of 5% and 10% from the date on which the options were granted over the full term of the options. The rates do not represent Qualstar's estimate or projection of future common stock prices, and no assurance can be given that any appreciation will occur or that the rates of annual compound stock appreciation assumed for the purposes of the following table will be achieved.

- (1) The per share exercise price of all options granted is the fair market value of Qualstar's common stock on the date of grant. Options have a term of 10 years and become exercisable in four equal annual installments commencing one year after the grant date.
- (2) The potential realizable value is calculated from the exercise price per share, assuming the market price of Qualstar's common stock appreciates in value at the stated percentage rate from the date of grant to the expiration date. Actual gains, if any, are dependent on the future market price of the common stock.

**OPTIONS EXERCISED AND FISCAL YEAR-END VALUES**

The following table sets forth information regarding options exercised by our named executive officers during the fiscal year ended June 30, 2006, the number of shares covered by both exercisable and unexercisable options as of June 30, 2006, and the value of unexercised in-the-money options held by our named executive officers as of June 30, 2006.

Directors who serve on the Audit Committee of our Board receive an additional fee of \$1,000 per quarter plus an attendance fee of \$500 per meeting if the Audit Committee meeting is held in conjunction with a meeting of the full Board, and \$1,000 per meeting if held on a day when the full Board does not meet. Directors who serve on the Compensation Committee of our Board receive an additional fee of \$500 for attending meetings of that committee that are held on a day when the full Board does not meet. An attendance fee of \$250 per meeting is paid for telephonic meetings of the full Board or of a committee on which a director is a member.
