Item 4. Description of Securities.

An aggregate principle amount of \$25,000,000 of deferred compensation obligations are being registered hereby based on estimated contributions of participants in the Clear Channel Communications, Inc. Nonqualified Deferred Compensation Plan (the "Plan"). Further amounts may be registered and issued as new or existing Plan participants elect to defer portions of their compensation in subsequent years.

The obligations of the Registrant to pay such deferred amounts to the participants in the Plan in the future in accordance with the terms of the Plan (the "Obligations") will be unsecured and unsubordinated indebtedness of the Registrant and will rank pari passu with other unsecured unsubordinated indebtedness of the Registrant from time to time outstanding. Under the Plan, there is no limitation on the Registrant's right to issue senior debt or other securities. The Obligations may also represent amounts that the Registrant has elected to credit to a participant's account under the Plan.

The amount to be deferred by each participant in the Plan will be determined in accordance with the Plan based on elections by the participant. Each Obligation will be payable on a date selected by the participant in accordance with the terms of the Plan.

Amounts credited to a participant's account are credited with such earnings, gains and losses as would have accrued to the participant's account had such funds actually been invested in one or more of the investment funds designated by the Registrant from time to time. Such investment funds may include a fund deemed to be invested in the Registrant's common stock. There is no trading market for the Obligations.

The Obligations are not subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, attachment or garnishment. Any attempt by any person to transfer or assign benefits under the Plan, other than a claim for benefits by a Participant or his or her beneficiary(ies), will be null and void.

The Obligations are not subject to redemption, in whole or in part, prior to the individual payment dates specified by the participant, at the option of the Registrant or through operation of a mandatory or optional sinking fund or analogous provision.

Obligations are not convertible into any other securities of the Registrant. The Obligations will not have the benefit of a negative pledge or any other affirmative or negative covenant on the part of the Registrant. No trustee has been appointed to take action with respect to the Obligations and each participant in the Plan will be responsible for enforcing his or her rights with respect to the Obligations. The Registrant may establish a "rabbi trust" to serve as a source of funds from which it can satisfy the obligations. Participants in the Plan will have no rights to any assets held by a rabbi trust, except as general creditors of the Registrant. Assets of any rabbi trust will at all times be subject to the claims of the Registrant's general creditors.

No events of default exist under the Plan nor is any absence of default evidence required.

The Registrant reserves the right to amend or terminate the Plan at any time, except that no such amendment shall adversely affect the right of a

Edgar Filing: CLEAR CHANNEL COMMUNICATIONS INC - Form S-8

participant to the balance of his or her deferred account as of the date of such amendment or termination. The Plan will remain in effect until it is terminated.

Item 5. Interests of Named Experts and Counsel.

Alan D. Feld, the sole shareholder of a professional corporation which is a partner of Akin, Gump, Strauss, Hauer & Feld, L.L.P., is a director of the Registrant and as of November 15, 2001, owned approximately 83,300 shares of common stock (including presently exercisable nonqualified options to acquire approximately 67,000 shares). Vernon E. Jordan, Jr., of counsel to Akin, Gump, Strauss, Hauer & Feld, L.L.P., is also a director of the Registrant and as of November 15, 2001, held options exercisable to acquire 90,300 shares of common stock.

Item 6. Indemnification of Directors and Officers.

Article 2.02-1 of the Texas Business Corporation Act provides for indemnification of directors and officers in certain circumstances. In addition, the Texas Miscellaneous Corporation Law provides that a corporation may amend its Articles of Incorporation to provide that no director shall be liable to the registrant or its shareholders for monetary damages for an act or omission in the director's capacity as a director, provided that the liability of a director is not eliminated or limited (i) for any breach of the director's duty of loyalty to the registrant or its shareholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or knowing violation of law, (iii) any transaction from which such director derived an improper personal benefit, or (iv) an act or omission for which the liability of a director is expressly provided by an applicable statute. The registrant has amended its Articles of Incorporation and added Article Eleven adopting such limitations on a director's liability. The registrant's Articles of Incorporation also provide in Article Nine, for indemnification of directors or officers in connection with the defense or settlement of suits brought against them in their capacities as directors or officers of the Company, except in respect of liabilities arising from gross negligence or willful misconduct in the performance of their duties.

Article IX(8) of the registrant's bylaws provides for indemnification of any person made a party to a proceeding by reason of such person's status as a director, officer, employee, partner or trustee of the Company, except in respect of liabilities arising from negligence or misconduct in the performance of their duties.

An insurance policy obtained by the registrant provides for indemnification of officers and directors of the registrant and certain other persons against liabilities and expenses incurred by any of them in certain stated proceedings and under certain stated conditions.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a twenty percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

Edgar Filing: CLEAR CHANNEL COMMUNICATIONS INC - Form S-8

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
