ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

We are incorporated under the laws of the State of Delaware. Section 145 of the General Corporation Law of the State of Delaware ("Section 145") provides that a Delaware corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person is or was an officer, director, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or enterprise, including an employee benefit plan. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided that such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was unlawful, except that no indemnification shall be made in connection with any action or suit by or in the right of the corporation to procure a judgment in its favor in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses that such court deems proper. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

Section 145 also provides that to the extent that a director, officer, employee or agent of the corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to above, or in defense of any claim, issue or matter therein, the corporation must indemnify him against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith.

Edgar Filing: HCC INSURANCE HOLDINGS INC/DE/ - Form S-8

Section 145 further provides that any indemnification (unless ordered by a court) must be made only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because he has met the applicable standard of conduct set forth above. Such determination must be made (i) by a majority vote of the directors who were not parties to such action, suit or proceeding, even though less than a quorum, or (ii) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (iii) by the stockholders.

Section 145 also provides that expenses (including attorneys' fees) incurred by an officer or director in defending or settling any civil, criminal, administrative or investigative action, suit or proceeding may be paid by the corporation in advance of the final disposition of such action, suit or proceeding, upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it is ultimately determined that he is not entitled to be indemnified by the corporation.

Section 145 further provides that the indemnification and advancement of expenses provided by, or granted pursuant to, Section 145 shall not exclude any other rights to which a person seeking indemnification or advancement of expenses may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office.

Article IX of the our Certificate of Incorporation, as amended and restated, requires us to indemnify our directors and officers to the extent permitted under Section 145.

Article VIII of the our Bylaws also provides that we shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding whether civil, criminal, administrative, or investigative, by reason of the fact that he is or was a director or officer, or is or was serving at our request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, or other enterprise, in accordance with provisions corresponding to Section 145. However, such Article requires that the determination of whether a person is entitled to indemnification is to be made, unless ordered by a court: (i) by a majority vote of a quorum consisting of directors who at the time of the vote are not parties to the

proceeding; (ii) if such quorum cannot be obtained, or even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion; or (iii) by our stockholders. Further, our Bylaws provide that any person, other than an officer or director, who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit or proceeding, whether civil, criminal, administrative, or investigative, by reason of the fact that he is or was our employee or agent, or was serving at our request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, or other enterprise, and who desires indemnification shall make written application for such indemnification to the board of directors for its determination that indemnification is appropriate, and if so, to what extent.

Section 145 further provides that a corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer,

Edgar Filing: HCC INSURANCE HOLDINGS INC/DE/ - Form S-8

employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would have the authority to indemnify him against such liability and expenses under the provisions described in the preceding paragraphs. We maintain liability insurance covering our directors and officers.

Section 102(b)(7) of the General Corporation Law of the State of Delaware permits a Delaware corporation to include a provision in its Certificate of Incorporation eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the General Corporation Law of the State of Delaware (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions), or (iv) for any transaction from which the director derived an improper personal benefit.

Article X of our Certificate of Incorporation eliminates liability of our directors to us or our shareholders for monetary damages for breach of fiduciary duty to the extent permitted by Section 102(b)(7) of the General Corporation Law of the State of Delaware.

The foregoing discussion is qualified in its entirety by reference to the General Corporation Law of the State of Delaware and our Certificate of Incorporation and Bylaws.

ITEM 9. UNDERTAKINGS.

- (a) We hereby undertake:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of a prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

Edgar Filing: HCC INSURANCE HOLDINGS INC/DE/ - Form S-8

- (b) We hereby undertake that, for purposes of determining any liability under the Securities Act of 1933, each filing of our annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefits plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (h) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by us of expenses incurred or paid by a director, officer or controlling person in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by us is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
