PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
To Be Held March 13, 2003

General

The enclosed Proxy is solicited on behalf of the Board of Directors of Olympic

Edgar Filing: OLYMPIC CASCADE FINANCIAL CORP - Form DEF 14A

Cascade Financial Corporation, a Delaware corporation ("Olympic" or the "Company"), for use at the Annual Meeting of Shareholders to be held on March 13, 2003, and any adjournment or postponement thereof. The Annual Meeting will be held at 12:00 Noon (local time) at the New York offices of the Company's subsidiary, National Securities Corporation, located at 120 Broadway, 27th Floor, New York, New York 10271. This Proxy Statement, the enclosed proxy card and the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2002 are being mailed on or about January 28, 2003 to shareholders entitled to vote at the meeting.

Record Date and Voting Shares

The close of business on January 17, 2003 has been fixed as the record date ("Record Date") for determining the shareholders of record entitled to notice of and to vote at the Annual Meeting. At the close of business on the Record Date, there were outstanding and entitled to vote 3,290,635 shares of common stock, \$.02 par value (the "Common Stock") and 27,825 shares of Series A Convertible Preferred Stock, \$.01 par value (the "Preferred Stock"). Each share of Preferred Stock is convertible into Common Stock at the current conversion price of \$1.50 per share, and the holder of each share of Preferred Stock is entitled to the number of votes equal to the number of shares into which such share of Preferred Stock could be converted at the record date. Accordingly, as of the record date there were 5,145,633 shares entitled to vote, consisting of Common Stock outstanding, or 3,290,635 shares, and Common Stock issuable upon conversion of the Preferred Stock, or 1,854,998 shares. Each share of Common Stock entitles the holder thereof to one vote upon any proposal submitted for a vote at the Annual Meeting.

Directors are elected by a plurality of the votes, which means the nominee who receives the largest number of properly executed votes will be elected as a director. Shares that are represented by proxies that are marked "withhold authority" for the election of the director nominee will not be counted in determining the number of votes cast for that person.

The affirmative vote of a majority of the shares present (in person or by proxy and entitled to vote at the Annual Meeting) is needed to ratify the appointment of Grassi & Co., CPAs, P.C. as the Company's independent auditors. Any other matters properly considered at the meeting will be determined by a majority of the votes cast.

Voting of Proxies

If the enclosed form of proxy is properly signed and returned, the shares represented thereby will be voted at the Annual Meeting in accordance with the instructions specified thereon. If the proxy does not specify how the shares represented thereby are to be voted, the Proxy will be voted FOR the election of the Class II director proposed by the Board of Directors unless the authority to vote for the election of such director is withheld and, if no contrary instructions are given, the proxy will be voted FOR the approval of Grassi & Co., CPAs, P.C. as independent public accountants for the fiscal year ending September 30, 2003, and in accordance with the discretion of the proxy holders as to all other matters that may properly come before the Annual Meeting. If a broker indicates on the enclosed proxy or its substitute that it does not have discretionary authority as to certain shares to vote on a particular matter ("broker non-votes"), those shares will not be considered as voting with respect to that matter. The Company believes that the tabulation procedures to be followed by the Inspector of Elections are consistent with the general requirements of Delaware law concerning voting of shares and determination of a quorum.

You may revoke or change your proxy at any time before the Annual Meeting by filing with the Secretary of the Company, at the New York offices of the Company's subsidiary, National Securities Corporation, located at 120 Broadway, 27th Floor, New York, New York 10271, a notice of revocation or another signed proxy with a later date. You may also revoke your proxy by attending the Annual Meeting and voting in person.

If any shareholder is unable to attend the Annual Meeting, such shareholder may vote by proxy. If a proxy is properly executed and returned to the Company in time to be voted at the Annual Meeting, it will be voted as specified in the proxy, unless it is properly revoked prior thereto. Votes cast in person or by proxy at the Annual Meeting will be tabulated by the Inspectors of Elections appointed for the meeting and will determine whether or not a quorum is present. The holders of a majority of the shares of stock entitled to vote at the meeting, present in person or represented by proxy, shall constitute a quorum for the transaction of business.

Solicitation

The Company will bear the entire cost of solicitation, including the preparation, assembly, printing and mailing of this Proxy Statement, the proxy and any additional solicitation materials furnished to the shareholders. Copies of solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners. In addition, the Company may reimburse such persons for their costs in forwarding the solicitation materials to such beneficial owners. The original solicitation of proxies by mail may be supplemented by a solicitation by telephone, telegram or other means by directors, officers or employees of the Company. No additional compensation will be paid to these individuals for any such services. Except as described above, the Company does not presently intend to solicit proxies other than by mail.

Deadline for Receipt of Shareholder Proposals for 2003 Annual Meeting of Shareholders

Proposals of shareholders of the Company that are intended to be presented by such shareholders at the Company's 2004 Annual Meeting must be received no later than October 1, 2003 in order that they may be included in the proxy statement and form of proxy relating to that meeting. Proposals should be sent to Olympic Cascade Financial Corporation, c/o National Securities Corporation, 120 Broadway, 27th Floor, New York, New York 10271, Attention: Corporate Secretary.

Certain Relationships and Related Transactions

Messrs. Goldwasser, Rettman and Bresner have brokerage margin accounts with National. The transactions, borrowings and interest charges in these accounts are handled in the ordinary course of business and are consistent with similar third party customer accounts.

In fiscal year 2002, the Company completed a series of transactions under which certain new investors (collectively, the "Investors") obtained a significant ownership in the Company through a \$1,572,500 investment in the Company and by purchasing a majority of shares held by Steven A. Rothstein, the former Chairman, Chief Executive Officer and principal shareholder of the Company (the "Investment Transaction"). The Investors included Triage Partners LLC ("Triage"), an affiliate of Sands Brothers & Co., Ltd., a New York Stock Exchange ("NYSE") member firm, and One Clark LLC ("One Clark"), an affiliate of Mark Goldwasser, the current Chief Executive Officer and President of the Company. The Investors purchased an aggregate of \$1,572,500 of Series A Preferred Stock from the Company, which is convertible into Common Stock at a price of \$1.50 per share. The Company incurred \$100,000 of

5

legal costs related to these capital transactions. In connection with the Investment Transaction, Triage also purchased 285,000 shares of Common Stock from Mr. Rothstein and his affiliates at a price of \$1.50 per share. In addition, Mr. Rothstein and his affiliates granted Triage a three-year voting proxy on 274,660 shares, the balance of their Common Stock.

Concurrent with the Investment Transaction, two unrelated individual noteholders holding \$2.0 million of the Company's debt converted one-half of their debt into the same class of Series A Preferred Stock that was sold in the Investment Transaction. The noteholders also had 100,000 of their 200,000 warrants to acquire shares of Common Stock repriced from an exercise price of \$5.00 per share to \$1.75 per share.

In the fourth quarter of fiscal year 2002, the Company raised an aggregate of \$210,000 pursuant to the sale of Series A Preferred Stock (on the same terms and conditions as the equity sold to the Investors) to Mr. Rothstein.

In August 2001, Mr. Rothstein's IRA loaned the Company \$50,000, pursuant to the terms of a Subordinated Promissory Note. The Note bears interest at a rate of 9% and is due in August 2004.

In March 2001, the Company had its initial closing of Robotic Ventures Fund I, L.P., a venture capital fund dedicated to investing in companies engaged in the business of robotics and artificial intelligence. As of September, 2001 the fund raised a total of \$5.2 million, \$265,000 of which was capital directly invested by the Company into the fund. The Company serves as the managing member of

Edgar Filing: OLYMPIC CASCADE FINANCIAL CORP - Form DEF 14A

Robotic Ventures Group LLC, the general partner of the fund. As the managing member of the funds general partner, the Company is entitled to the 2% management fee paid by the fund. Additionally, the Company owns 24.5% of the funds general partner, which is entitled to 20% of the profits generated by the fund after the investors receive the return of their invested capital. Each of Messrs. Rothstein and Goldwasser own 7.5% of Robotic Ventures Group LLC.

(1) Amounts include commissions earned in the normal course of business, fees received for corporate finance services and profit from the sale during the year of the Company's stock obtained through the exercise of options.

In April, July and August 2001, as part of the efforts to reduce overhead costs, management of the Company received a temporary reduction in compensation up to 84% of base salary, the majority of which has not yet been reinstated.

Option Grants In Last Fiscal Year

The Company has granted options to certain officers, directors, employees, investment executives and consultants. The options granted during the last fiscal year (adjusted for stock dividends) to the Named Executive Officers are as follows:

Employment Agreements

The Company has an employment agreement with Mr. Bresner dated July 1, 1999 and amended as of December 14, 2001, pursuant to which Mr. Bresner is paid a base annual salary of \$350,000, plus bonuses and additional benefits offered other executives of the Company. As a result of several reductions in compensation, Mr. Bresner was effectively paid at the annual rate of \$125,000 throughout fiscal year 2002. Mr. Bresner's agreement expires on June 30, 2004 and he is entitled to a lump sum severance payment, equaling two years' salary if his employment is terminated under certain circumstances. In the event of a change of control of the Company or National, Mr. Bresner may terminate his employment with the Company in exchange for a lump-sum payment of two years' base compensation, plus continuation for 18 months of certain employee benefits provided by the Company. Mr. Bresner agreed not to induce or solicit any customer of the Company to discontinue its relationship with the Company during the term of his employment and for a one-year period thereafter.

Pursuant to an agreement dated November 29, 2001, Mr. Goldwasser voluntarily terminated his employment agreement with the Company in exchange for a profit participation in National's branch office at 120 Broadway in New York City. The branch office consists of all the business activities conducted at 120 Broadway as of the date of the agreement, exclusive of retail brokerage activities. National's profit participation is 40% of the net profits generated by the branch office, and Mr. Goldwasser receives 20% of the net profits generated by the branch office.

As part of the Investment Transaction, Mr. Daskal entered into a Termination and Consulting Agreement with the Company dated December 14, 2001. The agreement

Edgar Filing: OLYMPIC CASCADE FINANCIAL CORP - Form DEF 14A

with Mr. Daskal provided for the termination of all provisions and obligations pursuant to his Employment Agreement dated January 1, 1997 and amended as of July 1, 1999, his retention as a non-executive employee of the Company for a period of three months, and payment by the Company of a monthly consulting fee of \$10,000 for a period of 27 months thereafter beginning April 1, 2002. Mr. Daskal

7

subsequently agreed to serve as the Company's Acting Chief Financial Officer and Acting Secretary. The effective date of the payment of his monthly consulting fee has been correspondingly deferred.

Meetings and Committees of the Board Of Directors

During the fiscal year ended September 30, 2002, the Company's Board of Directors met or acted by unanimous written consent a total of 22 times. The Board of Directors has a Compensation Committee and an Audit Committee. Each director attended or participated in 75% or more of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees of the Board of Directors on which such director served during the 2002 Fiscal Year.

Compensation Committee

The Company's Compensation Committee for the fiscal year 2002 consisted of Steven B. Sands, Martin S. Sands and Mark Goldwasser. The Committee believes the compensation paid to the Company's Executive Officers is competitive with companies within its industry that are comparable in size and by companies outside the industry with which the Company competes for executive talent.

Report of the Compensation Committee

This report of the Compensation Committee shall not be deemed incorporated by reference by any general statement incorporating the Proxy Statement by reference into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934 (the "Acts"), except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

The Committee is responsible for making recommendations to the Company's Board of Directors concerning the compensation of the Company's Chief Executive Officer and, based upon recommendations received from the Company's Chief Executive Officer, the compensation of the Company's other officers, consistent with employment contracts where appropriate.

The Company has a compensation program that consists of salary and performance bonus (that are generally reviewed annually) and stock options. The overall executive compensation philosophy is based upon the premise that compensation should be aligned with and support the Company's business strategy and long-term goals. The Company believes it is essential to maintain an executive compensation program, that provides overall compensation competitive with that paid executives with comparable qualifications and experience. This is critical to attract and retain competent executives.

Annual cash bonuses are determined by action of the Board of Directors on recommendations made to it by its Compensation Committee. Stock options may be granted to key employees of the Company as determined by the Board of Directors pursuant to the Company's stock option plan that provides additional incentive

Edgar Filing: OLYMPIC CASCADE FINANCIAL CORP - Form DEF 14A

to maximize stockholder value. The plans may also utilize vesting periods to encourage option recipients to continue in the employ of the Company. The Company grants stock options to its officers, directors, employees, investment executives and consultants.

Compensation of the Chief Executive Officer

As described above, pursuant to an agreement dated November 29, 2001, Mr. Goldwasser voluntarily terminated his employment agreement dated June 12, 2000 with the Company in exchange for a profit participation in National's branch office at 120 Broadway in New York City. The branch office consists of all the business activities conducted at 120 Broadway as of the date of the agreement, exclusive of retail brokerage activities. National's profit participation is 40% of the net profits generated by the branch office, and Mr. Goldwasser receives 20% of the net profits generated by the branch office. Consequently, for the year ended 2002, Mr. Goldwasser received \$123,500 pursuant to this arrangement. The terms of the profit participation agreement has been established in recognition of Mr. Goldwasser's unique skills and importance to the Company. The amount of profit participation reflects the Committee's philosophy as stated above.

The Compensation Committee regularly evaluates its policies with respect to executive compensation. The Compensation Committee believes that a combination of salary, bonus, and stock options provides a mix of short and long-term rewards necessary to attract motivate and retain an excellent management team.
