NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

1). ORGANIZATION

Entertainment Properties Trust (the "Company") is a Maryland real estate investment trust (REIT) organized on August 29, 1997. The Company was formed to acquire and develop entertainment properties including megaplex theatres and entertainment-themed retail centers.

2). SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying unaudited consolidated financial statements of the Company have been prepared in accordance with generally accepted accounting principles for interim financial information and with the instructions to Form 10-Q and Article 10 of Regulation S-X. Accordingly, they do not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. Operating results for the three-month period ended March 31, 2001 are not necessarily indicative of the results that may be expected for the year ending December 31, 2001.

The consolidated balance sheet as of December 31, 2000 has been derived from the audited consolidated balance sheet at that date but does not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements.

For further information, refer to the consolidated financial statements and footnotes thereto included in the Company's annual report on Form 10-K for the year ended December 31, 2000.

Principles of Consolidation

The consolidated financial statements include the accounts of Entertainment Properties Trust and its wholly-owned subsidiaries, EPT DownReit, Inc., EPT DownReit II, Inc, Three Theatres, Inc. and Cantera 30, Inc. All significant intercompany transactions have been eliminated.

Use of Estimates

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. Actual results may differ significantly from

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form 10-Q/A

such estimates and assumptions.

3). LONG TERM DEBT

On February 14, 2001, the Company completed a \$125 million debt private placement, secured by nine megaplex theatre properties, the proceeds of which were used primarily to retire borrowings under the \$127 million Bank Credit Facility. The debt carries a stated interest rate at March 31, 2001 of 8.29% and matures on February 12, 2006.

4). REAL ESTATE JOINT VENTURES

On June 30, 1999, the Company finalized a joint venture with Excel Legacy Corp. (Amex: XLG), whereby the Company contributed certain undeveloped land parcels with a carrying value of \$8.7 million in exchange for a 50% interest in the real estate joint venture, comprised of the undeveloped land parcels and the Westminster AMC 24 screen Theatre in Westminster,

6

Colorado. The joint venture intends to develop the properties as an entertainment-themed retail center. The Company accounts for its investment in the real estate joint venture under the equity method of accounting.

On May 11, 2000, the Company completed the formation of a joint venture with Atlantic of Hamburg, Germany ("Atlantic"), whereby the Company contributed the AMC Cantera 30 theatre with a carrying value of \$33.5 million in exchange for cash proceeds from mortgage financing of \$17.85 million and a 100% interest in the venture. The Company subsequently sold to Atlantic a 16% interest in the venture in exchange for \$2.8 million in cash. It is expected that Atlantic will acquire up to an additional 64% interest in the joint venture by selling securities to German investors, with the proceeds of those sales to be contributed to the venture and then paid to the Company in reduction of its interest. The Company accounts for its investment in the real estate joint venture under the equity method of accounting.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

OVERVIEW

The following discussion should be read in conjunction with the Consolidated Financial Statements and Notes thereto included in this quarterly report on Form 10-Q. The forward-looking statements included in this discussion and elsewhere in this Form 10-Q involve risks and uncertainties, including anticipated financial performance, business prospects, industry trends, shareholder returns, performance of leases by tenants and other matters, which reflect management's best judgment based on factors currently known. Actual results and experience could differ materially from the anticipated results and other expectations expressed in the Company's forward-looking statements as a result of a number of factors including but not limited to those discussed in this Item and in Item I "Business -- Risk Factors", in the Company's Annual Report of Form 10-K for the year ended December 31, 2000 incorporated by reference herein.

RESULTS OF OPERATIONS

The Company's revenues, which consist of property rentals and income from a joint venture, were \$13.9 million for the three months ended March 31, 2001 compared to \$13.9 million for the three months ended March 31, 2000. Rental revenues reflect a decline of \$0.3 million, offset by an increase in joint venture income of \$0.3 million, primarily due to the contribution of the Cantera

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form 10-Q/A

30 property to the Atlantic-EPR joint venture, which is accounted for under the equity method of accounting whereby the company's proportional share of net income is recognized as revenue rather than the actual rental revenue of the joint venture.

General and administrative expense totaled \$0.6 million for the three months ended March 31, 2001 compared to \$0.5 million for the three months ended March 31, 2000. The increase was due primarily to expenses related to the proxy contest described in Part II - Item 4 "Submission of Matters to a Vote of Security Holders".

Net interest expense totaled \$5.0 million for the three months ended March 31, 2001 compared to net interest expense of \$4.4 million for the three months ended March 31, 2000. The \$0.6 million increase in net interest expense resulted primarily from the impact of higher interest rates on the variable rate portion of the Company's debt (\$0.5 million).

Depreciation and amortization expense was \$2.6 million for the three months ended March 31, 2001 compared to \$2.7 million for the three months ended March 31, 2000. The decrease of \$0.1 million resulted from the contribution of the Cantera 30 property to the Atlantic-EPR joint venture.

Net income for the three months ended March 31, 2001 totaled \$5.8 million or \$0.39 per diluted share as compared to \$6.2 million or \$0.42 per diluted share for the three months ended March 31, 2000.

7

LIQUIDITY AND CAPITAL RESOURCES

As of March 31, 2001, the Company had \$5.8 million in cash and cash equivalents, \$6.5 million in restricted cash escrows available to service debt under the Company's \$125 million secured mortgage debt issue completed in February, 2001, and secured mortgage indebtedness of approximately \$250 million. The \$250 million aggregate principal amount of fixed rate mortgage indebtedness bears interest at a weighted average rate of 8.10%.

On February 14, 2001, the Company completed a \$125 million debt private placement, secured by nine megaplex theatre properties, the proceeds of which were used primarily to retire borrowings under the \$127 million Bank Credit Facility.

The Company anticipates that its cash from operations will provide adequate liquidity to conduct its operations, fund administrative and operating costs and debt service requirements and allow distributions to the Company's shareholders in accordance with Internal Revenue Code requirements for qualification as a REIT and to avoid any corporate level federal income tax or excise tax.

Future acquisitions will be made pursuant to the Company's investment objectives and policies to maximize both current income and long-term growth in income. As acquisition opportunities are presented, the Company intends to consider: (i) entering into joint ventures with other investors to acquire or develop properties; (ii) issuing Company securities in exchange for properties; and/or (iii) conducting a public offering or direct placement of the Company's securities designed to raise capital for acquisitions. There can be no assurance these objectives can be achieved. See the December 31, 2000 annual report on Form 10-K for a discussion of the Company's capitalization strategies and capital requirements for future growth.

FUNDS FROM OPERATIONS

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form 10-Q/A

The Company believes that to facilitate a clear understanding of the historical consolidated operating results, FFO should be examined in conjunction with net income as presented in the Consolidated Financial Statements. FFO is considered by management as an appropriate measure of the performance of an equity REIT because it is predicated on cash flow analysis, which management believes is more reflective of the value of real estate companies, such as the Company, rather than a measure predicated on net income, which includes non-cash expenses, such as depreciation. FFO is generally defined as net income plus certain non-cash items, primarily depreciation of real estate properties. Comparison of our presentation of FFO, using the definition adopted by the National Association of Real Estate Investment Trusts (NAREIT), to similarly titled measures for other REITs may not necessarily be meaningful due to possible differences in the application of the NAREIT definition used by such REITs.

The following tables summarize the Company's FFO for the three month periods ended March 31, 2001 and March 31, 2000 (in thousands except per Share data):

	Three months ended March 31,	
	2001	2000
	-----	-----
Net income	\$ 5,808	\$ 6,249
Real estate depreciation	2,704	2,624
