PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

To Be Held On June 10, 2002

This Proxy Statement is furnished to shareholders of Crescent Real Estate Equities Company, a Texas real estate investment trust (the "Company"), in connection with the solicitation of proxies by its board of trust managers (the "Board of Trust Managers" or the "Board") on behalf of the Company for use at the 2002 Annual Meeting of Shareholders of the Company (the "Meeting") to be held at The Crescent Court Hotel, 400 Crescent Court, Dallas, Texas, on Monday, June 10, 2002, at 10:00 a.m., Central Daylight Savings Time, for the purposes set forth in the Notice of Annual Meeting. This Proxy Statement and the accompanying form of proxy are first being sent or given to shareholders on or about May 20, 2002.

The Company owns its assets and conducts its operations through Crescent Real Estate Equities Limited Partnership, a Delaware limited partnership (the "Operating Partnership"), and its other subsidiaries. The sole general partner of the Operating Partnership is Crescent Real Estate Equities, Ltd., a Delaware corporation (the "General Partner"), which is a wholly owned subsidiary of the Company.

RECORD DATE AND OUTSTANDING CAPITAL SHARES

The record date for determination of the shareholders entitled to notice of and to vote at the Meeting is the close of business on April 12, 2002 (the "Record Date"). At the close of business on the Record Date, 105,207,192 of the Company's common shares of beneficial interest, par value \$.01 per share (the "Common Shares"), were issued, outstanding and entitled to vote at the Meeting. This number excludes 14,468,623 issued and outstanding Common Shares held by Crescent SH IX, Inc., an indirect wholly owned subsidiary of the Company, because Crescent SH IX, Inc. is not entitled to vote those Common Shares under applicable law.

PROCEDURAL MATTERS

Any proxy, if received in time, properly signed and not revoked, will be voted at the Meeting in accordance with the directions of the shareholder. If no directions are specified, the proxy will be voted FOR Proposal 1 (Item 1 on the proxy card) and AGAINST the shareholder proposal (Item 2 on the proxy card). If any other matter or business is brought before the Meeting or any adjournment

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

thereof, the proxy holders may vote the proxy in their discretion. The Board of Trust Managers does not know of any such matter or business to be presented for consideration.

A proxy may be revoked by (i) delivering a written statement to the Secretary of the Company stating that the proxy is revoked, (ii) presenting at the Meeting a subsequent proxy executed by the person executing the prior proxy, or (iii) attending the Meeting and voting in person.

QUORUM AND VOTING

The presence, in person or by proxy, of the holders of a majority of the Common Shares outstanding and entitled to vote as of the Record Date is necessary to constitute a quorum for the transaction of business at the

1

Meeting. In deciding all questions, a holder of Common Shares is entitled to one vote, in person or by proxy, for each Common Share held in such holder's name on the Record Date, except that Crescent SH IX, Inc. is not entitled to vote its 14,468,623 Common Shares.

REQUIRED AFFIRMATIVE VOTE AND VOTING PROCEDURES

The vote required to elect the nominees as trust managers (Proposal Number 1) is a majority of the votes cast at the Meeting by the holders of Common Shares entitled to vote on such matter. The vote required to approve the shareholder proposal (Proposal Number 2) urging the Board of Trust Managers to take the steps necessary to declassify the Board is a majority of the votes cast at the Meeting by the holders of Common Shares entitled to vote on such matter. Common Shares held by shareholders present at the Meeting in person who do not vote and ballots marked "abstain," "against" or "withhold authority" will be counted as present at the Meeting for quorum purposes. Under the Company's Restated Declaration of Trust, as amended (the "Declaration of Trust"), Amended and Restated Bylaws, as amended (the "Bylaws"), and applicable law, abstentions constitute votes cast but broker non-votes do not. As a result, abstentions with respect to the election of the trust managers or the shareholder proposal effectively constitute votes against those matters. Broker non-votes will have no effect on the outcome of the vote on either proposal.

COSTS OF PROXY SOLICITATION

The Company will bear the cost of preparing, assembling and mailing the proxy material. Upon request, the Company will reimburse brokers, banks, nominees and other fiduciaries for postage and reasonable clerical expenses of forwarding the proxy materials to their principals, the beneficial owners of the Common Shares and the Preferred Shares. In an effort to have as large a representation at the Meeting as possible, special solicitation of proxies may, in certain instances, be made personally, or by telephone, facsimile, or mail by one or more employees of the General Partner, who will not receive any additional compensation in connection therewith. In addition, the Company has engaged D. F. King & Co., Inc. to assist in the solicitation of proxies. The Company anticipates that it will incur total fees of \$8,000 plus \$4.00 per phone call plus out-of-pocket expenses. Neither the number of phone calls nor the out-of-pocket expenses can be estimated at this time.

INDEPENDENT AUDITORS

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

Arthur Andersen LLP has served as the Company's independent auditors from inception through the fiscal year ended December 31, 2001. A representative of Arthur Andersen LLP is expected to be present at the Meeting. The representative will have an opportunity to make a statement and will be able to respond to appropriate questions.

The Company's Audit Committee has closely monitored the congressional investigations and public disclosures concerning the bankruptcy filing of Enron Corp. and Arthur Andersen LLP's involvement as independent auditor of Enron Corp. In addition, the Audit Committee has met with representatives of Arthur Andersen LLP to discuss these recent events. The Audit Committee, in its discretion, may direct the appointment of different independent auditors at any time during the year if the Audit Committee believes that such an appointment would be in the best interests of our shareholders. Although members of the Audit Committee have not reached a decision regarding our independent auditors for 2002, they may consider engaging an independent accounting firm other than Arthur Andersen LLP for reasons that are unrelated to Arthur Andersen LLP's prior audits of our financial statements. For this reason, we will not be asking shareholders to ratify Arthur Andersen LLP as our independent auditors at the Meeting. If members of the Audit Committee decide to appoint different independent auditors, we will promptly provide the disclosure required by the regulations of the Securities and Exchange Commission (the "Commission").

Fiscal 2001 Audit Firm Fee Summary. During fiscal year 2001, the Company retained Arthur Andersen LLP to provide services in the following categories and amounts:

Audit Fees.....	\$287,400
Financial Information Systems Design and Implementation Fees.....	\$ 0
All Other Fees:	
Audit-Related Fees*.....	\$204,300

Total All Other Fees.....	\$346,975

* Audit-related fees includes operating expense audits required by lease agreements, audits required by partnership and note agreements, accounting consultation, acquisition due diligence, and the benefit plan audit. Other fees include tax consultation and tax federal and state compliance.

The Audit Committee of the Board of Trust Managers has considered those services provided by Arthur Andersen LLP for the Company that were not provided in conjunction with the audit and review of its financial statements and has determined that such services are compatible with maintaining the independence of Arthur Andersen LLP.

BOARD OF TRUST MANAGERS

The trust managers of the Company are divided into three classes, with the shareholders electing a portion of the trust managers annually. In May 2002, pursuant to the authority granted to them under the Bylaws the trust managers approved an increase in the size of the Board of Trust Managers to nine members, and elected Robert W. Stallings, Dennis H. Alberts and Terry N. Worrell to fill the three newly created vacancies on the Board of Trust Managers. Because the Company's Declaration of Trust and Bylaws require the Board of Trust Managers to be divided into three classes as nearly equal in number as possible, Mr. Stallings was elected to hold office for a term expiring at the Meeting (on June 10, 2002), and Mr. Alberts and Mr. Worrell were elected to hold office for a term expiring at the Annual Meeting of Shareholders in 2004 and, in each case, until his successor has been duly elected and qualified. The trust managers whose terms will expire at the Meeting are John C. Goff, Paul E. Rowsey, III and Robert W. Stallings. Messrs. Goff, Rowsey and Stallings have been nominated and have agreed to stand for election at the Meeting as trust managers, to hold office until the Annual Meeting of Shareholders in 2005, or until their respective successors are elected and qualified.

The nominees who receive a majority of the votes cast by shareholders who are present in person or represented by proxy at the Meeting and entitled to vote on the election of trust managers will be elected as trust managers of the Company.

THE BOARD OF TRUST MANAGERS RECOMMENDS A VOTE FOR JOHN C. GOFF, PAUL E. ROWSEY, III AND ROBERT W. STALLINGS AS TRUST MANAGERS TO HOLD OFFICE UNTIL THE ANNUAL MEETING OF SHAREHOLDERS IN 2005, OR UNTIL THEIR RESPECTIVE SUCCESSORS ARE ELECTED AND QUALIFIED.

If Mr. Goff, Mr. Rowsey or Mr. Stallings become unable to serve as trust managers for any reason, the Board of Trust Managers may designate substitute nominees, in which event the persons named in the enclosed proxy will vote for the election of such substitute nominee or nominees or may reduce the number of trust managers on the Board of Trust Managers.

Set forth below is information with respect to the current nine trust managers of the Company, including the nominees, and the executive officers of the Company and the General Partner.

Mr. Porter has served as Vice President and Treasurer of the Company and the General Partner since December 1999.

TRUST MANAGER COMPENSATION

During 2001, each trust manager who is not also an officer of the Company received an annual fee of \$30,000 (payable in cash or, at the election of the trust manager, in Common Shares in an amount determined by dividing the fees otherwise payable by 90% of the fair market value of the Common Shares), a meeting fee of \$1,000 for each Board of Trust Managers or committee meeting attended in person, a fee of \$1,000 for participation in each telephonic meeting of the Board of Trust Managers and a fee of \$500 for participation in each telephonic committee meeting. Trust managers who are also officers receive no separate compensation for their service as trust managers.

COMMITTEES OF THE BOARD OF TRUST MANAGERS

Audit Committee. The Audit Committee consists of Anthony M. Frank, Chairman, and William F. Quinn and Paul E. Rowsey, III. The Audit Committee, which held seven meetings in 2001, makes recommendations concerning the engagement of independent public accountants, reviews with the independent public accountants the plans and results of the audit engagement, approves professional services that the independent public accountants provide, reviews the independence of the public accountants, considers the range of audit and non-audit fees and reviews the adequacy of the Company's internal accounting controls. The Board of Trust Managers has determined that all current members of the Audit Committee are "independent" as that term is defined in Section 303.01(B) (2) (a) and (3) of the New York Stock Exchange's listing standards.

Executive Compensation Committee. The Executive Compensation Committee consists of Paul E. Rowsey, III, Chairman, and Anthony M. Frank. The Executive Compensation Committee, which held two meetings in 2001, determines compensation for the Company's executive officers and administers the stock incentive and other compensation plans that the Company adopts. The Executive Compensation Committee also nominates persons to serve as members of the Board of Trust Managers. The Executive Compensation Committee will consider nominees that management, shareholders and others recommend, and these recommendations may be delivered in writing to the attention of the Executive Compensation Committee in care of the Company Secretary at the Company's principal executive offices. See "Shareholder Proposals for the Company's 2003 Annual Meeting of Shareholders" below for a description of the procedures by which shareholders may nominate candidates for trust manager.

Intercompany Evaluation Committee. The Intercompany Evaluation Committee consists of William F. Quinn, Chairman, and David M. Sherman. The Board of Trust Managers appointed the Intercompany Evaluation Committee to review, confirm and ratify, in the Company's capacity as sole stockholder of the General Partner, all

determinations and acts of the Operating Partnership and the General Partner relating to the Intercompany Agreement between the Operating Partnership and Crescent Operating, Inc. ("COPI"), dated June 3, 1997 (the "Intercompany Agreement"), and any other transactions with COPI or its affiliates that the General Partner may present to the committee from time to time. The Intercompany

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

Agreement was terminated on February 14, 2002 pursuant to an agreement between the Company and COPI. The Intercompany Evaluation Committee continues to serve its functions with respect to any transactions with COPI or its affiliates that the General Partner presents to the committee. The Intercompany Evaluation Committee held four meetings in 2001.

During the last fiscal year, the Board of Trust Managers held five meetings, and no trust manager attended fewer than 75% of the aggregate of all meetings of the Board of Trust Managers and the committees, if any, upon which such trust manager served and which were held during the period of time that such person served on the Board of Trust Managers or such committee.

PROPOSAL NUMBER 2 PROPOSAL BY SHAREHOLDER

SHAREHOLDER PROPOSAL BY SEIU

THE FOLLOWING PROPOSAL HAS BEEN SUBMITTED BY SERVICE EMPLOYEES INTERNATIONAL UNION ("SEIU"), 1313 L STREET, N.W., WASHINGTON, D.C. 20005 IN THE FORM IN WHICH IT WAS SUBMITTED TO THE COMPANY. SEIU IS THE OWNER OF 147 SHARES OF THE COMPANY.

RESOLVED: That the shareholders of Crescent Real Estate Equities Co. urge the Board of Trustees to take the necessary steps to declassify the Board of Trustees for the purpose of Trustee elections. The Board declassification shall be done in a manner that does not affect the unexpired terms of Trustees previously elected.

SHAREHOLDER SUPPORTING STATEMENT BY SEIU

We believe the election of Trustees is the most powerful way that shareholders influence the strategic direction of our company. Currently the Board of Trustees of Crescent Real Estate Equities Co. is divided into three classes serving staggered three-year terms. It is our belief that the classification of the Board of Trustees is not in the best interests of Crescent Real Estate Equities Co. and its shareholders. The elimination of the staggered board would require each Trustee to stand for election annually. This procedure would allow shareholders an opportunity to annually register their views on the performance of the board collectively and each Trustee individually. Concerns that the annual election of Trustees would leave Crescent Real Estate Equities Co. without experienced board members in the event that all incumbents are voted out are unfounded. If the owners should choose to replace the entire board, it would be obvious that the incumbent Trustee contributions were not valued.

A classified board of Trustees protects the incumbency of the board of Trustees and current management, which in turn limits accountability to stockholders. It is our belief Crescent Real Estate Equities Co.'s corporate governance procedures and practices, and the level of management accountability they impose, are related to the financial performance of the company. While Crescent Real Estate Equities Co.'s current performance is good, we believe sound corporate governance practices, such as the annual election of Trustees, will impose the level of management accountability necessary to help insure that a good performance record continues over the long term.

Classified boards like ours have become increasingly unpopular in recent years. Last year a majority of shareholders supported proposals asking their boards to repeal classified board structures at a number

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

of respected companies, including Kroger, Merck, Airborne, Albertson's Inc., U.S. Bancorp., Delphi Automotive, Maytag, United Health Group, Wisconsin Energy, and Alaska Air Group.

For a greater voice in the governance of Crescent Real Estate Equities Co. and annual Board of Trustees accountability we ask shareholders to vote YES on this proposal.

9

OPPOSITION STATEMENT BY CRESCENT REAL ESTATE EQUITIES COMPANY

The Company's current system for electing trust managers by classes was approved by the shareholders in 1994 and has been in place since prior to the Company's initial public offering. Under this system, the Board of Trust Managers is divided into three classes, each constituting approximately one-third of the total number of trust managers.

With the classified Board, the likelihood of continuity and stability in the Board's business strategies and policies is enhanced since, generally, approximately two-thirds of the trust managers at all times will have had prior experience and familiarity with the business and affairs of the Company. This experience and familiarity contributes to more effective long-range strategic planning and a focus on long-term performance.

The classified Board is intended to encourage persons who may seek to acquire control of the Company to initiate such action through negotiations with the Board. If a potential acquiror does not negotiate with the Company, the existence of the classified Board means that at least two meetings of shareholders would generally be required to replace a majority of the Board. By reducing the threat of an abrupt change in the composition of the entire Board, classification of trust managers would provide the Board with an adequate opportunity to fulfill its duties to the Company's shareholders to review any takeover proposal, study appropriate alternatives and achieve the best results for all shareholders. The Board believes that a classified Board enhances the ability to negotiate favorable terms with the proponent of an unfriendly or unsolicited proposal, but that it does not preclude takeover offers.

The Board believes that trust managers elected to a classified Board are no less accountable to shareholders than they would be if all trust managers were elected annually. The same standards of performance and fiduciary duties apply to all trust managers regardless of their term of service. The Board addresses many important issues during the year and is confident that its attention to these issues is in no way affected by the timing of elections.

Adoption of this proposal would not automatically eliminate the classified Board. Further action by the shareholders would be required to amend the Declaration of Trust and Amended and Restated Bylaws, as amended. Under these documents, the approval of two-thirds of the outstanding Common Shares would be required for approval of any amendment. Under Texas law, an amendment to the Declaration of Trust requires a recommendation from the Board of Trust Managers prior to submission to shareholders. While the Board would consider such an amendment, it remains subject to its fiduciary duty to act in a manner it believes to be in the best interest of the Company and its shareholders generally.

THEREFORE, YOUR BOARD OF TRUST MANAGERS RECOMMENDS A VOTE AGAINST THIS PROPOSAL.

(1) All information is as of April 12, 2002, the Record Date, unless otherwise indicated. For purposes of calculations of percentage ownership interests, the number of Common Shares outstanding as of the Record Date excludes the 14,468,623 Common Shares held of record by Crescent SH IX, Inc., an indirect wholly owned subsidiary of the Company, because Crescent SH IX, Inc. is not entitled to vote those Common Shares under applicable law. The number of Common Shares beneficially owned is reported on the basis of regulations of the

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

Commission governing the determination of beneficial ownership of securities. Stock Incentive Plan (the "1995 Plan"), (ii) the number of Common Shares that may be issued within 60 days of the Record Date upon exchange of partnership units of the Operating Partnership ("Units") that such person owns for Common Shares, with such exchange made on the basis of two Common Shares for each Unit exchanged (assuming the Company elects to issue Common Shares rather than pay cash upon such exchange), (iii) the number of Common Shares that may be issued within 60 days of the Record Date upon exercise of options (the "Plan Unit Options") granted under the 1996 Crescent Real Estate Equities Limited Partnership Unit Incentive Plan (the "Unit Plan"), as amended, to purchase Units and the subsequent exchange of such Units for Common Shares, with such exchange made on the basis of two Common Shares for each Unit exchanged (assuming the Company elects to issue Common Shares rather than pay cash upon such exchange) and (iv) the number of Common Shares that may be issued within 60 days of the Record Date upon exercise of options (the "Unit Options") granted pursuant to an agreement to purchase Units and the subsequent exchange of such Units for Common Shares, with such exchange made on the basis of two Common Shares for each Unit exchanged (assuming the Company elects to issue Common Shares rather than pay cash upon such exchange). In addition, the number of Common Shares a person beneficially owns is deemed to include the number of Common Shares issuable upon exchange of the Preferred Shares, each of which is currently convertible into .6119 Common Shares. As of the Record Date, none of the persons listed in the Beneficial Ownership table, and no executive officer not listed in the table, beneficially owned any Preferred Shares.

- (1) Amounts represent matching contributions that the General Partner made to Mr. Goff's, Mr. Albert's and Mr. Dean's individual 401(k) Plan accounts in the amount of \$7,875, \$1,404 and \$7,893, respectively, and dividends earned on dividend incentive units ("DIUs") of \$47,296, \$(43,312) and \$8,684, respectively, that are invested in public mutual funds made available to the holders by the General Partner. See Note 2 below for an additional explanation of DIUs.
- (2) This amount includes a non-cash distribution for DIUs into separate interest bearing accounts maintained by the Company for Mr. Goff, Mr. Alberts and Mr. Dean at December 31, 2000 (\$825,000, \$550,000 and \$275,000, respectively). The amount of the distribution to any account is based on the number of DIUs held by the participant, the amount of dividends paid by the Company (with each DIU entitled to an amount equal to the dividend per Common Share) and the performance multiples associated with the performance targets that are achieved or surpassed. The amount also includes interest on the amounts invested in public mutual funds made available to the holders by the General Partner. The amounts will be paid to the participant on or about the fifth anniversary of the date the DIUs were granted. See " -- Report of the Executive Compensation Committee" for a definition of DIUs.
- (3) Amounts represent matching contributions that the General Partner made to the individual's 401(k) Plan account.

- (5) Amount includes 200,000 Common Shares, which represents the number of Common Shares that may be issued following (i) exercise of Plan Unit Options for Units on a one-for-one basis, and (ii) exchange of Units for Common Shares on the basis of two Common Shares for each Unit.
- (6) Amount includes 300,000 Common Shares, which represents the number of Common Shares that may be issued following (i) exercise of Unit Options for Units on a one-for-one basis, and (ii) exchange of Units for Common Shares on the basis of two Common Shares for each Unit.
- (7) Amount includes \$45,000 of restricted stock. These Common Shares were acquired by the General Partner as part of the Company's on-going share repurchase program and granted to Mr. Dean as restricted stock during the second quarter of 2000. On March 6, 2002, the restrictions on such stock were lifted.

(1) Potential Realizable Value is the value of the granted Options, based on the assumed annual growth rates of the share price shown during their 10-year Option term. For example, a 5% growth rate, compounded annually,

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

for Mr. Alberts' grant results in a share price of \$35.58 per share, and a 10% growth rate, compounded annually, results in a share price of \$56.65 per share. These potential realizable values are listed to comply with the regulations of the Commission, and the Company cannot predict whether these values will be achieved. Actual gains, if any, on Option exercises are dependent on the future performance of the Common Shares.

- (2) Amount includes 400,000 Options that vest in equal one-fifth installments on March 4, 2001, 2002, 2003, 2004 and 2005.

EMPLOYMENT AGREEMENT

As part of the transactions in connection with formation of the Company, the Operating Partnership assumed an Employment Agreement between Rainwater, Inc. and John C. Goff. The Operating Partnership takes action through the General Partner. Mr. Goff serves as the sole member of the board of directors of the General Partner. As of January 1, 2002, Mr. Goff served as Vice Chairman of the Board of Trust Managers of the Company and as Chief Executive Officer of the Company and the General Partner, and he was entitled to an annual salary of \$750,000. The term of the Employment Agreement with Mr. Goff would have expired on April 14, 2002, but a new employment agreement, replacing the prior employment agreement, was entered into effective February 19, 2002. Pursuant to the new employment agreement, which will terminate on February 19, 2007, Mr. Goff is entitled to an annual salary of \$750,000 and a bonus as determined in the discretion of the Compensation Committee of the General Partner. In addition, pursuant to the employment agreement, Mr. Goff was provided the right to earn (i) 300,000 shares of restricted stock, one-third of which will be earned on each of the third, fourth and fifth anniversaries of Mr. Goff's employment agreement and (ii) 1,500,000 Unit Options, one-fifth of which will be earned on each of the first through fifth anniversaries of Mr. Goff's employment agreement. The Units underlying such Unit Options are convertible into two Common Shares of the Company upon the satisfaction of certain conditions.

The salary under the Employment Agreement, which is not subject to a cap, may be increased at the discretion of the Operating Partnership, although at its request, the Executive Compensation Committee of the Company may

15

review and ratify all such increases in salary. The Operating Partnership similarly determines any bonus to be paid under the Employment Agreement, although at its request, the Executive Compensation Committee may review and ratify all such bonuses granted to Mr. Goff.

AGREEMENTS NOT TO COMPETE

The Company and the Operating Partnership are dependent on the services of Richard E. Rainwater and John C. Goff. Mr. Rainwater serves as Chairman of the Board of Trust Managers but has no employment agreement with the Company and, therefore, is not obligated to remain with the Company for any specified term. In connection with the initial public offering of the Common Shares in May 1994, each of Messrs. Rainwater and Goff entered into a Noncompetition Agreement with

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

the Company that restricts him from engaging in certain real estate-related activities during specified periods of time.

The restrictions that Mr. Rainwater's Noncompetition Agreement imposes will terminate one year after the later to occur of (i) the date on which Mr. Rainwater ceases to serve as a trust manager of the Company, and (ii) the date on which Mr. Rainwater's beneficial ownership of the Company (including Common Shares and Units) first represents less than a 2.5% ownership interest in the Company. The restrictions that Mr. Goff's Noncompetition Agreement imposes will terminate one year after Mr. Goff first ceases to be a trust manager or an executive officer of the Company. The Noncompetition Agreements do not, among other things, prohibit Messrs. Rainwater and Goff from engaging in certain activities in which they were engaged at the time of formation of the Company in 1994 or from making certain passive real estate investments.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers, trust managers and persons who own more than 10% of the Common Shares or the Preferred Shares to file reports of ownership on Form 3 and changes in ownership on Forms 4 and 5 with the Commission and the New York Stock Exchange. The Commission rules also require such officers, trust managers and 10% holders to furnish the Company with copies of all Section 16(a) forms that they file.

Based solely on its review of copies of such reports received or written representations from certain reporting persons, the Company believes that all Section 16(a) filing requirements applicable to its officers, trust managers and 10% shareholders were complied with for the fiscal year ended December 31, 2001, except that Mr. Rainwater filed on an untimely basis one Statement of Changes in Beneficial Ownership on Form 4 reporting a single transaction involving the private transfer to an individual of 7,548 units of the Operating Partnership (equivalent to 15,096 shares of the Company) to satisfy a preexisting contractual obligation to the transferee.

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Exchange Act that might incorporate future filings, including this Proxy Statement, in whole or in part, the Report of the Audit Committee, the Report of the Executive Compensation Committee and the Performance Graph, each of which appears below, shall not be deemed to be "soliciting material" or to be "filed" with the Commission, nor shall such information be incorporated by reference into any previous or future filings under the Securities Act of 1933 or the Exchange Act, except to the extent that the Company incorporates it by specific reference into any such filings.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is composed of Messrs. Frank, Quinn and Rowsey. A majority of the full Board of Trust Managers selects members of the Audit Committee.

Statement of Policy. The Audit Committee shall provide assistance to the Board of Trust Managers in fulfilling its oversight responsibility to the shareholders, potential shareholders, the investment community, and

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

others relating to the Company's financial statements and the financial reporting process, the systems of internal accounting and financial controls, the internal audit function, the annual independent audit of the Company's financial statements, and the legal compliance and ethics programs as established by management and the Board of Trust Managers. In so doing, it is the responsibility of the Audit Committee to maintain free and open communication between the Audit Committee, the independent auditors, the internal auditors and management of the Company. In discharging its oversight role, the Audit Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of the Company and the power to retain outside counsel, or other experts for this purpose.

Responsibility - Accounting, Auditing, and Financial Reporting Practices of the Company. In accordance with the Audit Committee Charter adopted by the Board of Trust Managers of the Company, the Audit Committee assists the Board of Trust Managers in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing, and financial reporting practices of the Company. During fiscal year 2001, the Audit Committee met seven times, and Mr. Frank, the Committee chair, as representative of the Committee, discussed the interim financial information contained in each quarterly earnings announcement with Jerry R. Crenshaw, Senior Vice President, Chief Financial and Accounting Officer of the Company, and Arthur Andersen LLP, the Company's independent auditors (the "Independent Auditors"), prior to public release.

Responsibility - Audit Process. In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from the Independent Auditors a formal written statement describing all relationships between the Independent Auditors and the Company that might bear on the Independent Auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees" and discussed with the Independent Auditors any relationships that may impact their objectivity and independence. The Audit Committee has satisfied itself that such relationships and the provision of non-audit services to the Company is compatible with the Independent Auditors' independence. The Audit Committee also discussed with management, Deloitte & Touche LLP, the Company's internal auditors (the "Internal Auditors") and the Independent Auditors the quality and adequacy of the Company's internal controls and the internal audit function's organization, responsibilities, budget, and staffing. The Audit Committee reviewed with both the Independent Auditors and the Internal Auditors its audit plans, audit scope, and identification of audit risks.

Independent Auditors/Internal Audit. The Audit Committee discussed and reviewed with the Independent Auditors all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended by SAS 90, "Communication with Audit Committees" and, with and without management present, discussed and reviewed the results of the Independent Auditors' examination of the financial statements. The Audit Committee also discussed the results of the internal audit examinations.

Review of Financial Statements. The Audit Committee reviewed and discussed the audited financial statements of the Company as of and for the fiscal year ended December 31, 2001, with management and the Independent Auditors. Management has the responsibility for the preparation of the Company's financial statements and the Independent Auditors have the responsibility for the examination of those statements.

Review of Special Circumstances Relating to the Independent Auditors. The Audit Committee has closely monitored the congressional investigations and public disclosures concerning the bankruptcy filing of Enron Corp. and the Independent Auditors' involvement as independent auditor of Enron Corp. In addition, the Audit Committee has met with representatives of the Independent

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

Auditors to discuss these recent events. The Audit Committee, in its discretion, may direct the appointment of different Independent Auditors at any time during the year if the Audit Committee believes that such an appointment would be in the best interests of our shareholders. Although members of the Audit Committee have not reached a decision regarding our Independent Auditors for 2002, they may consider engaging an independent accounting firm other than Arthur Andersen LLP for reasons that are unrelated to Arthur Andersen LLP's prior audits of our financial statements. For this reason, we will not be asking shareholders to ratify Arthur Andersen LLP as our Independent Auditors at the Meeting. If members of the Audit Committee decide to appoint different Independent Auditors, we will promptly provide the disclosure required by the regulations of the Commission.

17

Further Action Taken by Audit Committee. The Audit Committee has discussed and reviewed with outside counsel the procedures and practices that it should utilize in order to effectively fulfill its oversight responsibility. It has reviewed the required documentation relating to its oversight of the audit process, including the audited financial statements of the Company, the committee's Charter and any relevant analysts' reports. In addition, the Audit Committee has inquired of management and the Independent Auditors as to any significant risks or exposures for the Company, assessed the steps taken by management to minimize these risks and exposures, reviewed with management and the Independent Auditors the adequacy and effectiveness of the accounting and financial controls of the Company and elicited any recommendations for the improvement of such internal control procedures.

Recommendation. Based on the above-mentioned review and discussions with management and the Independent Auditors, the Audit Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2001, for filing with the Commission.

REPORT OF THE EXECUTIVE COMPENSATION COMMITTEE

The Executive Compensation Committee is composed of Messrs. Frank and Rowsey. A majority of the full Board of Trust Managers select members of the Executive Compensation Committee.

Compensation Philosophy and Objectives. The Executive Compensation Committee determines the compensation for the Company's executive officers and

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

administers the stock incentive and other compensation plans that the Company adopts. In addition, the Executive Compensation Committee makes recommendations to the Board of Trust Managers, acting for the Company in its capacity as the sole stockholder of the General Partner regarding certain compensation decisions of the sole director of the General Partner with respect to the compensation of the executive officers of the General Partner. For purposes of the following discussion, the term "Company" includes, unless the context otherwise requires, the Operating Partnership and the other subsidiaries of the Company and the Operating Partnership, in addition to the Company.

The philosophy of the Company's compensation program is to employ, retain and reward executives capable of leading the Company in achieving its business objectives. These objectives include enhancing shareholder value, maximizing financial performance, preserving a strong financial posture, increasing the value of the Company's assets and positioning its assets and business in geographic markets offering long-term growth opportunities. The accomplishment of these objectives is measured against the conditions characterizing the industry within which the Company operates. In implementing the Company's compensation program, it generally is the policy of the Executive Compensation Committee to seek to qualify executive compensation for deductibility by the Company for purposes of Section 162(m) of the Code to the extent that such policy is consistent with the Company's overall objectives and executive compensation policy.

Executive Officer Compensation. The compensation of the executive officers of the Company consists of a current component and a long term incentive. The executive officers, in addition to their regular salaries, may be compensated for the current performance of the Company in the form of (i) cash bonus awards, generally pursuant to the Annual Incentive Plan ("Bonus Plan"), and (ii) dividend incentive units under the Dividend Incentive Unit Plan ("DIU Plan"). The Bonus Plan and the DIU Plan were adopted by the General Partner in March 2000 in order to provide appropriate incentives and rewards for services rendered by officers to the Company. The General Partner adopted the plans with the approval of the Executive Compensation Committee and the Board of Trust Managers, based on recommendations contained in the October 1999 report of FPL Associates, the consultant hired by the Company to perform an analysis of compensation of the executive officers of the Company. The Bonus Plan and the DIU Plan, together with recommendations by the management of the Company, were used by the General Partner and its Compensation Committee in determining the executive compensation for 2001 and will be used in determining the future current component of executive compensation. The Compensation Committee of the General Partner (the "Committee") is also composed of Messrs. Frank and Rowsey and is appointed by the Board of Directors of the General Partner.

Under the Bonus Plan, at the beginning of the year, the Committee designated (i) the positions covered by the Bonus Plan, (ii) the minimum and maximum annual incentive opportunity or bonus that the individual holding each position is eligible to earn for the year, and (iii) the performance necessary to earn each level of bonus in three components. One of these components, the Corporate component, provides for a certain portion of the bonus to be paid based upon the Company's achievement of the thresholds relating to total return to shareholders and FFO for the year. FFO, based on the revised definition adopted by the Board of Governors of the National Association of Real Estate Investment Trusts, effective January 1, 2000, and as used in this document, means net income (loss) (determined in accordance with generally accepted accounting principles ("GAAP")) (i) excluding gains (or losses) from sales of depreciable operating property, (ii) excluding extraordinary items (as defined by GAAP), (iii) plus depreciation and amortization of real estate assets, and (iv) after adjustments for unconsolidated partnerships and joint ventures. Most positions also are assigned a second component, the Functional Unit component, which provides for a certain portion of the bonus to be earned upon the achievement of individualized measures of functional unit performance. For each

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

officer, a third component, the Individual component, provides for a certain portion of the officer's bonus to be earned based upon an evaluation of the officer's individual performance for the year.

19

Under the DIU Plan, prior to the beginning of the year, the Committee designates each employee eligible to receive dividend incentive units and the number of Units allocated to the employee. In addition, the Committee adopts performance targets for the Company for the year based upon total return to shareholders and FFO for the year, as well as a performance multiple for each target. Pursuant to the DIU Plan, the Committee is required to determine the extent to which those targets were achieved or surpassed and, in the event that targets are achieved, the amount to be credited to the account of each participant who was employed by the Company on the last day of the year; this amount is equal to the annual dividends that the participant would have received if he held one share of stock in the Company for each Unit held in his account, multiplied by the number of Units the participant held throughout the year, multiplied by the performance multiple associated with the targets achieved for the year.

Executive officers of the General Partner are also eligible to participate, on the same basis as other employees, in the employer matching provision of the profit sharing plan that the General Partner established, whereby employees may save for their future retirement on a tax-deferred basis through the Section 401(k) savings feature of the plan, with the General Partner contributing an additional percentage of the amount each employee saves. Such executive officers are also eligible to participate in the other employee benefit and welfare plans that the General Partner maintains on the same terms as non-executive personnel who meet applicable eligibility criteria, subject to any legal limitations on the amounts that may be contributed or the benefits that may be payable under such plans.

The long term incentives awarded by the Company consist of (i) restricted stock grants, either under the 1995 Plan or as a result of open market purchases by the General Partner, and (ii) Options under the 1995 Plan and the 1996 Operating Partnership Incentive Plan and pursuant to the provisions of the partnership agreement for the Operating Partnership.

Compensation Awards for 2001. The performance thresholds established by the Committee for 2001 under the Bonus Plan, together with the performance of the Company and the Operating Partnership in light of conditions characterizing the REIT industry generally, were a key consideration in the deliberations of the Committee regarding the salary increases and bonuses awarded in 2001. While the Committee determined that the FFO and total return to shareholders targets established under the Bonus Plan for 2001 with respect to the Corporate component had not been met, it also considered other factors, including industry business conditions, the economic slowdown which began at mid-year and accelerated following the tragic events of September 11th, and the Company's success in achieving short-term and long-term goals and objectives, such as the completion of the repositioning of the Company called for under the 1999 strategic plan, the performance of the office portfolio, the completion of \$970 million of debt refinancing, and the acquisition of the hotel/resort and residential development investments operated by Crescent Operating, Inc. The Committee also considered the General Partner's determinations regarding each officer's achievement of the Functional Unit goals set for the office as well as each officer's Individual performance for the year. Bonuses aggregating \$1,621,000 were paid to executive officers other than the Chief Executive Officer of the Company, who does not participate in the Bonus Plan. The

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

Committee also gave consideration to the Company's achievement of specified business objectives when reviewing 2002 executive officer salary increases.

Based on the Company's performance for 2001, the Committee determined that none of the 2001 targets under the DIU Plan had been achieved, and thus, that no payments would be made to plan participants with respect to 2001 under the DIU Plan.

Long Term Incentives. Options were used in 2001 to incentivize certain officers and other key personnel and to retain them through the potential of capital gains and equity buildup in the Company. The Executive Compensation Committee determined the number of Options based upon its subjective evaluation of each executive or employee's ability to influence the Company's long-term growth and profitability. All Options were issued at a price not less than the market price of the Common Shares on the date of grant.

20

With respect to the management team (other than the Chief Executive Officer), on February 18, 2002, the General Partner, with the approval of the Committee, provided certain rights to earn Options as part of an overall long term compensation package (in addition to current salary, bonus and DIU awards) to more closely align the actions of management with shareholder considerations and further instill shareholder values in management's actions. On that date, the General Partner granted to the senior management team (other than the CEO) the right to earn options on 1,250,000 Units in the Operating Partnership over a five-year term bearing a strike price equal to the New York Stock Exchange closing price on February 19, 2002 (each Unit being convertible into two Common Shares of the Company upon the satisfaction of certain conditions). The Company, the Executive Compensation Committee and the Committee do not intend at this time to provide to the management team any additional rights to earn Options for the next two to three years.

CEO Base Salary and Bonus for 2001. Mr. Goff serves as the Chief Executive Officer of the Company and as the Vice Chairman of the Board of Trust Managers for the Company. Mr. Goff's 2001 base annual salary was \$750,000 and was based upon his employment agreement with the Operating Partnership originally entered into in April 1994. The Committee also approved a bonus of \$750,000 for Mr. Goff with respect to 2001 based upon the Committee's evaluation of a number of factors, including industry business conditions, the economic slowdown which began at mid-year and accelerated following the tragic events of September 11th, and the Company's success in achieving short-term and long-term goals and objectives, such as the realignment and strengthening of the Company's management team, the completion of the repositioning of the Company called for under the 1999 strategic plan, the continuing success of the share repurchase program, the performance of the office portfolio, the completion of \$970 million of debt refinancing, and the acquisition of the hotel/resort and residential development investments operated by Crescent Operating, Inc.

Long Term Incentive and New Contract for Chief Executive Officer. On February 18, 2002, Mr. Goff and the Committee agreed to the terms of a new five-year employment contract providing for a long term compensation package including an annual salary of \$750,000 and DIU awards and annual bonus to be determined by the Committee and the Board of Trust Managers of the Company. Also on February 18, 2002 and as part of the overall long term compensation package outlined in the new employment agreement, (i) the General Partner, with the approval of the Committee, provided to Mr. Goff, the right to earn options on 1,500,000 Units in the Operating Partnership over a five-year term bearing a strike price equal to the New York Stock Exchange closing price on February 19,

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

2002 (each Unit being convertible into two Common Shares of the Company upon the satisfaction of certain conditions) and (ii) the Executive Compensation Committee provided to Mr. Goff the right to earn 300,000 shares of restricted stock in the Company, one-third of which shall be earned on each of the third, fourth and fifth anniversary of such date. The Executive Compensation Committee and the Committee made their determinations based upon their subjective evaluation of Mr. Goff's ability in the future to lead the Company's long-term growth and profitability. The Executive Compensation Committee and the Committee also considered the long term compensation packages provided to the chief executive officers of other real estate companies that the Committee considered to be comparable to the Company. The Committee and the Executive Compensation Committee believe that the Unit Options and restricted stock represent an effective incentive for Mr. Goff to remain with the Company and create value for the shareholders. The Board of Trust Managers has considered and ratified each of the foregoing determinations relating to Mr. Goff's 2001 and long term compensation package.

Prior to November 1, 2001, each of the loans made to Mr. Goff, Mr. Dean, Mr. Crenshaw, Ms. Black, Mr. Zogg and Mr. Alberts accrued interest at a fixed annual rate based on the weighted average interest rate of the Company at the end of the quarter preceding the quarter in which the loan was made, plus 50 basis points. Effective as of November 1, 2001, each loan was amended to bear interest over the remainder of its term at 2.7% per annum, the applicable Federal rate for loans with remaining terms of three years or less, and each holder whose loan had a remaining term of more than three years exercised the holder's option to reduce the remaining term of each such loan to reduce the remaining term of the loan to three years. As of December 31, 2001, no accrued interest was outstanding and unpaid on any of these loans.

Loans and Contributions to DBL Holdings, Inc. ("DBL")

As of April 15, 2002, the Company owned 97.44% of DBL, with the remaining 2.56% economic interest in DBL (including 100% of the voting interest in DBL) held by John Goff. Originally, Mr. Goff contributed his voting interests in Houston Area Development Corp. ("HADC") and Mira Vista Development Corp. ("MVDC"), two of the Company's residential development corporations, for his interest in DBL.

DBL has two wholly owned subsidiaries, DBL-ABC, Inc. and DBL-CBO, Inc., the assets of which are described in the following paragraphs, and DBL directly holds 66% of the voting stock, representing a 4% economic interest, in MVDC and HADC.

Since June 1999, the Company has contributed approximately \$23.8 million to DBL in the form of cash and loans. These funds were used by DBL to make an equity contribution to DBL-ABC, which committed to purchase a limited partnership interest representing a 12.5% interest in G2 Opportunity Fund, LP ("G2"). G2 was formed for the purpose of investing in commercial mortgage backed securities and other commercial real estate investments and is managed and controlled by an entity (the "G2 General Partner") that is owned equally by Goff-Moore Strategic Partners, L.P. ("GMSP") and GMAC Commercial Mortgage Corporation. The G2 General Partner is entitled to an annual asset management fee. Additionally, the G2 General Partner has a 1% interest in profits and losses of G2 and, after payment of specified amounts to partners, a 50% interest in G2. The ownership structure of the entity that ultimately controls GMSP consists of 50% ownership by Darla Moore, who is married to Richard Rainwater, Chairman of the Board of Trust Managers of the Company, and 50% by John Goff, Chief Executive Officer of the Company. In addition, Mr. Rainwater is a limited partner of GMSP. At April 15, 2001, DBL had an approximately \$14.1 million investment in G2 and had repaid in full the loans from the Company.

On March 31, 1999, DBL-CBO acquired a \$5.97 million aggregate principal amount of Class C-1 Notes issued by Juniper CBO 1999-1 Ltd., a Cayman Islands limited liability company (the "Juniper Notes"). DBL-CBO obtained the funds to purchase the Juniper Notes by selling all of the equity interest in DBL-CBO (the "Equity Interest") to DBL for \$6.0 million. DBL, in turn, obtained the purchase price for the Equity Interest pursuant to a \$6.0 million loan agreement and related term note from the Company that was secured by the Equity Interest. The loan accrued interest at the rate of 12% per annum and was paid in full in March 2001.

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

HADC AND MVDC. As of March 31, 2002, the Company owned 94% of the outstanding stock (all of which is nonvoting) of HADC and MVDC. Mr. Goff is a director of both HADC and MVDC. In addition, DBL, in which Messrs. Rainwater and Goff are investors, owned 4% of HADC and MVDC as of March 31, 2002.

Loans to HADC and MVDC. On May 5, 1994, the Company made a loan to each of HADC and MVDC, with each loan in the original principal amount of \$14.4 million and bearing interest at a rate of 12.5% per annum. Originally, each of these loans was scheduled to mature in May 2001. The HADC loan was amended January 16, 1997 to extend the maturity date to May 5, 2006. MVDC has repaid its loan in full.

On January 16, 1997, the Company entered into a revolving development loan agreement with HADC, pursuant to which the Company agreed to loan up to an additional \$5.0 million to HADC at an interest rate of 14% per annum. As of December 31, 2001, this revolving loan was amended to reduce the principal amount to \$2.5 million and to reduce the interest rate to 12% per annum. The maturity date of the revolving loan is January 27, 2003. As of March 31, 2002, \$250,063 was outstanding under this loan.

The aggregate outstanding balance of the loans to HADC as of March 31, 2002 was \$11.9 million.

CRESCENT RESORT DEVELOPMENT, INC. ("CRD"). The Company owns 90% of the outstanding stock (all of which is non-voting) of CRD, a Delaware corporation, and COPI Colorado owns 10% of the outstanding stock (all of which is voting stock) of CRD. On February 14, 2002, the Company acquired the 60% general partner interest in COPI Colorado previously owned by COPI. As of December 31, 2001, the following credit facilities that the Company extended to CRD were outstanding: (i) a \$56.2 million line of credit that matures in August 2004 and bears interest at the rate of 11.5% per annum, (ii) a \$40 million line of credit that matures in December 2006 and bears interest at the rate of 11.5% per annum and (iii) a \$72 million line of credit. The aggregate outstanding balance of these facilities as of December 31, 2001 was \$181 million, and they are cross-defaulted and cross-collateralized with CRD's interests in the real estate development companies and resort management company in which the loan proceeds have been invested.

As of December 31, 2001, the Company had guaranteed approximately \$1.3 million of mortgage loan indebtedness of a general partnership in which CRD's wholly owned subsidiary holds a non-managing minority interest.

Transactions with COPI

MANAGEMENT AND GENERAL BUSINESS RELATIONSHIPS. In April 1997, the Company established COPI to be the lessee and operator of certain assets to be acquired by the Company and to perform the Intercompany Agreement, pursuant to which each party agreed to provide the other with rights to participate in certain transactions. The Company was not permitted to operate or lease these assets under then-existing federal income tax laws applicable to REITs.

Messrs. Rainwater and Goff are, respectively, the Chairman of the Board and the Vice Chairman of the Board of the Company and, until February 14, 2002, were also, respectively, the Chairman of the Board and the Vice Chairman of the Board of COPI. In addition, Mr. Goff serves as the Chief Executive Officer of the Company and the General Partner and as the sole director of the General Partner and, until February 14, 2002, also served as Chief Executive Officer of COPI. Messrs. Frank and Rowsey are members of the Board of the Company and, until their resignations on February 14, 2002, were members of the board of directors of COPI. As of March 31, 2002, Messrs. Rainwater and Goff beneficially owned an aggregate of approximately 18.4% of the outstanding common stock of COPI through

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

their aggregate ownership of 2,111,835 shares of COPI common stock, including shares underlying vested options. In addition, Mr. Goff directly owns shares of the common stock of COPI through his ownership interest in COPI Colorado, L.P. ("COPI Colorado"), as described below.

LOANS TO COPI AND COPI COLORADO.

COPI. In connection with the formation and capitalization of COPI, the Company contributed \$14.1 million to COPI and loaned approximately \$35.9 million to COPI pursuant to a five-year loan (the "COPI Term Loan"), which bears interest at 12% per annum, is collateralized by a lien on certain assets that COPI now owns or may acquire in the future and matures in May 2002. Also in connection with COPI's formation, the Company established a \$20.4 million line of credit (the "Line of Credit"), which bears interest at 12% per annum. The Line of Credit is cross-defaulted and cross-collateralized with the COPI Term Loan and matures no later than June 2007. In March 1999, the Company loaned approximately \$19.5 million to COPI pursuant to a three-year loan, which bears interest at 9% per annum and is collateralized by certain assets that COPI owned at the time the loan was made, now owns or may acquire in the future ("1999 COPI Term Loan"). As of December 31, 2001, the outstanding principal balance on the COPI Term Loan was approximately \$16.2 million, plus accrued interest of approximately \$1.6 million. As of December 31, 2001, the outstanding principal balance on the Line of Credit was \$20.2 million, plus accrued interest of approximately \$2.0 million. COPI Colorado. As of December 31, 2001, the Company owned approximately 90% of the outstanding stock (all of which is non-voting) of CRD. The voting stock of CRD is owned by COPI Colorado in which, as of December 31, 2001, COPI owned a 60% general partner interest, and Mr. Goff owned a 20% limited partner interest. As of December 31, 2001, COPI Colorado also owned 1,102,530 shares of COPI's common stock. COPI funded its acquisition of the general partner interest with proceeds of a \$9.0 million loan from the Company (the "COPI Colorado Note"). This note bears interest at 12% per annum, with interest payable quarterly, and matures in May 2002. The note is secured by COPI's general partner interest in COPI Colorado and is cross-collateralized and cross-defaulted with COPI's other borrowings from the Company. As of December 31, 2001, the note had an outstanding principal balance of \$10.6 million (due to the addition of accrued interest to the original principal balance), plus accrued interest of \$1.1 million.

Defaults under COPI and COPI Colorado Loans. As of February 12, 2001, the Company notified COPI that \$76.2 million of principal and accrued interest due under the COPI Term Loan, the Line of Credit, the 1999 COPI Term Loan and the COPI Colorado Note was past due. See " -- Reorganization Transactions" below for a description of the transfers of specified COPI assets to the Company and the resulting reduction in amounts due under these loans.

LOANS TO OTHER AFFILIATES OF COPI.

CR License and CRL Investments. As of December 31, 2001, the Company had a 28.5% interest in CR License, LLC, the entity which owns the right to the future use of the "Canyon Ranch" name. The Company also had a 95% economic interest, representing all of the non-voting common stock, in CRL Investments, Inc. ("CRL"), which has an approximately 65% economic interest in the Canyon Ranch Spa Club in the Venetian Hotel in Las Vegas, Nevada.

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

The Company has provided CRL with a \$7.0 million credit facility which bears interest at 12% per annum and matures in August 2003. As of December 31, 2001, the total amount outstanding under the credit facility was \$7.16 million. The Company also committed to invest \$8.0 million in equity in CRL. As of April 1, 2001, the Company had made equity contributions aggregating \$7.16 million to CRL.

CR Notes and Sonoma Note. In connection with the acquisition by COPI, effective July 31, 1997, of the companies that leased certain Company-owned hotel properties, COPI acquired 100% of an entity that had outstanding debt under notes in the original principal amounts of approximately \$2.4 million and \$650,000 (collectively, the "CR Notes") payable to the Company in connection with the acquisition of Canyon Ranch-Tucson. The CR Notes bear interest at a rate of 10.75% per annum, are secured by deeds of trust for certain real and personal property and mature in August 2003. The aggregate outstanding balance at December 31, 2001 on the CR Notes was approximately \$951,000. In addition, COPI acquired 100% of an entity that had outstanding debt under a promissory note of approximately \$190,964 (the "Sonoma Note") payable to the Company in

27

connection with the acquisition of Sonoma Mission Inn & Spa. The Sonoma Note bears interest at a rate of 7.5% per annum and matures in November 2006. The outstanding balance of the Sonoma Note at December 31, 2001 was approximately \$190,964.

LEASES OF HOTEL AND RESORT PROPERTIES TO COPI SUBSIDIARIES. As of December 31, 2001, the Company owned nine hotel and resort properties (collectively, the "Hotel Properties"), eight of which the Company leased to subsidiaries of COPI (the "Hotel Lessees") pursuant to eight separate leases (the "Hotel Leases"). Under the Hotel Leases, each having an initial term of 10 years, the Hotel Lessees assumed the rights and obligations of the property owner under any related management agreement with the hotel operators, as well as the obligation to pay all property taxes and other costs related to the property. Each of the Hotel Leases provides for the respective Hotel Lessee to pay (i) base rent, with periodic rent increases, if applicable, (ii) percentage rent based on a percentage of gross hotel receipts or gross room revenues, as applicable, above a specified amount; and (iii) a percentage of gross food and beverage revenues above a specified amount.

COPI executed a master guaranty and other guaranties pursuant to which COPI unconditionally guarantees payment and performance under the Hotel Leases by the Hotel Lessee solely from COPI's hotel and resort-related assets and income streams.

During the year ended December 31, 2001, the Company received approximately \$19.1 million in cash rent payments under the Hotel Leases. Between January 1, 2002 and February 14, 2002, the Company received approximately \$6.0 million in rent under the Hotel Leases. On February 14, 2002, COPI transferred to the Company, in lieu of foreclosure, all of COPI's assets associated with the Hotel Properties, including the lessee interests in the Hotel Leases, in consideration of the Company's agreement to cancel \$23.6 million of rent due under the Hotel Leases.

LEASE OF TEMPERATURE-CONTROLLED LOGISTICS PROPERTIES. As of March 31, 2002, the Company held a 40% interest in a general partnership (the "Temperature-Controlled Logistics Partnership"), which, through its ownership of a corporation (the "Temperature-Controlled Logistics Corporation") owns 89

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

temperature-controlled logistics properties (the "Temperature-Controlled Logistics Properties"). The business operations associated with the Temperature-Controlled Logistics Properties are owned by AmeriCold Logistics, LLC ("AmeriCold Logistics"), which is owned 60% by Vornado Operating, L.P. and 40% by a subsidiary of COPI. The Company has no interest in AmeriCold Logistics.

AmeriCold Logistics, as sole lessee of the Temperature-Controlled Logistics Properties, leases the Temperature-Controlled Logistics Properties from the Temperature-Controlled Logistics Corporation under three triple-net master leases, as amended on January 23, 2002. On February 22, 2001, the Temperature-Controlled Logistics Corporation and AmeriCold Logistics agreed to restructure certain financial terms of the leases, including the adjustment of the rental obligation for 2001 to \$146 million, the adjustment of the rental obligation for 2002 to \$150 million (plus contingent rent in certain circumstances), the increase of the Temperature-Controlled Logistics Corporation's share of capital expenditures for the maintenance of the properties from \$5.0 million to \$9.5 million (effective January 1, 2000) and the extension of the date on which deferred rent was required to be paid to December 31, 2003.

As of December 31, 2001, the Company had loaned AmeriCold Logistics an aggregate of approximately \$12 million pursuant to three separate loans that bear interest at rates ranging from 12% to 14% per annum. The loans, which originally were scheduled to mature on December 31, 2002, have been extended and are now scheduled to mature on December 31, 2004.

AmeriCold Logistics deferred \$25.5 million of rent for the year ended December 31, 2001, of which the Company's share was \$10.2 million. In December 2001, the Temperature-Controlled Logistics Corporation waived its right to collect \$39.8 million of the total \$49.9 million of deferred rent, of which the Company's share was \$15.9 million.

28

RESIDENTIAL DEVELOPMENT CORPORATIONS. As of December 31, 2001, the Company owned 95% of the outstanding stock (all of which is non-voting) of two residential development corporations, Desert Mountain Development Corporation ("DMDC") and The Woodlands Land Company, Inc. ("TWLC"), and COPI owned 5% of the outstanding stock (all of which is voting) of these corporations. As of December 31, 2001, the Company owned approximately 90% of a third residential development corporation, CRD (representing all of the non-voting stock), and COPI Colorado owned the remaining 10% (representing all of the voting stock).

REORGANIZATION TRANSACTIONS. On January 1, 2001, the provisions of a new federal law relating to REITs became effective. This legislation allows the Company, through our subsidiaries, to operate or lease certain of our investments that had been previously operated or leased by COPI.

On June 28, 2001, the Company and COPI entered into an asset and stock purchase agreement in which the Company agreed to pay to COPI approximately \$78.4 million, payable in cancellation of certain debt and rent obligation and cash, in exchange for (i) all of the assets related to COPI's hospitality business, including lessee interests in the eight Hotel Properties leased to subsidiaries of COPI, (ii) all of the voting equity owned by COPI and its subsidiaries in three residential development corporations (CRD, DMDC and TWLC) and (iii) all of the membership interests of CR License LLC owned by COPI. In connection with that agreement, the Company agreed that it would not charge interest on the loans to COPI from May 1, 2001 and that it would allow COPI to defer all principal and interest payments due under the loans until December 31,

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

2001.

Also on June 28, 2001, the Company entered into an agreement to make a \$10.0 million investment in Crescent Machinery Company, a wholly owned subsidiary of COPI ("Crescent Machinery"). This investment, together with \$19.0 million of capital from a third-party investment firm, was expected to put Crescent Machinery on solid financial footing.

In October 2001, management of COPI, the Company and the third-party investor amended the terms of the original securities purchase agreement to reflect changes in the market price of the COPI common stock since the date of the original agreements.

The Company stopped recording rent from the leases of the Hotel Properties on October 1, 2001, and recorded impairment and other adjustments related to COPI in the fourth quarter of 2001, based on the estimated fair value of the underlying collateral.

On January 22, 2002, the Company terminated the purchase agreement pursuant to which the Company would have acquired the lessee interests in the eight Hotel Properties leased to subsidiaries of COPI, the voting interests held by subsidiaries of COPI in three of the residential development corporations in which the Company also owns interests, and other assets.

On February 4, 2002, the Company terminated the agreement relating to its planned investment in Crescent Machinery. On February 6, 2002, Crescent Machinery Company filed for protection under the federal bankruptcy laws.

On February 12, 2002, the Company delivered default notices to COPI relating to approximately \$49.0 million of unpaid rent and approximately \$76.2 million of principal and accrued interest due to the Company under the COPI Term Loan, the Line of Credit, the 1999 COPI Term Loan and the COPI Colorado Note.

On February 14, 2002, the Company executed an agreement (the "Agreement") with COPI, pursuant to which (i) COPI transferred to subsidiaries of the Company, in lieu of foreclosure, COPI's lessee interests in the eight Hotel Properties leased to subsidiaries of COPI and the voting interests in three of the Company's residential development corporations and other assets and (ii) the Company agreed to assist and provide funding to COPI for the implementation of a prepackaged bankruptcy of COPI. As a result of the transfer, the Company reduced COPI's rent obligations by \$23.6 million, and its debt obligations by \$40.1 million.

29

As part of the February 14 transactions, the Company acquired COPI's general partner interest in COPI Colorado through a strict foreclosure. Immediately prior to the Company's acquisition of the interest, COPI Colorado distributed to its partners, pro rata in accordance with their relative percentage interests in COPI Colorado, the 1,102,530 shares of COPI common stock that it owned. The shares distributed to COPI were canceled.

In addition, the Company acquired, in a strict foreclosure on February 14, 2002, COPI's 1.5% interest in CR License, LLC and 5.0% interest, representing all of the voting stock, in CRL.

Under the Agreement, the Company will provide approximately \$14.0 million to COPI in the form of cash and Common Shares of the Company to fund costs, claims and expenses relating to the bankruptcy and related transactions, and to

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

provide for the distribution of the Company's Common Shares to the COPI stockholders. The Company estimates that the value of the Common Shares that will be issued to the COPI stockholders will be between approximately \$5.0 million and \$8.0 million. The Agreement provides that COPI and the Company will seek to have a plan of reorganization for COPI, reflecting the terms of the Agreement and a draft plan of reorganization, approved by the bankruptcy court. The actual value of the Common Shares issued to the COPI stockholders will not be determined until the confirmation of COPI's bankruptcy plan and could vary substantially from the estimated amount. If the COPI bankruptcy plan is approved by the required vote of the shares of COPI common stock, the stockholders of COPI will receive Common Shares of the Company. As stockholders of COPI, Mr. Rainwater and Mr. Goff will also receive Common Shares of the Company.

In addition, the Company has agreed to use commercially reasonable efforts to assist COPI in arranging COPI's repayment of its \$15.0 million obligation to Bank of America, together with any accrued interest. COPI obtained the loan primarily to participate in investments with the Company. At the time COPI obtained the loan, Bank of America required, as a condition to making the loan, that Richard E. Rainwater, the Chairman of the Board, and John C. Goff, the Chief Executive Officer of the Company, enter into a support agreement with COPI and Bank of America, pursuant to which they agreed to make additional equity investments in COPI if COPI defaulted on payment obligations under its line of credit with Bank of America and the net proceeds of an offering of COPI securities were insufficient to allow COPI to pay Bank of America in full. The Company believes, based on advice of counsel, that the support agreement should be unenforceable in a COPI bankruptcy. Effective December 31, 2001, the parties executed an amendment to the line of credit providing that any defaults existing under the line of credit on or before March 8, 2002 are temporarily cured unless and until a new default shall occur.

The Company holds a first lien security interest in COPI's entire membership interest in AmeriCold Logistics. REIT rules prohibit the Company from acquiring or owning the membership interest that COPI owns in AmeriCold Logistics. Under the Agreement, the Company agreed to allow COPI to grant Bank of America a first priority security interest in the membership interest and to subordinate its own security interest to Bank of America. In addition, the Company has agreed to form and capitalize a separate entity to be owned by the Company's shareholders, and to cause the new entity to commit to acquire COPI's entire membership interest in the tenant, for approximately \$15.5 million. Under the Agreement, COPI has agreed that it will use the proceeds of the sale of the membership interest to repay Bank of America in full.

Pursuant to the COPI bankruptcy plan, the current and former directors and officers of COPI and the current and former trust managers and officers of the Company also have received a release from COPI of liability for any actions taken prior to February 14, 2001, and, depending on various factors, will receive certain liability releases from COPI and its stockholders.

Management Participation in Operating Partnership Debt Offering

On April 15, 2002, the Operating Partnership completed a private offering of \$375.0 million in senior, unsecured notes due 2009. The notes bear interest at an annual rate of 9.25% and were issued at 100% of issue price. The notes are callable after April 15, 2006. Richard E. Rainwater, Chairman of the Board of Trust Managers, and certain of his immediate family members and affiliates, purchased \$50 million of these notes on the same terms as unaffiliated third party investors. The Operating Partnership has agreed to register a similar series

of notes with the Commission and to effect an exchange offer of the registered notes for the privately placed notes and, in the case of Mr. Rainwater and his family and affiliates, to register the notes for resale by them.

Management believes that the foregoing transactions are on terms no less favorable than those that could have been obtained in comparable transactions with unaffiliated parties.

SHAREHOLDER PROPOSALS FOR THE COMPANY'S 2003 ANNUAL MEETING OF SHAREHOLDERS

Shareholders who intend to submit proposals for consideration at the Company's 2003 annual meeting of shareholders must submit such proposals to the Company no later than January 18, 2003, in order to be considered for inclusion in the proxy statement and form of proxy that the Board of Trust Managers will distribute in connection with that meeting. Shareholder proposals should be submitted to David M. Dean, Executive Vice President, Law and Administration, and Secretary, at 777 Main Street, Suite 2100, Fort Worth, Texas 76102.

Under the Bylaws, a shareholder must comply with certain procedures to nominate persons for election to the Board of Trust Managers or to propose other business to be considered at an annual meeting of shareholders. These procedures provide that shareholders desiring to make nominations for trust managers and/or to bring a proper subject before a meeting must do so by notice timely delivered to the Secretary of the Company. The Secretary of the Company generally must receive notice of any such proposal not less than seventy days nor more than ninety days prior to the anniversary of the preceding year's annual meeting of shareholders. In the case of proposals for the 2003 annual meeting of shareholders, the Secretary of the Company must receive notice of any such proposal no earlier than March 27, 2003, and no later than April 16, 2003 (other than proposals intended to be included in the proxy statement and form of proxy, which, as noted above, the Company must receive by January 18, 2003). Generally, such shareholder notice must set forth (i) as to each nominee for trust manager, all information relating to such nominee that is required to be disclosed in solicitations of proxies for election of trust managers under the proxy rules of the Commission; (ii) as to any other business, a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in that business of such shareholder; and (iii) as to the shareholder, (a) the name and address of the shareholder, (b) the class or series and number of shares of beneficial interest of the Company that the shareholder owns beneficially and of record, and (c) the date(s) upon which the shareholder acquired ownership of such shares. The chairman of the annual meeting shall have the power to declare that any proposal not meeting these and any other applicable requirements that the Bylaws impose shall be disregarded. A copy of the Bylaws may be obtained, without charge, upon written request to David M. Dean, Executive Vice President, Law and Administration, and Secretary, at 777 Main Street, Suite 2100, Fort Worth, Texas 76102.

In addition, the form of proxy that the Board of Trust Managers will solicit in connection with the Company's 2003 annual meeting of shareholders will confer discretionary authority to vote on any proposal, unless the Secretary of the Company receives notice of that proposal no earlier than March 27, 2003, and no later than April 16, 2003, and the notice complies with the other requirements described in the preceding paragraph.
