Report of Independent Auditors

The Plan Administrator
Polaris 401(k) Retirement Savings Plan

We have audited the accompanying statement of net assets available for benefits of Polaris 401(k) Retirement Savings Plan as of December 31, 2001 and the related statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2001 and the changes in its net assets available for benefits for the year then ended, in conformity with accounting principles generally accepted in the United States.

Our audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2001 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audit of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

Polaris 401(k) Retirement Savings Plan

Notes to Financial Statements

December 31, 2001 and 2000

1. DESCRIPTION OF THE PLAN

The following description of Polaris 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering substantially all employees of the Plan's sponsor, Polaris Industries Inc. (the Company). Effective January 1, 1999, employees from Polaris Sales, Inc. are also included in the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

PLAN OPERATIONS

Certain administrative costs totaling \$10,000 and \$143,428 for the plan years ended December 31, 2001 and 2000, respectively, were paid by the Company. Administrative costs paid by the Company include trustee/asset custodian fees, record keeping fees, investment management fees, and legal fees for 2000 and trustee fees only for 2001.

PLAN ADMINISTRATION

The Plan's trustee, Fidelity Management Trust Company (the Trustee), holds and invests the assets of the Plan and also distributes the retirement benefits upon instruction from the plan administrator. The Plan is administered by an executive committee appointed by the board of directors of the Company.

CONTRIBUTIONS/PARTICIPANT ACCOUNTS

Participants may elect to make contributions (limited to a maximum of 15% of the participant's compensation, as defined in the Plan) to their account balances.

Polaris 401(k) Retirement Savings Plan

Notes to Financial Statements (continued)

1. DESCRIPTION OF THE PLAN (CONTINUED)

Edgar Filing: POLARIS INDUSTRIES INC/MN - Form 11-K

The Company will make a fully-vested matching contribution to each participant's account in the Plan of 100% of each dollar of 401(k) contributions up to 5% of covered compensation. This contribution is intended to satisfy a safe harbor contribution formula permitted by IRS regulations. By making the safe harbor matching contribution, the Plan will automatically satisfy the nondiscrimination requirements which otherwise would apply to 401(k) contributions made to the Plan.

Plan earnings, as defined, are allocated pro rata based on participants' account balances.

VESTING

Participants are immediately vested in their pretax and employer contributions, plus actual earnings thereon.

PARTICIPANT LOANS

Participants may apply for loans from the Plan in amounts of the lesser of 50% of their vested account balances or \$50,000. Loans must be paid back within 5 years; however, this period may be extended to ten years if the loan is utilized for the acquisition of a primary residence. The interest rate charged on loans outstanding ranged from 6.75% to 11.50% as of December 31, 2001 and ranged from 9.75% to 11.50% as of December 31, 2000.

DISTRIBUTIONS TO PARTICIPANTS

Employee account balances are distributable upon retirement, disability, death, termination from the Company, or hardship. Upon the occurrence of one of these events, a participant (or the participant's beneficiary in the case of death) may receive his or her account balance as a lump-sum payment or in monthly payments through an annuity as available per plan provisions.

PLAN AMENDMENT AND TERMINATION

The Company has the right to amend or terminate the Plan, subject to the provisions of ERISA. In the event of the Plan's termination, all assets of the Plan will be distributed to participants in accordance with plan provisions.
