ITEM 11. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview of Compensation Program and Philosophy

Our general compensation philosophy is that total compensation should vary based on our achievement of defined financial and non-financial goals and objectives, both individual and corporate. The Company's compensation structure centers around a pay for performance philosophy. Base salaries for our managers are generally maintained at a level below the market median, but managers have the opportunity to receive bonuses if their individual performance and the performance of their business unit meet certain goals, which if full bonuses are earned, results in their total compensation exceeding the market median. This philosophy applies more generally to all of our officers and senior management personnel, with the level of variability and the proportionate amount of bonus compensation increasing as the employee's level of responsibility increases. Each executive officer's bonus is based on our achievement of defined financial goals and objectives, based only on consolidated corporate results. Our named executive officers for fiscal year 2008 (the named executive officers) were Darwin Deason, Chairman of the Board of Directors; Lynn Blodgett, President and Chief Executive Officer; Tom Burlin, Executive Vice President and Chief Operating Officer; John Rexford, Executive Vice President, Corporate Development (and our Executive Vice President and Chief Financial Officer from November 2006 to September 2007), Kevin Kyser, Executive Vice President and Chief Financial Officer (from September 2007) and Tom Blodgett, Executive Vice President and Group President- Business Process Solutions.

Our executive compensation program is overseen and administered by the Compensation Committee, which is comprised entirely of independent directors as determined in accordance with various NYSE, SEC and Internal Revenue Code rules. The Compensation Committee has reviewed current compensation practices and identified the following key strategic compensation design objectives:

to attract and retain qualified, motivated executives;

to closely align the financial interests of our executives with both the short and long-term interests of our stockholders;

Table of Contents

to promote fair treatment of all employees; and

to encourage equity ownership by our executives.

Comparative Review

Our executive compensation program is intended to provide our named executive officers with overall levels of compensation that are competitive within the business process and information technology outsourcing industry, as well as within a broader spectrum of companies of similar size and complexity. In fiscal year 2008, our President and Chief Executive Officer, Lynn Blodgett reviewed compensation and bonus information for the Company's executive officers other than himself and submitted compensation recommendations to Mr. Deason and the Compensation Committee. In addition, please refer to the discussion in the section entitled "Certain Executive Arrangements" below.

In setting executive compensation for fiscal year 2008, the Compensation Committee relied on information provided by Mercer Human Resource Consulting with respect to the compensation of the chief executive officer, chief operating officer and chief financial officer of our outsourcing peers, who were selected without regard to revenue or market capitalization. The companies included in the outsourcing peer group were Accenture Ltd., Automatic Data Processing, Inc., Computer Sciences Corporation, Convergys Corporation, DST Systems, Inc., Electronic Data Systems Corporation, First Data Corporation, Fiserv, Inc., Hewitt Associates, Inc., Sabre Holdings Corporation, Perot Systems Corporation and Unisys Corporation. The peer group comparison was also used by Mr. Deason to make recommendations to the Compensation Committee for fiscal year 2008 executive compensation. The Compensation Committee used the comparative peer group information in considering and approving the recommendation of Mr. Deason.

Based on the information provided by Mercer Human Resource Consulting, the compensation paid to our Chief Executive Officer, Mr. Blodgett, and our Chief Operating Officer, Mr. Burlin, in fiscal year 2008 was between the median and 75th percentile for companies in our outsourcing peer group. The compensation paid in fiscal year 2007 to our Chief Financial Officer, who at the time of the study was Mr. Rexford, was above the top 75th percentile for companies in our outsourcing peer group. Mr. Rexford's compensation was greater than that of most of the other chief financial officers because a portion of his compensation was attributable to commission based payments related to mergers and acquisitions activity in connection with his ongoing role in our corporate development efforts.

Elements of Compensation

There are six major elements that comprise our compensation program for certain of our executive officers, including our named executive officers: (i) base salary; (ii) annual incentive opportunities, such as bonuses; (iii) long-term incentives — our stock incentive plans; (iv) generally available benefit programs; (v) executive perquisites; and (vi) change of control agreements. ACS has selected these elements because each is considered useful and necessary to meet one or more of the principal objectives of our compensation policy. For example, base salaries and bonus target percentages are set with the goal of attracting employees and adequately compensating and rewarding employees on a day-to-day basis for the time spent and the services they perform, while our equity programs are geared toward providing an incentive and reward for the achievement of long-term business objectives and retaining key talent. The Compensation Committee believes that these elements of compensation, when combined, are effective, and will continue to be effective, in achieving the objectives of our compensation program.

Section 162(m) of the Internal Revenue Code limits the deductibility of compensation in excess of \$1 million paid to certain executives of public companies with the exception of certain performance-based compensation. Our goal is to structure as many components of our executive officers' compensation as possible to qualify as performance-based to the extent doing so is in the best interests of the Company and our stockholders. However, certain forms and amounts of compensation may exceed the \$1 million deduction limitation from year to year. Based on the rapidly changing nature of the industry, as well as the continued competitive market for outstanding leadership talent, the Compensation Committee believes it is appropriate and competitive to provide adequate compensation, even though it may not be fully tax-deductible.

The Compensation Committee reviews our compensation program on an annual basis, including each of the above elements. Retirement benefits for Mr. Deason are reviewed from time to time to ensure that benefit levels remain competitive but are not included in the annual determination of his compensation package. In setting compensation levels for a particular executive, the Compensation Committee takes into consideration the proposed compensation

package as a whole and each element individually, as well as our stock ownership guidelines and the executive's past and expected future contributions to our business.

Table of Contents***Base Salaries***

Each executive officer's base salary is reviewed at least annually and is subject to adjustment on the basis of individual, corporate and, in some instances, business unit performance. The Compensation Committee considers competitive, inflationary and market survey considerations, as well as salaries for comparable positions. As discussed in the section entitled "Comparative Review" above, we utilized a report prepared by Mercer Human Resource Consulting in determining base salaries for selected executive officers for fiscal years 2008 and 2009. Other factors in determining any adjustment of base salary include consideration of relative levels of responsibility, amount of business experience and future potential. Our Chief Executive Officer also provides a recommendation regarding the compensation for executive officers other than himself. In addition, please refer to the discussion in the section entitled "Certain Executive Arrangements" below.

At a meeting of our Compensation Committee in August 2008, the salaries for our current named executive officers for fiscal year 2009 were approved. Mr. Deason's base salary under his employment agreement increased from \$924,158 to \$1,017,437, Mr. Lynn Blodgett's base salary increased from \$750,000 to \$850,000, Mr. Burlin's base salary increased from \$500,000 to \$600,000, Mr. Rexford's base salary increased from \$500,000 to \$515,000, Mr. Kyser's base salary increased from \$330,000 to \$430,000 and Mr. Tom Blodgett's base salary increased from \$425,000 to \$465,000. Based on information provided by Mercer Human Resource Consulting, the fiscal year 2009 base salaries paid to our Chief Executive Officer, Mr. Lynn Blodgett, our Chief Operating Officer, Mr. Burlin, and our Chief Financial Officer, Mr. Kyser, was below the median for these positions for companies in our outsourcing peer group and consistent with the Company's compensation philosophy for base salaries.

Incentive Bonus**Fiscal Year 2008 Bonus Plan**

Approximately seven hundred (700) of our officers and other senior management personnel were participants in our Fiscal Year 2008 Bonus Plan (the "FY08 Bonus Plan") at the end of that fiscal year, including all of our named executive officers and certain other officers who were not named executive officers. Certain additional employees received discretionary bonus payments from the FY08 Bonus Plan.

Performance goals were established for groups as follows:

Consolidated ACS	The Consolidated ACS performance goals are established to ensure that certain consolidated corporate criteria are met before bonuses are paid. The percentage of achievement against the performance goals is multiplied by the percentage of achievement of the ACS Corporate or Business Unit performance goals, as applicable.
ACS Corporate	The bonus of each of the executive officers is determined based on the achievement of performance goals in this group.
Business Unit	The business unit calculation is determined by the achievement of performance goals for each business segment—Commercial Solutions and Government Solutions.

The performance goals established for each group are equally weighted in determining the achievement of performance goals. The performance goals for the FY08 Bonus Plan were: revenue growth, growth in earnings before interest and taxes; and a cash flow metric (determined as earnings before interest, taxes, depreciation and amortization, plus non-operating (income) expense (excluding intercompany interest), plus equity compensation expense per SFAS 123(R), less such unusual items such as gain or loss on divestiture, plus/minus capital expenditures and additions to intangible assets (per the cash flow statement), plus/minus changes in accounts receivables and unearned revenue (per the cash flow statement)). ACS Corporate includes all of the above performance goals in addition to growth in consolidated earnings per share. Our named executive officers had no individual bonus goals and are evaluated under the ACS Corporate performance goals.

No bonuses would have been payable if the Company's growth in consolidated earnings before interest and taxes was less than 4% and no bonuses would have been payable to business unit participants in the FY08 Bonus Plan if that particular business unit's growth in earnings before interest and taxes was less than 5%. The FY08 Bonus Plan performance goals were approved by the Compensation Committee.

Table of Contents

For executive officers, the FY08 Bonus Plan required the exclusion of items that it determined were unusual or one time events that were not indicative of the performance of the named executive officers for the year from the calculation of the financial metrics used to determine bonus achievement. Adjustments made to financial metrics in one fiscal year are carried forward to the next fiscal year to determine bonus achievement for that next fiscal year. Most metrics are based on growth from the prior year results. Since the FY08 Bonus Plan allows, and in some cases requires, adjustments to actual results to determine the current year bonus achievement, we subsequently make these same adjustments when setting the baseline used for the subsequent year growth metrics.

In fiscal year 2008, the operating income was adjusted to exclude certain unusual items, principally certain legal costs related to the ongoing stock option investigations and potential sale of the Company and the shareholder derivative lawsuits and the and divestiture-related gains on sale.

We have not disclosed target levels with respect to specific quantitative or qualitative performance-related factors considered by the Compensation Committee because disclosure of the specific performance goals would give our competitors information that could be leveraged for competitive advantage which would result in competitive harm to the Company. The maximum bonus that any executive officer received for the fiscal year 2008 under the FY08 Bonus Plan was \$1,117,656. The Compensation Committee certified the achievement of the performance goals before the bonuses were paid. We believe that the target levels of performance are generally difficult to achieve and the likelihood of attaining the goals is not assured. For instance, in fiscal year 2008, executive officers earned from 0% to approximately 50% of the maximum bonus under the FY08 Bonus Plan.

In August 2008, the Committee and Board of Directors established a Senior Executive Annual Incentive Plan, which is expected to be presented to stockholders for their approval at our fiscal year 2008 Annual Meeting of Stockholders, as well as a Fiscal Year 2009 Management Bonus Plan. We intend for the two plans to, in general, have similar ACS Corporate performance goals.

Long Term Incentives Our Stock Incentive Plans

We provide long-term incentive compensation through awards of stock options that generally vest over multiple years. Our equity compensation program is intended to align the interests of the participants, including our named executive officers, with those of our stockholders by creating an incentive for our named executive officers to maximize stockholder value. The equity compensation program also is designed to encourage our named executive officers to remain employed with ACS despite a very competitive labor market.

We granted stock options to our named executive officers in fiscal year 2008 under our 2007 Equity Incentive Plan. All proposed stock option grants to employees, including executive officers, are considered and, if deemed acceptable to the Compensation Committee, approved at a formal meeting of the Compensation Committee. Under the Company's stock option grant policy adopted on May 25, 2006 and revised on January 22, 2007 (hereafter, our "Stock Option Grant Policy"), among other things: (i) a formal meeting to approve option grants to employees is held on August 15th of each year; (ii) a formal meeting to approve option grants to new hires, employees receiving a grant in connection with a promotion, or persons who become ACS employees as a result of an acquisition are to usually be held on the day prior to or the day of our regularly scheduled quarterly Board of Directors meeting; (iii) the date of the formal meeting at which a grant is approved is the option grant date; and (iv) the exercise price for each approved grant will not be less than the fair market value of a share of the Company's Class A common stock on the date of grant which shall be determined by reference to the closing price for such stock on such date on the NYSE; provided that if a grant is made on a date when the NYSE is closed, then the fair market value of a share of the Company's Class A common stock on the date of grant shall be determined by reference to the closing price for such stock on the last day prior to the stock option grant date on which the NYSE was open for trading activities.

On August 15, 2007, the Compensation Committee granted the following number of options to the named executive officers under the 2007 Equity Incentive Plan (with those options having a forfeiture provision in case a change in control occurred within six months after grant), with the understanding that no grants would likely be made to the named executive officers in 2008: 400,000 options to Lynn Blodgett; 150,000 options to John Rexford; 200,000 to Tom Burlin and 150,000 to each of Kevin Kyser and Tom Blodgett. On August 15, 2008, the Compensation Committee granted no options to the named executive officers under the 2007 Equity Incentive Plan.

Generally Available Benefit Programs

Table of Contents

We also offer a number of other benefits to our named executive officers pursuant to benefit programs that provide for broad-based employee participation. These benefit programs include accidental death and dismemberment insurance, health and dependent care flexible spending accounts, business travel insurance, wellness programs, relocation/expatriate programs and services, educational assistance and certain other benefits.

Retirement Benefits

To assist our employees in accumulating funds for retirement (or for other purposes permitted by our plans) we provide our employees, including our named executive officers, the opportunity to participate in the ACS Savings Plan and the ACS Supplemental Savings Plan. For a description of these two plans, please see the section entitled Retirement Benefits below. While a small number of our non-executive employees may participate in pension or defined benefit plans, we offer the ACS Savings Plan and the ACS Supplemental Savings Plan in lieu of pension or defined benefit plans to our general employee base, including our named executive officers. In addition, please refer to the discussion in the section entitled Certain Executive Arrangements below.

Mr. Deason's Supplemental Executive Retirement Agreement and Employment Agreement

In recognition of his efforts on behalf of the Company and his determination to position the Company for future growth, in fiscal year 1999 we entered into a Supplemental Executive Retirement Agreement and an employment agreement with our Chairman, Darwin Deason. A description of the Supplemental Executive Retirement Agreement, including amounts payable to Mr. Deason under the agreement, is set forth in the section entitled Mr. Deason's Supplemental Executive Retirement Agreement below. A description of Mr. Deason's employment agreement, as amended in fiscal year 2008, including amounts payable to Mr. Deason under the agreement, is set forth in the sections entitled Mr. Deason's Amended Employment Agreement below and Post-Termination Benefits Mr. Deason's Amended Employment Agreement below.

Perquisites

The Compensation Committee reviews and approves any perquisites offered to executives. The Company offers the Executive Benefit Plan to promote the health and well-being of our executives, maximize the value of the compensation provided by the Company and minimize the time that executives spend managing personal affairs so that they may devote their full attention to Company business. While the Compensation Committee does not consider perquisites to be a significant component of executive compensation, it recognizes that such perquisites are an important factor in attracting and retaining talented executives. A description of the Executive Benefit Plan and other perquisites offered to our executive officers are set forth in the section entitled Perquisites below.

Termination of Employment and Change of Control Benefits

In fiscal year 2008, all of our named executive officers had written change of control or employment agreements for benefits that were due to them upon a change of control. In addition, please refer to the discussion in the section entitled Certain Executive Arrangements below.

We believe that these change of control benefits are important to our ability to recruit executive officers. We also believe these benefits allow us to retain executives during times of unforeseen events when the executive's future is uncertain, but continued employment of the executives may be necessary for the Company.

Additional information regarding the change of control payments and severance benefits payable to our named executive officers, including estimates of the amounts payable under such agreements assuming a change of control or termination as of June 30, 2008, is set forth in the section entitled Post Termination Benefits below.

Stock Ownership Guidelines

On April 19, 2007 the Board of Directors revised the Company's guidelines for stock ownership by the Company's directors and executive officers, which were originally adopted by the Board of Directors in September 2003. The Board of Directors may evaluate whether exceptions should be made to the guidelines for any director or executive officer and may from time to time change such guidelines.

The revised policy generally provides as follows:

Table of Contents

Our Chief Executive Officer is required to own, within five years after he or she becomes subject to the guidelines, shares of our Class A common stock having a value equal to a minimum of five times his or her annual base salary.

Our other executive officers are required to own, within five years after he or she becomes subject to the guidelines, shares of our Class A common stock having a value equal to a minimum of three times his or her annual base salary.

Independent directors serving on the Board of Directors are required to own, within three years after they become subject to the guidelines, shares of our Class A common stock having a value equal to a minimum of three times their annual retainer.

Vested options to purchase Class A common stock may be counted as shares owned in determining compliance with the guidelines.

All of our executive officers either hold shares and vested options in sufficient number to comply with the minimum ownership requirements of the revised policy or are expected to acquire a sufficient number to comply with the minimum ownership requirements when they would be subject to the revised policy. Our independent directors currently subject to the guidelines have not yet completed three years of service and therefore are not yet subject to the minimum requirements of the revised policy.

(1) Amounts shown represent the maximum awards that could be earned by our named executive officers under the FY08 Bonus Plan for fiscal year 2008. Actual bonuses paid under this plan for fiscal year 2008 are shown in the Summary Compensation Table in the Non-Equity Incentive Plan Compensation column.

(2) The value of an option award is based on the fair value as of the grant date of such award determined pursuant to SFAS 123(R). The exercise price for each option grant is 100% of the fair market value of a share of the Company's Class A common stock on the date of grant which was determined by

reference to the closing price for the stock on the grant date on the NYSE.

Regardless of the value placed on a stock option on the grant date, the actual value of the option will depend on the market value of the Company's common stock at such date in the future when the option is exercised. These options were granted under our 2007 Stock Incentive Plan and generally vest and become exercisable 20% on each of the first five anniversary dates of the grant date.

For a description of our stock plans, see Note 2 of the Notes to our Consolidated Financial Statements included in the Original Filing.

Retirement Benefits

ACS Savings Plan. The ACS Savings Plan is a defined contribution plan with a 401(k) feature. We currently match 25% of the first 6% of eligible compensation that an employee contributes to the ACS Savings Plan per year. The contributions to the plan are made by us for each of our executive officers on the same terms as applicable to all other employees. Contributions to the plan cannot be made after an employee earns \$225,000 in earnings during the year. A participant becomes 50% vested in the ACS match portion of his or her contribution to the ACS Savings Plan after the participant completes two years of service, and becomes 100% vested in the ACS match portion of his or her contribution to the ACS Savings Plan after the participant completes three years of service or, if earlier, the participant becomes disabled or dies, or in the case of a termination of the ACS Savings Plan. If a participant's service terminates before he or she is vested, the participant will forfeit the unvested portion of the ACS match and any earnings thereon. Employees who are defined as Highly Compensated Employees (HCE) in accordance with the Internal Revenue Service guidelines may be capped annually at a specified deferral rate. The cap for calendar years 2007 and 2008 was 5% of eligible earnings. This cap will be determined annually based on the results of the ACS Savings Plan's discrimination testing. Contributions to the plan are capped at \$15,500 per year.

ACS Supplemental Savings Plan. Under our ACS Supplemental Savings Plan, HCEs of ACS, including our named executive officers, are permitted to defer receipt of up to 85% of their base salary, bonus and/or commissions. We match 25% of the first 1% of eligible compensation that an employee contributes to the ACS Supplemental Savings Plan per year if he or she is enrolled in the ACS Savings Plan, described above, and his or her contributions to the ACS Savings Plan are capped by the Company.

Perquisites

We offer the Executive Benefit Plan to promote the health and well-being of our executives, including our named executive officers. The Executive Benefit Plan consists of the following components:

Executive Medical Plan. Under the Executive Medical Plan, which is a fully insured plan of up to \$25,000 per participant, normal and customary medical, dental and vision care costs for executives and their immediate family members are paid by us. We do not pay non-medically necessary costs, such as cosmetic surgery. If costs paid by the Company exceed \$25,000 or relate to services or supplies considered experimental, investigational or under clinical investigation, then the medical expenses that exceed the \$25,000, along with any expenses for experimental, investigational or under clinical investigation services or supplies, are imputed as income to the executive.

Executive Long-Term Disability Plan. Certain of our executive officers are eligible to participate in our Executive Long-Term Disability Plan which provides additional long-term disability coverage through age 65 for certain of our executive officers in addition to the standard policy provided to each of our employees.

Prescription Benefit. Paid prescription coverage up to 100% for our executive officers and their immediate family members.

Annual Physical Examination. Reimbursement of up to \$1,000 annually for any physical examination for the executive officer, and up to \$500 annually for any physical examination for the executive officer's spouse, performed by a designated physician or other licensed physician of their choice.

Estate Planning Services. Our executive officers receive a benefit of up to \$25,000 for initial estate planning services and up to \$10,000 per annum for subsequent services.

Income Tax Preparation. Each of our executive officers may be reimbursed, up to \$1,000 per annum, for income tax preparation services for preparation of their income tax returns.

Additionally, we pay the annual dues for club memberships for a limited number of executive officers, including Darwin Deason, Lynn Blodgett, Tom Burlin and John Rexford. The memberships are intended to be used primarily for business purposes, although the applicable executive officers may use the club for personal purposes. Executive

officers are required to pay all costs related to their personal use of the club.

Option Exercises and Stock Vested as of June 30, 2008

The following table shows the number of employee stock options exercised and the gross value realized by the named executive officers during fiscal year 2008. The dollar value reflects the total pre-tax value realized by such officers (the Company's stock price at exercise minus the option's exercise price), not the grant-date fair value or recognized compensation expense disclosed elsewhere in this document. Value from these option exercises was only realized to the extent our stock price increased relative to the stock price at grant (exercise price). The options exercised were granted to the named executive officers during 2000 and thereafter. Consequently, the value realized by the executives upon exercise of the options was actually earned over a period of up to seven years.

Pension Benefits

The table below shows benefits payable to Mr. Deason under his Supplemental Executive Retirement Agreement as of June 30, 2008. ACS's other executive officers received no benefits in fiscal year 2008 from the Company under any defined benefit pension plans.

Table of Contents

- (1) Service credits were achieved beginning on the effective date of the Supplemental Executive Retirement Agreement on December 1, 1998 through May 2005 at which point Mr. Deason's supplemental retirement benefit was capped at 56% of his final average compensation pursuant to the terms of the Supplemental Executive Retirement Agreement. Additional service since May 2005 will not increase Mr. Deason's benefit other than with respect to the calculation of his final average compensation under the Supplemental Executive Retirement Agreement.

Non-qualified Deferred Compensation

Certain of our named executive officers participate in a non-qualified deferred compensation plan, the ACS Supplemental Savings Plan. Under our ACS Supplemental Savings Plan, HCEs of ACS, including our named executive officers, are permitted to defer receipt of up to 85% of their base salary, bonus and/or commissions. We match 25% of the first 1% of eligible compensation per year that an employee contributes if he or she is enrolled in

the ACS Savings Plan and his or her contributions to the ACS Savings Plan are capped by the Company.

The following table shows certain information for the named executive officers under the ACS Supplemental Savings Plan.

Change of Control Agreements

In fiscal year 2008, Lynn Blodgett, Tom Burlin, John Rexford, Kevin Kyser and Tom Blodgett had written change of control agreements for benefits that were due to them upon a change of control. As discussed in the section entitled Certain Executive Arrangements Mr. Lynn Blodgett's Amended and Restated Employment Agreement, Mr. Lynn Blodgett's change of control agreement has subsequently been replaced by his amended and restated employment agreement, effective as of May 1, 2008. As a result, Mr. Lynn Blodgett's benefits under his change of control agreement ceased to apply upon the adoption of his employment agreement. However, we have included a description of the change of control agreement since it was in place during much of fiscal year 2008. The change in control agreements for certain of the other executive officers remain in effect.

As defined in each of the change of control agreements, a change of control occurs if: (i) we undergo a consolidation or merger in which we are not the surviving company or in which our common stock is converted into cash, securities or other

Table of Contents

property such that holders of our common stock do not have the same proportionate ownership of the surviving company's common stock as they held of our common stock prior to the merger or consolidation; (ii) we sell, lease or transfer all or substantially all of our assets to a company in which we own less than 80% of the outstanding voting securities; (iii) we adopt or implement a plan or proposal for our liquidation; (iv) a person or entity (other than one or more trusts established by us for the benefit of our employees or a person or entity that holds 15% or more of our outstanding common stock on the date the particular change of control agreement was entered into) becomes the beneficial owner of 51% or more of our outstanding common stock; or (v) during any period of 24 consecutive months there is a turnover of a majority of the Board of Directors. Excluded from the determination of the turnover of directors are: (i) those directors who are replaced by new directors who are approved by a vote of at least a majority of the directors (continuing director) who have been a member of the Board of Directors before the date specified in each respective change of control agreement, (ii) a member of the Board of Directors who succeeds an otherwise continuing director and who was elected, or nominated for election by our stockholders, by a majority of the continuing directors then still in office, and (iii) any director elected, or nominated for election by our stockholders to fill any vacancy or newly created directorship by a majority of the continuing directors still in office. Each named executive officer listed above is entitled to receive the severance benefit described below upon consummation of any change of control event.

Each of the change of control agreements provide for cash benefits payable to the executive as well as certain non cash benefits that the Company will be responsible for providing in the event of a change in control.

Each of Mr. Burlin's, Mr. Kyser's, Mr. Rexford's and Mr. Tom Blodgett's current change of control benefits include a lump sum payment equal to (a) three times the sum of (i) the executive's per annum base salary, plus (ii) the executive's bonus for the preceding fiscal year (or if employed for less than one year, the bonus the executive officer would have received if employed for all of the preceding fiscal year), plus (b) the executive's target bonus for the then-current fiscal year, pro rated to reflect the number of days the executive was employed by us in that fiscal year.

Mr. Rexford's change of control benefits during the fiscal year ending June 30, 2008 included a lump sum payment, equal to (a) three times the sum of (i) the executive's per annum base salary, plus (ii) the sum of (y) the amount paid to the executive under his commission arrangement with the Company from December 1, 2006 through June 30, 2007, plus (z) the bonus the executive earned under the Company's Special Executive FY07 Bonus Plan (up to a maximum of \$750,000), plus (b) the executive's target bonus for the then-current fiscal year, pro rated to reflect the number of days the executive was employed by us in that fiscal year.

Under the change of control agreements, we will also (a) pay accrued but unpaid compensation and deferred compensation; (b) continue to provide for up to three years following the executive's termination of employment insurance benefits (medical, dental, life insurance, disability and accidental death and dismemberment) to the executive until the executive secures employment that provides replacement insurance and thereafter (subject to the three year limit) to the extent any new insurance the executive receives from a subsequent employer does not cover a pre-existing condition, (c) provide outplacement counseling assistance for one year; (d) maintain director's and officer's liability insurance on behalf of the executive, at the level in effect immediately prior to the change of control, for the five (5) year period following the change of control; and (e) credit the executive with three years of participation and age credit when determining any executive's eligibility for post-retirement benefits under any welfare benefit plan.

Each of these executives is also entitled to receive additional payments to compensate for the effect of excise taxes imposed under Section 4999 of the Internal Revenue Code and any interest or penalties associated with these excise taxes upon payments made by us for the benefit of the executive. Any excise tax gross up that may be owed by the Company to reimburse the executives for their actual excise tax liability would be determined based on the total change of control compensation, including, if applicable, the accelerated vesting of equity options held by the executives, and the amount of such options held at the change of control date, the exercise prices and vesting dates of each grant outstanding. Other significant variable factors which would affect the calculation of the excise tax gross up would be the actual change of control date, stock price paid upon the change of control, the determination of the future federal, state and local income tax rates applicable for the affected executives, and the actual terms and structure of the change of control transaction, such as valuation methodology for stock options, whether equity, stock and or options held by the executives may be cashed out, substituted for equity of the acquirer, substituted for options of the acquirer,

or some combination of these.

If an excise tax is incurred by an executive, the tax gross up amount payable by the Company in cash to the executive is determined by the following formula:

(Tentative excise tax before gross up)

21

Table of Contents

divided by

(one less the sum of all tax rates applicable to the executive, such as excise tax rate(s), federal income tax rate, Medicare tax rate, social security tax rate (only if the executive has not already exceeded the maximum wage base for the year of the change of control), state income tax rate, and any local income tax rates (e.g., city, county or other local taxing jurisdiction)).

Each of the change of control agreements may be terminated by us with one year advance written notice to the respective named executive officer; however, if a change of control is consummated prior to termination by us, these agreements will remain in effect for the time necessary to give effect to the terms of the agreements.

In addition, please refer to the discussion in the section entitled "Certain Executive Arrangements" below.

Compensation Committee Interlocks and Insider Participation

During fiscal year 2007, the Compensation Committee was comprised solely of independent directors: Messrs. O'Neill, Kosberg and Holland (Mr. Holland was appointed to the Committee in January 2007). On November 21, 2007, Messrs. O'Neill, Kosberg and Holland resigned from the Board of Directors. On November 25, 2007 the Board of Directors appointed Messrs. Certain Executive Arrangements

Mr. Lynn Blodgett's Amended and Restated Employment Agreement

We entered into an amended and restated employment agreement with Mr. Lynn Blodgett effective as of May 1, 2008. The employment agreement, which was previously reviewed and approved by the Board of Directors and replaced an earlier agreement, has a term that currently ends on December 14, 2008, provided that the term will automatically be extended for an additional one year period, unless 30 days prior to December 14 of any year either Mr. Blodgett or the Board of Directors gives notice to the other party that they do not wish to extend the term. Further, under the employment agreement, Mr. Blodgett is eligible to receive a discretionary bonus as may be determined by the Board of Directors or Compensation Committee. Mr. Blodgett is also eligible to participate in the Company's 1997 Stock Plan and 2007 Equity Plan or any omnibus stock incentive or award plans adopted by the Company.

If we terminate Mr. Lynn Blodgett's employment without cause, as defined below, or if the employment agreement terminates, the Company will be required to pay Mr. Lynn Blodgett all of his accrued and unpaid base salary. In addition, the Company will pay Mr. Lynn Blodgett a lump sum severance payment equal to three times the sum of (i) his annual base salary, plus (ii) an amount equal to his discretionary bonus for the immediately preceding fiscal year. Further, any unvested stock options or other equity-based awards granted to Mr. Lynn Blodgett under the 1997 Stock Plan, the 2007 Equity Plan or any omnibus stock incentive or award plans adopted by the Company that are outstanding as of the date of such termination will become fully vested and non-forfeitable.

As used in Mr. Lynn Blodgett's employment agreement, cause means: (A) the willful and continued failure of executive to perform substantially all of his duties with the Company (other than any such failure resulting from incapacity due to physical or mental illness), after a written demand for substantial performance is delivered to Mr. Lynn Blodgett by the Board of Directors which specifically identifies the manner in which the Board of Directors believes that he has not substantially performed his duties, or (B) the willful engaging by Mr. Lynn Blodgett in illegal conduct or gross misconduct which is materially and demonstrably injurious to the Company.

In the event Mr. Lynn Blodgett terminates his employment agreement for good reason (as defined below), he will be entitled to his accrued compensation and the same lump sum severance payment described above. The following events constitute good reason under Mr. Lynn Blodgett's employment agreement: (i) a change of control; (ii) Mr. Lynn Blodgett's removal from his position as Chief Executive Officer other than as result of a termination without cause, termination for cause, termination by executive without good reason, termination for disability, or termination for death; or (iii) the Company's failure to make a payment to Mr. Lynn Blodgett required under the employment agreement, if the breach is not cured within 20 days of the executive sending written notice to the Company.

Mr. Lynn Blodgett will be entitled to a change of control benefit, upon the consummation of any change in control (as defined below) in a lump sum equal to the greater of three times the sum of his per annum base salary, plus his

bonus for the preceding fiscal year. In the event his employment with the Company is terminated by the Company without cause or by him for good reason within three days of a change in control, he would be entitled to receive the greater of (i) the amount described in the prior sentence or (ii) the amount he would be entitled to receive if he is terminated without cause or his employment terminates Further, any unvested stock options or other equity-based awards granted to Mr. Lynn Blodgett under the 1997 Stock Plan, the 2007 Equity Plan or any omnibus stock incentive or award plans adopted by the Company that

Table of Contents

are outstanding as of the date of such change in control will become fully vested and non-forfeitable.

A change of control will occur if: (i) we undergo a consolidation or merger in which we are not the surviving company or in which our common stock is converted into cash, securities or other property such that holders of our common stock do not have the same proportionate ownership of the surviving company's common stock as they held of our common stock prior to the merger or consolidation; (ii) we sell, lease or transfer all or substantially all of our assets to a company in which we own less than 80% of the outstanding voting securities; (iii) we adopt or implement a plan or proposal for our liquidation; (iv) a person or entity (other than one or more trusts established by us for the benefit of our employees) becomes the beneficial owner of 51% or more of our outstanding common stock; or (v) during any period of 24 consecutive months there is a turnover of a majority of the Board. Excluded from the determination of the turnover of directors are: (i) those directors who are replaced by new directors who are approved by a vote of at least a majority of the directors (continuing director) who have been a member of our Board of Directors since January 1, 2004, (ii) a member of the Board of Directors who succeeds an otherwise continuing director and who was elected, or nominated for election by our stockholders, by a majority of the continuing directors then still in office, and (iii) any director elected, or nominated for election by our stockholders to fill any vacancy or newly created directorship by a majority of the continuing directors still in office.

If Mr. Lynn Blodgett is terminated without cause, terminates his employment for good reason or is terminated because of a disability or if the agreement terminates, the Company will also be required to pay the cost of his continuation coverage under COBRA until the earlier of 12 months from the date of his termination or the date that he becomes employed by another employer.

In order to receive the severance payment described above, Mr. Lynn Blodgett will be required to execute a separation agreement and general release of claims that is acceptable to the Company.

Under his employment agreement, Mr. Blodgett is also entitled to receive the same excise tax gross-up benefit as in the change of control agreements described in the section entitled "Change of Control and Termination Payments Change of Control Benefits Payable at June 30, 2008" below.

Mr. Deason's Amended Employment Agreement

We initially entered into an employment agreement with Mr. Deason effective as of February 16, 1999. On December 7, 2007, the employment agreement was amended by the Company and Mr. Deason in order to remove certain exclusive governance rights previously held by Mr. Deason, including his right to recommend to the Compensation Committee, salary, bonus, stock option and other compensation matters for our President, Chief Executive Officer, Chief Operating Officer, Chief Financial Officer, Executive Vice Presidents, General Counsel, Secretary and Treasurer and his right to appoint certain officers and recommend directors for election or removal from the Board of Directors. The agreement now provides that the Compensation Committee will consult with Mr. Deason in determining the compensation policies of the Company and the compensation of the Company's executive officers.

The employment agreement has a term that currently ends on May 18, 2013, provided that such term will automatically be extended for an additional year on May 18 of each year, unless 30 days prior to May 18 of any year Mr. Deason gives notice to us that he does not wish to extend the term or our Board of Directors, upon a unanimous vote of the directors, except for Mr. Deason, gives notice to Mr. Deason that it does not wish to extend the term. The employment agreement provides for a base salary of \$525,000 with annual adjustments to Mr. Deason's base salary by a percentage equal to the average percentage adjustments to the annual salaries of our top five executive officers (excluding promotions). The employment agreement also provides for an annual bonus based on the achievement of financial goals set for Mr. Deason by the Compensation Committee. This bonus can be up to 250% of Mr. Deason's base salary for that year, or at the discretion of the Compensation Committee, a greater percentage, which is consistent with the bonus percentage Mr. Deason has been eligible to receive since 1996.

Under the employment agreement, Mr. Deason will be entitled to a payment if: (i) we undergo a consolidation or merger in which we are not the surviving company or in which our common stock is converted into cash, securities or other property such that holders of our common stock do not have the same proportionate ownership of the surviving company's common stock as they held of our common stock prior to the merger or consolidation; (ii) we sell, lease or transfer all or substantially all of our assets to a company in which we own less than 80% of the outstanding voting securities; (iii) we adopt or implement a plan or proposal for our liquidation; (iv) if a person or entity (other than one

or more trusts established by us for the benefit of our employees) becomes the beneficial owner of 20% or more of our outstanding common stock; or (v) if during any period of 24 consecutive months there is a turnover of a majority of the Board of Directors. Excluded from the

Table of Contents

determination of the turnover of directors are: (i) those directors who are replaced by new directors who are approved by a vote of at least a majority of the directors (continuing director) who have been a member of our Board of Directors since February 1, 1999, (ii) a member of the Board of Directors who succeeds an otherwise continuing director and who was elected, or nominated for election by our stockholders, by a majority of the continuing directors then still in office, (iii) any director elected, or nominated for election by our stockholders to fill any vacancy or newly created directorship by a majority of the continuing directors still in office, and (iv) a member of the Board of Directors who succeeds an otherwise continuing director and who was selected and appointed by Mr. Deason to fill the unexpired term of a director who, because such person is no longer an officer of the Company, is no longer on the Board of Directors.

The benefit to be received by Mr. Deason upon a change of control event includes a lump sum payment, equal to (a) the number of years (including partial years) remaining under his employment agreement times the sum of (i) his per annum base salary at the time of the change of control, plus (ii) the greater of (x) his bonus for the immediately preceding fiscal year or (y) the average of his bonus for the immediately preceding two fiscal years, plus (b) his target bonus for the then-current fiscal year, pro rated to reflect the number of days the executive was employed by us in that fiscal year. Among other things, the employment agreement also provides that we will, (a) for up to three years following Mr. Deason's termination of employment, continue to (i) provide insurance (medical, dental, life insurance, disability and accidental death and dismemberment) benefits to the executive at the highest level of coverage provided to Mr. Deason prior to the change of control until the executive secures employment that provides replacement insurance and (ii) provide insurance benefits to the executive to the extent any new insurance the executive receives from a subsequent employer does not cover a pre-existing condition, and (b) provide outplacement counseling assistance and (c) maintain director's and officer's liability insurance on behalf of the executive, at the level in effect immediately prior to the change of control, for the three (3) year period following the change of control, and throughout the period of any applicable statute of limitations. Under the employment agreement, we will also pay accrued but unpaid compensation and deferred compensation upon termination of employment. Also, when determining Mr. Deason's eligibility for post-retirement benefits under any welfare benefit plan, he will be credited with three years of participation and age credit. Mr. Deason will also become vested in the benefits provided under any Company retirement or successor plan (in addition to any benefits under Mr. Deason's Supplemental Executive Retirement Agreement).

Under his employment agreement, Mr. Deason is entitled to receive the same excise tax gross-up benefit as in the change of control agreements described in the section entitled "Change of Control and Termination Payments - Change of Control Benefits Payable at June 30, 2008" below.

Mr. Deason's Voting Agreement

During fiscal year 2006 the Board of Directors authorized a modified "Dutch Auction" tender offer (the "Tender Offer") to purchase up to 55.5 million shares of our Class A common stock. That Tender Offer was completed in March 2006 and 7.4 million shares of Class A common stock were purchased in the Tender Offer. In connection with the Tender Offer, Mr. Deason entered into a Voting Agreement with the Company dated February 9, 2006 (the "Voting Agreement") in which he agreed to limit his ability to cause the additional voting power he would hold as a result of the Tender Offer to affect the outcome of any matter submitted to the vote of the stockholders of the Company after consummation of the Tender Offer.

On December 7, 2007, the Board of the Directors approved an amendment of the Voting Agreement, to provide that Mr. Deason's voting power with respect to 1,989,864 shares of Class A common stock and 6,599,372 shares of Class B common stock held by him as of December 7, 2007, would not exceed 45% as a result of share repurchases by the Company pursuant to the Company's share repurchase program. Other than as expressly set forth in the Voting Agreement, Mr. Deason continues to have the power to exercise all rights attached to the shares he owns, including the right to dispose of his shares and the right to receive any distributions thereon.

The Voting Agreement will terminate on the earliest of (i) the mutual agreement of the Company (authorized by not less than a majority of the vote of the then independent and disinterested directors) and Mr. Deason, (ii) the date on which Mr. Deason ceases to hold any Excess Voting Power, as calculated in the Voting Agreement, or (iii) the date on which all Class B shares are converted into Class A shares.

Mr. Deason and a special committee of the Board of Directors have not reached an agreement regarding the fair compensation to be paid to Mr. Deason for entering into the Voting Agreement. However, whether or not Mr. Deason and our special committee are able to reach agreement on compensation to be paid to Mr. Deason, the Voting Agreement will remain in effect.

Table of Contents

This summary of the Voting Agreement is qualified in its entirety by the terms of the Voting Agreement, which is filed as Exhibit 99.1 to our Current Report on Form 8-K filed December 10, 2007.

Mr. Deason's Supplemental Executive Retirement Agreement

We entered into a Supplemental Executive Retirement Agreement with Mr. Deason in December 1998, which was amended in August 2003 to conform the normal retirement date specified therein to our fiscal year end next succeeding the termination of the employment agreement between Mr. Deason and us. The normal retirement date under the Supplemental Executive Retirement Agreement was subsequently amended in June 2005 to conform to the termination date of the employment agreement with the exception of the determination of any amount deferred in taxable years prior to January 1, 2005 for purposes of applying the provisions of the American Jobs Creation Act of 2004 and the regulations and interpretive guidance published pursuant thereto (the "AJCA"). Pursuant to the Supplemental Executive Retirement Agreement, which was reviewed and approved by the Board of Directors, Mr. Deason will receive a benefit upon the occurrence of events described below equal to an actuarially calculated amount based on a percentage of his average monthly compensation determined by his monthly compensation during the highest 36 consecutive calendar months from among the 120 consecutive calendar months ending on the earlier of his termination of employment or his normal retirement date. The amount of this benefit payable by us is expected to be offset by the value of particular options granted to Mr. Deason (including 150,000 shares covered by options granted in October 1998 with an exercise price of \$11.53 per share, which were exercised in full on October 2, 2008, and 300,000 shares granted in August 2003 with an exercise price of \$44.10 per share).

To the extent that we determine that our estimated actuarial liability under the Supplemental Executive Retirement Agreement exceeds the in the money value of such options, such deficiency would be reflected in our results of operations as of the date of such determination. In the event that the value of the remaining options granted to Mr. Deason exceeds the benefit, the excess benefit will accrue to Mr. Deason and we will have no further obligation under the Supplemental Executive Retirement Agreement.

If the payment is caused by a change of control and at such time Mr. Deason would be subject to an excise tax under Section 4999 of the Internal Revenue Code with respect to the benefit, the amount of the benefit will be grossed-up to offset this tax. The percentage applied to the average monthly compensation is 56% for benefit determinations made on or any time after May 18, 2005. The events triggering the benefit are retirement, total and permanent disability, death, resignation, and change of control or termination for any reason other than cause. The benefit will be paid in a lump sum or, at the election of Mr. Deason, in monthly installments over a period not to exceed 10 years.

We estimated, as of June 30, 2008, that our obligation with respect to Mr. Deason under the Supplemental Executive Retirement Agreement was approximately \$9.0 million and that the value (the excess of the market price over the option exercise price) of the options at June 30, 2008 was \$9.1 million. The options for 150,000 shares were exercised in full on October 2, 2008, six days before their expiration, when the price of our stock was \$48.77.

We currently have approximately 65,000 people supporting client operations and recruit qualified candidates for our employment needs. Relatives of our executive officers and other employees are eligible for hire by the Company. We currently have six employees who receive more than \$120,000 in annual compensation (salary, bonus and commission) who are related to our current executive officers, including executive officers who are also directors, as of June 30, 2008. These are routine employment arrangements entered into in the ordinary course of business and the compensation of each such family member is commensurate with that of their peers. All of these family members are at levels below senior vice president except Thomas Blodgett who reports to Tom Burlin, our Chief Operating Officer, and is the brother of our President and Chief Executive Officer, Lynn Blodgett, and Tas Panos, who reports to our President and Chief Executive Officer, and is the brother-in-law of our Chairman of the Board of Directors, Darwin Deason. Tas Panos is employed as Executive Vice President, General Counsel and Secretary, earned \$413,180 in base salary and bonus compensation during fiscal year 2008 and was granted options to purchase 140,000 shares of our Class A common stock during fiscal year 2008. The annual base salaries for the remaining four employees range from approximately \$132,000 to \$249,999.

On May 22, 2008, the Board of Directors adopted a formal written policy regarding the review, approval or ratification of related party transactions under which the Company is to provide to the Board of Directors for their review, and to disclose in its public filings, all related party transactions that are required to be disclosed under Item 404(a) of Regulation S-K.

Please see the information under the caption Corporate Governance in Item 10 of this Part III for information regarding director independence.
