ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

On April 30, 2009, the Issuer completed a merger under the Agreement and Plan of Merger dated as of December 10, 2008 (the Merger Agreement), by and among the Issuer, Hirsch Electronics Corporation, a California corporation (Hirsch Corporation), and two wholly-owned subsidiaries of the Issuer, pursuant to which Hirsch Corporation became Hirsch Electronics LLC, a new Delaware limited liability company and a wholly-owned subsidiary of the Issuer (the Merger). A copy of the Merger Agreement is attached as Exhibit 1 hereto and incorporated by reference into this Item 3 of Schedule 13D.

Upon completion of the Merger, all of the shares of Hirsch Corporation common stock issued and outstanding immediately prior to the Merger were converted into the right to receive \$3.00 cash (without interest and less any applicable withholding taxes), two shares of Common Stock and one warrant to purchase one share of Common Stock at an exercise price of \$3.00 with a five year term, exercisable for two years following the third anniversary of the effective time of the Merger. A copy of the form of warrant certificate is attached as Exhibit 2 hereto and incorporated by reference into this Item 3 of Schedule 13D (the Issuer Warrant).

In addition, all outstanding warrants to purchase shares of Hirsch Corporation were converted into the right to receive a warrant to purchase shares of the Common Stock with a five year term, exercisable for two years following the third anniversary of the effective time of the Merger (the Converted Warrants). The number of shares of Common Stock represented by each Converted Warrant, and the per share exercise price therefor, was determined by applying a conversion ratio to the warrants to purchase shares of Hirsch Corporation as provided for in the Merger Agreement. Other than the exercise price, which is dependent upon the conversion ratio and the exercise price underlying the warrants to purchase shares of Hirsch Corporation, the Converted Warrants will have the same terms as the Issuer Warrant.

ITEM 4. PURPOSE OF THE TRANSACTION

The responses set forth in Items 3 and 6 of this Schedule 13D are incorporated by reference in their entirety into this Item 4.

At the effective time of the Merger, Midland and Morgan were appointed to the Issuer's board of directors, filling vacancies in Class II and Class III of the Issuer's board of directors, respectively. Midland's term expires in 2009 and Morgan's term expires in 2010.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

This percentage is based on the 25,154,985 shares of Common Stock of the Issuer expected to be issued and outstanding following the April 30, 2009 closing of the merger with Hirsch Corporation, as disclosed in the Issuer's Registration Statement on Form S-4 filed with the Securities and Exchange Commission on February 2, 2009, as amended February 12, 2009 (File No. 333-157067) (the Registration Statement).

(b) The manner in which the Reporting Persons will vote their shares of Common Stock with respect to certain matters is as set forth in the Stockholder Agreement. Accordingly, the Reporting Persons may be deemed to have shared power to vote or to direct the vote of the Subject Shares with the other Reporting Persons.

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER			

The Issuer and the Reporting Persons entered into a stockholder agreement, dated December 10, 2008 (the Stockholder Agreement), a copy of which is attached as Exhibit 3 hereto and is incorporated herein by reference to this Item 6 of Schedule 13D.

The following descriptions do not purport to cover all of the provisions of the Stockholder Agreement and are qualified in their entirety by reference to the full text of the agreement. The Stockholder Agreement includes the following provisions, among others:

Standstill Agreement

The Reporting Persons agreed to a three-year standstill period beginning on the closing date of the Merger. During the standstill period, such parties agreed that, subject to limited circumstances, they would not take certain actions that could be hostile to the Issuer, including without limitation proposing or entering into any acquisition transaction with a third party with respect to the Issuer, acquiring shares of Common Stock that would result in such stockholder holding more than 10% of the Issuer's outstanding shares, participating in or encouraging the solicitation of proxies with respect to the Issuer's securities or the securities of its subsidiaries, participating in or encouraging the formation of any group which owns, seeks, or offers to acquire beneficial ownership of the Issuer's voting securities or which seeks to control the Issuer, or otherwise act alone or in concert with others seeking or offering to control or influence the management of the Issuer's board of directors or the policies of the Issuer or its subsidiaries.

Lock-Up Agreement

Under the Stockholder Agreement, Midland agreed to a more restrictive lock-up arrangement with respect to the shares of Common Stock and warrants to purchase shares of Common Stock issued in connection with the Merger. Specifically, except in limited circumstances, Midland is prohibited from selling or transferring, or granting or lending or otherwise disposing of, such securities for up to 24 months following the closing date of the Merger. The lock-up arrangement provides that thirty-three and three-tenths percent (33.3%) of the shares subject to the lock-up restrictions will be released from such restrictions one year from the closing date of the Merger, an additional thirty-three and three-tenths percent (33.3%) will be released 18 months from the closing date of the Merger, and the remainder of the shares subject to such restrictions will be released two years from the closing date of the Merger.

Midland currently beneficially owns an aggregate of 1,257,600 shares of Common Stock, or 5.0% of the outstanding Common Stock.

Agreement to Vote; Election of Directors

The Reporting Persons agreed that for a period of three years after the closing date of the Merger, subject to limited circumstances relating to Midland's status as a director on the Issuer's board of directors, they will vote all shares of Common Stock owned by them to elect any director nominee that is recommended by the majority of the Issuer's board of directors, remove any director when such removal is requested or approved by a majority of the Issuer's board of directors or the Issuer nominating committee, or oppose the removal or any director unless such removal is approved by a majority of the Issuer's board of directors. The Reporting Persons also granted the Issuer an irrevocable proxy to vote their respective Common Stock in accordance with the Stockholder Agreement.

In addition, on December 10, 2008 four of the Reporting Persons entered into employment agreements in connection with the Merger. Midland entered into an employment agreement with the Issuer and Hirsch Corporation which became effective on the effective time of the Merger. Beliles, Piccininni, and Zivney entered into employment agreements with Hirsch Corporation which also became effective on the effective time of the Merger.
