Item 2. Acquisition or Disposition of Assets.

On February 13, 2004, Ionics, Incorporated ("Ionics") acquired the stock and membership interests of Ecolochem, Inc. and its affiliated companies (collectively, the "Ecolochem Group") from the shareholders and members of the Ecolochem Group (the "Sellers"). The acquisition of the Ecolochem Group (the "Acquisition") was consummated pursuant to a Purchase Agreement dated as of November 18, 2003, as amended as of February 13, 2004, among Ionics and the Sellers (the "Purchase Agreement"). In connection with the Acquisition, Ionics paid the Sellers an aggregate purchase price of \$209,204,818 million in cash and 4,652,648 shares of Ionics common stock. The terms of the Acquisition and the consideration received by the Sellers were the result of arm's-length negotiations between Ionics and the Sellers.

The cash portion of the consideration came from Ionics' available cash resources

Edgar Filing: IONICS INC - Form 8-K

and from new credit facilities under the Credit Agreement dated as of February 13, 2004 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Ionics, the Subsidiary Guarantors (as defined therein), the Lenders (as defined therein), UBS Securities LLC, as lead arranger, sole bookmanager and documentation agent, Fleet Securities, Inc. and Bank of America, N.A., as syndication agents, Wachovia Bank, N.A. and General Electric Capital Corporation, as co-documentation agents, UBS Loan Finance LLC, as swingline lender, HSBC Bank USA, as issuing bank, and UBS AG, Stamford Branch, as administrative agent for the Lenders and collateral agent for the Secured Parties. The Credit Agreement permits Ionics to borrow up to \$255,000,000 under both term and revolving loans. Under the credit facility, revolving loans mature on February 13, 2009 and term loans mature on February 13, 2011. The credit facility is secured by liens on certain collateral as well as the pledge of stock in certain of Ionics' subsidiaries. In addition, certain of Ionics' subsidiaries are guarantors under the Credit Agreement. The credit facilities contain covenants which, among other things, require Ionics to maintain certain financial ratios and impose certain limitations or prohibitions on Ionics with respect to the incurrence of indebtedness, liens and capital leases; the payment of dividends on, and the redemption or repurchase of capital stock of Ionics; investments and advances; and certain acquisitions or asset sales.

In connection with the Acquisition, the Sellers and Ionics also entered into a Stockholders Agreement, and two separate escrow agreements. Additionally, Ionics and one of the Sellers, Lyman B. Dickerson, entered into an Employment Agreement. Pursuant to the terms of the Stockholders Agreement, the Sellers were granted the right to designate two members of the Ionics Board of Directors. In satisfaction of this right, on February 17, 2004, Lyman B. Dickerson and Frederick T. Stant III, the designees of the Sellers, were appointed to the Ionics Board of Directors. Moreover, the terms of the Stockholders Agreement provide that Lyman B. Dickerson will have the opportunity to become the Chairman of the Ionics Board of Directors.

Pursuant to the terms of Lyman B. Dickerson's Employment Agreement with Ionics, Mr. Dickerson was named Vice President of Ionics' Water Systems Division (which includes, among other operations, the Ecolochem Group and its respective subsidiaries and Ionics' Ultrapure Water and Industrial Water operations). The term of this agreement is for two years unless sooner terminated for "cause" (as defined therein) or under certain other circumstances.

The Ecolochem Group, consisting of Ecolochem, Inc., Ecolochem International, Inc., Moson Holdings, L.L.C. and Ecolochem S.A.R.L., is a leading provider of mobile water treatment services. The Ecolochem Group also offers outsourced, or customer facility-based, long-term, water treatment services. Ionics intends to continue the business operations of the Ecolochem Group utilizing its assets and staff.

The Purchase Agreement (which is attached hereto as Exhibit 2.1) and certain other agreements entered into in connection with the Acquisition (which are attached hereto as Exhibits 2.2, 2.3, 2.4, 2.5, and 2.6) are incorporated herein by reference.

Item 7. Financial Statements and Exhibits.

-
- (a) Financial Statements of Business Acquired.

Edgar Filing: IONICS INC - Form 8-K

The following combined financial statements of the Ecolochem Group, together with the report of KPMG LLP thereon, appear as Exhibit 99.1 to this report and are incorporated herein by this reference:
