PROXY STATEMENT

FOR THE 2004 ANNUAL MEETING OF STOCKHOLDERS

To Be Held on Thursday, June 17, 2004

April 23, 2004

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Vicor Corporation (the Corporation) from holders of the outstanding shares of capital stock of the Corporation for use at the 2004 Annual Meeting of Stockholders (the Annual Meeting) of the Corporation to be held on Thursday, June 17, 2004 at 5:00 p.m., local time, at the Andover Country Club, 60 Canterbury Street, Andover, Massachusetts, and at any adjournments or postponements thereof. At the Annual Meeting, stockholders will be asked to consider and vote on the proposals set forth in this Proxy Statement.

This Proxy Statement and the accompanying Notice of Annual Meeting and Proxy Card are first being sent to stockholders on or about May 16, 2004. The Board of Directors has fixed the close of business on April 30, 2004 as the record date for the determination of stockholders entitled to receive notice of and to vote at the Annual Meeting (the Record Date). Only stockholders of record at the close of business on the Record Date will be entitled to receive notice of and to vote at the Annual Meeting. As of March 31, 2004, there were outstanding and entitled to vote 30,056,768 shares of Common Stock and 11,868,100 shares of Class B Common Stock of the Corporation. Each share of Common Stock entitles the holder thereof to one vote per share and each share of Class B Common Stock entitles the holder thereof to ten (10) votes per share. Shares of Common Stock and Class B Common Stock will vote together as a single class on the proposals set forth in this Proxy Statement.

Stockholders of the Corporation are requested to complete, date, sign and return the accompanying Proxy Card in the enclosed postage-prepaid envelope. Shares represented by a properly executed proxy received prior to the vote at the Annual Meeting and not revoked will be voted at the Annual Meeting as directed on the proxy. If a properly executed proxy is submitted and no instructions are given, the proxy will be voted FOR the fixing of the Board of Directors at seven and the election of the seven nominees for Directors of the Corporation named in this Proxy Statement. It is not anticipated that any matters other than those set forth in this Proxy Statement will be presented at the Annual Meeting. If other matters are presented, proxies will be voted in accordance with the discretion of the proxy holders.

A stockholder of record may revoke a proxy at any time before it has been exercised by (1) filing a written revocation with the Secretary of the Corporation at the address of the Corporation set forth above; (2) filing a duly executed proxy bearing a later date; or (3) appearing in person, notifying the Secretary and voting by ballot at the Annual Meeting. Any stockholder of record as of the Record Date attending the Annual Meeting may vote in person whether or not a proxy has been previously given, but the presence (without further action) of a stockholder at the Annual Meeting will not constitute revocation of a previously given proxy. The presence, in person or by proxy, of holders of a majority in interest of all stock issued, outstanding

Table of Contents

and entitled to vote at the Annual Meeting shall constitute a quorum for the transaction of business at the Annual Meeting. Shares that reflect abstentions or broker non-votes (i.e., shares held by brokers or other nominees that are represented at the Annual Meeting but as to which such brokers or nominees have not received instructions from the beneficial owners or persons entitled to vote such shares and, with respect to one or more but not all matters, such brokers or nominees do not have discretionary voting power to vote such shares) will be counted for purposes of determining whether a quorum is present for the transaction of business at the Annual Meeting.

The cost of solicitation of proxies in the form enclosed herewith will be borne by the Corporation. In addition to the solicitation of proxies by mail, the Directors, officers and employees of the Corporation may also solicit proxies personally or by telephone without special compensation for such activities. The Corporation will also request persons, firms and corporations holding shares in their names or in the names of their nominees, which are beneficially owned by others, to send proxy materials to and obtain proxies from such beneficial owners. The Corporation will reimburse such holders for their reasonable expenses in connection therewith.

The Corporation's 2003 Annual Report (the Annual Report), including financial statements for the fiscal year ended December 31, 2003, is being mailed to stockholders concurrently with this Proxy Statement. The Annual Report, however, is not part of the proxy solicitation materials.

PROPOSAL 1

ELECTION OF DIRECTORS

The Board of Directors of the Corporation has recommended that the number of Directors be fixed at seven and has nominated the seven individuals named below for election as Directors. Each of the nominees is presently serving as a Director of the Corporation. If elected, the nominees will serve until the 2005 Annual Meeting of Stockholders and until their respective successors are duly elected and qualified. Properly executed proxies will be voted for the nominees named below unless otherwise specified in the proxy. The Board of Directors anticipates that each of the nominees, if elected, will serve as a Director. However, if any person nominated by the Board of Directors fails to stand for election or is unable to accept election, proxies solicited hereby will be voted either for the election of another person designated by the Board of Directors or to fix the number of Directors at a lesser number and elect a lesser number of nominees able and willing to serve. A plurality of the votes cast by the holders of Common Stock and Class B Common Stock, voting together as a single class, for a nominee for Director shall elect such nominee. Accordingly, abstentions, broker non-votes and votes withheld from any nominee will have no effect on this proposal. Holders of voting rights sufficient to elect each of the nominees named below have indicated an intention to vote in favor of such nominees.

The Board of Directors unanimously recommends a vote FOR all of the nominees.

Table of Contents**Information Regarding Nominees**

The following sets forth certain information as of March 31, 2004 with respect to the seven nominees for election to the Board of Directors. Information regarding the beneficial ownership of shares of the capital stock of the Corporation by such persons is set forth in the section of this Proxy Statement entitled Principal and Management Stockholders. There is no family relationship among any of the Directors or executive officers of the Corporation.

The Board of Directors and Its Committees

The Corporation's Board of Directors held four meetings during the fiscal year ended December 31, 2003. Each of the Directors attended more than 75% of the total number of meetings of the Board of Directors and meetings of the committees of the Board of Directors on which he served during 2003. Directors are expected

Table of Contents

to attend annual meetings of stockholders of the Corporation in person unless doing so is impracticable due to unavoidable conflicts. All of the directors attended the 2003 annual meeting of stockholders. The Board of Directors has established an Audit Committee and an Executive Compensation Committee. The Board does not have a standing nominating committee because it believes that the full Board is in the best position to evaluate potential director nominees and, therefore, it is not necessary for the Corporation to have a nominating committee. The full Board of Directors performs the function of such a committee.

The Corporation is a controlled company in accordance with the recently adopted corporate governance rules contained in the Marketplace Rules of the National Association of Securities Dealers, Inc. (the NASDAQ Rules) because Dr. Vinciarelli holds more than 50% of the voting power of the outstanding stock of the Corporation. As a result, the Corporation is not required to have (1) a majority of independent directors on its Board of Directors, (2) the compensation of its executive officers determined by independent directors, or (3) its director nominees selected or recommended by independent directors. The Board of Directors has determined that three of its seven Directors, Messrs. Ansour, Eichten and Riddiford, are independent directors for purposes of the NASDAQ Rules.

Audit Committee The Board of Directors has established an Audit Committee that complies with the NASDAQ Rules. Through August 2003, the Audit Committee was composed of Messrs. Ansour, Anderson and Riddiford. In August 2003, Mr. Eichten replaced Mr. Anderson on the Audit Committee. Information regarding the functions performed by the Audit Committee and the number of meetings held during the fiscal year is set forth in the section of this Proxy Statement entitled Report of the Audit Committee. The Audit Committee is governed by a written charter approved by the Board of Directors. A copy of this charter is included as Appendix A to this Proxy Statement. The Board of Directors has determined that the members of the Audit Committee are independent under the applicable NASDAQ Rules and rules of the SEC.

The Board of Directors has determined that none of the members of the Audit Committee meet the definition of audit committee financial expert as defined by the Item 401 (h) of Regulation S-K promulgated by the SEC. However, the Corporation believes that the present members of its Audit Committee have substantial experience in reviewing financial statements and overseeing financial reporting. In addition, in compliance with NASDAQ Rules, one member of the Corporation's Audit Committee, Mr. Riddiford, has past employment experience which results in his financial sophistication.

Executive Compensation Committee The Executive Compensation Committee is composed of Messrs. Eichten, Riddiford and Ansour. The Executive Compensation Committee is responsible for establishing salaries, bonuses and other compensation for the officers of the Corporation and administering the Corporation's stock option and bonus plans pursuant to authority delegated to it by the Board of Directors. The Executive Compensation Committee did not hold any formal meetings during 2003; however, they did act by written consent in lieu of meetings, including for the purpose of approving all stock option awards during 2003.

Director Nomination Process

The full Board of Directors performs the director nomination function for the Corporation. The Board does not have a charter that governs the director nomination process, although it has established director nomination procedures that set forth the current process for identifying and evaluating director nominees.

Board Membership Criteria. The Board of Directors has established the following criteria for Board membership. At a minimum, the Board must be satisfied that each nominee has high personal and professional integrity, has demonstrated exceptional ability and judgment, and is expected, in the judgment of the Board, to be highly effective, in conjunction with the other nominees to the Board, in collectively serving the interests of the Corporation and its stockholders. In addition to the minimum qualifications for each

Table of Contents

nominee set forth above, the Board will select persons for nomination who have industry or other relevant experience and to help ensure that its Audit Committee will be comprised entirely of independent directors.

Identifying and Evaluating Nominees. The Board may solicit recommendations from any or all of the following sources: non-management directors, the Chief Executive Officer, other executive officers, third-party search firms, or any other source it deems appropriate. The Board will review and evaluate the qualifications of any such proposed director candidate, and conduct inquiries it deems appropriate. The Board will evaluate all such proposed director candidates in the same manner. In identifying and evaluating proposed director candidates, the Board may consider, in addition to the minimum qualifications and other criteria for Board membership approved by the Board from time to time, all facts and circumstances that it deems appropriate or advisable, including, among other things, whether it is appropriate to expand the size of the Board, the skills of the proposed director candidate, his or her depth and breadth of business experience or other background characteristics, his or her independence and the needs of the Board. Based on these considerations, the Board may nominate the director candidate who it believes will, together with the existing Board members and other nominees, best serve the interests of the Company and its stockholders.

Securityholder Recommendations The Board's current policy is to review and consider in accordance with the procedures described above any director candidates recommended by stockholders of the Corporation entitled to vote in the election of directors. All stockholder recommendations for director candidates must be submitted to the Secretary of the Corporation at Vicor Corporation, 25 Frontage Road, Andover, MA 01810, who will forward all recommendations to the Board. All stockholder recommendations for director candidates must include the following information:

the name and address of record of the stockholder;

a representation that the stockholder is a record holder of shares of stock of the Corporation entitled to vote in the election of directors, or if the stockholder is not a record holder, evidence of ownership in accordance with Rule 14a-8(b)(2) under the Securities Exchange Act of 1934;

the name, age, business and residential address, educational background, current principal occupation or employment, and principal occupation or employment for the preceding five (5) full fiscal years of the proposed director candidate;

a description of the qualifications and background of the proposed director candidate which addresses the minimum qualifications and other criteria for Board membership approved by the Board from time to time;

a description of all arrangements or understandings between the stockholder and the proposed director candidate;

the consent of the proposed director candidate (1) to be named in the proxy statement relating to the Company's annual meeting of stockholders and (2) to serve as a director if elected at such annual meeting; and

any other information regarding the proposed director candidate that is required to be included in a proxy statement filed pursuant to the rules of the SEC.

If you wish to communicate with any of Directors of the Corporation or the Board of Directors as a group, you may do so by writing to them at [Name(s) of Director(s)/ Board of Directors of Vicor Corporation], c/o Corporate Secretary, Vicor Corporation, 25 Frontage Road, Andover, MA 01810. Directors of the Corporation do not currently receive cash compensation for their service on the Board of Directors. Each non-employee Director and each employee Director, other than Mr. Vinciarelli, received non-qualified stock options to purchase up to 9,764 and 4,882 shares, respectively, of Common Stock. Forty percent (40%) of these options became exercisable seven months after the date of grant (i.e., January 26, 2004), with the remainder becoming exercisable in three equal annual installments of 20% beginning January 26, 2005. All such options are exercisable at a price per share equal to \$9.59, the closing sale price per share of Common Stock on the date of grant as reported on the NASDAQ National Market ("NASDAQ").

Table of Contents**Option/SAR Grants in Last Fiscal Year**

The following table sets forth each grant of stock options during the fiscal year ended December 31, 2003 to the Chief Executive Officer and each other executive officer named in the Summary Compensation Table. All stock options granted in 2003 were options to purchase shares of the Corporation's Common Stock. No stock appreciation rights (SARs) have been granted by the Corporation. The table also shows the value of the options at the end of the option terms assuming the price of the Corporation's Common Stock appreciates annually by 5% and 10%, respectively. The options will only have value if they are exercised, and that value will depend entirely on the market price of the Common Stock on the exercise date. Potential realizable values are based on assumed compound annual appreciation rates specified by the SEC and are not intended to forecast possible future appreciation, if any, of the price of the Common Stock. There can be no assurance that the price of the Common Stock will appreciate at the rates shown in the table. A total of 112,620 options to purchase Common Stock were granted to the Corporation's employees during fiscal year ended December 31, 2003.

Name	Individual Grants				Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for Option Term	
	Number of Shares Underlying Options Granted (#)	Percent of Total Options Granted to Employees In Fiscal Year	Exercise or Base Price (\$/Sh)	Expiration Date	5%	10%
Jay M. Prager	4,882(1)	4.33%	\$9.59	7/26/2009	\$16,175	\$36,775
Barry Kelleher	4,882(1)	4.33	9.59	7/26/2009	16,175	36,775

- (1) These options were granted on June 26, 2003. Forty percent (40%) became exercisable on January 26, 2004 and the remainder will become exercisable in three equal annual installments of 20% beginning January 26, 2005.

Aggregated Option Exercises in Last Fiscal Year and Fiscal Year-End Option Values

The following table sets forth the shares acquired and the value realized upon exercise of options to purchase Common Stock during the fiscal year ended December 31, 2003 by the Chief Executive Officer and each other executive officer named in the Summary Compensation Table and certain information concerning the number and value of unexercised options.

Name	Shares Acquired On Exercise (#)	Value Realized (\$)	Number of Shares Underlying Unexercised Options at Fiscal Year-End (#)		Value of Unexercised In-the-Money Options at Fiscal Year-End \$(1)

Options are in-the-money if the market value of the shares covered thereby is greater than the option exercise price.

Report of the Executive Compensation Committee of the Board of Directors

The Executive Compensation Committee of the Board of Directors of the Corporation (the Compensation Committee) consists of David T. Riddiford, Estia J. Eichten, and M. Michael Ansour, none of whom are employees of the Corporation. The Compensation Committee establishes the terms of and grants awards under the Corporation's 1993 Stock Option Plan (the 1993 Plan), the 1998 Stock Option and Incentive Plan (the 1998 Plan), the 2000 Plan and other benefit plans. The Compensation Committee also approves compensation policies for executive officers.

Compensation Policies for Executive Officers

The Corporation's compensation program for executive officers currently consists primarily of a base salary and awards of stock options. In addition to base salary, the Corporation provides certain benefits to executive officers, such as automobile allowances and enhanced health insurance coverage, that are not available to employees generally. Salary levels for executive officers are proposed by management and approved by the Compensation Committee. There were no base salary increases in 2003 for any executive officer due to the continued slowdown in the Corporation's business.

The primary element of the Corporation's incentive compensation program has been the granting of options to purchase shares of the Corporation's Common Stock under the Corporation's 1993 Plan, 1998 Plan and 2000 Plan. Substantially all of the Corporation's employees, including its executive officers, participate in the 1993 Plan, the 1998 Plan and the 2000 Plan. The 1993 Plan, the 1998 Plan and the 2000 Plan are designed to give each participating employee an ownership interest in the Corporation and to align the interests of the employees with those of the Corporation's stockholders.

Stock options are granted to employees and executive officers based upon guidelines established by the Board of Directors and the Compensation Committee. In the past, the Corporation maintained two option grant programs, (1) a continuation option award program, pursuant to which employees and executive officers periodically were granted stock options based on their merit salary increases and other factors, and (2) a Quarterly Profit Option Plan (QPOP), pursuant to which Outstanding Contributor stock option awards were made, and the Corporation's employees and executive officers were granted stock options based on the profitability of the Corporation's business units and each employee's and executive officer's salary and length of service with the Corporation. In November 2002, the Corporation's Board of Directors suspended option grants under these programs, except for the Outstanding Contributor award program that was maintained in a modified form outside of the QPOP, and option grants to new hires.

Under the Outstanding Contributor award program, stock option awards may be made to recognize and reward employees or teams of employees, which could include executive officers, for contributions beyond expected job performance. Nominations for an Outstanding Contributor award are submitted by department managers and supervisors to a review committee designated by the Corporation's officers. This review committee reviews the nominations and make recommendations to the Compensation Committee regarding the approval of Outstanding Contributor awards. All options granted under this program are approved by the Compensation Committee.

The Compensation Committee, along with appropriate members of the Corporation's management, will continue to review the Corporation's stock option, bonus and compensation plans in light of the current economic environment and considering potential changes in the rules regarding accounting for stock options.

Finally, to the extent applicable to the Corporation, the Compensation Committee intends to review and to take any necessary and appropriate steps to ensure that the Corporation complies with certain income tax

Table of Contents

regulations, which, if not satisfied, would limit the deductibility of executive compensation above specified amounts.

Compensation of Chief Executive Officer

The Compensation Committee approves the annual salary for Mr. Vinciarelli, the Corporation's Chief Executive Officer. The Compensation Committee does not have specific criteria, either in terms of individual or corporate performance, in evaluating the base salary of the Chief Executive Officer. In light of the relatively low cash compensation paid to the Chief Executive Officer, the Compensation Committee has not attempted to relate compensation of the Chief Executive Officer to the performance of the Corporation. Based on salary data from surveys and other sources, the Compensation Committee believes that the Chief Executive Officer's salary is at the lower end of the range of salaries for CEOs of comparable companies.

In 2001, the Compensation Committee determined to begin including Mr. Vinciarelli in the granting of stock options described above as QPOP options, however, Mr. Vinciarelli did not receive any QPOP awards in 2003. As in prior years, the Corporation continued to exclude Mr. Vinciarelli from the granting of Continuation Awards, if any, because of Mr. Vinciarelli's significant stock holdings in the Corporation and the practice of basing such awards on performance reviews that were typically prepared by Mr. Vinciarelli.

Report of the Audit Committee of the Board of Directors

The Audit Committee oversees the Corporation's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Corporation's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In particular, the Audit Committee has discussed with the independent auditors the matters required to be discussed with them under the provision of Statement on Auditing Standards No. 61 (*Codification of Statements on Auditing Standards*), as modified or supplemented. In addition, the Audit Committee has received the written disclosures and the letter from the independent auditors required by the Independence Standards Board Standard No. 1 (*Independence Discussions with Audit Committees*), as modified or supplemented, and has discussed with the independent auditors the auditors' independence from

management and the Corporation and considered the compatibility of nonaudit services with the auditors' independence.

The Audit Committee discussed with the independent auditors the overall scope and plans for their audit. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examination, their evaluation of the Corporation's internal controls, and the overall quality of the Corporation's financial reporting. The Audit Committee held four meetings during fiscal 2003.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board approved) that the audited financial statements be included in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the SEC.

Certain Relationships and Related Transactions

In August 2003, the Corporation purchased a number of shares of non-voting preferred stock of Great Wall Semiconductor Corporation (GWS) representing an approximately 5% equity interest in GWS for \$1,000,000. In March 2004, the Corporation purchased additional shares of non-voting preferred stock of GWS representing an additional approximately 5% equity interest in GWS for \$1,000,000. Mr. Anderson, a director of the Corporation, is the founder and president and a shareholder of GWS. A majority of the equity interests in GWS are owned and controlled by an unrelated company. In addition to the investment, the Corporation and GWS have entered into a cross-license agreement and the Corporation purchases certain components from GWS. These purchases were not significant in 2003.

Section 16(a) of the Exchange Act requires the Corporation's executive officers and Directors, and persons who own more than 10% of a registered class of the Corporation's equity securities (collectively, "Insiders"), to file reports of ownership and changes in ownership with the SEC and NASDAQ. Insiders are required by SEC regulation to furnish the Corporation with copies of all Section 16(a) forms they file. To the Corporation's knowledge, based solely on a review of copies of such reports and written representations that no other reports were required during the fiscal year ended December 31, 2003, all transactions in the Corporation's securities that were engaged in by Insiders, and therefore required to be disclosed pursuant to Section 16(a) of the Exchange Act, were timely reported, except that, due to an administrative error on the part of Vicor Corporation, Mr. Samuel Anderson, Mr. M. Michael Ansour, Mr. Estia J. Eichten, Mr. David T. Riddiford, Mr. Barry Kelleher and Mr. Jay M. Prager, each failed to timely file one report reflecting a single transaction. These transactions were subsequently reported.

The purposes of the Audit Committee of the Board of Directors (the *Audit Committee*) of Vicor Corporation (the *Company*) are to:

oversee the accounting and financial reporting processes of the Company and the audits of the Company's financial statements;

take, or recommend that the Board of Directors (the *Board*) take, appropriate action to oversee the qualifications, independence and performance of the Company's independent auditors; and

prepare the report required by the rules of the Securities and Exchange Commission (the *SEC*) to be included in the Company's annual proxy statement.

II. Composition

The Audit Committee shall consist of at least three (3) members of the Board, each of whom must (1) be independent as defined under the Marketplace Rules of the National Association of Securities Dealers, Inc. (*NASD*), (2) satisfy the criteria for independence set forth in Rule 10A-3(b)(1) promulgated under Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the *Exchange Act*), subject to the exemptions provided in Rule 10A-3 under the Exchange Act, and (3) not have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three years.

Notwithstanding the foregoing, one director who (1) is not independent as defined under the rules established by the Marketplace Rules of the NASD, (2) satisfies the criteria for independence set forth in Section 10A(m)(3) of the Exchange Act and the rules thereunder, and (3) is not a current officer, employee or a Family Member of a current officer or employee, may be appointed to the Audit Committee, if the Board, under exceptional and limited circumstances, determines that membership on the Audit Committee by the individual is required by the best interests of the Company and its stockholders, and the Board discloses, in the next annual proxy statement subsequent to such determination (or, if no proxy statement is filed, in its Form 10-K), the nature of the relationship and the reasons for that determination. A member appointed under this exception may not serve on the Audit Committee for more than two years and may not chair the Audit Committee.

Each member of the Audit Committee must be able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement. At least one member of the Audit Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting or any other comparable experience or background which results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities. Table of Contents

The members of the Audit Committee shall be appointed annually by the Board and may be replaced or removed by the Board with or without cause. Resignation or removal of a Director from the Board, for whatever reason, shall automatically and without any further action constitute resignation or removal, as applicable, from the Audit Committee. Any vacancy on the Audit Committee, occurring for whatever reason, may be filled only by the Board. The Board may designate one member of the Audit Committee to be Chairman of the committee.

III. Compensation

A member of the Audit Committee may not, other than in his or her capacity as a member of the Audit Committee, the Board or any other committee established by the Board, receive directly or indirectly from the Company any consulting, advisory or other compensatory fee from the Company. A member of the Audit Committee may receive additional directors' fees to compensate such member for the significant time and effort expended by such member to fulfill his or her duties as an Audit Committee member. Such additional fees may be greater than those fees paid to other directors, but should be commensurate with the time and effort expected to be expended by such Audit Committee member in the performance of his or her duties as an Audit Committee member.

IV. Meetings

The Audit Committee shall meet as often as it determines is appropriate to carry out its responsibilities under this charter, but not less frequently than quarterly. The Audit Committee may review and approve the scope and staffing of the independent auditors' annual audit plan(s).

The Audit Committee shall request that the independent auditor provide the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1, as modified or supplemented, require that the independent auditor submit to the Audit Committee on a periodic basis a formal written statement delineating all relationships between the independent auditor and the Company, discuss with the independent auditor any disclosed relationships or services that may impact the objectivity and independence of the independent auditor, and based on such disclosures, statement and discussion take or recommend that the Board take appropriate action in response to the independent auditor's report to satisfy itself of the independent auditor's independence.

The Audit Committee may consider whether the provision of the services covered in Items 9(e)(3) and 9(e)(4) of Regulation 14A of the Exchange Act (or any successor provision) is compatible with maintaining the independent auditor's independence.

The Audit Committee shall assure the regular rotation of the lead audit partner and lead reviewing partner as required under Section 10A(j) of the Exchange Act.

The Audit Committee may recommend to the Board policies with respect to the potential hiring of current or former employees of the independent auditor.

The Audit Committee shall review and discuss with management (including the Company's Senior Accounting Executive) and with the independent auditor:

- (ii) any analyses prepared by management, the internal auditors and/or the independent auditors setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements. The Audit Committee may consider the ramifications of the use of such alternative disclosures and treatments on the financial statements, and the treatment preferred by the independent auditor. The Audit Committee may also consider other material written communications between the registered public accounting firm and management, such as any management letter or schedule of unadjusted differences;
- (iii) the adequacy of the Company's internal controls and procedures for financial reporting;

Table of Contents

- (v) the effect of regulatory and accounting initiatives, as well as off-balance sheet transactions and structures, on the financial statements of the Company.

The Audit Committee shall review and discuss with the independent auditor (outside of the presence of management) how the independent auditor plans to handle its responsibilities under the Private Securities Litigation Reform Act of 1995, and request assurance from the auditor that Section 10A of the Private Securities Litigation Reform Act of 1995 has not been implicated.

The Audit Committee shall review and discuss with the independent auditor any audit problems or difficulties and management's response thereto. This review shall include (1) any difficulties encountered by the auditor in the course of performing its audit work, including any restrictions on the scope of its activities or its access to information, (2) a discussion of the responsibilities, budget and staffing of the Company's internal audit function, and (3) any significant disagreements with management.

- (iii) any communications between the audit team and the audit firm's national office regarding auditing or accounting issues presented by the engagement;
- (iv) any management or internal control letter issued, or proposed to be issued, by the auditors; and
- (v) any significant disagreements between the Company's management and the independent auditors.

The Audit Committee shall review and discuss with the independent auditors the report required to be delivered by such auditors pursuant to Section 10A(k) of the Exchange Act.

If brought to the attention of the Audit Committee, the Audit Committee shall discuss with the CEO and CFO of the Company (1) all significant deficiencies and material weaknesses in the design or operation of internal controls and procedures for financial reporting which could adversely affect the Company's ability to record, process, summarize and report financial information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act, within the time periods specified in the SEC's rules and forms, and (2) any fraud involving management or other employees who have a significant role in the Company's internal controls and procedures for financial reporting.

Based on the Audit Committee's review and discussions (1) with management of the audited financial statements, (2) with the independent auditor of the matters required to be discussed by SAS 61, and (3) with the independent auditor concerning the independent auditor's independence, the Audit Committee shall make a recommendation to the Board as to whether the Company's audited financial statements should be included in the Company's Annual Report on Form 10-K for the last fiscal year.
