JOINT PROXY STATEMENT

JOINT ANNUAL MEETING OF SHAREHOLDERS
JUNE 25, 2004

This joint proxy statement is being sent to you by the board of trustees of each of CALAMOS CONVERTIBLE OPPORTUNITIES AND INCOME FUND ("CHI") and CALAMOS CONVERTIBLE AND HIGH INCOME FUND ("CHY"). The board is asking you to complete and return the enclosed proxy card(s), permitting your shares of the Funds to be voted at the joint meeting of shareholders called to be held on June 25, 2004. Shareholders of record at the close of business on May 5, 2004 (called the "record date") are entitled to vote at the meeting. You are entitled to one vote for each share you hold, with a fraction of a vote for each fraction of a share. This joint proxy statement and enclosed proxy are first being mailed to shareholders on or about May 25, 2004. The board of each Fund has determined

Edgar Filing: CALAMOS CONVERTIBLE & HIGH INCOME FUND - Form DEF 14A

that the use of this joint proxy statement for each annual meeting is in the best interest of each Fund and its shareholders in light of the matters being considered and voted on by the shareholders.

You should have received your Fund's annual report to shareholders for the fiscal year ended October 31, 2003. IF YOU WOULD LIKE ANOTHER COPY OF THE ANNUAL REPORT (OR THE MOST RECENT SEMI-ANNUAL REPORT SUCCEEDING THE ANNUAL REPORT, IF ANY), PLEASE WRITE TO OR CALL THE FUND AT THE ADDRESS OR TELEPHONE NUMBER SHOWN AT THE TOP OF THIS PAGE. THE REPORT WILL BE SENT TO YOU WITHOUT CHARGE.

CALAMOS ASSET MANAGEMENT, INC., each Fund's investment adviser, is referred to as "CAM." CAM is a wholly-owned subsidiary of CALAMOS HOLDINGS, INC. ("CH"), which is controlled by John P. Calamos, who has been engaged in the investment advisory business since 1977. As of April 30, 2004, CAM managed approximately \$28.8 billion in assets of individuals and institutions. The Funds and CAM may be contacted at the same address, above.

ELECTION OF TRUSTEES

Two trustees are to be elected to the board of each Fund. The nominees are Nick P. Calamos and Stephen B. Timbers, who are currently trustees.

The persons named on the accompanying proxy card(s) intend to vote at the meeting (unless otherwise directed) FOR the election of the two nominees named below as trustees of the Funds. Currently there are seven trustees. In accordance with each Fund's Agreement and Declaration of Trust, its board of trustees is divided into three classes of approximately equal size. The terms of the trustees of the different classes are staggered. The terms of Nick P. Calamos and Stephen B. Timbers will expire at the annual meeting of shareholders in 2004. The terms of John P. Calamos, Weston W. Marsh and William R. Rybak expire on the date of the 2005 annual meeting and the terms of Joe F. Hanauer and John E. Neal expire on the date of the 2006 annual meeting.

The holders of preferred shares of each Fund will have equal voting rights with the holders of common shares (i.e., one vote per share). Stephen B. Timbers has been nominated for election as a trustee designated to represent the holders of the preferred shares of each Fund. The vote of a plurality of the preferred shares of each Fund is required to elect the representative of the preferred shares. Nick P. Calamos has been nominated for election as a trustee to represent all shareholders. The vote of a plurality of the preferred shares and the common shares of each Fund, voting together as a single class, is required to elect the representative of all shareholders.

The nominees for election at the 2004 annual meeting currently serve as trustees and were unanimously nominated by each board of trustees and, in the case of Mr. Timbers, also by the governance committee of each board, which is comprised solely of "non-interested" trustees. A non-interested trustee recommended Mr. Timbers as a candidate for the governance committee's consideration.

If elected, each trustee will hold office until the 2007 annual meeting or until his successor is duly elected and qualified. If a nominee is unable to serve because of an event not now anticipated, the persons named as proxies may vote for another person designated by the board of trustees.

The following table sets forth each trustee's position(s) with each Fund, age, principal occupation during the past five years, other

2

directorships, and the date on which he first became a trustee of the Funds.

COMMITTEES OF THE BOARD OF TRUSTEES. Each Fund's board of trustees currently has three standing committees:

- Executive Committee. Messrs. John Calamos and Nick Calamos are members of each executive committee, which has authority during intervals between meetings of the board of trustees to exercise the powers of the board, with certain exceptions.
- Audit Committee. Messrs. Hanauer, Neal, Rybak and Timbers serve on each audit committee. The audit committee operates under a written charter adopted and approved by the board, which is attached hereto as Appendix A and will be attached every third year going forward. The audit

Edgar Filing: CALAMOS CONVERTIBLE & HIGH INCOME FUND - Form DEF 14A

committee selects independent auditors, approves services to be rendered by the auditors, monitors the auditors' performance, reviews the results of the Fund's audit, determines whether to recommend to the board that the Fund's audited financial statements be included in the Fund's annual report and responds to other matters deemed appropriate by the board. Each committee member is "independent" as defined by the New York Stock Exchange.

- Governance Committee. Messrs. Hanauer, Neal, Rybak and Timbers serve on each governance committee. The governance committee operates under a written charter adopted and approved by the board, which is attached hereto as Appendix B and will be attached every third year going forward. The governance committee oversees the independence and effective functioning of the board of trustees and endeavors to be informed about good practices for mutual fund boards. The governance committee also functions as a nominating committee by making recommendations to the board of trustees regarding candidates for election as non-interested trustees. In making such recommendations, the governance committee considers a number of factors, including a candidate's background, integrity, knowledge and relevant experience. These factors are set forth in an appendix to the written charter. Any prospective candidate is interviewed by the trustees, and references are checked. The governance committee does not have a policy to consider shareholder recommendations regarding candidates for election as trustees. The committee determined that it is appropriate not to have a policy to consider shareholder recommendations because the current process of

6

identifying and recommending potential candidates is sufficient to ensure a knowledgeable and independent board. Each committee member is "independent" as defined by the New York Stock Exchange.

In addition to the above committees, the board of trustees of each Fund has appointed and oversees a pricing committee comprised of officers of the Fund and employees of CAM.

The following table shows the number of meetings held for each Fund during the fiscal year ended October 31, 2003:

	CHI	CHY
Board of Trustees	6	4
Executive Committee	12	3
Audit Committee	4	3
Governance Committee	1	1

All of the trustees and committee members then serving attended at least 75% of the meetings of the board of trustees and applicable committees held during the fiscal year.

TRUSTEE COMPENSATION. The Funds do not compensate any of the trustees who are affiliated persons of CAM. The following table sets forth certain information with respect to the compensation paid by the Funds and the Fund Complex during the periods indicated to each of the current trustees.

*** Appointed trustee in March 2004.

7

The Funds have adopted a deferred compensation plan (the "Plan"). Under the Plan, a trustee who is not an "interested person" of CAM and has elected to participate in the Plan ("participating trustees") may defer receipt of all or a portion of his compensation from the Funds. The deferred compensation payable to the participating trustee is credited to the trustee's deferral account as of the business day such compensation would have been paid to the trustee. The value of a trustee's deferred compensation account at any time is equal to what would be the value if the amounts credited to the account had instead been invested in shares of one or more of the funds of Calamos Investment Trust as designated by the trustee. Thus, the value of the account increases with contributions to the account or with increases in the value of the measuring shares, and the value of the account decreases with withdrawals from the account or with declines in the value of the measuring shares. If a participating trustee retires, the trustee may elect to receive payments under the plan in a lump sum or in equal annual installments over a period of five years. If a participating trustee dies, any amount payable under the Plan will be paid to the trustee's beneficiaries.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS. The Funds have entered into a Financial Accounting Services Agreement with CAM, effective as of March 30, 2004. CAM is indirectly owned by Messrs. John Calamos and Nick Calamos, who serve as trustees of the Funds. According to the terms of the Financial Accounting Services Agreement, CAM will provide certain accounting services to the Funds in consideration for fees based on the daily average net assets of the Funds.

REQUIRED VOTE. The trustee of a Fund to represent the holders of preferred shares will be elected by the vote of a plurality of the preferred shares of the Fund present at the meeting, in person or by proxy. The trustee of a Fund to represent all shareholders will be elected by the vote of a plurality of all shares of the Fund present at the meeting, in person or by proxy. Each share is entitled to one vote, and one-third of the shares of each Fund entitled to vote is a quorum for that Fund.

HOW PROXIES WILL BE VOTED. All proxies solicited by the board of trustees that are properly executed and received prior to the meeting, and that are not revoked, will be voted at the meeting. Shares represented by those proxies will be voted in accordance with the instructions marked on the proxy. If no instructions are specified, shares will not be counted as a vote FOR the proposal.

HOW TO VOTE. Complete, sign and date the enclosed proxy card and return it in the enclosed envelope.

EXPENSES. The expenses of preparing, printing and mailing the enclosed proxy card, the accompanying notice and this proxy statement and all other costs, in connection with the solicitation of proxies will be borne by the Funds. The Funds may also reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of shares of the Funds. In order to obtain the necessary quorum at the meeting, additional solicitation may be made by mail, telephone, telegraph, facsimile or personal interview by representatives of the Funds, CAM, the Funds' transfer agent, or by brokers or their representatives or by a solicitation firm that may be

10

engaged by the Funds to assist in proxy solicitations. Any costs associated with such additional solicitation are not anticipated to be significant.

HOUSEHOLDING. The Funds reduce the number of duplicate shareholder reports and proxy statements your household receives by sending only one copy of those documents to those addresses shared by two or more accounts. Call the Funds at 1-800-582-6959 or write to the Funds at the address on page one of this proxy statement to request individual copies of shareholder reports and proxy statements. We will begin sending your household individual copies as soon as practicable after receiving your request.

REVOKING A PROXY. At any time before it has been voted, you may revoke your proxy by: (1) sending a letter saying that you are revoking your proxy to the Secretary of the Funds at the Funds' offices located at 1111 East

Edgar Filing: CALAMOS CONVERTIBLE & HIGH INCOME FUND - Form DEF 14A

Warrenville Road, Naperville, Illinois 60563-1493; (2) properly executing and sending a later-dated proxy; or (3) attending the meeting, requesting return of any previously delivered proxy, and voting in person.

QUORUM, VOTING AT THE MEETING, AND ADJOURNMENT. One-third of the shares of each Fund entitled to vote present in person or represented by proxy constitutes a quorum for electing the trustees of that Fund. For purposes of determining the presence or absence of a quorum and for determining whether sufficient votes have been received for approval of any matter to be acted upon at the meeting, abstentions and broker nonvotes will be treated as shares that are present at the meeting but have not been voted.

If a quorum is not present in person or by proxy at the meeting, or if a quorum is present at the meeting but not enough votes to approve a proposal are received, the persons named as proxies may propose one or more adjournments of the meeting to permit further solicitation of proxies. Any proposal for adjournment for a Fund will require the vote of a majority of the shares of the Fund represented at the meeting in person or by proxy.

SECTION 16(a) BENEFICIAL INTEREST REPORTING COMPLIANCE

Section 30(h) of the 1940 Act and Section 16(a) of the Securities Exchange Act of 1934 require the Funds' trustees and officers, investment adviser, affiliated persons of the investment adviser and persons who own more than 10% of a registered class of the Funds'

11

equity securities to file forms reporting their affiliation with the Fund(s) and reports of ownership and changes in ownership of the Funds' shares with the Securities and Exchange Commission (the "SEC") and the New York Stock Exchange. Those persons and entities are required by SEC regulation to furnish the Funds with copies of all Section 16(a) forms they file. Based on a review of those forms furnished to the Funds, the Funds believe that their trustees and officers, investment adviser and affiliated persons of the investment adviser have complied with all applicable Section 16(a) filing requirements during the last fiscal year; however, the Funds determined that Ian J. McPheron and Nimish S. Bhatt did not file their initial Form 3s for CHI and CHY on a timely basis. Additionally, William R. Rybak did not file a Form 4 for the acquisition of shares of CHI and CHY in December 2003 on a timely basis. To the knowledge of management of the Funds, no person owns beneficially more than 10% of a class of either Fund's equity securities.

AUDIT COMMITTEE REPORT

The audit committee of the board of trustees of each Fund reviews the Fund's annual financial statements with both management and the independent auditors, and the committee meets periodically with the independent and internal auditors to consider their evaluation of the Fund's financial and internal controls.

Each audit committee, in discharging its duties, has met with and held discussions with management and the Fund's independent and internal auditors. The committee has reviewed and discussed the audited financial statements with management. Management has represented to the independent auditors that the Fund's financial statements were prepared in accordance with generally accepted accounting principles.

The audit committees have also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees). The independent auditors provided to the committees the written disclosure required by Independence Standards Board

Edgar Filing: CALAMOS CONVERTIBLE & HIGH INCOME FUND - Form DEF 14A

Standard No. 1 (Independence Discussions with Audit Committees), and the committees discussed with representatives of the independent auditors their firm's independence.

12

Based on each audit committee's review and discussions with management and the independent auditors, the representations of management and the reports of the independent auditors to the committees, the committee recommended that the board include the audited financial statements in the Fund's annual report.

INDEPENDENT AUDITORS

Effective April 14, 2003, each Fund's audit committee selected Deloitte & Touche LLP ("D&T") as independent auditors to audit the books and records of the Fund for its fiscal year ending October 31, 2003. Also effective April 14, 2003, the audit committee of CHI requested that Ernst & Young LLP ("E&Y") resign as the auditors of CHI. The cessation of that relationship was based on the desire of the CHI Audit Committee to retain the same independent auditors as had been retained by CHY and to diversify the expertise provided to the funds within the Calamos fund complex, since other funds in the complex had engaged E&Y. E&Y's report on the financial statements of CHI for the past two years did not contain an adverse opinion or disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles. During the period E&Y was engaged, there were no disagreements with E&Y on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to E&Y's satisfaction, would have caused it to make reference to that matter in connection with its report. A representative of D&T will be present at the meeting to make a statement, if such representative so desires, and to respond to shareholders' questions.

AUDIT AND RELATED FEES

AUDIT FEES. For professional services rendered with respect to the audits of the Funds' annual financial statements for their most recent fiscal years, CHI and CHY paid to D&T fees in the approximate amount of \$14,250 and \$14,250, respectively. CHI paid no fees to E&Y with respect to the audits of the Funds' annual financial statements for their most recent fiscal years.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES. The Funds, CAM and affiliates of CAM performing services for the Funds paid no fees to either D&T or E&Y during the Funds' most recent fiscal year for information systems design and implementation.

13

ALL OTHER FEES. CHI and CHY paid fees to D&T during their most recent fiscal years for services other than those described above in the amount of approximately \$35,750 and \$46,750, respectively. CAM and its affiliates performing services for CHI and CHY paid no fees to D&T during the Funds' most recent fiscal years for services other than those described above. CHI paid no fees to E&Y during its most recent fiscal year for services other than those described above.

The audit committee of each Fund has considered whether D&T's provision of services (other than audit services to the Fund) to the Fund, CAM and affiliates of CAM that provide services to the Fund is compatible with maintaining D&T's independence in performing audit services.

ADMINISTRATORS

Edgar Filing: CALAMOS CONVERTIBLE & HIGH INCOME FUND - Form DEF 14A

CHI has entered into an administration agreement with Princeton Administrators, L.P., whose principal business address is 800 Scudders Mill Road, Plainsboro, New Jersey 08536. CHY has entered into an administration agreement with U.S. Bancorp Fund Services LLC, whose principal business address is P.O. Box 701, Milwaukee, Wisconsin 53201.

Communications should be addressed to the Secretary of the Funds at their principal offices at 1111 East Warrenville Road, Naperville, Illinois 60563-1493. The Secretary will forward any communications received directly to the governance committees. The Funds do not have a policy with regard to trustee attendance at annual meetings. Messrs. John and Nick Calamos attended the 2003 annual meeting.

SHAREHOLDER PROPOSALS

A shareholder proposal for consideration at the 2005 annual meeting of a Fund should be submitted in writing pursuant to Rule 14a-8 of the Securities Exchange Act of 1934 to the Secretary of the Fund at 1111 East Warrenville Road, Naperville, Illinois 60563-1493, not later than January 7, 2005. A shareholder wishing to provide notice in the manner prescribed by Rule 14a-4(c)(1) of a proposal submitted outside of the process of Rule 14a-8 must submit such written notice to the Fund not later than March 18, 2005. 14

in a written notice that includes the shareholder's name and address, the number of shares of the Fund(s) that the shareholder owns of record or beneficially, the dates on which those shares were acquired, and documentary support for a claim of beneficial ownership if the shares are registered in a different name. Timely submission of a proposal does not mean the proposal will be included in the proxy material sent to shareholders.

AUDIT COMMITTEE CHARTER
(adopted by the Boards of Trustees on March 12, 2004)

I. ORGANIZATION

Edgar Filing: CALAMOS CONVERTIBLE & HIGH INCOME FUND - Form DEF 14A

This charter has been adopted by the Board of Trustees (the "Board") of each of the Trusts named above (each referred to as the "Trust"). The members of the Audit Committee of each Board shall be appointed by such Board, which shall also designate a chair of the Audit Committee.

The Audit Committee shall be comprised of three or more Board members, each of whom the Board has determined to be: (a) not an "interested person" of the Trust, as defined in the Investment Company Act of 1940, as amended (the "Investment Company Act"), (b) free of any relationship with the management of the Trust or its investment adviser (the "Adviser"), distributor or custodian, that, in the opinion of the Board, would interfere with the member's exercise of independent judgment as an Audit Committee member, (c) in compliance with the independence requirements of the Sarbanes-Oxley Act of 2002 and the Securities and Exchange Commission (the "SEC") rules adopted thereunder, and (d) for closed-end Trusts only, meet the independence requirements set forth in New York Stock Exchange listing standards.

If an Audit Committee member serves on the audit committees of more than three public companies, the Board must determine that such simultaneous service would not impair the ability of such member to effectively serve on the Audit Committee.

The Board, in its business judgment, shall determine that each member of the Audit Committee is financially literate (or, in the case of a member who was not financially literate at the time of appointment to the Audit Committee, is expected to become financially literate within a reasonable time thereafter) and whether any member is an "audit committee financial expert," as defined by the SEC. At least one member shall have accounting or related financial management

A-1

expertise, as the Board interprets such qualification in its business judgment. Audit Committee members may enhance their familiarity with finance and accounting by participating in educational programs from time to time, at the expense of the Trust.

Meetings of the Audit Committee shall be held at least two times annually and at such other times and at such places as may be determined by the Audit Committee. The chairman of the Audit Committee may call meetings of the Audit Committee at any time. A majority of the members of the Audit Committee shall constitute a quorum for purposes of transacting business at any meeting of the Audit Committee.

II. PURPOSES

The purposes of the Audit Committee are to:

- A. Oversee the Trust's accounting and financial reporting policies and practices, its internal controls and, as appropriate in its judgment, the internal controls of certain service providers;
- B. Assist Board oversight of (i) the integrity of the Trust's financial statements, (ii) the Trust's compliance with legal and regulatory requirements, (iii) the independent auditors' qualifications and independence, and (iv) the performance of the independent auditors;
- C. Pre-approve the audit and non-audit services that the Trust's independent auditors provide to the Trust and certain non-audit services that the Trust's independent auditors may provide to the Adviser and its affiliates;

Edgar Filing: CALAMOS CONVERTIBLE & HIGH INCOME FUND - Form DEF 14A

- D. Prepare an Audit Committee report as required by the SEC to be included in the annual proxy statement of any closed-end Trust; and
- E. Act as a liaison between the Trust's independent auditors and the Board.

The function of the Audit Committee is oversight. It is the responsibility of management and the Trust's service providers to maintain appropriate systems for accounting and internal control, and the independent auditors' responsibility to plan and carry out proper audits. In fulfilling their responsibilities hereunder, it is recognized that members of the Audit Committee are not full-time employees of the Trust or the Adviser and are not, and do not represent themselves to

A-2

be, performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures or to set auditor independence standards, and each member of the Audit Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Trust or the Adviser from which it receives information, (ii) the accuracy of financial and other information provided to the Audit Committee by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board) and (iii) representations made by management and the Trust's service providers as to any information technology, internal audit or other non-audit services provided by the Trust's auditors, the Adviser, the distributor, the custodian, any other Trust service provider or any entity in a control relationship with the Trust or the Adviser.

III. RESPONSIBILITIES

The Audit Committee will:

A. WITH RESPECT TO THE INDEPENDENT AUDITORS.

1. Consistent with the requirements of the Investment Company Act and relevant state law, have the ultimate authority and responsibility to select (or to nominate the independent auditors to be proposed for shareholder approval in any proxy statement), evaluate and, where appropriate, replace the independent auditors; review the auditors' fees to determine whether such fees appear to be appropriate for the services rendered; and, review and evaluate the lead audit partner of the independent auditor and confirm the required rotation of all "audit partners" (as such term is defined by the SEC).
2. Evaluate the qualifications and performance of the independent auditors (and their lead partner), including specific representations as to their organization, experience and material changes in their personnel.
3. Obtain confirmation from the independent auditors regarding their independence (including, but not limited to, disclosures regarding the independent auditors' independence required by Independence Standards Board Standard No. 1), review the nature and scope of, and fees for, any management

A-3

 - a. The Audit Committee shall be directly responsible for the appointment, termination, compensation and oversight of the independent auditors.
 - b. The independent auditors shall report directly to the Audit Committee.
- B. SCOPE OF AUDIT. Meet with the independent auditors and management of the Trust to review the scope of the proposed audit for the current year and the audit procedures to be performed, including pre-approval of all audit services to be provided by the independent auditors of the Trust.

Pre-approve, or adopt appropriate procedures to pre-approve, any engagement of the independent auditors to provide any audit or non-audit services to the Trust (other than the "prohibited non-audit services" set forth in Appendix A-I), including the fees and other compensation to be paid to the independent auditors. The chairman of the Audit Committee, or any committee member in his absence, may grant such pre-approval. Any such delegated pre-approval shall be reported to the Audit Committee by the chairman at the next meeting of the Audit Committee.(1)

(1) Pre-approval of non-audit services for the Trust is waived, if:

- a. the services were not recognized by management at the time of the engagement as non-audit services;
- b. the aggregate fees for all non-audit services provided to the Trust are less than 5% of the total fees paid by the Trust to its independent auditors during the fiscal year in which the non-audit services are provided; and
- c. such services are promptly brought to the attention of the Audit Committee by management and the Audit Committee approves them (which may be by delegation as provided for above) prior to the completion of the audit.

A-4

- D. PRE-APPROVAL OF NON-AUDIT SERVICES TO THE ADVISER AND ITS AFFILIATES. Pre-approve, or adopt appropriate procedures to pre-approve, any engagement of the independent auditors to provide any audit or non-audit services to the Adviser or any entity controlling, controlled by or under common control with the Adviser that provides ongoing services to the Trust if the engagement relates directly to the operations or financial reporting of the Trust, including the fees and other compensation to be paid to the independent auditors. The chairman of the Audit Committee, or any committee member in his absence, may grant such pre-approval. Any such delegated pre-approval shall be reported to the Audit Committee by the chairman at the next meeting of

- a. the services were not recognized by management at the time of the engagement as non-audit services;
- b. the aggregate fees for all non-audit services provided to the Adviser and all entities controlling, controlled by or under common control with the Adviser are less than 5% of the total fees for non-audit services requiring pre-approval under Section IIIC or D of this Charter paid by the Trust, the Adviser and all such other entities to its independent auditors during the fiscal year in which the non-audit services are provided; and
- c. such services are promptly brought to the attention of the Audit Committee by management and the Audit Committee approves them prior to the completion of the audit.

A-5

- 3. The independent auditors' judgments about the quality of, and the adequacy of disclosures in, the Trust's financial statements in relation to generally accepted accounting principles.
- 4. The independent auditor's reports describing (i) the Trust's critical accounting policies and practices to be used in the audit, (ii) the details of all alternative treatments of financial information within generally accepted accounting principles discussed with management, including the ramifications of the use of such alternative treatments, and the treatment preferred by the independent auditor, and (iii) all material written communications between the independent auditor and management.
- 5. Any significant difficulties the independent auditors encountered in the course of the audit, including any restrictions on their activities or access to requested information and any significant disagreements with management.
- 6. Any "management" or "internal control" letter issued, or proposed to be issued, by the independent auditors to the Trust.
