PROXY STATEMENT

**For the Annual Meeting of Stockholders
to be held May 25, 2006**

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

THE ANNUAL MEETING

The 2006 annual meeting of stockholders of Katy Industries, Inc. (the Company or Katy) will be held at 10:00 a.m. local time on May 25, 2006 at the Holiday Inn Mount Kisco, located at One Holiday Inn Drive, Mount Kisco, New York.

THIS PROXY SOLICITATION

This Proxy Statement is furnished by and on behalf of the board of directors (the Board of Directors) of Katy in connection with the solicitation of proxies for use at the annual meeting and at any adjournments or postponements thereof. This Proxy Statement includes information that Katy is required to provide to you under the rules of the Securities and Exchange Commission (SEC) and is intended to assist you in voting your shares. On or about April 20, 2006, Katy will begin mailing this Proxy Statement and the enclosed proxy card to all people who, according to our stockholder records, owned shares of the Company s common stock at the close of business on April 5, 2006. As of April 5, 2006, there were 7,992,077 shares of our common stock issued and outstanding.

Katy will pay the cost of requesting these proxies. Katy s directors, officers and employees may request proxies in person or by telephone, mail, facsimile or letter.

VOTING SHARES AND REVOCABILITY TO PROXIES

You are entitled to one vote at the annual meeting for each share of Katy s common stock that you owned of record at the close of business on April 5, 2006. The number of shares you own (and may vote) is listed on the enclosed proxy card.

You may vote your shares of common stock at the annual meeting in person or by proxy. To vote in person, you must attend the annual meeting and obtain and submit a ballot. Katy will provide you with a ballot at the annual meeting. To vote by proxy, you must complete and return the enclosed proxy card. By completing and returning (and not revoking) the enclosed proxy card, you will be directing the representatives designated on the proxy card to vote your shares at the annual meeting in accordance with the instructions you give on the proxy card. Your proxy card will be valid only if you sign, date and return it before the annual meeting. The submission of a signed proxy will not affect your right to attend and vote in person at the annual meeting.

IF YOU COMPLETE THE PROXY CARD EXCEPT FOR THE VOTING INSTRUCTIONS, THEN YOUR SHARES WILL BE VOTED FOR THE BOARD OF DIRECTORS RECOMMENDATIONS SET FORTH IN THIS PROXY STATEMENT.

You may revoke your proxy at any time before it is voted by any of the following means:

Notifying the Secretary of Katy in writing addressed to our principal corporate offices at Katy Industries, Inc., 2461 South Clark Street, Suite 630, Arlington, Virginia 22202, that you wish to revoke your proxy.

Submitting a proxy bearing a later date than your original proxy.

Attending the annual meeting and voting in person. Merely attending the annual meeting will not by itself revoke a proxy; you must vote your shares of common stock at the annual meeting to revoke the proxy.

The Board of Directors does not expect any matter other than the proposals discussed in this Proxy Statement to be presented at the annual meeting. However, if any other matter properly comes before the annual meeting, executed and returned proxies will be voted in a manner deemed by the proxy representatives named therein to be in the best interests of Katy and its stockholders.

QUORUM AND VOTES REQUIRED FOR APPROVAL

The presence in person or by proxy of holders of a majority of the outstanding shares of common stock will constitute a quorum for the annual meeting. For purposes of the quorum and the discussion below regarding the vote necessary to take stockholder action, the stockholders who are present at the annual meeting in person or by proxy and who abstain are considered stockholders who are present and entitled to vote and they count toward the quorum. Abstentions and shares of record held by a broker or its nominee that are voted on any matter are included in determining whether a quorum is present. Broker shares that are not voted on any matter will not be included in determining whether a quorum is present.

Each share of common stock is entitled to one vote on each matter to come before the annual meeting. With regard to the election of directors, you may vote for a candidate or withhold your vote. Under Delaware law, directors will be elected by a plurality of the votes of the shares of common stock entitled to vote and present in person or represented by proxy at a meeting where a quorum is present. Under plurality voting, the nominees who receive the largest number of votes cast will be elected as directors, up to the maximum number of directors to be elected at the annual meeting. Only votes actually cast will be counted for the purpose of determining whether a particular nominee received more votes than the persons, if any, nominated for the same seat on the Board of Directors. Consequently, any shares not voted (whether by abstention or withholding authority) will have no impact on the election of directors except to the extent the failure to vote for one candidate results in another candidate receiving a larger number of votes.

If a quorum is present, the approval of the proposal ratifying the appointment of PricewaterhouseCoopers LLP requires the affirmative vote of the holders of a majority of the shares of common stock present, in person or by proxy, at the annual meeting. With respect to these matters, a stockholder may (i) vote For the matter, (ii) vote Against the matter, or (iii) Abstain from voting on the matter. A vote to abstain from voting on this proposal has the same effect as a vote against such matter.

Under rules of self-regulatory organizations governing brokers, brokers holding shares of record for customers generally are entitled to vote on routine matters without voting instructions from their customers. The election of directors and the ratification of the appointment of PricewaterhouseCoopers LLP are considered routine matters. On non-routine matters, brokers must obtain voting instructions from customers. If a broker does not receive voting instructions from a customer on non-routine matters and accordingly does not vote on these matters, this is called a broker non-vote. Broker non-votes will be counted for the purposes of establishing a quorum to conduct business at the meeting and will have the effect of a vote Against the stockholder proposal.

PROPOSAL 2 RATIFICATION OF APPOINTMENT OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors, upon the recommendation of the Audit Committee, has approved the selection of PricewaterhouseCoopers LLP (PwC) as independent registered public accounting firm to audit the financial statements of Katy and its subsidiaries for the fiscal year ending December 31, 2006, to report on the consolidated balance sheets and related statement of operations of Katy and its subsidiaries, and to perform such other appropriate accounting services as may be required by the Board of Directors and approved by the Audit Committee. The Board of Directors recommends that the stockholders vote in favor of ratifying the selection of PwC for the purposes set forth above. PwC, an independent registered public accounting firm, audited the financial statements of the Company for the fiscal year ending December 31, 2005. PwC has advised the Company that they are an independent registered public accounting firm with respect to the Company, within the meaning of standards established by the Public Company Accounting Oversight Board, the Independence Standards Board, and federal securities laws administered by the SEC.

A representative of PwC will be present at the annual meeting with the opportunity to make a statement and respond to appropriate questions.

PwC billed Katy for audit services and certain other professional services during 2005 and early 2006. These amounts are divided into the following four categories, and are detailed below.

Audit-Related Fees	50,060	102,498

All Other Fees		
Total	\$ 682,082	\$ 713,136

PwC billed the Company \$13,375 for tax compliance and advisory services in 2004.

All Other Fees

There were no fees billed to the Company by PwC for all other services in 2005 or 2004.

REQUIRED VOTE

Approval of this proposal to ratify the appointment of PwC requires the affirmative vote by the majority of the outstanding shares of common stock present, in person, or by proxy, at the annual meeting.

Although the ratification of the independent registered public accounting firm is not required to be submitted to a vote of the stockholders, the Company believes that such ratification should be presented as a matter of good corporate practice. Notwithstanding stockholder approval of the ratification of the independent registered public accounting firm, the Audit Committee, in its discretion, may direct the appointment of a new independent registered public accounting firm at any time during the year, if the Audit Committee believes that such a change would be in the best interest of Katy and its stockholders. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether to appoint PwC as independent registered public accounting firm for the fiscal year ending December 31, 2006.

RECOMMENDATION OF THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS RECOMMENDS A THAT STOCKHOLDERS VOTE FOR THE APPROVAL OF PROPOSAL 2.

Option/SAR Grants in last fiscal year

This table presents information regarding stock options granted to Katy's Named Executive Officers during the year ended December 31, 2005. In accordance with SEC rules, the table shows the hypothetical gains or option spreads that would exist for the respective options based on assumed rates of annual compound stock price appreciation of 5% and 10% from the date the options were granted over the full option term. There were no stock appreciation rights (SARs) granted to the Named Executive Officers during 2005.

(1) The total number of stock options granted to employees during the year ended December 31, 2005 was 930,000.

(2) The exercise price per share of the stock options granted represented the fair market value of the underlying shares of common stock on the date the stock options were granted.

(3) As required under the SEC's rules, amounts represent hypothetical gains that could be achieved for the respective stock options at the end of the option term. These gains are based on assumed rates of stock price appreciation of 5% and 10% compounded annually from the date the respective stock options were granted to their expiration date. These assumptions are not intended to forecast future appreciation of our stock price. The potential realizable value computation does not take into account federal or state income tax consequences of option exercise.

If our stock price does not actually increase to a level above the applicable exercise price at the time of exercise, the realized value to the Named Executive Officers from these stock options will be zero.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT, CHANGE OF CONTROL AND OTHER ARRANGEMENTS

President and Chief Executive Officer Jacobi

On June 28, 2001, C. Michael Jacobi entered into an employment agreement with Katy, which was subsequently amended on October 1, 2004. Effective May 31, 2005, Mr. Jacobi retired as President and Chief Executive Officer. Mr. Jacobi also resigned as a member of the Board of Directors, effective May 31, 2005.

President and Chief Executive Officer Castor

On June 1, 2005, Anthony T. Castor III entered into an employment agreement with Katy. The contract states in the event that, if Mr. Castor's employment is terminated other than for cause, Katy will continue to pay his regular base salary for a period of twelve months, if termination takes place prior to June 1, 2006, or eighteen months, if termination takes place after May 31, 2006. In addition, if Mr. Castor's employment is terminated due to a Change of Control event, Katy will continue to pay his regular base salary for a period of twenty-four months.

Vice President, Chief Financial Officer, General Counsel and Secretary

On August 6, 2001, Amir Rosenthal entered into an employment agreement with Katy, which was subsequently amended on October 1, 2004. The contract, as amended, states in the event that, if Mr. Rosenthal's employment is terminated other than for cause, or there is a Change of Control event after which (i) Mr. Rosenthal is terminated other than for cause, (ii) he is required to relocate or (iii) there is substantial change in his job responsibilities, Katy will continue to pay his regular base salary for a period of one year.

For purposes of Messrs. Castor's and Rosenthal's agreements, Change in Control means (i) a sale of 100% of Katy's outstanding capital stock, (ii) a sale of all or substantially all of Katy's operating subsidiaries or assets or (iii) a transaction or transactions in which any third party acquires Katy stock in an amount greater than that held by KKTY Holding Company and in which KKTY Holding Company relinquishes its right to nominate a majority of the candidates for election to the Board.

DIRECTORS COMPENSATION

For 2005, directors who were not employed by Katy or its subsidiaries received: (i) an annual retainer of \$10,000; (ii) options to acquire 2,000 shares under the Directors Stock Option Plan (see below); (iii) a stock grant of 2,000 shares for service on the Board of Directors; and (iv) \$2,500 for attending each meeting of the Board. This group of directors also received in 2005: (i) an annual retainer of \$6,000 if they chaired a Board committee, and (ii) \$1,000 for attending each meeting of a Board committee. Class II directors and those directors that are also officers do not receive the compensation described in this section for their service on the Board of Directors. For 2006, the Company plans to replace the compensation component that provides options to acquire 2,000 shares under the Directors Stock Option Plan with a comparable grant of stock appreciation rights under the 2002 Stock Appreciation Rights Plan. The Directors Stock Option Plan expired in 2005.

Under the Katy Industries, Inc. Non-Employee Director Stock Option Plan (the Directors Stock Option Plan), each non-employee director who is not a Class II director receives on the date immediately following the annual meeting an annual grant of options to acquire 2,000 shares of Katy common stock. The exercise price is the fair market value on the date of grant. The director may exercise these options at any time during the ten years from the date of grant.

Directors receiving compensation for their services may also participate in the Directors Deferred Compensation Plan which became effective June 1, 1995 (the Directors Deferred Compensation Plan). Under this Plan, a director may defer directors fees, retainers and other compensation paid for services as a director until the later of the director s attainment of age 62 or ceasing to be a director. Each director has 30 days before the beginning of a Plan Year (as defined in the Directors Deferred Compensation Plan) in which to elect to participate in the Directors Deferred Compensation Plan. Directors may invest these amounts in one or more investment alternatives offered by Katy. Directors may elect to receive distributions of deferred amounts in a lump sum or five annual installments.

COMPENSATION COMMITTEE S REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors (the Compensation Committee) presents the following executive compensation report for the 2005 fiscal year:

The Compensation Committee consists of Wallace E. Carroll, Jr., (Chairman), Christopher Lacovara and Christopher W. Anderson. A current copy of the Compensation Committee charter is available on the Company s website at www.katyindustries.com. The Committee makes decisions on executive officer compensation and reports its decisions to the Board. It also seeks the Board s approval on the Chief Executive Officer s compensation. The following summarizes the compensation practice and philosophy that was in effect at Katy for the fiscal year ended December 31, 2005. Modifications to such philosophy have been, and may continue to be, made.

Compensation Philosophy

Katy s compensation program aims to align executive officers economic interests with those of stockholders (including Katy s financial objectives and market performance). The Compensation Committee seeks to adjust compensation levels (through competitive base salaries and bonus payments) based on individual and Company performance. It reviews the executive compensation program annually in view of Katy s annual strategic and financial objectives and performance.

Compensation Program Components

Annual compensation for Katy s Chief Executive Officer and other executive officers (including the Named Executive Officers) consists of two cash compensation components: base salary and annual cash bonuses. A third component,

stock options and SARs, are used for executive retention, to attract new key people, and to align the long-term interests of eligible executives with those of stockholders.

Salary and bonus levels reflect job responsibility, Compensation Committee judgments of individual effort and performance, and Katy's financial and market performance (in light of the competitive environment in which Katy operates). Annual cash compensation is also influenced by comparable companies' compensation practices so that

Katy remains reasonably competitive in the market. While competitive pay practices are important, the Compensation Committee believes that the most important considerations are individual merit and Katy's financial and market performance. In considering Katy's financial and market performance, the Compensation Committee reviews, among other things, net income, cash flow, working capital and revenues and share price performance relative to comparable companies and historical performance.

The base salaries for Katy's executive officers for the year ended December 31, 2005 were generally established in March 2005 by considering the performance and contribution of each officer and by comparing base salaries offered for similar positions by taking into account the compensation paid to executives of comparable companies.

The annual bonus plan compensates employees based on target bonus opportunities established by the Compensation Committee stated as a percentage of annual base salary for recommended key employees each year (including the Chief Executive Officer and the other Named Executive Officers). An employee achieves the target bonus opportunity if he or she meets 100% of pre-established performance goals. A higher or lower bonus is earned if performance exceeds or falls short of the target levels. Bonuses paid to employees for 2005 were either based on the provisions of the annual bonus plan or were discretionary in nature based on the achievement of other important objectives. For 2005, no bonuses, other than to David Rahilly, were paid to any of the Named Executive Officers under the provisions of the annual bonus plan due to failure to achieve specific performance goals. Other employees at certain subsidiaries received bonuses under the provisions of the annual bonus plan.

The Supplemental Retirement and Deferral Plan (the Supplemental Deferral Plan), among other things, allows participants to voluntarily defer up to 100% of their annual bonus and up to 50% of their base salary until retirement or termination of his or her employment. Katy invests voluntary deferrals and profit sharing allocations at the employee's election in several investment alternatives offered by Katy.

The third compensation component is a stock option and SAR program, implemented under the Company's Long-Term Incentive Plan, 1997 Long-Term Incentive Plan and 2002 Stock Appreciation Plan. Under Katy's current stock option and SAR program, the Board may provide compensation in the form of incentive stock options, non-qualified stock options, stock appreciation rights, restricted stock, performance units or shares, and other incentive awards including cash bonuses, contingent on Katy's share price reaching certain goals specified under the stock option and SAR program. The Compensation Committee believes that the stock option and SAR program optimizes Katy's growth and profitability by providing incentives to employees which are consistent with Katy's goals and which link employees' personal interests to those of the stockholders. The stock option and SAR program is also intended to give Katy flexibility to attract, motivate, and retain the services of employees and other individuals who contribute to its success. During 2005, 930,000 stock options were granted to employees.

Chief Executive Officer Compensation

Anthony T. Castor III became President and Chief Executive Officer in June 2005. Mr. Castor's compensation is primarily governed by his employment agreement. Mr. Castor's salary for 2005 was \$525,000 on an annual basis. Mr. Castor was awarded a cash bonus, as guaranteed in his contract, for 2005.

Summary

The Compensation Committee believes that the total compensation program for executive officers is appropriately related to individual performance and Katy's performance (including Katy's financial results and stockholder value). The Compensation Committee monitors the executive compensation of comparable companies and believes that Katy's compensation program is competitive and provides appropriate incentives for Katy's executive officers to work towards continued improvement in Katy's overall performance.

COMPENSATION COMMITTEE INTERLOCKS

The Committee currently consists of Messrs. Carroll, Jr., Lacovara and Anderson. No member of the Committee was an employee of Katy during the last fiscal year or an officer of Katy in any prior period. There are no Compensation Committee interlocks between Katy and other entities involving Katy's executive officers and members of the Board of Directors who serve as an executive officer or board member of such other entities.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During 2005, Katy paid Kohlberg & Co. \$500,000 for ongoing management advisory services. Katy expects to pay \$500,000 per year for these services, as outlined in the Recapitalization Agreement of June 2, 2001. Christopher W. Anderson, Samuel P. Frieder and Christopher Lacovara are Principals of Kohlberg & Co. James A. Kohlberg is Co-Founder and Managing Principal of Kohlberg & Co. William F. Andrews, Chairman of the Board, is a consultant, or Operating Principal, with Kohlberg & Co.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors met six times during 2005. Each director in office at the time of such meeting attended at least 75% of the Board meetings and the meetings of the Board committees of which he is a member. The non-management directors meet in executive session without members of management present at every regular Board meeting. At these meetings, the presiding director rotates through each non-management director based on the alphabetical order of the directors' last names. In addition, eight directors attended the 2005 annual meeting.

Katy's bylaws provide for an Executive Committee to which the Board of Directors has assigned all powers delegable by law. The Board of Directors also has an Audit Committee, Compensation Committee and Nominating and Governance Committee. All of the members of these three Board committees are independent within the meaning of SEC regulations (as applicable), the listing standards of the New York Stock Exchange (NYSE) and Katy's Corporate Governance Guidelines.

The Corporate Governance Guidelines adopted by the Board meet or exceed the standards adopted by the New York Stock Exchange. The full text of the Corporate Governance Guidelines can be found in the Corporate Governance section of the Company's website (at www.katyindustries.com). A copy may also be obtained upon request from the Company's Corporate Secretary.

Pursuant to the Corporate Governance Guidelines, the Board undertook its annual review of director independence in April 2006. During this review, the Board considered transactions and relationships between each director or any member of his or her immediate family and the Company and its subsidiaries and affiliates, including those reported under *Certain Relationships and Related Transactions* above. The Board also examined transactions and relationships between directors or their affiliates and members of the Company's senior management or their affiliates. The purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent.

To assist it in making determinations of Director independence, the Board has determined that each of the relationships below is categorically immaterial and therefore, by itself, does not preclude a director from being independent; provided, however, that if a director has any relationship that would be required to be disclosed as a related party transaction under SEC rules, that relationship may not be treated as categorically immaterial and must be specifically considered by the Board in assessing the director's independence:

(i)(A) the Director has an immediate family member who is a current employee of the Company's internal or external auditor, but the immediate family member does not participate in the firm's audit, assurance or tax compliance practice; or (B) the Director or an immediate family member was, within the last

three years, a partner or employee of such a firm but no longer works at the firm and did not personally work on the Company's audit while at the firm;

(ii) the Director or an immediate family member is, or has been within the last three years, employed at another company where any of the Company's present executive officers at the same time serves or served on that company's compensation committee, but the Director or the Director's immediate family member is not an executive officer of the other company and his or her compensation is not determined or reviewed by that company's compensation committee;

(iii) the Director is a current employee, or an immediate family member is a current executive officer, of a company that has made payments to, or received payments from, the Company for property or services in any of the last three fiscal years, but the total payments in each year were less than \$1 million, or 2% of such other company's consolidated gross revenues, whichever is greater;

(iv) the Director is a partner or the owner of 5% or more of the voting stock of another company that has made payments to, or received payments from, the Company for property or services in any of the last three fiscal years, but the total payments in each year were less than \$1 million, or 2% of such other company's consolidated gross revenues, whichever is greater;

(v) the Director is a partner, the owner of 5% or more of the voting stock or an executive officer of another company which is indebted to the Company, or to which the Company is indebted, but the total amount of the indebtedness in each of the last three fiscal years was less than \$1 million, or 2% of such other company's consolidated gross revenues, whichever is greater; and

(vi) the Director is an executive officer of a non-profit organization to which the Company has made contributions in any of the last three fiscal years, but the Company's total contributions to the organization in each year were less than \$1 million, or 2% of such organization's consolidated gross revenues, whichever is greater.

As a result of this review, the Board of Directors has affirmatively determined that each Director is independent of the Company and its management as defined in the NYSE listing standards and as set forth in the Corporate Governance Guidelines, with the exception of Anthony T. Castor III. Mr. Castor is considered a non-independent inside director because of his employment as a senior executive of the Company.

Executive Committee

The Executive Committee presently consists of Christopher Lacovara, Christopher W. Anderson and Anthony T. Castor III. The Executive Committee met informally through numerous telephone conferences at intervals between meetings of the full Board of Directors, and acted by unanimous consent without formal meetings.

Audit Committee

The Audit Committee consists of Daniel B. Carroll (Chairman), Christopher Lacovara and William F. Andrews, each of whom satisfy the qualification and independence requirements of Section 303A.07 of the NYSE listing standards. This Committee met five times during 2005. The Audit Committee reviews the results of the annual audit with Katy's independent registered public accounting firm, reviews the scope and adequacy of Katy's internal auditing procedures and its system of internal controls, reviews Katy's financial statements and related financial issues with management and the independent registered public accounting firm, and reports its findings and recommendations to the Board of Directors. Mr. Lacovara, a member of the Audit Committee, is qualified as an audit committee financial expert within the meaning of SEC regulations and the Board has determined that he has accounting and related financial

management expertise within the meaning of the listing standards of the New York Stock Exchange. As mentioned above, the Board of Directors has determined that Mr. Lacovara is an independent director.

Compensation Committee

The Compensation Committee consists of Wallace E. Carroll, Jr. (Chairman), Christopher Lacovara and Christopher W. Anderson. This Committee, which reviews current and deferred compensation for Katy officers and for some officers and key employees of its subsidiaries, met three times during 2005. It makes decisions on executive officer compensation and reports its decisions to the Board of Directors. It also seeks the Board's approval on the Chief Executive Officer's compensation.

Nominating and Governance Committee

The Nominating and Governance Committee consists of Samuel P. Frieder (Chairman), William F. Andrews and Daniel B. Carroll. This Committee met one time during 2005. The Nominating and Governance Committee is responsible for developing and implementing policies and practices relating to corporate governance, including reviewing and monitoring implementation of Katy's Corporate Governance Guidelines, and sets and reviews policies and procedures in place throughout various disciplines within the Company to ensure high ethical standards are practiced. In addition, the Committee makes recommendations to the Board regarding candidates for the Board. The Committee reports its findings and recommendations to the Board. A current copy of the Nominating and Governance Committee charter is available on the Company's website at www.katyindustries.com.

The entire Board of Directors considers and selects nominees for directors on the basis of recommendations from the Nominating and Governance Committee. The Governance and Nominating Committee considers candidates for Board membership suggested by its members and other Board members, as well as management. Additionally, subject to compliance with the requirement of the bylaws, the Nominating and Governance Committee will consider nominations from stockholders.

Once the Governance and Nominating Committee has identified a prospective nominee, the Committee makes an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on whatever information is provided to the Committee with the recommendation of the prospective candidate, as well as the Committee's own knowledge of the prospective candidate, which may be supplemented by inquiries to the person making the recommendation or others. The preliminary determination is based primarily on the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy the Committee's evaluation factors. The Committee's evaluation factors are:

- the ability of the prospective nominee to represent the interests of the stockholders of the Company;
- the prospective nominee's standards of integrity, commitment and independence of thought and judgment;
- the prospective nominee's ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards; and
- the extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the Board.

The Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors, the need for Audit Committee expertise and the evaluations of other prospective nominees. In connection with this evaluation, the Committee determines whether to interview the prospective nominee, and if warranted, one or more members of the Committee, and others as appropriate, will interview prospective nominees in person or by telephone. After completing this evaluation and interview, the Committee makes a recommendation to the full Board as to the persons who should be nominated by

the Board, and the Board determines the nominees after considering the recommendation and report of the Committee.

Pursuant to the advance notice provision of Katy's bylaws, stockholder nominations for directors must be received by Katy not less than 50 days or more than 90 days before the 2007 annual meeting. Any nominations for directors made by stockholders must include the following information regarding the nominee: name; age; business address; residence address; principal occupation or employment; class and number of shares of Katy beneficially owned; and any other information required to be disclosed in a proxy solicitation for the election of directors. Additionally, the stockholder making such nomination must provide his or her name and address, and the number of

shares of the Company beneficially owned by such stockholder. No person is eligible for election as a director of the Company unless he or she is nominated (i) by the Board of Directors or (ii) in accordance with the foregoing requirements.

AUDIT COMMITTEE REPORT

The Audit Committee acts pursuant to a written charter, a current copy of which is available on the Company's website at www.katyindustries.com. As set forth in more detail in the charter, the Audit Committee's primary responsibilities are focused in four broad categories:

1. Recommend to the Board of Directors the appointment of the independent registered public accounting firm;
2. Consult with management or the independent registered public accounting firm regarding the audit scope and the audit plan;
3. Review and approve company financial statements; and
4. Review with management and the independent registered public accounting firm the adequacy of internal controls.

The Audit Committee has adopted pre-approval policies and procedures for audit and permissible non-audit procedures provided by all auditors (including our independent registered public accounting firm), consistent with the requirements of SEC regulations. The policy provides that all audit and non-audit services provided by all auditors must be individually pre-approved by the Audit Committee. In determining whether to pre-approve services, the Audit Committee considers whether such services are consistent with the rules of the SEC on auditor independence. The Audit Committee delegates to its members the authority to address any requests for pre-approval of services between Audit Committee meetings. Any pre-approval determination by a member of the committee must be reported to the Audit Committee at its next scheduled meeting. There is no delegation of the Audit Committee's pre-approval authority to management. Requests or applications to provide services that require pre-approval by the Audit Committee must be submitted to the Audit Committee by both the independent registered public accounting firm and the Chief Financial Officer, Treasurer or Assistant Treasurer of the Company, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence. All services provided by Katy's independent registered public accounting firm were approved pursuant to Katy's pre-approval policies and procedures.

The Audit Committee has reviewed and discussed the audited financial statements for the year ending December 31, 2005 with management and the Company's independent registered public accounting firm, and has discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards 61 (Communications with Audit Committees). The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed with the independent registered public accounting firm the independent registered public accounting firm's independence from Katy and the Company's management. Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors, and the Board approved, that the audited financial statements be included in Katy's Annual Report on Form 10-K for the year ended December 31, 2005 filed with the Securities and Exchange Commission.
