Plan Administrator

Plexus Corp. 401(k) Savings Plan

Neenah, Wisconsin

We have audited the accompanying statement of net assets available for benefits of Plexus Corp. 401(k) Savings Plan as of December 31, 2005, and the related statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We were not engaged to perform an audit of the Plan's internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Plexus Corp. 401(k) Savings Plan as of December 31, 2005, and the changes in net assets available for benefits for the year then ended in conformity with accounting principles generally accepted in the United States.

Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole.

The supplemental schedule of Plexus Corp. 401(k) Savings Plan is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**Plexus Corp. 401(k) Savings Plan**  
**Notes to Financial Statements**  
**December 31, 2005 and 2004**

**1. Description of Plan**

The following description of the Plexus Corp. 401(k) Savings Plan (the **Plan**) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a contributory defined contribution plan covering substantially all U.S. employees of Plexus Corp. (the **Company** or the **Employer**) and affiliated employers, as defined. Prior to April 1, 2004, employees were eligible to participate in the Plan after completion of 90 days of service. Effective April 1, 2004, the Adoption Agreement was amended to allow employees to participate the first day of the month coinciding with or next following their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ( **ERISA** ), as amended.

**Contributions**

Employee pre-tax contributions are based on voluntary elections via phone or Internet by the participants, directing the Company to defer a stated amount from the participant's compensation. Effective January 1, 2005, participants may elect to defer up to 50% of their annual compensation. Prior to January 1, 2005, participants could elect to defer up to 18% of their annual compensation. On a per pay period basis, the Company will make a matching contribution on behalf of a participant equal to 100% of the first 2.5% of the participant's compensation contributed to the Plan for participants the first day of the plan year quarter coinciding with or following the date in which eligibility requirements are met. Contributions are limited by Section 401(k) of the Internal Revenue Code (the **IRC** ).

**Investment Alternatives**

Plan participants may direct their entire account balances in 1% increments to any of the various investment options offered by the Plan. Company contributions are also invested based upon participant allocation elections. Participants may change their investment options on a daily basis.

**Participant Accounts and Allocations**

Participant recordkeeping is performed by MFS Retirement Services, Inc. ( **MFS** ). For all investment programs which are mutual funds, MFS maintains participant balances on a share method. Participant investments in the Plexus Unitized Stock Fund and MFS Fixed Fund are accounted for on a unit value method. Units and unit values for these funds as of December 31, 2005 and 2004, were as follows:

	<b>Units</b>		<b>Unit Value</b>	
	<b>December 31,</b>		<b>December 31,</b>	
	<b>2005</b>	<b>2004</b>	<b>2005</b>	<b>2004</b>
Plexus Unitized Stock Fund	3,046,470	3,268,296	\$8.66	\$5.05
MFS Fixed Fund	5,898,086	5,692,013	1.00	1.00

Notes to Financial Statements  
December 31, 2005 and 2004**

Each participant's account is credited with the participant's contributions and allocations of Company contributions and plan earnings (losses). Allocations of plan earnings (losses) are based on participant account balances in relation to total fund account balances, as defined by the plan document.

**Vesting and Distributions**

Participants immediately vest in all contributions made to the Plan. Participant accounts are distributable in the form of a lump sum payment or substantially equal installments of cash or in whole shares of Company securities as elected by the participant upon retirement, termination of employment, death, disability, financial hardship, or attainment of age 59-1/2. Prior to March 28, 2005, participant account balances less than \$5,000 could be automatically distributed in a lump sum. Effective March 28, 2005, participant account balances less than \$1,000 may be automatically distributed in a lump sum. In addition, participant accounts can be rolled over into an individual retirement account (IRA) or another qualified defined contribution plan. Participant distributions may not be deferred past April 1 of the calendar year following the year in which the participant attains age 70-1/2. Forfeitures of unclaimed distributions are used to reduce Company matching contributions.

**Participant Loans**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range up to five years. Loan terms can be extended for the purchase of a primary residence. Loans are collateralized by the balance in the participant's account and bear interest at the prime rate plus 1% at the time of loan origination. Principal and interest is paid ratably through regular payroll deductions.

**2. Summary of Significant Accounting Policies**

**Accounting Method**

The financial statements of the Plan are prepared under the accrual method of accounting.

**Use of Estimates**

The preparation of the accompanying financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. The share value of mutual funds and the value of Plexus Corp. common stock are based on quoted market prices on the last business day of the plan year. The unit value of unitized funds and common trust funds is computed daily based on share price, dividend information, and the value of the fund's short-term investments. Participant loans are stated at cost, which approximates fair value.

The Plan presents in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains or losses and the unrealized

appreciation (depreciation) on those investments. Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recognized when earned.

**Table of Contents****Plexus Corp. 401(k) Savings Plan****Notes to Financial Statements****December 31, 2005 and 2004****Risks and Uncertainties**

The Plan provides for various investment options in a combination of different investment securities. The Plan's investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the values of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

**Payment of Benefits**

Benefits are recorded when paid.

Certain expenses incurred in the administration of the Plan are paid by the Company and are not reflected within these financial statements.

The Internal Revenue Service has determined and informed the Company by a letter dated November 8, 2004, that the Plan is designed in accordance with applicable sections of the IRC.
