**We Have An Outstanding Brand and Industry Leadership Position.**  
**We Are On Track To Grow Shareholder Value.**

This is an important time in H&R Block's history. Your Board and management team are implementing the right strategy to further enhance our brand and to bolster our strong industry leadership position. We have taken important steps to focus on our core tax, accounting and related financial services businesses.

Our Tax Services business experienced strong growth in new clients and revenues this year, significantly aided by the successful debut of H&R Block Bank. We believe the Bank will continue to complement our tax business and in particular allow us to retain and attract early season filers who are critical to our overall success and value creation. (A thorough discussion of the Bank and its important contribution to our growth is presented in the enclosed Annual Report.)

**Important Steps Have Been Taken To Create Value.**

H&R Block's Board and management team are intensely focused on continuing the growth and momentum in our core businesses. In addition to the very successful launch of our Bank, we have taken other key actions in the past year:

- § We agreed to sell Option One Mortgage Corp. and have closed H&R Block Mortgage Corp. because these operations were not aligned with our strategic focus or return expectations.
- § We exited selected operations within our core accounting business, RSM McGladrey, that didn't support its profitability or competitive advantage.
- § We continue to examine the strategic importance of all of our businesses and their contribution to overall value.

**We Expect Improved Financial Results And**  
**Increased Shareholder Value In Fiscal Year 2008.**

We expect another year of strong growth in Tax Services, fueled by H&R Block Bank. Expected profits from these and other core businesses will allow H&R Block to rebuild capital and enable share repurchases and further dividend increases.

**Don't Let Breeden Partners Disrupt Our Momentum.**

It is unfortunate that a dissident hedge fund, Breeden Partners, has chosen to launch a distracting proxy contest. Breeden Partners owns less than 2% of our shares and has been a shareholder for less than a year yet seeks to replace more than 25% of your Board with its own handpicked slate.

In our view, Breeden Partners has put forth no new ideas to improve shareholder value. In fact, many of Breeden Partners' proposed changes are identical to actions that your company announced and began implementing before Breeden Partners acquired a single share. We believe that Breeden Partners is advocating a sale or disposition of the Bank. Such an action

would deprive H&R Block's shareholders of the Bank's significant potential and would threaten the enhancement of shareholder value.

**Ask yourself whether Breeden Partners' nominees who have no new ideas other than the ill-advised sale of the Bank are the right individuals to represent your best interests.**

Protect Your Investment Vote The **WHITE** Proxy Card Today.

Your Board is committed to protecting and enhancing the value of your investment in H&R Block. We are confident that the continued implementation of our strategic plan is the best approach to creating value for all H&R Block shareholders. Please use the enclosed **WHITE** proxy card to vote **FOR** your Board's nominees **TODAY** by telephone, by Internet, or by signing, dating and returning the **WHITE** proxy card.

Thank you for your continued support.

On Behalf of the Board of Directors,

Mark Ernst

Chairman, President and CEO
