FEDERAL SIGNAL FILES INVESTOR PRESENTATION

Recommends Shareholders Vote The WHITE Proxy Card

To Elect Federal Signal's Board Nominees

OAK BROOK, Ill., April 8, 2009 Federal Signal Corporation (NYSE: FSS), a leader in advancing security and well-being, today announced that it has filed an investor presentation with the Securities and Exchange Commission (SEC) in connection with the Company's 2009 Annual Meeting of Stockholders to be held on April 29, 2009. Federal Signal's Board of Directors unanimously recommends that stockholders elect the Company's highly-qualified nominees Jim Goodwin, Joe Wright, and Bill Osborne, the Company's newly-hired president and chief executive officer by telephone, Internet or by signing, dating and returning the **WHITE** proxy card today. The investor presentation is available under the Investors' section of the Company's website at: <http://www.federalsignal.com> and at the SEC's website at <http://www.sec.gov>.

Highlights of the presentation include:

- ▶ Federal Signal has an experienced, independent and qualified Board and management team, committed to executing its strategic plan and enhancing value for all stockholders

 - ▶ Over the last year, Federal Signal's Board of Directors and management team has undertaken a series of actions to position the Company for sustainable and profitable growth and drive stockholder value, including:
 - Appointed a new executive management team led by Bill Osborne, president and chief executive officer, and Bill Barker, senior vice president and chief financial officer

 - Strengthened the balance sheet by divesting non-core assets

 - Developed a two-pronged strategy to deliver consistent, profitable growth; enhance earnings and cash flow; and create stockholder value

 - ▶ Federal Signal's Board has a demonstrated commitment to strong corporate governance

 - ▶ After carefully considering a number of individuals, including Warren Kanders' nominees, Federal Signal's Board unanimously determined that Jim Goodwin, Bill Osborne and Joe Wright are the directors that would best serve the interests of all Federal Signal stockholders
-

- Ⓐ Warren Kanders, who was not selected as CEO, and his two other nominees add nothing new to Federal Signal and, if elected, we believe would work only to advance Kanders' self-serving agenda and not the interests of all Federal Signal stockholders

Federal Signal shareholders who have any questions or need assistance voting their **WHITE** proxy card should contact Innisfree M&A Incorporated, which is assisting the Company in this matter, toll-free at (877) 800-5186.
