A number of statements we will be making in our presentation and in the accompanying slides will be forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, such as statements of BancorpSouth's plans, goals, objectives, expectations, projections, estimates, intentions, future performance and business of BancorpSouth, including, without limitation, (i) statements relating to the transaction with Pinnacle Bancshares, Inc. and First Land and Investment Co., acquisition strategy and the use of capital, and (ii) statements preceded by, followed by or that include the words may, could, would, should, believes, expects, anticipates, estimates, intends, probably, potentially, projects or similar expressions. Additional information with respect to factors that may cause actual results to differ materially from those contemplated by such forward looking statements is included in BancorpSouth's current and subsequent filings with the Securities and Exchange Commission.
