ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On January 12, 2005 Community Bancshares, Inc. (the "Company") granted, pursuant to Nonqualified Stock Option Agreements, non-qualified options to its directors and certain officers to purchase up to an aggregate of 550,000 shares of common stock, \$.10 par value per share, of the Company ("Company Common Stock") at a price of \$6.81 per share, representing the 30-day weighted average

of sales prices which the Company's board of directors determined to be the fair market value of Company Common Stock on the date of grant. The options were granted for the purpose of more closely aligning the interests of the grantees with the interests of the Company's stockholders and providing an increased incentive for those individuals to work for the Company's long-term success. Each of the individuals who received the Nonqualified Stock Option Agreements are provided herein.

The terms of the options are contained in the individual agreements rather than in a formal Company incentive compensation plan. The options expire in five years and automatically terminate sooner if the individual's affiliation with the Company is terminated for cause or if the individual violates a noncompete provision. The period for exercising options is reduced in the case of officers, but not in the case of directors, in the event of a termination of employment for reasons other than cause. Options granted to directors and senior officers are vested immediately while options granted to other officers are subject to a graded vesting schedule pursuant to which full vesting occurs on the second anniversary of the date of grant. Forms of option agreements applicable to directors, senior officers and certain other officers are attached hereto as Exhibits 10.1, 10.2, and 10.3, respectively, and are incorporated into this Item 1.01 by reference.
