PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
To be Held on May 2, 2006

You are receiving this Proxy Statement and the accompanying Proxy Card (Proxy) from us because you own shares of common stock in Crawford & Company (the Company). Only shareholders of Class B Common Stock of the Company are entitled to vote. The Proxy Statement describes the proposals on which we would like you to vote. It also gives you information so that you can make an informed voting decision. We first mailed this Proxy Statement and the form of Proxy to shareholders on or about March 28, 2006. The Annual Report of the Company for the fiscal year ended December 31, 2005 is also enclosed herewith.

VOTING AT THE ANNUAL MEETING

Date, Time and Place of the Annual Meeting

The Annual Meeting of Shareholders will be held in the Home Office Building of the Company, located at 5620 Glenridge Drive, N.E., Atlanta, Georgia, on Tuesday, May 2, 2006 at 2:00 p.m., local time, and any adjournment or postponement thereof.

Who May Vote

Only shareholders of record of Class B Common Stock of the Company as of the close of business on March 6, 2006 (the Record Date) will be entitled to vote at the Annual Meeting. As of that date, the Company had outstanding 24,697,172 shares of Class B Common Stock, each share being entitled to one vote.

Additionally, for information only, this Proxy Statement is being mailed to shareholders of Class A Common Stock of the Company as of the Record Date. Shares of Class A Common Stock are not entitled to vote at the Annual Meeting of Shareholders. Accordingly, no Proxy is being requested and no Proxy should be sent with respect to such shares.

Quorum for the Annual Meeting and Votes Required

A majority of the issued and outstanding shares of Class B Common Stock entitled to vote at the Annual Meeting will constitute a quorum for the transaction of business at such meeting. Proxies voted to withhold authority, abstentions and broker non-votes will be treated as present for purposes of determining the presence of a quorum.

Each share of Class B Common Stock is entitled to cast an affirmative vote for up to nine (9) Director nominees. Cumulative voting is not permitted. The nine nominees for Director who receive the highest number of votes cast, in person or by Proxy, at the Annual Meeting will be elected Directors. Votes withheld, abstentions, and broker non-votes, will have no effect on the outcome of the election of Directors.

The vote required under Georgia law for the proposal to authorize the increase by 500,000 in the number of shares of Class A Common Stock available for issuance under the Crawford & Company U. K. Sharesave Scheme is a majority of the shares of Class B Common Stock present in person or represented by Proxy. For this purpose, abstentions are neither counted as votes cast for or against this proposal. In addition, to satisfy the New York Stock Exchange (NYSE) listing standards, the proposal must also receive the affirmative vote of a majority of the votes cast on this proposal provided that the total number of votes cast on this matter represents greater than 50% of the Company s outstanding shares entitled to vote. For purposes of the NYSE listing standard, abstentions are counted as votes cast on this proposal and, as a result have the same effect as a

vote against the proposal. The vote required for the ratification of the appointment of Ernst & Young LLP as the Company's independent auditors for the year 2006 is a majority of the shares of Class B Common Stock present in person or represented by Proxy.

How to Vote

You may attend the Annual Meeting and vote your shares in person, or you may choose to submit your proxies by any of the following methods:

Voting by Mail. If you choose to vote by mail, simply complete the enclosed Proxy, date and sign it, and return it in the postage-paid envelope provided. Your shares will be voted in accordance with the instructions on your Proxy unless it is revoked. If you sign your Proxy and return it without marking any voting instructions, your shares will be voted FOR the election of all Director nominees, FOR the authorization of the increase by 500,000 in the number of shares of Class A Common Stock available for issuance under the Crawford & Company U. K. Sharesave Scheme, FOR the ratification of the appointment of Ernst & Young LLP as independent auditors for 2006, and in the discretion of the persons named as proxies on all other matters that may come before the Annual Meeting or any adjournment or postponement thereof.

Voting by Telephone. You may vote your shares by telephone by calling the toll-free telephone number provided on the Proxy. Telephone voting is available 24 hours a day, and the procedures are designed to authenticate votes cast by using a personal identification number located on the Proxy. The procedures allow you to give a proxy to vote your shares and to confirm that your instructions have been properly recorded. If you vote by telephone, you should not return your Proxy.

Voting by Internet. You also may vote your shares through the Internet by signing on to the website identified on the Proxy and following the procedures described in the website. Internet voting is available 24 hours a day, and the procedures are designed to authenticate votes cast by using a personal identification number located on the Proxy. The procedures allow you to give a proxy to vote your shares and to confirm that your instructions have been properly recorded. If you vote by Internet, you should not return your Proxy.

If you are a shareholder whose shares are held in a street name, (*i.e.*, in the name of a broker, bank or other record holder), you must either direct the record holder of your shares how to vote your shares or obtain a Proxy, executed in your favor, from the record holder to be able to vote at the Annual Meeting.

The Company encourages shareholders who hold shares in a street name to provide instruction to that record holder by voting their Proxy. Providing voting instructions ensures that shares will be voted at the meeting. If shares are held through a brokerage account, the brokerage firm under certain circumstances, may vote the shares without instructions. On certain routine matters, such as the election of directors, brokerage firms have authority under NYSE rules to vote their customers' shares if the customers do not provide voting instructions. When a brokerage firm votes its customers' shares on a routine matter without receiving voting instructions, these shares are counted both for establishing a quorum to conduct business at the meeting and in determining the number of shares voted for or against the routine matter. The proposal relating to the election of directors and the proposal to ratify the appointment of Ernst & Young LLP as the Company's independent auditors for the year 2006 are routine matters.

On non-routine matters, if the brokerage firm has not received voting instructions from the shareholder, the brokerage firm cannot vote the shares on that proposal, which is considered a broker non-vote. Broker non-votes will be counted for purposes of establishing a quorum to conduct business at the meeting but not for determining the number of shares voted for or against the non-routine matter. The proposal to authorize the increase by 500,000 in the number of Class A Common Stock shares available for issuance under the Crawford & Company U.K. Sharesave Scheme is a non-routine matter.

Any shareholder giving a Proxy has the power to revoke it at any time before it is voted by the execution of another Proxy bearing a later date or by written notification to the Secretary of the Company. Shareholders who are present at the Annual Meeting may revoke their Proxy and vote in person if they so desire.

PROPOSAL 1 ELECTION OF DIRECTORS**Nominees and Voting**

The Board of Directors of the Company has fixed the number of Directors constituting the full Board at nine and has nominated the nine persons listed below as Directors, to hold office until the next Annual Meeting and until their successors are elected and qualified. Each nominee, except P. George Benson, was elected by the shareholders at the last Annual Meeting on April 26, 2005. Mr. Benson is a member of the present Board of Directors and was elected by the Board on July 26, 2005 to become a director effective as of September 1, 2005. Mr. Benson was recommended to the Board by Thomas W. Crawford. If, at the time of the Annual Meeting, any of the nominees should be unable to serve, the persons named in the Proxy will vote for substitute nominees selected by the Board of Directors. The Company has no reason to believe that any of the nominees will not be available for election as a Director.

Nominee Information

The following table gives certain information as to each person nominated by the Board of Directors for election as a Director:

Name	Age	Principal Occupation And Directorships	Director Since
J. Hicks Lanier	65	Chairman of the Board and Chief Executive Officer of Oxford Industries, Inc., a manufacturer of apparel products; Director of Genuine Parts Company, and SunTrust Banks, Inc.	1976
Jesse C. Crawford	57	President of Crawford Communications, Inc., a full-service provider of teleproduction services including audio/video production and post production, multimedia title design, satellite services, animation, and special effects.	1986
Larry L. Prince	67	Chairman of the Executive Committee of the Board of Directors of Genuine Parts Company, a service organization engaged in automotive and industrial parts and office products distribution; Director of Equifax, Inc., SunTrust Banks, Inc., and John H. Harland Co.	1987
E. Jenner Wood, III	54	Chairman of the Board, President and Chief Executive Officer of SunTrust Bank, Central Group; Director of Oxford Industries, Inc., and Georgia Power Company	1997
Clarence H. Ridley	63	Chairman of the Board of Haverty Furniture Companies, Inc. a furniture retailer, Director of STI Classic Funds and Variable Trust.	2004
Robert T. Johnson	70	Retired Partner of Arthur Andersen LLP.	2004
James D. Edwards	62	Retired Partner of Arthur Andersen LLP, Director of IMS Health Incorporated, Transcend Services, Inc., and Huron Consulting Group, Inc.	2005
Thomas W. Crawford	63	President and Chief Executive Officer of the Company.	2005
P. George Benson	59	Dean of the Terry College of Business at the University of Georgia, Director of Nutrition 21, Inc., and AGCO, Inc.	2005

Mr. Prince retired as Chairman of the Board of Genuine Parts Company March 31, 2005, a position he had held since 1990. He was also Chief Executive Officer of Genuine Parts Company from 1990 until August 2004. Mr. Wood was appointed to his present position in June 2002, was appointed Chairman of the Board, President and Chief Executive Officer of SunTrust Bank, Georgia in March 2001, was appointed President in October 2000 and for more than five years prior to that appointment served in executive management positions with SunTrust Banks. Mr. Johnson retired as a partner of Arthur Andersen LLP in 1993. Mr. Edwards retired in April 2002 as managing partner-global

markets of Arthur Andersen LLP, a position he had held since 1998. Mr. Thomas W. Crawford was appointed President and Chief Executive Officer of the Company on September 1, 2004. From June 1998 until his retirement in January 2003 he was President of the Retail Distribution division of Prudential Financial, Inc., and from May 2004 until September 2004 he was

Chairman of The Bodie Group, Inc., a business consulting firm. The principal occupation or employment of each of the other nominees during the past five years has been as indicated in the above table.

The Board has determined, pursuant to the listing standards of the NYSE, that all Directors standing for election are independent for purposes of serving on the Board of Directors, except Thomas W. Crawford. The companies with which Mr. Prince and Mr. Wood are affiliated, Genuine Parts Company and SunTrust Banks, Inc., respectively, are customers of the Company and the Company is a customer of SunTrust Banks, Inc. The Board has determined that the payments to the Company or from the Company with respect to Genuine Parts Company and SunTrust Banks, Inc., as a percentage of either entities' consolidated gross revenue are immaterial as affecting each director's independence. In addition, SunTrust Banks, Inc. is a lender to the Company. The Board has determined that these loans do not affect the independence of Mr. Wood, since the annual repayments and interest payments on the loans by the Company, and the outstanding total loan balance itself, are not material when compared to the consolidated gross annual revenues of SunTrust Banks, Inc. For purposes of the Company's Audit Committee, Mr. Johnson, Mr. Lanier, and Mr. Prince are independent under the NYSE listing standards and Rule 10A-3 promulgated under the Securities Exchange Act of 1934, and Mr. Johnson is an Audit Committee Financial Expert as defined by Item 401(h) of Regulation S-K under the Securities Exchange Act of 1934. There are no family relationships among the director nominees.

The Board of Directors has three standing committees. The Executive Committee consists of Jesse C. Crawford as Chairman, and Larry L. Prince and E. Jenner Wood, III as members. The Board of Directors has determined that all members of the Nominating/ Corporate Governance/ Compensation Committee are independent pursuant to the NYSE Listing Rules. The Nominating/ Corporate Governance/ Compensation Committee has adopted a written charter, approved by the Board of Directors. The Nominating/ Corporate Governance/ Compensation Committee identifies and evaluates nominees for director according to the guidelines stated in this written charter. This Committee held four meetings in 2005.

Non-management and independent directors meet regularly without management participation. During 2005 there were four such meetings. The Presiding Director for each of these meetings was Jesse C. Crawford.

During 2005, the Board of Directors held six meetings. Each of the Company's Directors attended at least seventy-five percent (75%) of the aggregate number of meetings of the Board of Directors and committees thereof of which such Director was a member, with the exception of Clarence H. Ridley, who attended 70%.

The Company's Corporate Governance Guidelines, Committee Charters, and Code of Business Conduct are available on its website at www.crawfordandcompany.com and are available without charge in print to any shareholder who makes a request by writing to Corporate Secretary, Legal Department, Crawford & Company, 5620 Glenridge Drive, N.E., Atlanta, Georgia 30342.

Pursuant to the terms of the 1997 Non-Employee Director Stock Option Plan, each non-employee director elected at the 2005 Annual Meeting on April 26, 2005 received an option for 3,000 shares of the Company's Class A Common Stock at a price of \$7.40 per share, the fair market value of the Class A Common Stock on that date. Under the same Plan, Mr. Edwards received an option for 15,000 shares of the Company's Class A Common Stock at a price of \$7.09 per share, the fair market value of the Class A Common Stock on February 1, 2005, the effective date he became a Director and Mr. Benson received an option for 15,000 shares of the Company's Class A Common Stock at a price of \$7.90 per share, the fair market value of the Class A Common Stock on September 1, 2005, the effective date he became a Director. The options are non-transferable; are exercisable at any time after grant; and lapse on the date the holder is no longer a Director, if that occurs on or before the fifth anniversary of the grant date, or otherwise on the tenth anniversary of the grant date.

The Company maintains a non-contributory Retirement Plan for the benefit of substantially all of the U.S. employees of the Company who were employed as of December 31, 2002. The Retirement Plan provides for annual retirement benefits at Normal Retirement Age (65) equal to 2% of the participant's total compensation (as defined in the Retirement Plan) for all credited years of service under the Plan. The benefits are not affected by Social Security benefits payable to the participant; however, they are actuarially reduced for retirements before the Normal Retirement Age or if the retiree selects benefits other than an individual life-time annuity. Credited years of service under the Retirement Plan for Mr. Giblin is 15. Messrs. T. W. Crawford, Frawley, Bowman, and Kulbick do not participate in the Retirement Plan. Effective December 31, 2002, accruals under the Retirement Plan were frozen. In place of the accruals under the now frozen Retirement Plan, the Company may make a discretionary contribution to the Defined Contribution Plan for eligible employees based on years of service and compensation as well as Company financial results.

Additionally, the Company maintains an unfunded Supplemental Executive Retirement Plan (SERP) for certain Executive Officers to provide benefits that would otherwise be payable under the Retirement Plan and/or Defined Contribution Plan but for limitations placed on covered compensation and benefits under the Internal Revenue Code. Effective December 31, 2002, accruals under the SERP were also frozen as to the Retirement Plan. The SERP was amended to allow the Company, when it elects to make the discretionary contribution to the Defined Contribution Plan for eligible employees, to also make an additional SERP Service Contribution to the Deferred Compensation Plan for participants of the SERP. The amounts contributed in 2005 for the Named Executive Officers are reflected in the All Other Compensation column of the Summary Compensation Table and footnote 6 thereto.

EMPLOYMENT AND CHANGE-IN-CONTROL ARRANGEMENTS

The Company has entered into various agreements with certain of the Named Executive Officers that contain provisions regarding employment and change-in-control as described below:

T. W. Crawford: Effective as of September 1, 2004, the Company agreed to a compensation package with Mr. Crawford. The compensation package set Mr. Crawford's initial annual base salary at \$600,000; Mr. Crawford's annual base salary is currently \$700,000. The compensation package indicated his eligibility to receive up to \$400,000 annually as incentive compensation at the discretion of the Board of Directors, and provided a prorated first year cap of one-third of the allowable annual incentive compensation. The Board of Directors approved a \$200,000 incentive compensation payment to Mr. Crawford for 2005. The compensation package provides for a grant of options for

500,000 shares of the Company's Class A Common Stock under the Company's 1997 Key Employee Stock Option Plan, which grant vests at a rate of 125,000 shares per year over

a four-year period. Mr. Crawford's compensation package also provides that he will be eligible to participate in all other executive benefit and incentive plans generally offered to the Company's senior officers.

On February 1, 2005, the Company entered into a Change of Control and Severance Agreement with Mr. Crawford. The agreement provides that in the event that Mr. Crawford's employment with the Company is terminated due to the Company being bought or sold such that there is a material change in control, the Company agrees to provide eighteen (18) months of Mr. Crawford's then current base salary. Additionally, all stock options granted to Mr. Crawford will immediately vest and become exercisable for a ninety (90) day period following the date of termination. The agreement also provides that in the event Mr. Crawford is terminated by Crawford in his first year of employment, for reasons other than cause, he will be provided severance compensation equal to six (6) months of his then current base salary. The agreement also provides that, prior to the severance amounts being paid and options vesting, that the Company and Mr. Crawford agree to mutually acceptable terms of confidentiality, non-solicitation, cooperation and other reasonable and customary terms of a severance agreement at the time of his termination of employment. Mr. Crawford became President and Chief Executive Officer of the Company September 1, 2004.

The letter agreement indicated his eligibility to receive up to 1.4 times his base salary annually as incentive compensation at the discretion of the Chief Executive Officer, subject to approval by the Board of Directors, and provided a guaranteed first year payment of 100% the allowable annual incentive compensation. Mr. Frawley received a \$600,000 incentive compensation payment for 2005. The letter agreement provides for a grant of options for 100,000 shares of the Company's Class A Common Stock under the Company's 1997 Key Employee Stock Option Plan, with options with respect to 25,000 shares of the grant awarded as of April 26, 2005, and the balance of the grant awarded at a rate of 25,000 shares per year over a three-year period. Each 25,000 share block of options vests at a rate of 20% per year, beginning on the first anniversary of each grant. Mr. Frawley's letter agreement also provides that he will be eligible to participate in all other executive benefit and incentive plans generally offered to the Company's senior officers.

On March 4, 2005, the Company entered into a Change of Control and Severance Agreement with Mr. Frawley. The agreement provides that in the event Mr. Frawley's employment with the Company is terminated due to the Company being bought or sold such that there is a material change in control, the Company agrees to provide eighteen (18) months of Mr. Frawley's then current base salary. Additionally, all stock options granted to Mr. Frawley will immediately vest and become exercisable for a ninety (90) day period following the date of termination. The agreement also provides that in the event Mr. Frawley is terminated by Crawford in his first year of employment, for reasons other than cause, he will be provided severance compensation equal to six (6) months of his then current base salary. The agreement also provides that, prior to the severance amounts being paid and options vesting, that the Company and Mr. Frawley agree to mutually acceptable terms of confidentiality, non-solicitation, cooperation and other reasonable and customary terms of a severance agreement at the time of his termination of employment.

J. T. Bowman: On February 14, 2006, the Company entered into an employment agreement with Mr. Bowman. The agreement set his current annual base salary at \$500,000, indicated his eligibility to receive up to \$250,000 annually as incentive compensation at the sole discretion of the Chief Executive Officer and tendered, subject to Board approval, a restricted stock grant of 50,000 shares of Class A Common Stock under the provisions of the Executive Stock Bonus Plan. The agreement also provides that in the event that Mr. Bowman's employment with the Company is terminated for reasons other than cause, or in the event of a change-in-control of the Company, both as solely defined by the Chief Executive Officer, the Company agrees to provide one year of Mr. Bowman's then current base salary. Additionally, the Company will provide continuation of eligible medical benefits, for a period of one year, under COBRA. Also, all stock options granted to Mr. Bowman will immediately vest and become exercisable for a ninety (90) day period following the date of termination. The agreement also provides that, prior to the severance amounts being paid and options vesting, that the Company and Mr. Bowman agree to mutually acceptable terms of confidentiality,

**REPORT OF THE NOMINATING/ CORPORATE GOVERNANCE/ COMPENSATION
COMMITTEE OF THE BOARD OF DIRECTORS
ON EXECUTIVE COMPENSATION**

The Company's executive compensation is administered by the Nominating/ Corporate Governance/ Compensation Committee (the Committee) of the Board of Directors. The fundamental philosophy of the Committee is to ensure that the compensation programs of the Company will attract and retain key executives critical to its long-term success through the establishment of a performance-oriented environment that rewards the achievement of strategic management goals, with the attendant enhancement of shareholder value.

There are three elements in the Company's executive compensation program, all related to individual and Company performance:

Base Salary Compensation

Annual Incentive Compensation

Long-term Incentive Compensation

Base Salary Compensation

The Company has established a comprehensive Wage and Salary Administration Policy applicable to the Company and its U.S. subsidiaries. This Policy includes a program for grading each position, including those of the U.S. Executive Officers of the Company, to ensure internal equity. Additionally, the Policy sets forth grade levels and salary ranges for those grade levels, and provides for annual merit increases tied to individual job performance as measured through annual performance reviews. Based on published national surveys, the Company annually establishes merit increase budgets as a percent of current salaries and any increases in salary ranges for the next fiscal year. Generally, the Company is at the midpoint of projected merit salary increases and salary range adjustments as reflected in the national surveys, with some adjustment up or down depending on prior year pre-tax earnings and revenues of the Company. Consistent with the overall merit increase percentage, the Company establishes guidelines for individual salary adjustments based on the individual's performance rating.

The Committee initially establishes and re-evaluates the salary of the Chief Executive Officer on an annual basis. In re-evaluating the base salary for the Chief Executive Officer, the Committee looks primarily at the pre-tax earnings of the Company in the preceding fiscal year as compared to the prior fiscal year. The Committee also takes into account external circumstances which may have impacted that performance which were not within the control of the Company or its Executive Officers, the increases in the base salaries of other employees of the Company, and the Committee's assessment of the personal performance of the Chief Executive Officer during the preceding year. For both establishing and re-evaluating the base salary of the Chief Executive Officer, the Committee also looks at market conditions, both within the Company's industry peer group and otherwise. For the 2005 fiscal year, the Committee established the Chief Executive Officer's base salary at \$635,000 per annum.

Annual Incentive Compensation

Under the Company's 1996 Incentive Compensation Plan, which covers all U.S. key employees of the Company (other than the Chief Executive Officer and Executive Vice President - Financial Administrative Services), at the beginning of each fiscal year the Committee establishes pre-tax earnings and revenue thresholds, as well as targeted pre-tax earnings. A bonus pool is created for sales and marketing key employees based principally on increases in revenues above the threshold amount, while the bonus pool for other participants is based primarily on growth in pre-tax earnings from the threshold amount up to the targeted pre-tax earnings. The Committee has the discretion to modify the formula for any bonus pool. The bonus pool is allocated by the Chief Executive Officer to the business units and staff departments based on his assessment of performance of the business unit and staff participants, and to each individual participant by the business unit or staff manager based on the individual's personal performance and salary grade. The Chief Executive Officer establishes the bonuses for his direct reports.

The Committee sets the bonus for the Chief Executive Officer, based primarily on pre-tax earnings and the bonuses paid under the 1996 Incentive Compensation Plan, as a percentage of salary, to the other Executive Officers of the Company. Historically, the Chief Executive Officer's bonus, as a percentage of his base salary, has been higher than the average paid to the other Executive Officers, expressed as a percentage of their base salaries. The Committee awarded the Chief Executive Officer, Mr. T. W. Crawford, a bonus of \$200,000 for 2005, to be paid in 2006. This bonus was based upon Mr. Crawford's role in successfully creating and implementing various operational goals of the Company in order to position the Company to achieve more beneficial financial results in the coming years.

Long-Term Incentive Compensation

Under the Company's 1997 Key Employee Stock Option Plan, officers and other key employees of the Company are granted options by the Committee to purchase shares of the Company's Class A Common Stock. The exercise price for all options granted is set at the market price of the Company's Class A Common Stock on the date of the option grant and, to the extent permissible under the relevant provisions of the Internal Revenue Code, the options granted under the Plan are generally statutory Incentive Stock Options. The Committee typically reviews and acts upon the recommendations of the Chief Executive Officer for the grant of options, on a discretionary basis, annually to the Company's other officers and key employees. The number of shares of the Company's Class A Common Stock covered by such options is generally based upon the grade level of the officer or other key employee's position, with adjustments for extraordinary performance, but without regard to the individual's stock ownership or the number of options previously granted. The Company's Executive Stock Bonus Plan replaced the 1997 Key Employee Stock Option Plan with respect to new grants of incentive equity compensation for most employees, beginning in 2005.

Under the Company's Executive Stock Bonus Plan, officers and other key employees of the Company may be granted performance share unit awards or restricted stock awards (collectively Awards) by the Committee, payable in shares of the Company's Class A Common Stock. The Committee typically reviews and acts upon the recommendations of the Chief Executive Officer for the grant of Awards, on a discretionary basis, annually to the Company's other officers and key employees. The number of shares of the Company's Class A Common Stock covered by such Awards is generally based upon the grade level of the officer or other key employee's position, but without regard to the individual's stock ownership or the number of options previously granted. In 2005, as part of the annual grant, the Committee granted a performance share unit award to T.W. Crawford. Based on the pre-defined performance measures, Mr. Crawford earned 5,000 shares of the Company's Class A Common Stock from this award, payable subject to vesting requirements at a rate of 20% of the earned award per year. Mr. Crawford was vested in 20% of this award for 2005, and thus received payment of 1,000 shares of the Company's Class A Common Stock.

Impact of Internal Revenue Code Section 162(m)

Internal Revenue Code Section 162(m) provides that compensation in excess of \$1 million paid to certain executive officers is not deductible unless it is performance-based. It is the policy of the Committee

periodically to review and consider whether particular compensation and incentive payments to the Company's executives will be deductible for federal income tax purposes. All but a de minimus portion of the Company's executive compensation satisfies the requirements for deductibility under Internal Revenue Code Section 162(m). However, the Committee retains the ability to evaluate the performance of the Company's executives, including the CEO, and to pay appropriate compensation, even if it may result in the non-deductibility of certain compensation under federal tax law.

**PROPOSAL 2 TO APPROVE THE AMENDED AND RESTATED
CRAWFORD & COMPANY U. K. SHARESAVE SCHEME**

General. Effective July 28, 1999, the Board of Directors adopted the Crawford & Company U. K. Sharesave Scheme (the "U. K. Scheme") in the form attached as Appendix A. On September 21, 1999, a registration statement on Form S-8 was filed covering five hundred thousand (500,000) shares of Class A Common Stock authorized for issuance under the U.K. Scheme. The purpose of the U.K. Scheme is to give any eligible U. The U. K. Scheme allows for eligible participants to set money aside through payroll deduction, not to exceed £250 per month, for three, five or seven year period Savings Contracts (as defined) and then to purchase shares at a discounted price, not less than 85% of the fair market value. Employees have been participating in the U.K. Scheme since 1999. Approximately 1,150 employees are eligible to participate in the U.K. Scheme.

On February 7, 2006 the Nominating/Corporate Governance/Compensation Committee of the Board of Directors approved a resolution to increase the number of shares authorized for issuance under the U.K. Scheme by an additional 500,000 shares of Class A Common Stock.

Authorization to Increase Shares Available Under the U.K. Sharesave Scheme. The vote required under Georgia law for the proposal to authorize the increase by 500,000 in the number of shares of Class A Common Stock available for issuance under the Crawford & Company U.K. Sharesave Scheme is a majority of the shares of Class B Common Stock present in person or represented by Proxy. For this purpose, abstentions are neither counted as votes cast for or against this proposal. In addition, to satisfy the NYSE listing standards, the proposal must also receive the affirmative vote of a majority of the votes cast on this proposal provided that the total number of votes cast on this matter represents greater than 50% of the Company's outstanding shares entitled to vote. For purposes of the NYSE listing standard, abstentions are counted as votes cast on this proposal and, as a result, have the same effect as a vote against the proposal. Proxies solicited by the Board of Directors will be voted in favor of this proposal, unless the shareholders specify in their proxies a contrary choice.

The Board of Directors unanimously recommends a vote FOR the authorization to increase the shares available under the Crawford & Company U.K. Sharesave Scheme.

PROPOSAL 3 RATIFICATION OF INDEPENDENT AUDITORS

Ernst & Young LLP has been selected by the Audit Committee of the Board of Directors to serve as independent auditors for the Company for the fiscal year 2006. Although the selection and appointment of independent auditors is not required to be submitted to a vote of shareholders, the Board of Directors has decided, as in the past, to ask the Company's shareholders to ratify this appointment. Despite the selection of Ernst & Young LLP as the Company's independent auditors and the ratification by the shareholders of that selection, the Audit Committee has the power at any time to select another auditor for 2006, without further shareholder action. A representative of Ernst & Young LLP will be present at the meeting and will be given an opportunity to make a statement, if he or she desires, and to respond to questions. In addition, a report of the Audit Committee in connection with the independence of the auditors, as well as other matters, follows the Board's recommendation on this matter below.

Fees Paid to Ernst & Young LLP

In addition to performing the audit of the Company's consolidated financial statements, Ernst & Young LLP provides some other permitted services to the Company and its foreign and domestic subsidiaries. Ernst & Young LLP has advised the Company that it has billed or will bill the Company the below indicated amounts for the following categories of services for the years ended December 31, 2005 and 2004:

	2005	2004
Audit fees(1)	\$ 2,160,000	\$ 2,031,140
Audit related fees(2)	217,450	106,050
Tax fees(3)	256,000	162,600
All other fees		
Total	\$ 2,633,450	\$ 2,299,790

(1) Audit fees include Sarbanes-Oxley Section 404 related fees.

(2) Audit related fees include: employee benefit plan audits, SAS 70 reports and accounting consultations.

(3) Tax fees consist principally of professional services rendered by Ernst & Young LLP for tax compliance and tax planning and advice.

The Audit Committee reviews and pre-approves in addition to all audit services, all non-audit services provided by the independent auditor. On an ongoing basis, management communicates specific projects and

categories of services to the Audit Committee on which advance approval is requested. The Audit Committee reviews these requests and votes by resolution its approval or rejection of such non-audit services after due deliberation.

Shareholder Vote

The proposal to ratify the appointment of Ernst & Young LLP to serve as independent auditors for the year 2006 will be adopted if the number of votes cast in favor of ratification exceeds the number of votes cast against ratification. Votes cast against and abstentions on this matter will be counted as votes against the matter. Because this is a routine matter, broker non-votes will not change the number of votes cast for or against the matter. If the shareholders do not ratify the selection of Ernst & Young LLP, the selection of the independent auditors for 2006 will be determined by the Audit Committee of the Board of Directors.

The Board of Directors unanimously recommends a vote FOR the approval of Ernst & Young LLP as the Company's independent auditors for 2006.

AUDIT COMMITTEE REPORT

In fulfilling its responsibilities to review the Company's financial reporting process, the Audit Committee (the Committee) has reviewed and discussed with the Company's management and the independent auditors the audited financial statements to be contained in the Annual Report on Form 10-K, for the fiscal year ended December 31, 2005. Management is responsible for the financial statements and the reporting process, including the system of internal controls. Independent auditors are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States.

The Committee discussed with the independent auditors the matters required to be discussed by Statement on Audit Standards No. 61, Communications with Audit Committee, as amended. In addition, the Committee has discussed with the independent auditors the auditors' independence from the Company and its management, including the matters in the written disclosure required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. In determining the independence of the auditors, the Committee has considered, among other matters, whether the provision of services, other than those related to the audit of the Company's annual financial statements, is compatible with maintaining the auditors' independence.

The Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee further discussed those items contained in NYSE Listing Rules Section 303(A)(6) and otherwise complied with the obligations stated therein. The Committee held five meetings during fiscal year 2005.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the Securities and Exchange Commission. The Audit Committee has selected Ernst & Young LLP as the Company's independent auditors for 2006, with this selection to be ratified by the shareholders.

The Company may also reimburse brokers, banks, nominees or other fiduciaries for the reasonable clerical expenses of forwarding the proxy material to their principals, the beneficial owners of the Company's Class A or Class B Common Stock.

4. EXERCISE OF OPTIONS

4.1 The exercise of any option shall be effected in the form and manner prescribed by the Board, provided that the monies paid for shares on such exercise shall not exceed the amount of the repayment made and any interest paid under the Savings Contract made in connection with the option.

4.2 Subject to sub-rules 4.3, 4.4 and 4.6 below and to Rule 6 below, an option shall not be capable of being exercised before the Bonus Date.

4.3 Subject to sub-rule 4.8 below:-

4.3.1 if any Participant dies before the Bonus Date, any option granted to him may (and must, if at all) be exercised by his personal representatives within 12 months after the date of his death, and

4.3.2 if he dies on or within 6 months after the Bonus Date, any option granted to him may (and must, if at all) be exercised by his personal representatives within 12 months after the Bonus Date, provided in either case that his death occurs at a time when he either holds the office or employment by virtue of which he is eligible to participate in this Scheme or is entitled to exercise the option by virtue of sub-rule 4.4 below.

4.4 Subject to sub-rule 4.8 below, if any Participant ceases to hold the office or employment by virtue of which he is eligible to participate in this Scheme (otherwise than by reason of his death), the following provisions apply in relation to any option granted to him:-

4.4.2 if he so ceases by reason only that the office or employment is in a company of which the Company ceases to have control, or relates to a business or part of a business which is transferred to a person who is neither an Associated Company of the Company nor a company of which the Company has

control, the option may (and subject to sub-rule 4.3 above must, if at all) be exercised within 6 months of his so ceasing;

4.4.3 if he so ceases for any other reason within 3 years of the grant of the option, the option may not be exercised at all;

4.4.4 if he so ceases for any other reason (except for dismissal for misconduct) more than 3 years after the grant of the option, the option may (and subject to sub-rule 4.3 above must, if at all) be exercised within 6 months of his so ceasing.

4.5 Subject to sub-rule 4.8 below, if, at the Bonus Date, a Participant holds an office or employment with a company which is not a Participating Company but which is an Associated Company or a company of which the Company has control, any option granted to him may (and subject to sub-rule 4.3 above must, if at all) be exercised within 6 months of the Bonus Date.

4.6 Subject to sub-rule 4.8 below, where any Participant continues to hold the office or employment by virtue of which he is eligible to participate in this Scheme after the date on which he reaches the age of 60, he may exercise any option within 6 months of that date.

4.7 Subject to sub-rule 4.3 above, an option shall not be capable of being exercised later than 6 months after the Bonus Date.

4.8 Where, before an option has become capable of being exercised, the Participant gives notice that he intends to stop paying monthly contributions under the Savings Contract made in connection with the option, or is deemed under its terms to have given such notice, or makes an application for repayment of the monthly contributions paid under it, the option may not be exercised at all.

4.9 A Participant shall not be treated for the purposes of sub-rules 4.3 and 4.4 above as ceasing to hold the office or employment by virtue of which he is eligible to participate in this Scheme until he ceases to hold an office or employment in the Company or any Associated Company or company of which the Company has control, and a female Participant who ceases to hold the office or employment by virtue of which she is eligible to participate in this Scheme by reason of pregnancy or confinement and who exercises her right to return to work under the Employment Rights Act 1996 before exercising her option shall be treated for the purposes of sub-rule 4.4 above as not having ceased to hold that office or employment.

4.10 A Participant shall not be eligible to exercise an option at any time:-

4.10.1 unless, subject to sub-rules 4.4 and 4.5 above, he is at that time a director or employee of a Participating Company;

4.10.2 if he is not at that time eligible to participate in this Scheme by virtue of paragraph 8 of Schedule 9 (*material interest in close company*).

4.11 An option shall not be capable of being exercised more than once.

4.12 Within 30 days after an option has been exercised by any person, the Board shall allot to him (or a nominee for him) or, as appropriate, procure the transfer to him (or a nominee for him) of the number of shares in respect of which the option has been exercised, provided that:-

4.12.1 the Board considers that the issue or transfer thereof would be lawful in all relevant jurisdictions; and

4.12.2 in a case where a Participating Company is obliged to (or would suffer a disadvantage if it were not to) account for any tax (in any jurisdiction) for which the person in question is liable by virtue of the exercise of the option and/or for any social security contributions recoverable from the person in question (together, the Tax Liability), that person has either:

(a) made a payment to the Participating Company of an amount equal to the Tax Liability; or

(b) entered into arrangements acceptable to that or another Participating Company to secure that such a payment is made (whether by authorising the sale of some or all of the shares on his

behalf and the payment to the Participating Company of the relevant amount out of the proceeds of sale or otherwise).

4.13 All shares allotted under this Scheme shall rank equally in all respects with shares of the same class then in issue except for any rights attaching to such shares by reference to a record date before the date of the allotment.

4.14 If shares of the same class as those allotted under this Scheme are listed on any stock exchange, the Company shall apply to that stock exchange for any shares so allotted to be admitted thereto.

5. TAKEOVER, RECONSTRUCTION AND WINDING UP

5.1 If any person obtains control of the Company (within the meaning of section 840 of the Taxes Act 1988) as a result of making a general offer to acquire shares in the Company, or having obtained control makes such an offer, the Board shall within 7 days of becoming aware thereof notify every Participant thereof and, subject to sub-rules 4.3, 4.4, 4.7 and 4.8 above, any option may be exercised within one month (or such longer period as the Board may permit) of the notification, but not later than 6 months after that person has obtained control.

5.2 For the purposes of sub-rule 5.1 above, a person shall be deemed to have obtained control of the Company if he and others acting in concert with him have together obtained control of it.

5.3 If a compromise or arrangement is effected for the purposes of or in connection with a scheme for the reconstruction of the Company or its amalgamation with any other company or companies, or if the Company passes a resolution for voluntary winding up, the Board shall forthwith notify every Participant thereof and, subject to sub-rules 4.3, 4.4, 4.7 and 4.8 above, any option may be exercised within one month of the notification, but to the extent that it is not exercised within that period shall (notwithstanding any other provision of this Scheme) lapse on the expiration of that period.

5.4 If any company (the acquiring company):-

5.4.1 obtains control of the Company as a result of making-

(a) a general offer to acquire the whole of the issued ordinary share capital of the Company which is made on a condition such that if it is satisfied the acquiring company will have control of the Company, or

(b) a general offer to acquire all the shares in the Company which are of the same class as the shares which may be acquired by the exercise of options granted under this Scheme, any Participant may at any time within the appropriate period (which expression shall be construed in accordance with paragraph 15(2) of Schedule 9), by agreement with the acquiring company, release any option which has not lapsed (the old option) in consideration of the grant to him of an option (the new option) which (for the purposes of that paragraph) is equivalent to the old option but relates to shares in a different company (whether the acquiring company itself or some other company falling within paragraph 10(b) or (c) of Schedule 9).

5.5 The new option shall not be regarded for the purposes of sub-rule 5.4 above as equivalent to the old option unless the conditions set out in paragraph 15(3) of Schedule 9 are satisfied, but so that the provisions of this Scheme shall for this purpose be construed as if:-

5.5.1 the new option were an option granted under this Scheme at the same time as the old option;

5.5.2 except for the purposes of the definitions of Participating Company and Subsidiary in sub-rule 1.1 and sub-rules 4.4.2, 4.5 and 4.9 above, the expression the Company were defined as a company whose shares may be acquired by the exercise of options granted under this Scheme ;

5.5.3 the Savings Contract made in connection with the old option had been made in connection with the new option; and

5.5.4 the Bonus Date in relation to the new option were the same as that in relation to the old option.

6. VARIATION OF CAPITAL

6.1 Subject to sub-rule 6.3 below, in the event of any variation of the share capital of the Company, the Board may make such adjustments as it considers appropriate under sub-rule 6.2 below.

6.2 An adjustment made under this sub-rule shall be to one or more of the following:-

6.2.1 the price at which shares may be acquired by the exercise of any option;

6.2.2 where any option has been exercised but no shares have been allotted or transferred pursuant to the exercise, the price at which they may be acquired.

6.3 At a time when this Scheme is approved by the Inland Revenue under Schedule 9, no adjustment under sub-rule 6.2 above shall be made without the prior approval of the Inland Revenue.

6.4 An adjustment under sub-rule 6.2 above may have the effect of reducing the price at which shares may be acquired by the exercise of an option to less than their nominal value, but only if and to the extent that the Board shall be authorised to capitalise from the reserves of the Company a sum equal to the amount by which the nominal value of the shares in respect of which the option is exercised exceeds the price at which the shares may be subscribed for and to apply that sum in paying up that amount on the shares; and so that on the exercise of any option in respect of which such a reduction shall have been made the Board shall capitalise that sum (if any) and apply it in paying up that amount.

7. ALTERATIONS

The Board may at any time alter this Scheme, provided that no alteration shall be made at a time when this Scheme is approved by the Inland Revenue under Schedule 9 without the prior approval of the Inland Revenue.

8. MISCELLANEOUS

8.1 The rights and obligations of any individual under the terms of his office or employment with the Company or a Subsidiary shall not be affected by his participation in this Scheme or any right which he may have to participate in it, and an individual who participates in it shall waive all and any rights to compensation or damages in consequence of the termination of his office or employment for any reason whatsoever insofar as those rights arise or may arise from his ceasing to have rights under or be entitled to exercise any option as a result of such termination.

8.2 In the event of any dispute or disagreement as to the interpretation of this Scheme, or as to any question or right arising from or related to this Scheme, the decision of the Board shall be final and binding upon all persons.

8.3 The Company and any Subsidiary may provide money to the trustees of any trust or any other person to enable them or him to acquire shares to be held for the purposes of the Scheme, or enter into any guarantee or indemnity for those purposes, to the extent permitted by any applicable laws.

8.4 Any notice or other communication under or in connection with this Scheme may be given by personal delivery or by sending it by post, in the case of a company to its registered office, and in the case of an individual to his last known address, or, where he is a director or employee of the Company or a Subsidiary, either to his last known address or to the address of the place of business at which he performs the whole or substantially the whole of the duties of his office or employment.
