PROXY STATEMENT
Annual Meeting of Stockholders
To Be Held On May 25, 2006
GENERAL INFORMATION**

The enclosed form of proxy is solicited by the Board of Directors (the **Board**) of Per-Se Technologies, Inc. (the **Company** or **Per-Se**), which has its principal executive offices at 1145 Sanctuary Parkway, Suite 200, Alpharetta, Georgia 30004, for use at the Annual Meeting of Stockholders to be held at 10:00 a.m. local time on Thursday, May 25, 2006, at the JW Marriott Hotel (formerly the Pan Pacific San Francisco Hotel), 500 Post Street Union Square, San Francisco, California 94102, and any adjournment thereof. It is anticipated that this proxy statement (**Proxy Statement**) and the accompanying proxy will first be mailed to stockholders on or about April 25, 2006.

Only stockholders of record as of the close of business on March 28, 2006 (the **Record Date**), will be entitled to vote at the Annual Meeting. As of that date, the Company had outstanding 38,956,101 shares of common stock, \$.01 par value (**Common Stock**). Each share of Common Stock is entitled to one vote. No cumulative voting rights are authorized and appraisal rights for dissenting stockholders are not applicable to the matters being proposed.

When a proxy is properly executed and returned, the shares it represents will be voted as directed at the meeting and any adjournment thereof or, if no direction is indicated, such shares will be voted according to the recommendations of the Board. The Board's recommendations are set forth in this Proxy Statement with the descriptions of the matters to be voted on. In summary, the Board recommends a vote **FOR** each of the director nominees, **FOR** ratification of the appointment of Ernst & Young LLP as independent auditors and **FOR** the long-term incentive plan. Any stockholder giving a proxy has the power to revoke it at any time before it is voted. Revocation of a proxy is effective upon receipt by the Secretary of the Company of either (i) an instrument revoking such proxy or (ii) a duly executed proxy bearing a later date. Furthermore, if a stockholder attends the Annual Meeting and elects to vote in person, any previously executed proxy is thereby revoked, except that beneficial owners who hold their stock in street name cannot revoke their proxies in person at the meeting because the stockholders of record who have the right to cast the votes will not be present. If they wish to change their votes after returning voting instructions, such beneficial owners should contact their brokers or other agents before the Annual Meeting to determine whether they can do so.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspector of elections appointed for the meeting who will also determine whether a quorum is present for the transaction of business. The Company's Restated By-laws, as amended (the **By-laws**), provide that a quorum is present if the holders of a majority of the issued and outstanding stock of the Company entitled to vote at the meeting are present in person or represented by proxy. Abstentions will be counted as shares that are present and entitled to vote for purposes of determining whether a quorum is present, and thus will have the effect of a vote against a proposal that requires the affirmative vote of a majority of the shares held by the stockholders present in person or by proxy and entitled to vote thereon. Shares held by nominees for beneficial owners will also be counted for purposes of determining whether a quorum is present if the nominee has the discretion to vote on at least one of the matters presented and even though the nominee may not exercise discretionary voting power with respect to other matters and voting instructions have not been received from the beneficial owner (a **broker non-vote**). Broker non-votes will not have the effect of votes for or against matters presented for stockholder consideration.

Stockholders have a choice of voting over the Internet, by telephone or by using a traditional proxy card. Please review your proxy or voting instructions card to see which specific voting methods are available to you. Voting instructions are included on the proxy or voting instructions card. The Internet and telephone voting

Table of Contents

procedures are designed to authenticate stockholders' identities, to allow stockholders to vote and to allow stockholders to confirm that their instructions have been properly recorded.

Stockholders can elect to view proxy statements, annual reports and other stockholder communications over the Internet instead of receiving paper copies in the mail. Information about making that election is available by following the instructions on your proxy card, or by following the prompts if voting over the Internet or by telephone. Please consider making that election when voting your proxy.

**ELECTION OF DIRECTORS
(Proposal 1)**

The Board recommends the election of each of the nominees listed below for the office of director to hold office until the next Annual Meeting and until his successor is elected and qualified. All of such nominees are members of the present Board. Each of such nominees was elected by the stockholders at the last Annual Meeting.

The Board has no reason to believe that any of the director nominees will be unavailable for election as a director. If, however, at the time of the Annual Meeting any of the nominees should be unable or decline to serve, the persons named in the proxy will vote for such substitute nominees, vote to allow the vacancy created thereby to remain open until filled by the Board, or vote to reduce the number of directors for the ensuing year, as the Board recommends. In no event, however, can the proxy be voted to elect more than seven directors. The election of the nominees to the Board requires the affirmative vote of a plurality of the votes cast by stockholders present at the Annual Meeting in person or by proxy. With respect to the election of directors, stockholders may: (i) vote for all of the director nominees, (ii) withhold authority to vote for all of the nominees, or (iii) withhold authority to vote for any individual nominee or nominees but vote for all other nominees. Votes that are withheld will have no effect on the election of directors. Stockholders eligible to vote at the Annual Meeting do not have cumulative voting rights with respect to the election of directors.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE
STOCKHOLDERS VOTE FOR THE ELECTION OF THE SEVEN NOMINEES
NAMED IN THIS PROXY STATEMENT

Independent Directors

The Board consists of a substantial majority of independent directors, as independence is defined in National Association of Securities Dealers, Inc. (NASD) Rule 4200(a)(15), the standard applicable to the Company as a Nasdaq-listed issuer. The directors that the Board has determined to be independent under NASD Rule 4200(a)(15) are John W. Clay, Jr., John W. Danaher, M.D., Craig Macnab, C. Christopher Trower, and Jeffrey W. Ubben. The independent directors meet regularly in executive sessions at which only independent directors are present, in accordance with NASD Rule 4350(c)(2).

In May 2003, in connection with Philip M. Pead s election as the Company s Chairman of the Board, the Board established the position of Lead Independent Director. Mr. Trower currently serves as the Lead Independent Director. The primary duties of the Lead Independent Director are to chair meetings of the independent directors, to consult with the Chairman of the Board regarding Board meeting agendas, schedules and information flow, to facilitate communications between the independent directors, the Chairman and management, and to be of counsel to the Chairman and Chief Executive Officer.

Committees of the Board

The Board has established four standing committees: the Audit, Compensation, Compliance, and Governance Committees. The Audit, Compensation and Governance Committees consist entirely of independent directors as defined by NASD Rule 4200(a)(15). The Compliance Committee consists of a majority of independent directors. The members and the Chairman of each committee are nominated by the Governance Committee (which also serves as a nominating committee) and are elected by the Board. All of the committees report on their activities to the Board.

The Audit Committee of the Board (the Audit Committee) is composed of Craig Macnab, Chairman, John W. Clay, Jr., and C. Christopher Trower, each of whom meet the requirements for audit committee membership set forth in NASD Rule 4350(d)(2), including the criteria for independence set forth in Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended. The Board believes that the Chairman of the Audit Committee, Mr. Macnab, qualifies as an audit committee financial expert within the meaning of rules adopted by the Securities and Exchange Commission under Section 407 of the Sarbanes-Oxley Act of 2002. In addition, the Board believes that Mr. Macnab s past experience and background results in his financial sophistication within the meaning of NASD Rule 4350(d)(2). The Audit Committee has direct responsibility for the appointment, determination of compensation and oversight of the Company s independent auditors, oversight of management s fulfillment of its financial reporting and disclosure responsibilities, oversight of the Company s internal audit function, and maintenance of procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters,

Table of Contents

including the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters. A copy of the Charter of the Audit Committee, which specifies the items enumerated in NASD Rule 4350(d)(1), is posted in the corporate governance area of the investors section of the Company's Internet website at www.per-se.com. The Audit Committee reviews and reassesses the adequacy of its Charter on an annual basis, in accordance with NASD Rule 4350(d)(1).

The Compensation Committee of the Board (the Compensation Committee) is composed of Jeffrey W. Ubben, Chairman, John W. Clay, Jr., John W. Danaher, M.D., and C. Christopher Trower, each of whom is independent as defined by NASD Rule 4200(a)(15). The duties of the Compensation Committee include determining all compensation, allowances and benefits for officers of the Company. The Committee makes such determination with respect to the Chief Executive Officer of the Company at a meeting in executive session, at which only members of the Compensation Committee are present. A copy of the Charter of the Compensation Committee, which addresses such determinations, is posted in the corporate governance area of the investors section of the Company's Internet website at www.per-se.com. The Compensation Committee's policies applicable to compensation of the Company's executive officers during 2005 are described herein under the caption Compensation Committee Report on Executive Compensation.

The Compliance Committee of the Board (the Compliance Committee) is composed of John W. Danaher, M.D., Chairman, John W. Clay, Jr., Philip M. Pead, and C. Christopher Trower. The Compliance Committee has oversight responsibility for the Company's compliance with laws, rules and regulations applicable to the conduct of its medical billing and collection activities, electronic claims processing activities, and other aspects of its business operations, including compliance with regulations issued under the Health Insurance Portability and Accountability Act of 1996 (HIPAA). The Compliance Committee may exercise such additional authority as may be prescribed from time to time by resolution of the Board.

The Governance Committee of the Board (the Governance Committee) is composed of C. Christopher Trower, Chairman, John W. Clay, Jr., John W. Danaher, M.D., Craig Macnab, and Jeffrey W. Ubben, each of whom is independent as defined by NASD Rule 4200(a)(15). The Governance Committee is responsible for reviewing and assessing the composition and performance of the Board and formulating policies with respect to corporate governance. The Governance Committee also serves as a nominating committee to select nominees for election to the Board, and will consider nominees recommended by stockholders if such recommendations are submitted to the Board in accordance with the procedures specified in the By-laws for direct nominations of director candidates by stockholders. A description of those procedures is included herein under the caption Stockholder Nominees.

Nominees for Board membership must have appropriate business background and industry, technical and functional expertise related to the Company's products and services, and must meet the requirements of applicable Securities and Exchange Commission and Nasdaq rules regarding director and committee member qualification. The Governance Committee has, however, refrained from establishing more specific standing requirements for Board membership, because the specific skills and expertise required of Board members may vary from time to time, depending on the composition of the Board and an assessment of the needs of the Board and the Company at such time. The Governance Committee periodically examines the composition of the Board of Directors to determine whether the Board would better serve its purposes with the addition of one or more directors. If the Governance Committee determines that adding a new director is advisable, the Committee will initiate a search, working with other directors and management to identify qualified candidates. The Governance Committee identifies and evaluates all potential nominees for director, including any nominees that may be recommended by stockholders, on a case-by-case basis and it has not established any differences in the manner in which it evaluates nominees based on whether the nominee is recommended by a stockholder. Copies of the Charter of the Governance Committee and the Company's Corporate Governance Guidelines, which address the Governance Committee's director nominations function and related matters, are posted in the corporate governance area of the investors section of the Company's Internet website at www.per-se.com.

Table of Contents**Meetings in 2005; Attendance**

During 2005, the Board met fifteen (15) times, the Audit Committee met thirteen (13) times, the Compensation Committee met six (6) times, the Compliance Committee met four (4) times and the Governance Committee met four (4) times. Each of the incumbent directors attended 75% or more of the aggregate number of meetings of the Board and all committees on which he served. Each Board member is expected to attend the Annual Meetings of Stockholders of the Company, and all of the directors attended the Company's 2005 Annual Meeting of Stockholders.

Non-Employee Directors Compensation

The Company maintains a non-employee director compensation plan, which is intended to compensate non-employee members of the Board fairly for their talents and time spent on behalf of the Company. The plan provides both cash and equity compensation. The cash compensation consists of an annual retainer for Board membership in the amount of \$16,000, and a fee in the amount of \$1,000 for each Board meeting attended. In addition, the Lead Independent Director and the Board committee chairmen receive annual retainers, and the members of the committees including the committee chairmen receive fees for each committee meeting attended. The annual retainer for the Lead Independent Director is \$32,000, the annual retainer for the Audit Committee chair is \$4,000, the annual retainer for the Compensation Committee chair is \$3,000, and the annual retainer for the other committee chairs is \$2,000. The Audit Committee meeting fee is \$2,000 per meeting attended, and the meeting fee for the other committees is \$1,000 per meeting attended.

The Company reimburses each director for out-of-pocket expenses associated with each Board or committee meeting attended and for each other business meeting at which the Company has requested the director's presence.

Non-employee directors may elect to defer receipt and taxation of their cash fees and retainers by participating in the Company's Deferred Stock Unit Plan (the "Deferred Stock Unit Plan"), under which each non-employee director of the Company and certain selected key employees are permitted to defer cash compensation in the form of deferred stock units, each of which is deemed to be equivalent to one share of Common Stock. At a designated future distribution date selected by the participant, the stock units accumulated in the participant's account under the Deferred Stock Unit Plan will be distributed in the form of Common Stock, and will be taxable to the participant at that time based on the fair market value of the Common Stock.

As of March 28, 2006, the non-employee directors participating in the Deferred Stock Unit Plan and the total deferred stock units accumulated by each of them were as follows:

Name	Deferred Stock Units
John W. Clay, Jr.	2,008
Craig Macnab	17,939
C. Christopher Trower	40,821

The equity compensation under the non-employee director compensation plan consists of an initial grant of 10,000 stock options (upon first election or appointment to the Board) and an annual grant of 10,000 stock options for each year of service thereafter. Such options are granted under the Amended and Restated Per-Se Technologies, Inc. Non-Employee Director Stock Option Plan (the "Director Stock Option Plan").

Pursuant to the Company's stock ownership guidelines, each non-employee director is expected to achieve a significant level of ownership of the Company's Common Stock within five years of election to the Board. The current target ownership level for each non-employee director is five times the director's annual retainer for service on the Board and its committees. All non-employee directors whose target ownership levels were to have been achieved on or before April 18, 2006, have met their respective ownership targets. See Compensation Committee Report on Executive Compensation Stock Ownership Guidelines.

EMPLOYMENT AGREEMENTS

In November 2000, in connection with his promotion to President and Chief Executive Officer of the Company, the Company and Philip M. Pead entered into a three-year employment agreement, which contains certain non-competition, non-solicitation and change in control provisions. That agreement provides that Mr. Pead will be paid a base salary of \$310,000 per year, subject to adjustments in the normal course of business, and that he is eligible for an annual incentive compensation payment of up to 100% of his base salary, payable at the discretion of the Board. Upon early termination of Mr. Pead's employment other than for cause or by Mr. Pead for good reason, Mr. Pead is entitled to severance consideration equal to two years of salary continuation at his then current salary level, but without the right to receive any incentive bonus payments, and two years of health and welfare benefits continuation. In the event Mr. Pead's employment is terminated in connection with a change in control, he is entitled to receive a severance payment equal to two years of salary and benefits, including incentive bonus payments. A change in control is generally defined in the agreement as any consolidation, merger, reorganization or other transaction in which the Company is not the surviving entity or certain changes in the composition of the Board. In all such events of termination, Mr. Pead is entitled to a tax equalization payment with respect to any tax that may be imposed by Section 4999 of the Internal Revenue Code of 1986, as amended (the Code). The Company also agreed to loan Mr. Pead the amount of \$250,000 to purchase shares of Common Stock, and Mr. Pead used that amount in November 2000 to purchase an aggregate of 74,000 shares of Common Stock. The loan, which was repaid in full in April 2006, was evidenced by a promissory note executed by Mr. Pead and secured by those shares. Its terms and the repayment thereof are described herein under the caption Certain Relationships and Related Transactions. In May 2003, in connection with Mr. Pead's election as Chairman of the Board, the employment agreement was amended to extend its term for three years, to increase his base salary to \$375,000, and to provide that he is eligible for a bonus payment of up to 130% of his base salary. As provided in the agreement, the term thereof has continued in effect beyond the extended three-year term for successive two-year terms. The current term of the agreement extends to May 7, 2008. As a result of subsequent evaluations by the Board of Mr. Pead's performance and reviews by the Compensation

Committee of his compensation, Mr. Pead's base salary was increased to \$425,000 effective as of January 1, 2004, to \$500,000 effective as of January 14, 2005, and to \$650,000 effective as of January 9, 2006.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

As of the date hereof, the Compensation Committee consists of the four independent directors whose names appear below. The Compensation Committee's policies applicable to compensation of the Company's executive officers (including the named executive officers) during 2005 are described below.

Compensation Components and Philosophy. The components of the Company's executive compensation program consist of base salaries, benefits and perquisites, cash bonuses, stock options, and other long-term incentives. The Company's compensation program is structured and administered to support the Company's business mission, which is to enable healthcare providers to achieve their income potential by creating an environment that streamlines and simplifies the complex administrative burden of providing healthcare, and in so doing to generate favorable returns for its stockholders. The program is designed to provide total compensation that represents competitive compensation for the Company's executive officers, including incentive compensation and other long-term incentives that motivate the Company's executive officers to achieve strategic business objectives over the long term.

Base Salary. Each executive officer's base salary, including the base salary of the Chief Executive Officer, is based primarily upon the competitive market for the executive officer's services. In addition to competitive compensation information, the Compensation Committee evaluates certain qualitative factors, such as the Chief Executive Officer's and the Compensation Committee's perceptions of each executive officer's performance (i.e., experience, responsibilities assumed, demonstrated leadership ability, and overall effectiveness) during the preceding year. Other factors considered by the Compensation Committee in evaluating base salary include the level of an executive's compensation in relation to other executives in the Company with the same, more and less responsibilities than the particular executive, inflation, the performance of the executive's division or group in relation to established operating budgets, and the Company's guidelines for salary increases for non-executive employees determined during the Company's annual budgeting and planning process. Additionally, for executive officers, compensation arrangements are often set forth in employment contracts with specified terms.

Cash Bonus Awards. Each executive officer is eligible to receive an annual cash bonus award. These cash bonuses generally are paid pursuant to an incentive compensation plan established at the beginning of each fiscal year in connection with the Company's preparation of its annual operating budget for such year. The amounts of such awards are based on the performance of the Company, the performance of the business units reporting to the executive, and the performance of the executive, measured in each case against attainment of established objectives. For 2005, annual cash bonuses to the Chief Executive Officer and the Chief Financial Officer were awarded under the 2005 Senior Executive Incentive Compensation Plan, which provided for the payment of bonuses based on the Company's percentage increase in adjusted diluted earnings per share for fiscal year 2005 over fiscal year 2004. Annual cash bonuses to all other executive officers were awarded under the 2005 Senior Management Incentive Compensation Plan, which provided for the payment of bonuses based 75% on the Company's increase in adjusted operating income for fiscal year 2005 over fiscal year 2004 and 25% on individual performance objectives.

Stock Option Awards. The Company maintains stock option plans that are designed to align executives' and stockholders' interests in the enhancement of stockholder value. Stock options are granted under these plans by the Compensation Committee. Executive officers, including the Chief Executive Officer, are eligible to receive options under these plans. To encourage long-term performance, executive options typically vest over a three to five year period and remain outstanding for ten to eleven years.

In making its decisions to approve stock option awards to executives, the Compensation Committee evaluates the Company's consolidated profitability for the year, the Company's growth plans, the desirability of long-term service from an executive, the number of options held by other executives in the Company with similar responsibilities as the executive at issue, the amount and terms of options already held by the executive, and the compensation practices of the Company's competitors.

Deductibility of Certain Compensation. Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to publicly held corporations for compensation in excess of \$1 million in any taxable

Table of Contents

year that is paid to the corporation's chief executive officer or to the four other most highly compensated executive officers. The Company's compensation plans permit the grant of stock options and other awards that are fully deductible under Section 162(m). It is the Compensation Committee's intent to maximize the deductibility of executive compensation while retaining the discretion necessary to compensate executive officers in a manner commensurate with performance and the competitive market for executive talent. No executive of the Company received compensation in 2005 that was subject to the Section 162(m) limitation.

Chief Executive Officer Compensation. Mr. Pead's compensation is paid in accordance with the terms of his employment agreement, the terms of which are described elsewhere in this Proxy Statement. Mr. Pead's 2005 base salary (which reflects adjustments for increases given in the normal course of business) was \$500,000. As a result of the Board's evaluation of Mr. Pead's performance during 2005 and a review by the Compensation Committee of Mr. Pead's compensation, the Compensation Committee approved an increase of Mr. Pead's base salary to \$650,000, effective as of January 9, 2006. The Compensation Committee has also awarded Mr. Pead an annual cash bonus for 2005 in the amount of \$355,437, based upon the achievement of adjusted diluted earnings per share objectives, as noted above under the caption *Cash Bonus Awards*.

Stock Ownership Guidelines. In March 2001, the Board adopted stock ownership guidelines for directors and certain key executive officers. The stock ownership guidelines reflect the Company's view that the best way to reinforce the link between the interests of the directors and executive officers, on the one hand, and the interests of the stockholders, on the other, is for the directors and executives to own significant amounts of the Company's Common Stock. It is expected that the Company's directors and executives will demonstrate their confidence in the Company's future by increasing ownership of the Common Stock in accordance with these guidelines. The target ownership levels are as follows:

Directors:	5x annual retainer
Chief Executive Officer:	5x base salary
Other Named Executive Officers:	2x base salary

For example, if an executive has a base salary of \$200,000, and the target ownership level is 2x base salary, then the value of the Common Stock owned by that executive should be \$400,000. The target ownership levels are intended to be achieved over a period of five years, with any new named executive officers or directors having five years from the date they are hired, promoted or elected to the Board to achieve such ownership. The shares owned at that time will be valued for compliance purposes at their then-fair market value (rather than historical cost or investment). The then-applicable target stock ownership levels will, likewise, be based on compensation then in effect (therefore, if compensation increases, the target ownership levels will also increase). Shares that count toward reaching target ownership levels include stock owned outright, vested shares in qualified benefit plans (e.g., a 401(k) or employee stock purchase plan), and vested stock units in the Deferred Stock Unit Plan. Unexercised stock options will not be counted toward target stock ownership. Progress toward compliance with the target stock ownership levels is monitored quarterly by the Compensation Committee. All directors and named executive officers whose target ownership levels were to have been achieved on or before April 18, 2006, have met their respective ownership targets.

**RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS
(Proposal 2)**

The Audit Committee has appointed the firm of Ernst & Young LLP (Ernst & Young), an independent registered public accounting firm, to serve as the Company s principal independent auditors for 2006, and the Board has directed management to submit Ernst & Young s appointment for ratification by the stockholders at the Annual Meeting.

Ernst & Young has served as the Company s principal independent auditors since June 14, 2001. One or more representatives of Ernst & Young will be present at the Annual Meeting, will have the opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

Stockholder ratification of the appointment of Ernst & Young as the Company s independent auditors is not required by our By-laws or otherwise, since the Audit Committee has the responsibility for appointing auditors; however, the appointment is being submitted for ratification at the Annual Meeting as a matter of good corporate governance. The affirmative vote of holders of a majority of the shares present or represented by proxy and entitled to vote at the meeting is needed to ratify the appointment of Ernst & Young as the Company s independent auditors. No determination has been made as to what action the Board would take if stockholders do not ratify the appointment.

**APPROVAL OF THE 2006 LONG-TERM INCENTIVE PLAN
(Proposal 3)**

On March 1, 2006, the Board adopted, subject to stockholder approval at the Annual Meeting, the Per-Se Technologies, Inc. 2006 Long-Term Incentive Plan (the "LTIP"). The LTIP will become effective as of the date it is approved by the stockholders.

The Board has determined that the LTIP is in the best interests of the Company and its stockholders. The LTIP will enable the Company to continue to provide equity-based compensation to key employees and others upon whose judgment, interest, and special effort the successful performance of the Company's operation is largely dependent. The Board believes that awards of equity-based compensation are an effective method to attract, motivate and retain such persons and to align their interests with the interests of the Company's stockholders, and that the LTIP is important to the Company's business prospects and operations.

As of April 18, 2006, there were approximately 100 of the Company's employees, officers and directors that would be eligible to participate in the LTIP.

The Company also maintains a number of other equity-based compensation plans, as described in this Proxy Statement under the caption "Equity Compensation Plan Information." As of March 28, 2006, a total of approximately 5,705,499 shares were issuable upon the exercise of outstanding options and rights granted under such plans, with a weighted-average exercise price of \$12.27614 and a weighted-average remaining contractual life of 7.07 years. As of that date, a total of approximately 136,032 shares remained available for future stock option grants (excluding shares under the Non-Executive Stock Option Plan, from which the Compensation Committee has resolved no further grants shall be made), and a total of approximately 552,304 shares remained available for future issuance under the Deferred Stock Unit Plan. Therefore, if the Company's stockholders approve the LTIP, under which 1,500,000 shares are reserved for issuance, a total of approximately 2,188,336 shares will be available for future issuance by the Company under its equity-based compensation plans.

A summary of the LTIP is set forth below. This summary is qualified in its entirety by the full text of the LTIP, which is attached to this Proxy Statement as *Appendix A*.

Summary of the LTIP

Purpose. The purpose of the LTIP is to promote the Company's success by linking the personal interests of the Company's employees, officers, directors and consultants to those of the Company's stockholders, and by providing participants with an incentive for outstanding performance.

Permissible Awards. The LTIP authorizes the granting of awards in any of the following forms:

options to purchase shares of the Company's Common Stock, which may be nonstatutory stock options or incentive stock options under the Code;

stock appreciation rights, which give the holder the right to receive the difference (payable in cash or stock, as specified in the award certificate) between the fair market value per share of the Company's Common Stock on the date of exercise over the grant price;

restricted stock, which is subject to restrictions on transferability and subject to forfeiture on terms set by the Compensation Committee;

restricted or deferred stock units, which represent the right to receive shares of the Company's Common Stock (or an equivalent value in cash or other property, as specified in the award certificate) in the future, based upon the attainment of stated vesting or performance criteria in the case of restricted stock units;

performance awards, which are payable in cash or stock (as specified in the award certificate) upon the attainment of specified performance goals;

Table of Contents

dividend equivalents, which entitle the participant to payments (or an equivalent value payable in stock or other property) equal to any dividends paid on the shares of stock underlying such full-value award;

performance-based cash awards; and

other stock-based awards in the discretion of the Compensation Committee, including unrestricted stock grants.

Shares Available for Awards. Subject to adjustment as provided in the LTIP, the aggregate number of shares of the Company's Common Stock reserved and available for issuance pursuant to awards granted under the LTIP is 1,500,000.

Limitations on Individual Awards. The maximum number of shares of Common Stock that may be covered by options and stock appreciation rights granted under the LTIP to any one person during any one calendar year is 250,000. The maximum number of shares of Common Stock that may be granted under the LTIP in the form of full-value awards (such as restricted stock, restricted stock units, deferred stock units, performance shares or other stock-based awards other than options or stock appreciation rights) under the LTIP to any one person during any one calendar year is 250,000. The aggregate dollar value of any cash-based award that may be paid to any one participant during any one calendar year under the LTIP is \$1,000,000.

Administration. The LTIP will be administered by the Compensation Committee of the Board. The committee will have the authority to designate participants; determine the type or types of awards to be granted to each participant and the number, terms and conditions thereof; establish, adopt or revise any rules and regulations as it may deem advisable to administer the LTIP; and make all other decisions and determinations that may be required under the LTIP. The full Board may at any time administer the LTIP. If it does so, it will have all the powers of the Compensation Committee under the LTIP.

Performance Goals. All options and stock appreciation rights granted under the LTIP will be exempt from the \$1,000,000 deduction limit imposed by Code Section 162(m). The Compensation Committee may designate any other award granted under the LTIP as a qualified performance-based award in order to make the award fully deductible without regard to the \$1,000,000 deduction limit imposed by Code Section 162(m). If an award is so designated, the committee must establish objectively determinable performance goals for the award based on one or more of the following business criteria, which may be expressed in terms of company-wide objectives or in terms of objectives that relate to the performance of an affiliate or a division, region, department or function within the company or an affiliate:

Revenue

Sales

Profit (net profit, gross profit, operating profit, economic profit, profit margins or other corporate profit measures)

Earnings (EBIT, EBITDA, earnings per share, or other corporate earnings measures)

Net income (before or after taxes, operating income or other income measures)

Cash (cash flow, cash generation or other cash measures)

Stock price or performance

Total stockholder return (stock price appreciation plus reinvested dividends divided by beginning share price)

Return measures (including, but not limited to, return on assets, capital, equity, or sales, and cash flow return on assets, capital, equity, or sales)

Market share

Improvements in capital structure

Expenses (expense management, expense ratio, expense efficiency ratios or other expense measures)

22

Table of Contents

Business expansion or consolidation (acquisitions and divestitures)

Internal rate of return or increase in net present value

Working capital targets relating to inventory and/or accounts receivable

The Compensation Committee must establish such goals at the beginning of the period for which such performance goal relates (or such later date as may be permitted under applicable tax regulations) and the committee may for any reason reduce (but not increase) any award, notwithstanding the achievement of a specified goal.

Limitations on Transfer; Beneficiaries. No award will be assignable or transferable by a participant other than by will or the laws of descent and distribution; *provided, however*, that the Compensation Committee may permit other transfers (other than transfers for value) where it concludes that such transferability does not result in accelerated taxation, does not cause any option intended to be an incentive stock option to fail to qualify as such, and is otherwise appropriate and desirable, taking into account any factors deemed relevant, including without limitation, any state or federal tax or securities laws or regulations applicable to transferable awards. A participant may, in the manner determined by the Compensation Committee, designate a beneficiary to exercise the rights of the participant and to receive any distribution with respect to any award upon the participant's death.

Acceleration Upon Certain Events. Unless otherwise provided in an award certificate or any special plan document governing an award:

if a participant's service terminates by reason of death or disability (a) all of that participant's outstanding service-based awards will become fully vested, and (b) all of that participant's outstanding performance-based awards will become fully vested, with the level of such vested amount to be determined based on an assumed achievement of performance goals at target levels, and there will be a payout of such awards to the participant or his or her estate as soon as practicable after the amount earned has been determined (or, if later, the first date that such payment may be made without causing a violation of Section 409A of the Code);

upon a change in control, and except with respect to any awards assumed by the surviving entity or otherwise equitably converted or substituted in connection with the change in control: (a) all outstanding service-based awards will become fully vested, and (b) all outstanding performance-based awards will become fully vested, with the level of such vested amount to be determined based on an assumed achievement of performance goals at target levels, and there will be a payout of such awards as soon as practicable after the amount earned has been determined (or, if later, the first date that such payment may be made without causing a violation of Section 409A of the Code); and

with respect to any awards assumed by the surviving entity or otherwise equitably converted or substituted in connection with a change in control: if within two years after the effective date of the change in control, a participant's employment is terminated by us without cause (or if the participant resigns for good reason as provided in any employment, severance or similar agreement between that participant and us or one of the Company's affiliates), then (a) all of that participant's outstanding service-based awards will become fully vested, and (b) all of that participant's outstanding performance-based awards will become fully vested, with the level of such vested amount to be determined based on an assumed achievement of performance goals at target levels, and there will be a payout of such awards to the participant as soon as practicable after the amount earned has been determined (or, if later, the first date that such payment may be made without causing a violation of Section 409A of the Code).

In addition, subject to limitations applicable to certain qualified performance-based awards, the Compensation Committee may, in its discretion accelerate awards upon the termination of service of a participant or the occurrence of a change in control. The committee may discriminate among participants or among awards in exercising such discretion.

Table of Contents

Adjustments. In the event of a stock-split, a declaration of a dividend payable in shares of Common Stock, or a combination or consolidation of the Company's Common Stock to a lesser number of shares, the share authorization and annual grant limits under the LTIP will automatically be adjusted proportionately, and the shares then subject to each award will automatically be adjusted proportionately without any change in the aggregate purchase price for such award. If we are involved in another corporate transaction or event that affects the Company's Common Stock, such as an extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares, the share authorization and annual grant limits under the LTIP will be adjusted proportionately, and the Compensation Committee may adjust the LTIP and outstanding awards to preserve the benefits or potential benefits of the awards.

Termination and Amendment. The Board or the Compensation Committee may, at any time and from time to time, terminate or amend the LTIP, but if an amendment would constitute a material amendment requiring stockholder approval under applicable listing requirements, laws, policies or regulations, then such amendment will be subject to stockholder approval. In addition, the Board or the Compensation Committee may condition any amendment on the approval of the Company's stockholders for any other reason. No termination or amendment of the LTIP may, without the written consent of the participant, reduce or diminish the value of an award determined as if the award had been exercised, vested, cashed in or otherwise settled on the date of such amendment or termination.

The Compensation Committee may amend or terminate outstanding awards. However, such amendments may require the consent of the participant and, unless approved by the stockholders, the exercise price of an outstanding option may not be reduced, directly or indirectly, and the original term of an option may not be extended.

Prohibition on Repricing. As indicated above under Termination and Amendment, outstanding stock options cannot be repriced, directly or indirectly, without the prior consent of the Company's stockholders. The exchange of an underwater option (i.e., an option having an exercise price in excess of the current market value of the underlying stock) for another award would be considered an indirect repricing and would, therefore, require the prior consent of the Company's stockholders.

Certain Federal Tax Effects

The following description of the federal income tax consequences of the standard awards under the LTIP is only a general summary based on current federal income tax laws, regulations (including proposed regulations) and judicial and administrative interpretations thereof, all of which are frequently amended, and which may be retroactively applied to transactions described below. Individual circumstances may vary these results. Furthermore, participants in the LTIP may be subject to taxes other than federal income taxes, such as federal employment taxes, state and local income taxes and estate or inheritance taxes.

Nonstatutory Stock Options. There will be no federal income tax consequences to the optionee or to us upon the grant of a nonstatutory stock option under the LTIP. When the optionee exercises a nonstatutory option, however, he or she will recognize ordinary income in an amount equal to the excess of the fair market value of the Common Stock received upon exercise of the option at the time of exercise over the exercise price, and we will be allowed a corresponding federal income tax deduction. The optionee's federal income tax basis for the Common Stock received pursuant to the option exercise will equal the sum of the ordinary income recognized and the exercise price. Any gain (or loss) that the optionee realizes when he or she later sells or disposes of the option shares will be short-term or long-term capital gain (or loss), depending on how long the shares were held.

Incentive Stock Options. There will be no federal income tax consequences to the optionee or to us upon the grant of an incentive stock option. If the optionee holds the option shares for the required holding period of at least two years after the date the option was granted and one year after exercise, the difference between the exercise price and the amount realized upon sale or disposition of the option shares will be long-term capital gain or loss, and we will not be entitled to a federal income tax deduction. If the optionee disposes of the option shares in a sale, exchange, or other disqualifying disposition before the required holding period ends, he

Table of Contents

or she will recognize taxable ordinary income in an amount equal to the excess of (a) the lesser of (1) fair market value of the option shares at the time of exercise and (2) the amount received on the disqualifying disposition over (b) the exercise price, and we will be allowed a federal income tax deduction equal to such amount. While the exercise of an incentive stock option generally does not result in current taxable income, the excess of the fair market value of the option shares at the time of exercise over the exercise price will be an item of adjustment for purposes of determining the optionee's alternative minimum taxable income, and the optionee's federal income tax liability may be increased as a result of such exercise under the alternative minimum tax.

Stock Appreciation Rights. A participant receiving a stock appreciation right under the LTIP will not recognize income, and we will not be allowed a federal income tax deduction, at the time the award is granted. When the participant exercises the stock appreciation right, the amount of cash and the fair market value of any shares of Common Stock received will be ordinary income to the participant and we will be allowed a corresponding federal income tax deduction at that time.

Restricted Stock. Unless a participant makes an election to accelerate recognition of the income to the date of grant as described below, a participant will not recognize income, and we will not be allowed a federal income tax deduction, at the time a restricted stock award is granted, provided that the award is nontransferable and is subject to a substantial risk of forfeiture. When the restrictions lapse, the participant will recognize ordinary income equal to the fair market value of the Common Stock as of that date (less any amount he or she paid for the stock), and we will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). If the participant files an election under Code Section 83(b) within 30 days after the date of grant of the restricted stock, he or she will recognize ordinary income as of the date of grant equal to the fair market value of the stock as of that date (less any amount paid for the stock), and we will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). Any future appreciation in the stock will be taxable to the participant at capital gains rates. However, if the stock is later forfeited, the participant will not be able to recover the tax previously paid pursuant to the Code Section 83(b) election.

Restricted or Deferred Stock Units. A participant will not recognize income, and we will not be allowed a federal income tax deduction, at the time a stock unit award is granted. Upon receipt of shares of Common Stock (or the equivalent value in cash or other property) in settlement of a stock unit award, a participant will recognize ordinary income equal to the fair market value of the Common Stock or cash or other property as of that date (less any amount he or she paid for the stock or property), and we will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m).

Performance Awards. A participant generally will not recognize income, and we will not be allowed a federal income tax deduction, at the time performance awards are granted. Upon receipt of shares of cash, stock or other property in settlement of a performance award, the cash amount or the fair market value of the stock or other property will be ordinary income to the participant, and we will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m).

Code Section 409A. The LTIP permits the grant of various types of incentive awards, which may or may not be exempt from Code Section 409A. If an award is subject to Section 409A, and if the requirements of Section 409A are not met, the taxable events as described above could apply earlier than described, and could result in the imposition of additional taxes and penalties. Restricted stock awards, and stock options and stock appreciation rights that comply with the terms of the LTIP and do not have a deferral feature, are generally exempt from the application of Code Section 409A. Stock units and performance awards generally are subject to Section 409A unless they are designed to satisfy the short-term deferral exemption from such law. If not exempt, such awards must be specially designed to meet the requirements of Section 409A in order to avoid early taxation and penalties.

Benefits to Named Executive Officers and Others

As of April 18, 2006, no awards had been granted under the 2006 Incentive Plan. Awards will be made at the discretion of the Compensation Committee or pursuant to delegated authority. Therefore, it is not

Table of Contents

presently possible to determine the benefits or amounts that will be received by such persons or groups pursuant to the LTIP in the future.

2006 LONG-TERM INCENTIVE PLAN**

ARTICLE 1

PURPOSE

1.1. ***GENERAL***. The purpose of the Per-Se Technologies, Inc. 2006 Long-Term Incentive Plan (the *Plan*) is to promote the success, and enhance the value, of Per-Se Technologies, Inc. (the *Company*), by linking the personal interests of employees, officers, directors and consultants of the Company or any Affiliate (as defined below) to those of Company stockholders and by providing such persons with an incentive for outstanding performance. The Plan is further intended to provide flexibility to the Company in its ability to motivate, attract, and retain the services of employees, officers, directors and consultants upon whose judgment, interest, and special effort the successful conduct of the Company's operation is largely dependent. Accordingly, the Plan permits the grant of incentive awards from time to time to selected employees, officers, directors and consultants of the Company and its Affiliates.

Notwithstanding the foregoing, grants of Awards to Non-Employee Directors hereunder shall be made only in accordance with the terms, conditions and parameters of a plan, program or policy for the compensation of Non-Employee Directors as in effect from time to time, and the Committee may not make discretionary grants hereunder to Non-Employee Directors.

(b) **TIME AND CONDITIONS OF EXERCISE.** The Committee shall determine the time or times at which an Option may be exercised in whole or in part, subject to Section 7.1(d). The Committee shall also determine the performance or other conditions, if any, that must be satisfied before all or part of an Option may be exercised or vested. 8.1. GRANT OF STOCK APPRECIATION RIGHTS. The Committee is authorized to grant Stock Appreciation Rights to Participants on the following terms and conditions:

(a) RIGHT TO PAYMENT. Upon the exercise of a Stock Appreciation Right, the Participant to whom it is granted has the right to receive the excess, if any, of:

(1) The Fair Market Value of one Share on the date of exercise; over

(2) The base price of the Stock Appreciation Right as determined by the Committee, which shall not be less than the Fair Market Value of one Share on the Grant Date.

(b) OTHER TERMS. All awards of Stock Appreciation Rights shall be evidenced by an Award Certificate. The terms, methods of exercise, methods of settlement, form of consideration payable in settlement, and any other terms and conditions of any Stock Appreciation Right shall be determined by the Committee at the time of the grant of the Award and shall be reflected in the Award Certificate.

ARTICLE 9
PERFORMANCE AWARDS

9.1. GRANT OF PERFORMANCE AWARDS. The Committee is authorized to grant Performance Shares, Performance Units or Performance-Based Cash Awards to Participants on such terms and conditions as may be selected by the Committee. The Committee shall have the complete discretion to determine the number of Performance Awards granted to each Participant, subject to Section 5.4, and to designate the provisions of such Performance Awards as provided in Section 4.3. All Performance Awards shall be evidenced by an Award Certificate or a written program established by the Committee, pursuant to which Performance Awards are awarded under the Plan under uniform terms, conditions and restrictions set forth in such written program.

9.2. PERFORMANCE GOALS. The Committee may establish performance goals for Performance Awards which may be based on any criteria selected by the Committee. Such performance goals may be described in terms of Company-wide objectives or in terms of objectives that relate to the performance of the Participant, an Affiliate or a division, region, department or function within the Company or an Affiliate. If the Committee determines that a change in the business, operations, corporate structure or capital structure of the Company or the manner in which the Company or an Affiliate conducts its business, or other events or circumstances render performance goals to be unsuitable, the Committee may modify such performance goals in whole or in part, as the Committee deems appropriate. If a Participant is promoted, demoted or transferred to a different business unit or function during a performance period, the Committee may determine that the performance goals or performance period are no longer appropriate and may (i) adjust, change or eliminate the performance goals or the applicable performance period as it deems appropriate to make such goals and period comparable to the initial goals and period, or (ii) make a cash payment to the participant in an amount determined by the Committee. The foregoing two sentences shall not apply with respect to a Performance Award that is intended to be a Qualified Performance-Based Award if the recipient of such award (a) was a Covered Employee on the date of the modification, adjustment, change or elimination of the performance goals or performance period, or (b) in the reasonable judgment of the Committee, may be a Covered Employee on the date the Performance Award is expected to be paid.

9.3. RIGHT TO PAYMENT. The grant of a Performance Share to a Participant will entitle the Participant to receive at a specified later time a specified number of Shares, or the equivalent cash value if the Committee so provides, if the performance goals established by the Committee are achieved and the other terms and conditions thereof are satisfied. The grant of a Performance Unit to a Participant will entitle the Participant to receive at a specified later time a specified dollar value in cash or other property (including Shares) as determined by the Committee, variable under conditions specified in the Award, if the

Table of Contents

performance goals in the Award are achieved and the other terms and conditions thereof are satisfied. The grant of a Performance-Based Cash Award to a Participant will entitle the Participant to receive at a specified later time a specified dollar value in cash variable under conditions specified in the Award, if the performance goals in the Award are achieved and the other terms and conditions thereof are satisfied. The Committee shall set performance goals and other terms or conditions to payment of the Performance Awards in its discretion which, depending on the extent to which they are met, will determine the value of the Performance Awards that will be paid to the Participant.

9.4. **OTHER TERMS.** Performance Awards may be payable in cash, Stock, or other property in the discretion of the Committee, and have such other terms and conditions as determined by the Committee and reflected in the Award Certificate. For purposes of determining the number of Shares to be used in payment of a Performance Award denominated in cash but payable in whole or in part in Shares or Restricted Stock, the number of Shares to be so paid will be determined by dividing the cash value of the Award to be so paid by the Fair Market Value of a Share on the date of determination by the Committee of the amount of the payment under the Award, or, if the Committee so directs, the date immediately preceding the date the Award is paid.

ARTICLE 10

RESTRICTED STOCK AND RESTRICTED STOCK UNIT AWARDS

10.1. **GRANT OF RESTRICTED STOCK AND RESTRICTED STOCK UNITS.** The Committee is authorized to make Awards of Restricted Stock or Restricted Stock Units to Participants in such amounts and subject to such terms and conditions as may be selected by the Committee. An Award of Restricted Stock or Restricted Stock Units shall be evidenced by an Award Certificate setting forth the terms, conditions, and restrictions applicable to the Award.

10.2. **ISSUANCE AND RESTRICTIONS.** Restricted Stock or Restricted Stock Units shall be subject to such restrictions on transferability and other restrictions as the Committee may impose (including, without limitation, limitations on the right to vote Restricted Stock or the right to receive dividends on the Restricted Stock) covering a period of time specified by the Committee (the Restriction Period). These restrictions may lapse separately or in combination at such times, under such circumstances, in such installments, upon the satisfaction of performance goals or otherwise, as the Committee determines at the time of the grant of the Award or thereafter. Except as otherwise provided in an Award Certificate or any special Plan document governing an Award, the Participant shall have all of the rights of a stockholder with respect to the Restricted Stock, and the Participant shall have none of the rights of a stockholder with respect to Restricted Stock Units until such time as Shares of Stock are paid in settlement of the Restricted Stock Units.

10.3. **FORFEITURE.** Except for certain limited situations described in Sections 14.6, 14.7 and 14.8, Restricted Stock Awards and Restricted Stock Unit Awards subject solely to continued employment restrictions shall have a Restriction Period of not less than three years from the Grant Date (but permitting pro-rata vesting over such time). Except as otherwise determined by the Committee at the time of the grant of the Award or thereafter, upon termination of Continuous Status as a Participant during the applicable restriction period or upon failure to satisfy a performance goal during the applicable restriction period, Restricted Stock or Restricted Stock Units that are at that time subject to restrictions shall be forfeited; provided, however, that the Committee may provide in any Award Certificate that restrictions or forfeiture conditions relating to Restricted Stock or Restricted Stock Units will be waived in whole or in part in the event of terminations resulting from specified causes, and the Committee may in other cases waive in whole or in part restrictions or forfeiture conditions relating to Restricted Stock or Restricted Stock Units.

10.4. **DELIVERY OF RESTRICTED STOCK.** Shares of Restricted Stock shall be delivered to the Participant at the time of grant either by book-entry registration or by delivering to the Participant, or a custodian or escrow agent (including, without limitation, the Company or one or more of its employees) designated by the Committee, a stock certificate or certificates registered in the name of the Participant. certificates must bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock.

ARTICLE 11

DEFERRED STOCK UNITS

11.1. GRANT OF DEFERRED STOCK UNITS. The Committee is authorized to grant Deferred Stock Units to Participants subject to such terms and conditions as may be selected by the Committee. Deferred Stock Units shall entitle the Participant to receive Shares of Stock (or the equivalent value in cash or other property if so determined by the Committee) at a future time as determined by the Committee, or as determined by the Participant within guidelines established by the Committee in the case of voluntary deferral elections. An Award of Deferred Stock Units shall be evidenced by an Award Certificate setting forth the terms and conditions applicable to the Award.

ARTICLE 12

DIVIDEND EQUIVALENTS

12.1. GRANT OF DIVIDEND EQUIVALENTS. The Committee is authorized to grant Dividend Equivalents to Participants with respect to Full Value Awards granted hereunder, subject to such terms and conditions as may be selected by the Committee. Dividend Equivalents shall entitle the Participant to receive payments equal to dividends with respect to all or a portion of the number of Shares subject to a Full Value Award, as determined by the Committee. The Committee may provide that Dividend Equivalents be paid or distributed when accrued or be deemed to have been reinvested in additional Shares, or otherwise reinvested.

ARTICLE 13

STOCK OR OTHER STOCK-BASED AWARDS

13.1. GRANT OF STOCK OR OTHER STOCK-BASED AWARDS. The Committee is authorized, subject to limitations under applicable law, to grant to Participants such other Awards that are payable in, valued in whole or in part by reference to, or otherwise based on or related to Shares, as deemed by the Committee to be consistent with the purposes of the Plan, including without limitation Shares awarded purely as a bonus and not subject to any restrictions or conditions, convertible or exchangeable debt securities, other rights convertible or exchangeable into Shares, and Awards valued by reference to book value of Shares or the value of securities of or the performance of specified Parents or Subsidiaries. The Committee shall determine the terms and conditions of such Awards. Except for certain limited situations described in Sections 14.6, 14.7 and 14.8, Other Stock-Based Awards subject solely to continued employment restrictions shall be subject to restrictions imposed by the Committee for a period of not less than three years from the Grant Date (but permitting pro-rata vesting over such time); provided that such restrictions shall not be applicable to any substitute awards granted under Section 14.12, grants of Other Stock-Based Awards in payment of Performance Awards pursuant to Article 9, or grants of Other Stock-Based Awards granted in lieu of cash or other compensation.

ARTICLE 14

PROVISIONS APPLICABLE TO AWARDS

14.2. FORM OF PAYMENT FOR AWARDS. Subject to the terms of the Plan and any applicable law or Award Certificate, payments or transfers to be made by the Company or an Affiliate on the grant or

Table of Contents

exercise of an Award may be made in such form as the Committee determines at or after the Grant Date, including without limitation, cash, Stock, other Awards, or other property, or any combination, and may be made in a single payment or transfer, in installments, or on a deferred basis, in each case determined in accordance with rules adopted by, and at the discretion of, the Committee.

14.3. **LIMITS ON TRANSFER.** No right or interest of a Participant in any unexercised or restricted Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company or an Affiliate, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company or an Affiliate. No unexercised or restricted Award shall be assignable or transferable by a Participant other than by will or the laws of descent and distribution; provided, however, that the Committee may (but need not) permit other transfers (other than transfers to a third party for value) where the Committee concludes that such transferability (i) does not result in accelerated taxation, (ii) does not cause any Option intended to be an Incentive Stock Option to fail to be described in Code Section 422(b), and (iii) is otherwise appropriate and desirable, taking into account any factors deemed relevant, including without limitation, state or federal tax or securities laws applicable to transferable Awards.

14.4. **BENEFICIARIES.** Notwithstanding Section 14.3, a Participant may designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death by filing a beneficiary designation form, in such form as determined by the Committee, with the Company. A beneficiary, legal guardian, legal representative, or other person claiming any rights under the Plan is subject to all terms and conditions of the Plan and any Award Certificate applicable to the Participant, except to the extent the Plan and Award Certificate otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If no beneficiary has been designated or survives the Participant, payment shall be made in accordance with applicable law. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed on a beneficiary form with the Company.

14.5. **STOCK TRANSFERS.** All Stock issuable under the Plan is subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with federal or state securities laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted, or traded. The Committee may place legends on any Stock certificate or issue instructions to the transfer agent to reference restrictions applicable to the Stock.

14.6. **ACCELERATION UPON DEATH OR DISABILITY.** Except as otherwise provided in the Award Certificate or any special Plan document governing an Award, upon the Participant's death or Disability during his or her Continuous Status as a Participant, (i) all of such Participant's outstanding Options, SARs, and other Awards in the nature of rights that may be exercised shall become fully exercisable, (ii) all time-based vesting restrictions on the Participant's outstanding Awards shall lapse, and (iii) the target payout opportunities attainable under all of such Participant's outstanding performance-based Awards shall be deemed to have been fully earned as of the date of termination based upon (A) an assumed achievement of all relevant performance goals at the target level if the date of termination occurs during the first half of the applicable performance period, or (B) the actual level of achievement of all relevant performance goals against target, if the date of termination occurs during the second half of the applicable performance period, and, in either such case, there shall be a prorata payout to the Participant or his or her estate within thirty (30) days following the date of termination based upon the length of time within the performance period that has elapsed prior to the date of termination. Any Awards shall thereafter continue or lapse in accordance with the other provisions of the Plan and the Award Certificate. To the extent that this provision causes Incentive Stock Options to exceed the dollar limitation set forth in Code Section 422(d), the excess Options shall be deemed to be Nonstatutory Stock Options.

14.7. **EFFECT OF A CHANGE IN CONTROL.** The provisions of this Section 14.7 shall apply in the case of a Change in Control, unless otherwise provided in the Award Certificate or any special Plan document or separate agreement with a Participant governing an Award.

(a) **Awards not Assumed or Substituted by Surviving Entity.** Upon the occurrence of a Change in Control, and except with respect to any Awards assumed by the Surviving Entity or otherwise equitably

Table of Contents

converted or substituted in connection with the Change in Control in a manner approved by the Committee or the Board: (i) outstanding Options, SARs, and other Awards in the nature of rights that may be exercised shall become fully exercisable, (ii) time-based vesting restrictions on outstanding Awards shall lapse, and (iii) the target payout opportunities attainable under outstanding performance-based Awards shall be deemed to have been earned as of the effective date of the Change in Control based upon an assumed achievement of all relevant performance goals at the target level and there shall be prorata payout to Participants within thirty (30) days following the Change in Control (or, if later, the first date that such payment may be made without causing a violation of Section 409A of the code) based upon the length of time within the performance period that has elapsed prior to the Change in Control. Any Awards shall thereafter continue or lapse in accordance with the other provisions of the Plan and the Award Certificate. To the extent that this provision causes Incentive Stock Options to exceed the dollar limitation set forth in Code Section 422(d), the excess Options shall be deemed to be Nonstatutory Stock Options.

(b) *Awards Assumed or Substituted by Surviving Entity.* With respect to Awards assumed by the Surviving Entity or otherwise equitably converted or substituted in connection with a Change in Control: if within two years after the effective date of the Change in Control, a Participant's employment is terminated without Cause or (subject to the following sentence) the Participant resigns for Good Reason, then (i) all of that Participant's outstanding Options, SARs and other Awards in the nature of rights that may be exercised shall become fully exercisable, (ii) all time-based vesting restrictions on the his or her outstanding Awards shall lapse, and (iii) the target payout opportunities attainable under all outstanding of that Participant's performance-based Awards shall be deemed to have been earned as of the date of termination based upon an assumed achievement of all relevant performance goals at the target level and there shall be prorata payout to such Participant within thirty (30) days following the date of termination of employment (or, if later, the first date that such payment may be made without causing a violation of Section 409A of the code) based upon the length of time within the performance period that has elapsed prior to the date of termination of employment. With regard to each Award, a Participant shall not be considered to have resigned for Good Reason unless either (i) the Award Certificate includes such provision or (ii) the Participant is party to an employment, severance or similar agreement with the Company or an Affiliate that includes provisions in which the Participant is permitted to resign for Good Reason. Any Awards shall thereafter continue or lapse in accordance with the other provisions of the Plan and the Award Certificate. To the extent that this provision causes Incentive Stock Options to exceed the dollar limitation set forth in Code Section 422(d), the excess Options shall be deemed to be Nonstatutory Stock Options.

14.8. *ACCELERATION FOR OTHER REASONS.* Regardless of whether an event has occurred as described in Section 14.6 or 14.7 above, and subject to Section 14.10 as to Qualified Performance-Based Awards, the Committee may in its sole discretion at any time determine that upon the termination of service of a Participant, or the occurrence of a Change in Control, all or a portion of a Participant's Options, SARs, and other Awards in the nature of rights that may be exercised shall become fully or partially exercisable, that all or a part of the time-based vesting restrictions on all or a portion of the outstanding Awards shall lapse, and/or that any performance-based criteria with respect to any Awards shall be deemed to be wholly or partially satisfied, in each case, as of such date as the Committee may, in its sole discretion, declare. The Committee may discriminate among Participants and among Awards granted to a Participant in exercising its discretion pursuant to this Section 14.8.

14.9. *EFFECT OF ACCELERATION.* If an Award is accelerated under Section 14.6, 14.7 or 14.8, the Committee may, in its sole discretion, provide (i) that the Award will expire after a designated period of time after such acceleration to the extent not then exercised, (ii) that the Award will be settled in cash rather than Stock, (iii) that the Award will be assumed by another party to a transaction giving rise to the acceleration or otherwise be equitably converted or substituted in connection with such transaction, (iv) that the Award may be settled by payment in cash or cash equivalents equal to the excess of the Fair Market Value of the underlying Stock, as of a specified date associated with the transaction, over the exercise price of the Award, or (v) any combination of the foregoing. The Committee's determination need not be uniform and

Table of Contents

may be different for different Participants whether or not such Participants are similarly situated. To the extent that such acceleration causes Incentive Stock Options to exceed the dollar limitation set forth in Code Section 422(d), the excess Options shall be deemed to be Nonstatutory Stock Options.

14.10. QUALIFIED PERFORMANCE-BASED AWARDS.

(a) The provisions of the Plan are intended to ensure that all Options and Stock Appreciation Rights granted hereunder to any Covered Employee shall qualify for the Section 162(m) Exemption; provided that the exercise or base price of such Award is not less than the Fair Market Value of the Shares on the Grant Date.

(b) When granting any other Award, the Committee may designate such Award as a Qualified Performance-Based Award, based upon a determination that the recipient is or may be a Covered Employee with respect to such Award, and the Committee wishes such Award to qualify for the Section 162(m) Exemption. If an Award is so designated, the Committee shall establish performance goals for such Award within the time period prescribed by Section 162(m) of the Code based on one or more of the following Qualified Business Criteria, which may be expressed in terms of Company-wide objectives or in terms of objectives that relate to the performance of an Affiliate or a division, region, department or function within the Company or an Affiliate:

Revenue

Sales

Profit (net profit, gross profit, operating profit, economic profit, profit margins or other corporate profit measures)

Earnings (EBIT, EBITDA, earnings per share, or other corporate earnings measures)

Net income (before or after taxes, operating income or other income measures)

Cash (cash flow, cash generation or other cash measures)

Stock price or performance

Total stockholder return (stock price appreciation plus reinvested dividends divided by beginning share price)

Return measures (including, but not limited to, return on assets, capital, equity, or sales, and cash flow return on assets, capital, equity, or sales);

Market share

Improvements in capital structure

Expenses (expense management, expense ratio, expense efficiency ratios or other expense measures)

Business expansion or consolidation (acquisitions and divestitures)

Internal rate of return or increase in net present value

Working capital targets relating to inventory and/or accounts receivable

Performance goals with respect to the foregoing Qualified Business Criteria may be specified in absolute terms, in percentages, or in terms of growth from period to period or growth rates over time, as well as measured

relative to an established or specially-created performance index of Company competitors or peers or other comparator groups such as an industry-specific or broader market index. Any member of an index that disappears during a measurement period shall be disregarded for the entire measurement period. Performance Goals need not be based upon an increase or positive result under a business criterion and could include, for example, the maintenance of the status quo or the limitation of economic losses (measured, in each case, by reference to a specific business criterion).

A-14

Table of Contents

(c) Each Qualified Performance-Based Award (other than a market-priced Option or SAR) shall be earned, vested and payable (as applicable) only upon the achievement of performance goals established by the Committee based upon one or more of the Qualified Business Criteria, together with the satisfaction of any other conditions, such as continued employment, as the Committee may determine to be appropriate; provided, however, that the Committee may provide, either in connection with the grant thereof or by amendment thereafter, that achievement of such performance goals will be waived, in whole or in part, upon (i) the termination of employment of a Participant by reason of death, retirement or Disability, or (ii) the occurrence of a Change in Control. Performance periods established by the Committee for any such Qualified Performance-Based Award may be as short as three months and may be any longer period.

(d) The Committee may provide in any Qualified Performance-Based Award that any evaluation of performance may include or exclude any of the following events that occurs during a performance period: (a) asset write-downs or impairment charges; (b) litigation or claim judgments or settlements; (c) the effect of changes in tax laws, accounting principles or other laws or provisions affecting reported results; (d) accruals for reorganization and restructuring programs; (e) extraordinary nonrecurring items as described in Accounting Principles Board Opinion No. 30 and/or in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to stockholders for the applicable year; (f) acquisitions or divestitures; and (g) foreign exchange gains and losses. To the extent such inclusions or exclusions affect Awards to Covered Employees, they shall be prescribed in a form that meets the requirements of Code Section 162(m) for deductibility.

(e) Any payment of a Qualified Performance-Based Award granted with performance goals pursuant to subsection (c) above shall be conditioned on the written certification of the Committee in each case that the performance goals and any other material conditions were satisfied. Except as specifically provided in subsection (c), no Qualified Performance-Based Award held by a Covered Employee or by an employee who in the reasonable judgment of the Committee may be a Covered Employee on the date of payment, may be amended, nor may the Committee exercise any discretionary authority it may otherwise have under the Plan with respect to a Qualified Performance-Based Award under the Plan, in any manner to waive the achievement of the applicable performance goal based on Qualified Business Criteria or to increase the amount payable pursuant thereto or the value thereof, or otherwise in a manner that would cause the Qualified Performance-Based Award to cease to qualify for the Section 162(m) Exemption.

(f) Section 5.4 sets forth the maximum number of Shares or dollar value that may be granted in any one-year period to a Participant in designated forms of Qualified Performance-Based Awards.

14.11. **TERMINATION OF EMPLOYMENT.** Whether military, government or other service or other leave of absence shall constitute a termination of employment shall be determined in each case by the Committee at its discretion, and any determination by the Committee shall be final and conclusive. A Participant's Continuous Status as a Participant shall not be deemed to terminate (i) in a circumstance in which a Participant transfers from the Company to an Affiliate, transfers from an Affiliate to the Company, or transfers from one Affiliate to another Affiliate, or (ii) in the discretion of the Committee as specified at or prior to such occurrence, in the case of a spin-off, sale or disposition of the Participant's employer from the Company or any Affiliate. To the extent that this provision causes Incentive Stock Options to extend beyond three months from the date a Participant is deemed to be an employee of the Company, a Parent or Subsidiary for purposes of Sections 424(e) and 424(f) of the Code, the Options held by such Participant shall be deemed to be Nonstatutory Stock Options.

14.12. **SUBSTITUTE AWARDS.** The Committee may grant Awards under the Plan in substitution for stock and stock-based awards held by employees of another entity who become employees of the Company or an Affiliate as a result of a merger or consolidation of the former employing entity with the Company or an Affiliate or the acquisition by the Company or an Affiliate of property or stock of the former employing corporation. The Committee may direct that the substitute awards be granted on such terms and conditions as the Committee considers appropriate in the

circumstances.

ARTICLE 15
CHANGES IN CAPITAL STRUCTURE

15.1. **GENERAL.** In the event of a corporate event or transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares), the authorization limits under Section 5.1 and 5.4 shall be adjusted proportionately, and the Committee may adjust the Plan and Awards to preserve the benefits or potential benefits of the Awards. Action by the Committee may include: (i) adjustment of the number and kind of shares which may be delivered under the Plan; (ii) adjustment of the number and kind of shares subject to outstanding Awards; (iii) adjustment of the exercise price of outstanding Awards or the measure to be used to determine the amount of the benefit payable on an Award; and (iv) any other adjustments that the Committee determines to be equitable. In addition, upon the occurrence or in anticipation of such an event, the Committee may, in its sole discretion, provide (i) that Awards will be settled in cash rather than Stock, (ii) that Awards will become immediately vested and exercisable and will expire after a designated period of time to the extent not then exercised, (iii) that Awards will be assumed by another party to a transaction or otherwise be equitably converted or substituted in connection with such transaction, (iv) that outstanding Awards may be settled by payment in cash or cash equivalents equal to the excess of the Fair Market Value of the underlying Stock, as of a specified date associated with the transaction, over the exercise price of the Award, (v) that performance targets and performance periods for Performance Awards will be modified, consistent with Code Section 162(m) where applicable, or (vi) any combination of the foregoing. The Committee's determination need not be uniform and may be different for different Participants whether or not such Participants are similarly situated. Without limiting the foregoing, in the event of a subdivision of the outstanding Stock (stock-split), a declaration of a dividend payable in Shares, or a combination or consolidation of the outstanding Stock into a lesser number of Shares, the authorization limits under Section 5.1 and 5.4 shall automatically be adjusted proportionately, and the Shares then subject to each Award shall automatically be adjusted proportionately without any change in the aggregate purchase price therefor. To the extent that any adjustments made pursuant to this Article 15 cause Incentive Stock Options to cease to qualify as Incentive Stock Options, such Options shall be deemed to be Nonstatutory Stock Options.

ARTICLE 16
AMENDMENT, MODIFICATION AND TERMINATION

16.1. **AMENDMENT, MODIFICATION AND TERMINATION.** The Board or the Committee may, at any time and from time to time, amend, modify or terminate the Plan without stockholder approval; provided, however, that if an amendment to the Plan would, in the reasonable opinion of the Board or the Committee, either (i) materially increase the benefits accruing to Participants, (ii) materially increase the number of Shares available under the Plan, (iii) expand the types of awards under the Plan, (iv) materially expand the class of participants eligible to participate in the Plan, (v) materially extend the term of the Plan, or (vi) otherwise constitute a material change requiring stockholder approval under applicable laws, policies or regulations or the applicable listing or other requirements of an Exchange, then such amendment shall be subject to stockholder approval; and provided, further, that the Board or Committee may condition any other amendment or modification on the approval of stockholders of the Company for any reason, including by reason of such approval being necessary or deemed advisable (i) to comply with the listing or other requirements of an Exchange, or (ii) to satisfy any other tax, securities or other applicable laws, policies or regulations.

16.2. **AWARDS PREVIOUSLY GRANTED.** At any time and from time to time, the Committee may amend, modify or terminate any outstanding Award without approval of the Participant; provided, however:

- (a) Subject to the terms of the applicable Award Certificate, such amendment, modification or termination shall not, without the Participant's consent, reduce or diminish the value of such Award determined as if the Award had been exercised, vested, cashed in or otherwise settled on the date of such

amendment or termination (with the per-share value of an Option or Stock Appreciation Right for this purpose being calculated as the excess, if any, of the Fair Market Value as of the date of such amendment or termination over the exercise or base price of such Award);

(b) The original term of an Option or SAR may not be extended without the prior approval of the stockholders of the Company;

(c) Except as otherwise provided in Article 15, the exercise price of an Option or SAR may not be reduced, directly or indirectly, without the prior approval of the stockholders of the Company; and

(d) No termination, amendment, or modification of the Plan shall adversely affect any Award previously granted under the Plan, without the written consent of the Participant affected thereby. An outstanding Award shall not be deemed to be adversely affected by a Plan amendment if such amendment would not reduce or diminish the value of such Award determined as if the Award had been exercised, vested, cashed in or otherwise settled on the date of such amendment (with the per-share value of an Option or Stock Appreciation Right for this purpose being calculated as the excess, if any, of the Fair Market Value as of the date of such amendment over the exercise or base price of such Award).

ARTICLE 17

GENERAL PROVISIONS

17.1. **NO RIGHTS TO AWARDS; NON-UNIFORM DETERMINATIONS.** No Participant or any Eligible Participant shall have any claim to be granted any Award under the Plan. Neither the Company, its Affiliates nor the Committee is obligated to treat Participants or Eligible Participants uniformly, and determinations made under the Plan may be made by the Committee selectively among Eligible Participants who receive, or are eligible to receive, Awards (whether or not such Eligible Participants are similarly situated).

17.2. **NO STOCKHOLDER RIGHTS.** No Award gives a Participant any of the rights of a stockholder of the Company unless and until Shares are in fact issued to such person in connection with such Award.

17.3. **WITHHOLDING.** The Company or any Affiliate shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, and local taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any exercise, lapse of restriction or other taxable event arising as a result of the Plan. If Shares are surrendered to the Company to satisfy tax obligations in excess of the minimum tax withholding obligation, such Shares must be mature. The Company shall have the authority to require a Participant to remit cash to the Company in lieu of the surrender of Shares for taxes if the surrender of Shares for such purpose would result in the Company's recognition of expense under generally accepted accounting principles. With respect to withholding required upon any taxable event under the Plan, the Committee may, at the time the Award is granted or thereafter, require or permit that any such withholding requirement be satisfied, in whole or in part, by withholding from the Award Shares having a Fair Market Value on the date of withholding equal to the minimum amount (and not any greater amount) required to be withheld for tax purposes, all in accordance with such procedures as the Committee establishes.

17.4. **SPECIAL PROVISIONS RELATED TO SECTION 409A OF THE CODE.**

(a) Notwithstanding anything in the Plan or in any Award Certificate to the contrary, to the extent that any amount or benefit that would constitute deferred compensation for purposes of Section 409A of the Code would otherwise be payable or distributable under the Plan or any Award Certificate by reason the occurrence of a Change in Control or the Participant's Disability or separation from service, such amount or benefit will not be payable or distributable to the Participant by reason of such circumstance unless (i) the circumstances giving rise to such Change in Control, Disability or separation from service meet the description or definition of change in control event, disability or separation from service, as the case may be, in Section 409A of the Code and applicable proposed or final regulations, or (ii) the payment or distribution of such amount or benefit would be exempt from the

application of Section 409A of the Code by reason of the short-term deferral exemption or otherwise. This provision does not prohibit the vesting of any Award or the vesting of any right to eventual payment or distribution of any amount or benefit under the Plan or any Award Certificate.

(b) Notwithstanding anything in the Plan or in any Award Certificate to the contrary, to the extent necessary to avoid the application of Section 409A of the Code, (i) the Committee may not amend an outstanding Option, SAR or similar Award to extend the time to exercise such Award beyond the later of the 15th day of the third month following the date at which, or December 31 of the calendar year in which, the Award would otherwise have expired if the Award had not been extended, based on the terms of the Award at the original Grant Date (the Safe Harbor Extension Period), and (ii) any purported extension of the exercise period of an outstanding Award beyond the Safe Harbor Extension Period shall be deemed to be an extension to the last day of the Safe Harbor Extension Period and no later.

17.5. **NO RIGHT TO CONTINUED SERVICE.** Nothing in the Plan, any Award Certificate or any other document or statement made with respect to the Plan, shall interfere with or limit in any way the right of the Company or any Affiliate to terminate any Participant's employment or status as an officer, director or consultant at any time, nor confer upon any Participant any right to continue as an employee, officer, director or consultant of the Company or any Affiliate, whether for the duration of a Participant's Award or otherwise.

17.6. **UNFUNDED STATUS OF AWARDS.** The Plan is intended to be an unfunded plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Certificate shall give the Participant any rights that are greater than those of a general creditor of the Company or any Affiliate. This Plan is not intended to be subject to ERISA.

17.7. **RELATIONSHIP TO OTHER BENEFITS.** No payment under the Plan shall be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or benefit plan of the Company or any Affiliate unless provided otherwise in such other plan.

17.8. **EXPENSES.** The expenses of administering the Plan shall be borne by the Company and its Affiliates.

17.9. **TITLES AND HEADINGS.** The titles and headings of the Sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

17.10. **GENDER AND NUMBER.** Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

17.11. **FRACTIONAL SHARES.** No fractional Shares shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional Shares or whether such fractional Shares shall be eliminated by rounding up or down.

17.12. **GOVERNMENT AND OTHER REGULATIONS.**

(a) Notwithstanding any other provision of the Plan, no Participant who acquires Shares pursuant to the Plan may, during any period of time that such Participant is an affiliate of the Company (within the meaning of the rules and regulations of the Securities and Exchange Commission under the 1933 Act), sell such Shares, unless such offer and sale is made (i) pursuant to an effective registration statement under the 1933 Act, which is current and includes the Shares to be sold, or (ii) pursuant to an appropriate exemption from the registration requirement of the 1933 Act, such as that set forth in Rule 144 promulgated under the 1933 Act.

(b) Notwithstanding any other provision of the Plan, if at any time the Committee shall determine that the registration, listing or qualification of the Shares covered by an Award upon any Exchange or under any foreign, federal, state or local law or practice, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition of, or in connection with, the granting of such Award or the

purchase or receipt of Shares thereunder, no Shares may be purchased, delivered or received pursuant to such Award unless and until such registration, listing, qualification, consent or approval shall have been effected or obtained free of any condition not acceptable to the Committee. Any Participant receiving or purchasing Shares pursuant to an Award shall make such representations and agreements and furnish such information as the Committee may request to assure compliance with the foregoing or any other applicable legal requirements. The Company shall not be required to issue or deliver any certificate or certificates for Shares under the Plan prior to the Committee's determination that all related requirements have been fulfilled. The Company shall in no event be obligated to register any securities pursuant to the 1933 Act or applicable state or foreign law or to take any other action in order to cause the issuance and delivery of such certificates to comply with any such law, regulation or requirement.

17.13. GOVERNING LAW. To the extent not governed by federal law, the Plan and all Award Certificates shall be construed in accordance with and governed by the laws of the State of Delaware.

17.14. ADDITIONAL PROVISIONS. Each Award Certificate may contain such other terms and conditions as the Committee may determine; provided that such other terms and conditions are not inconsistent with the provisions of the Plan.

17.15. NO LIMITATIONS ON RIGHTS OF COMPANY. The grant of any Award shall not in any way affect the right or power of the Company to make adjustments, reclassification or changes in its capital or business structure or to merge, consolidate, dissolve, liquidate, sell or transfer all or any part of its business or assets. The Plan shall not restrict the authority of the Company, for proper corporate purposes, to draft or assume awards, other than under the Plan, to or with respect to any person. If the Committee so directs, the Company may issue or transfer Shares to an Affiliate, for such lawful consideration as the Committee may specify, upon the condition or understanding that the Affiliate will transfer such Shares to a Participant in accordance with the terms of an Award granted to such Participant and specified by the Committee pursuant to the provisions of the Plan.

17.16. INDEMNIFICATION. Each person who is or shall have been a member of the Committee, or of the Board, or an officer of the Company to whom authority was delegated in accordance with Article 4 shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf, unless such loss, cost, liability, or expense is a result of his or her own willful misconduct or except as expressly provided by statute. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's charter or bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

The foregoing is hereby acknowledged as being the Per-Se Technologies, Inc. 2006 Long-Term Incentive Plan as adopted by the Board on March 1, 2006 and by the stockholders on _____, 2006.
