PROXY STATEMENT

GENERAL INFORMATION

The proxy that accompanies this statement is solicited by the board of directors of SIFCO Industries, Inc. (the "Company") for use at the 2004 Annual Meeting of the Shareholders of the Company to be held January 27, 2004, or at any adjournment thereof. This proxy statement was first mailed on December 12, 2003 to shareholders of record on December 5, 2003.

Any shareholder giving a proxy for the meeting may revoke it before it is exercised by giving a later dated proxy or by giving notice of revocation to the Company in writing before or at the 2004 Annual Meeting. However, the mere presence at the 2004 Annual Meeting of the shareholder granting a proxy does not revoke the proxy. Unless revoked by notice as above stated, the shares represented by valid proxies will be voted on all matters to be acted upon at the 2004 Annual Meeting. On any matter or matters with respect to which the

Edgar Filing: SIFCO INDUSTRIES INC - Form DEF 14A

proxy contains instructions for voting, such shares will be voted in accordance with such instructions. Abstentions will be deemed to be present for the purpose of determining a quorum for the 2004 Annual Meeting, but will be deemed not voting on the issues or matters as to which abstention is applicable. Brokers who have not received voting instructions from beneficial owners generally may vote in their discretion with respect to the election of directors and the ratification of the auditors. Broker non-votes will not affect the outcome of any matter for which the 2004 Annual Meeting is called.

The cost of solicitation of proxies in the form accompanying this statement will be borne by the Company. Proxies will be solicited by mail or by telephone or personal interview with an officer or regular employee of the Company or by requesting brokers and other custodians, nominees and fiduciaries to forward proxy soliciting material to the beneficial owners of shares held of record by such brokers, custodians, nominees or fiduciaries, who will be reimbursed by the Company for their expenses in so doing.

OUTSTANDING SHARES AND VOTING RIGHTS

The functions of the Audit Committee are to select, subject to shareholder ratification, the Company's independent auditor; to approve all non-audit related services performed by the Company's independent auditor; to determine the scope of the audit; to discuss any special problems that may arise during the course of the audit; and to review the audit and its findings for the purpose of reporting to the board of directors. The Audit committee consists of outside, independent directors, all of whom are financially literate with at least one experienced in finance and accounting. The Audit Committee, currently

DEFINED BENEFIT PENSION PLANS

The amounts stated in the foregoing Summary Compensation Table do not include amounts paid by the Company for purposes of funding the Company's non-contributory pension plan. Mr. J. P. Gotschall, Mr. F. A. Cappello, and Mr. H. D. Smith participate on the same basis as other salaried employees in a qualified, non-contributory pension plan known as SIFCO Industries, Inc. Salaried Retirement Plan (the "Retirement Plan"). Mr. T. V. Crean participates in the SIFCO Turbine Components Limited Pension Plan (the "STCL Plan"), which is described later in this section.

The Summary Compensation Table on page 6 includes both base salary and

Edgar Filing: SIFCO INDUSTRIES INC - Form DEF 14A

incentive compensation. Benefits payable under the Retirement Plan are calculated using only base salary. Under the terms of the Retirement Plan, as amended March 1, 2003 to cease the accrual of future retirement benefits as of that date, the amount of normal annual retirement benefit payable to a participating employee is generally based upon (i) years of service with the Company prior to normal retirement date but limited to service through March 1, 2003, (ii) "final average earnings" (average base salary during the 60 consecutive month period, within the 120 month period preceding March 1, 2003, during which the total amount of base salary was the highest), and (iii) average Social Security covered compensation. For an employee retiring with 25 years of service or less as of March 1, 2003, the benefit is equal to 2.144% of final average earnings minus .625% of average Social Security covered compensation multiplied by years of service up to 25 years. If an employee has more than 25 years of service as of March 1, 2003, the benefit is increased by 1.25% of final average earnings multiplied by his years of service in excess of 25 years. The amount so determined is payable in the form of a single life annuity or a lump sum payment. Under the Internal Revenue Code, the maximum annual benefit payable under the Retirement Plan to covered employees is limited to \$160,000 per year for 2003. In addition, the maximum amount of final average earnings used to compute benefits under the Retirement Plan is limited by the Internal Revenue Code. Therefore, in response to such limitations, the Company established a non-qualified Supplemental Executive Retirement Plan ("SERP") to provide covered employees with a benefit amount equal to what they would have been entitled to receive under the Retirement Plan, as of March 1, 2003, if no such limitations existed.

The estimated annual retirement benefit under the combined plans for each participant is based upon the base salary at March 1, 2003, the date on which benefits under the Retirement Plan and SERP ceased to accrue for all participants. The following table shows estimated combined annual benefits payable upon retirement under the Retirement Plan and the SERP:

Remuneration	Years of Service					
	15	20	25	30	35	40
\$ 50,000	12,382	16,510	20,637	23,762	26,887	30,012
75,000	20,422	27,230	34,037	38,724	43,412	48,099
100,000	28,462	37,950	47,437	53,687	59,937	66,187
150,000	44,542	59,390	74,237	83,612	92,987	102,362
200,000	60,622	80,830	101,037	113,537	126,037	138,537
250,000	76,702	102,270	127,837	143,462	159,087	174,712
300,000	92,782	123,710	154,637	173,387	192,137	210,887

The payments by the Company to fund the benefits under the Retirement Plan and SERP are actuarially determined. The estimated annual benefits payable upon retirement and projected years of credited service through March 1, 2003, the date on which benefits under the Plan ceased to accrue for all participants, are as follows: Mr. J. P. Gotschall-- \$132,598 (29.7 years); Mr. F. A. Cappello-- \$7,755 (3.1 years); and Mr. H. D. Smith-- \$53,399 (28.9 years). Total pension expense related to the Retirement Plan and SERP for fiscal year 2003 was \$292,973.

Edgar Filing: SIFCO INDUSTRIES INC - Form DEF 14A

Mr. T. V. Crean participates in the STCL Plan. This is a contributory plan for employees of the Company's Irish subsidiary, SIFCO Turbine Components Limited ("STCL"). Under the STCL Plan, the employee and STCL each pay 50% of retirement benefits. Other costs such as life insurance are borne by STCL.

Under the terms of the STCL Plan, the amount of normal annual retirement benefits payable to a participating employee is generally based upon years of service with STCL prior to normal retirement date, "final pensionable salary" (average basic salary during the period of 36 consecutive months preceding retirement) and average government pension. The benefit is 1/60th of final pensionable salary for each year of service, subject to a maximum of 40 years, minus 1 1/2 times the single person's annual rate of government retirement pension. Years of service for senior managers who will have completed at least ten years service may be augmented. The additional cost is paid by STCL.

The payments by STCL and employees to fund the benefits under the STCL Plan are actuarially determined. The current dollar value of estimated annual benefits payable (in Euros) upon retirement and projected years of credited service to retirement for Mr. T. V. Crean is \$153,385 (40 years). Total pension expense for the Retirement Plan for fiscal year 2003 was \$312,627.

CHANGE IN CONTROL AGREEMENTS

During fiscal 2000 and 2002, the Company entered into agreements with certain key executives of the Company in order to protect the Company and such key executives in the event of a change in control of the Company. The purpose of these agreements is to reinforce and encourage the continued attention and dedication of these executives to their assigned duties without distraction in the face of (i) solicitations by other employers and (ii) the potentially disturbing circumstances arising from the possibility of a change in control of the Company. To that end, the Change in Control Agreements obligate the Company to provide certain severance benefits, described below, to any of these officers whose employment is terminated under certain circumstances. Such benefits for Mr. J.P. Gotschall, Mr. T. V. Crean, Mr. H. D. Smith and Mr. F. A. Cappello include a payment equal to a maximum of 200% of the employee's annual compensation, continuation of insurance coverage for up to 24 months following termination, and accelerated vesting of existing stock options and certain retirement benefits.

REPORT OF THE COMPENSATION COMMITTEE

The Company's compensation of its executive personnel has three components: base salary, cash incentive compensation and stock-based compensation (stock options and restricted shares).

Based on a consideration of CEO salaries in manufacturing companies of comparable size, and in view of uncertainty in the aerospace industry and the Company's recent performance relative to such uncertainty, the Compensation Committee adjusted Mr. Gotschall's annual salary to \$240,000 at the start of fiscal 2003. Further, in view of the uncertainty in the aerospace industry during fiscal 2003, Mr. Gotschall agreed, in July 2003, to temporarily forego an additional \$60,000 of his annual salary for a twelve-month period. Mr. Gotschall did not receive a cash incentive for fiscal 2003.

Edgar Filing: SIFCO INDUSTRIES INC - Form DEF 14A

The Company has incentive plans for each business unit and for the corporate headquarters staff. In general, certain members of the business units share in compensation pools equal to 10% of the unit's operating profits, subject to certain adjustments and members of the corporate staff may earn incentives from a pool equal to up to 10% of profits before tax, subject to certain adjustments.

During fiscal 2003, no options on shares were awarded to participants in the Company's 1998 Long-Term Incentive Plan.

The accounting firm of Grant Thornton LLP has, since July of 2002, been the Company's independent certified public accountants and auditors. Arthur Andersen LLP was dismissed in June of 2002. There were no disagreements with Arthur Andersen LLP or other reportable events on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure. The board of directors has chosen that firm to audit the accounts of the Company and its consolidated subsidiaries for the fiscal year ending September 30, 2004, subject to the ratification of the shareholders for which the affirmative vote of a majority of the Common Shares present and voting at the 2004 Annual Meeting (in person or by proxy) is required. Grant Thornton LLP has advised the Company that neither the firm nor any of its members or associates has any direct or indirect financial interest in the Company or any of its affiliates other than as auditors. The board of directors recommends ratification of the selection of Grant Thornton LLP as independent auditors of the Company for the year ending September 30, 2004.

Representatives of Grant Thornton LLP are expected to be present at the 2004 Annual Meeting with the opportunity to make a statement if they desire to do so and to be available to respond to appropriate questions.
