PROXY STATEMENT

The board of directors of Federated (the Board) is furnishing this proxy statement in connection with its solicitation of proxies for use at the annual meeting of Federated's stockholders. The annual meeting will be held at 11:00 a.m., Eastern Daylight Time, on Friday, May 21, 2004, at Federated's offices located at 7 West Seventh Street, Cincinnati, Ohio 45202. The proxies received will be used at the annual meeting and at any postponements or adjournments of the annual meeting for the purposes set forth in the accompanying notice of meeting. This proxy statement, the notice of meeting and accompanying proxy are being mailed to stockholders on or about April 15, 2004.

Except where the context requires otherwise, the term Federated includes Federated and its subsidiaries.

GENERAL

The record date for the annual meeting is April 2, 2004. The holders of record of shares of common stock of Federated at the close of business on the record date are entitled to vote such shares at the annual meeting. As of the record date, 180,648,100 shares of common stock were outstanding. This number excludes shares held in the treasury of Federated or by subsidiaries of Federated. Each share of common stock, other than treasury shares and shares held by Federated's subsidiaries, is entitled to one vote on each of the matters listed in the notice of meeting.

The holders of a majority of the outstanding shares of common stock as of the record date will constitute a quorum for the transaction of business at the annual meeting. For purposes of determining whether a quorum exists, abstentions and broker non-votes will be included in determining the number of shares present or represented at the annual meeting. However, with respect to any matter brought to a vote at the annual meeting, abstentions and broker non-votes will be treated as shares not voted for purposes of determining whether the requisite vote has been obtained. In order to obtain approval of any matter brought to a vote at the annual meeting, the affirmative vote of the holders of a majority (or, in the case of the election of any nominee as a director, a plurality) of the shares of common stock represented at the annual meeting and actually voted is required. Consequently, abstentions and broker non-votes will have no effect on the outcome of the vote on any such matter. If the persons present or represented by proxy at the annual meeting constitute the holders of less than a majority of the outstanding shares of common stock as of the record date, the annual meeting may be adjourned to a subsequent date for the purpose of obtaining a quorum.

The Board has adopted a policy under which all voting materials that identify the votes of specific stockholders will be kept confidential and will not be disclosed to officers, directors or employees of Federated or third parties except as described below. Voting materials may be disclosed in any of the following circumstances:

if required by applicable law;

to persons engaged in the receipt, counting, tabulation or solicitation of proxies who have agreed to maintain stockholder confidentiality as provided in the policy;

Table of Contents

in those instances in which stockholders write comments on their proxy cards or otherwise consent to the disclosure of their vote to Federated's management;

in the event of a proxy contest or a solicitation of proxies in opposition to the voting recommendations of the Board;

in respect of a stockholder proposal that Federated's Board Organization and Corporate Governance Committee (the BOCG Committee), after having allowed the proponent of the proposal an opportunity to present its views, determines is not in the best interests of Federated and its stockholders; and

in the event that representatives of Federated determine in good faith that a bona fide dispute exists as to the authenticity or tabulation of voting materials.

The policy described above will apply to the annual meeting.

All shares of common stock represented at the annual meeting by proxies properly submitted prior to or at the annual meeting will be voted at the annual meeting in accordance with the instructions on the proxies, unless such proxies previously have been revoked. If no instructions are indicated, such shares will be voted FOR the nominees for director identified below, FOR the ratification of the appointment of Federated's independent accountants, FOR the proposal to amend the 1995 Executive Equity Incentive Plan, and AGAINST the stockholder proposal to take the necessary steps to adopt a system for the annual election of all of Federated's directors.

A stockholder may revoke a proxy by submitting to the Secretary of Federated evidence of such revocation or a subsequent proxy authorized by such stockholder or by voting in person at the annual meeting. Attendance at the annual meeting will not, in itself, constitute revocation of a proxy.

The foregoing table does not reflect shares of restricted stock previously issued or remaining available for issuance under the 1995 Equity Plan. As of January 31, 2004, there were 314,953 shares of restricted stock outstanding that remained subject to possible forfeiture and 55,291 shares of common stock available for future issuance as restricted stock under the 1995 Equity Plan.

The foregoing table does not reflect (i) stock credits issued as long-term incentive awards under the 1992 Incentive Bonus Plan (as amended, the "1992 Bonus Plan"), which has been approved by Federated's stockholders, or (ii) stock credits issued under Federated's Executive Deferred Compensation Plan, the compensation program for directors who are not employees of Federated (the "Non-Management Directors"), and the Non-Management Directors' deferred compensation plan, which have not been approved by Federated's stockholders. Pursuant to amendments to the 1992 Bonus Plan, long-term incentive bonuses formerly payable in cash are now payable in the form of stock credits. Pursuant to the Executive Deferred Compensation Plan, eligible executives may elect to receive a portion of their cash compensation in the form of stock credits. Pursuant to the Non-Management Directors' compensation program, Federated directors are required to receive 50% of their annual fees in the form of stock credits. In addition, pursuant to the Non-Management Directors' deferred compensation plan, directors may elect to receive all or a portion of their remaining compensation in the form of stock credits.

Under the plans described in the immediately preceding paragraph, entitlements due to participants are expressed as dollar amounts and then converted to stock credits in amounts (i) equal to the number of shares of common stock that could be purchased by the applicable Plan at current market prices with the cash contributed to the plan that otherwise would have been payable to the participant (in the case of the Executive Deferred Compensation Plan, the Non-Management Directors' compensation program and the Non-Management Directors' deferred compensation plan) or (ii) equal to the number of shares of common stock that could be purchased at current market prices as of specified dates with 120% of the applicable bonus amount (in the case of the 1992 Incentive Bonus Plan). In general, each stock credit entitles the holder to receive one share of common stock three years after the issuance of the stock credit, or, in the case of the Executive Deferred Compensation Plan and the Non-Management Directors' deferred compensation plan, upon the termination of the holder's employment or service with Federated, together with amounts equal to any dividends paid on one share of common stock. No specific number of shares are authorized for issuance under the deferred compensation plans or the 1992 Bonus Plan.

ITEM 1 ELECTION OF DIRECTORS

Federated's Certificate of Incorporation (the "Certificate of Incorporation") and By-Laws (the "By-Laws") provide that the directors of Federated are to be classified into three classes, with the directors in each class serving for three-year terms and until their successors are elected.

In accordance with the recommendation of its BOCG Committee, the Board has nominated Sara Levinson, Joseph Neubauer, Joseph A. Pichler and Karl M. von der Heyden, each of whom is currently a member of the Board, for election as Class I Directors. If elected, such nominees will serve for a three-year term to expire at Federated's annual meeting of stockholders in 2007 or until their successors are duly elected and qualified. Information regarding the foregoing nominees, as well as the other persons who are expected to serve on the Board following the annual meeting, is set forth below.

The Board has no reason to believe that any of the nominees will not serve if elected. However, if any nominee should subsequently become unavailable to serve as a director, the Board may designate a substitute nominee and the persons named as proxies may, in their discretion, vote for such substitute nominee designated by the Board. Alternatively, the Board may reduce the number of directors to be elected at the annual meeting.

capital projects and other financial commitments and approves such projects and commitments above \$15 million and below \$25 million, and reports to the Board on all such projects and commitments of \$25 million and above.

The Finance Committee met five times during fiscal 2003.

Public Policy Committee. The Public Policy Committee is presently composed of Ms. Levinson and Messrs. Graves, von der Heyden and Weatherup. This Committee establishes, when necessary or appropriate, policies involving Federated's role as a corporate citizen, reviews; evaluates and monitors the policies, programs and practices in public policy areas; maintains an awareness of public affairs developments and trends, and reviews and makes recommendations to the Board on stockholder proposals relating to various matters. The Public Policy Committee met three times during fiscal 2003.

Audit Review Committee. In March 2004, the Board adopted a revised charter for the Audit Review Committee, which is disclosed on Federated's website at www.fds.com/corporategovernance, and attached hereto as Appendix B. The Audit Review Committee is presently composed of Ms. Levinson, Dr. Whittington and Messrs. Neubauer and von der Heyden. As required by the Audit Review Committee Charter, the Board has determined that all members of the Audit Review Committee are independent and that Dr. Whittington and other members of the Audit Review Committee qualify as financial experts. In addition, the Board has determined that the service of Mr. von der Heyden simultaneously on the audit committees of three other public companies does not impair his ability to serve effectively on Federated's Audit Review Committee. The Audit Review Committee reviews the professional services provided by Federated's independent accountants and the independence of such firm. This Committee also reviews the scope of the audit by Federated's independent accountants, whether the provision of non-audit services by Federated's independent accountants is compatible with the

maintenance of their independence, the annual financial statements of Federated, Federated's systems of internal accounting controls, material legal developments relating to, and legal compliance policies and procedures of, Federated and such other matters with respect to the legal, accounting, auditing and financial reporting practices and procedures of Federated as it may find appropriate or as may be brought to its attention, and meets from time to time with members of Federated's internal audit staff. See Audit Review Committee Report for further information regarding the Audit Review Committee's review. The Audit Review Committee met six times during fiscal 2003.

Board Organization and Corporate Governance Committee. In March 2004, the Board adopted a revised charter for the BOCG Committee, which is disclosed on Federated's website at www.fds.com/corporategovernance. The BOCG Committee is presently composed of Messrs. Feldberg, Graves, Pichler and Weatherup. As required by the BOCG Committee Charter, all members of the BOCG Committee are independent under the Standards for Director Independence. The BOCG Committee is responsible for identifying and screening candidates for future Board membership and for proposing such candidates to the Board to fill vacancies as they occur and for election by the stockholders at annual meetings. Among other means of identifying potential candidates, under the BOCG Committee Charter, the BOCG Committee is authorized to employ third-party search firms. The criteria considered by the BOCG Committee in evaluating potential candidates include the following:

Personal qualities and characteristics, accomplishments and reputation in the business community;

Knowledge of the communities in which Federated does business and Federated's industry or other industries relevant to Federated's business;

Relevant experience and background that would be of a benefit to Federated;

Ability and willingness to commit adequate time to Board and committee matters;

The fit of the individual's skills and personality with those of other directors and potential directors in building a Board that is effective, collegial and responsive to the needs of Federated; and

Diversity of viewpoints, background, experience and other demographics.

The BOCG Committee also takes into consideration whether particular individuals satisfy the independence criteria set forth in the NYSE listing standards together with any special criteria applicable to service on various standing committees of the Board. The full Board (a) considers candidates recommended to it by the BOCG Committee, (b) considers the optimum size of the Board, (c) determines the manner in which any vacancies on the Board are addressed, and (d) determines the composition of all Board committees. The BOCG Committee also oversees the evaluation of the Board and undertakes such other tasks as the Board may from time to time delegate or assign. The BOCG Committee met six times during fiscal 2003.

The BOCG Committee will consider nominees for directors recommended by stockholders of Federated and will evaluate such nominees using the same criteria used to evaluate director candidates otherwise identified by the BOCG Committee. Stockholders wishing to make such recommendations should write to the Board Organization and Corporate Governance Committee, c/o Dennis J. Broderick, Secretary, Federated Department Stores, Inc., 7 West Seventh Street, Cincinnati, Ohio 45202. Persons making submissions should include the full name and address of the recommended nominee, a description of the proposed nominee's qualifications and other relevant biographical information. See Director Nomination Procedures for a discussion of nomination procedures under the By-Laws.

Compensation Committee. In March 2004, the Board adopted a revised charter for the Compensation Committee, which is disclosed on Federated's website at www.fds.com/corporategovernance. The Compensation

Committee is presently composed of Messrs. Feldberg, Neubauer, Pichler and Weatherup. As required by the Compensation Committee Charter, all members of the Compensation Committee are independent. This Committee reviews executive salaries, administers the bonus, incentive and stock option plans of Federated and approves the salaries and other benefits of the chief executive officer and the other executive officers of Federated. In addition, this Committee advises and consults with Federated's management regarding pension and other benefit plans and compensation policies and practices of Federated. The Compensation Committee met five times during fiscal 2003.

Section 162(m) Subcommittee. The Board has established a subcommittee of the Compensation Committee, presently composed of Messrs. Feldberg and Pichler (the Section 162(m) Subcommittee). The Section 162(m) Subcommittee is required to be composed solely of two or more members of the Compensation Committee who are outside directors within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended, and the regulations of the Internal Revenue Service relating thereto (collectively, Section 162(m)). The Section 162(m) Subcommittee is authorized to take all required actions under the Equity Plans and the 1992 Bonus Plan, and such other compensation plans, agreements or arrangements of Federated as may be specified by the Board from time to time, in each case with respect to such action as may be necessary under Section 162(m) in order to cause any compensation that is paid thereunder to a person who is, or is specified by the Compensation Committee as being reasonably likely to become, a covered employee within the meaning of Section 162(m) to qualify as performance based within the meaning of Section 162(m). The Section 162(m) Subcommittee met twice during fiscal 2003.

Director Nomination Procedures

The By-Laws provide that nominations for election of directors by the stockholders will be made by the Board or by any stockholder entitled to vote in the election of directors generally. The By-Laws require that stockholders intending to nominate candidates for election as directors deliver written notice thereof to the Secretary of Federated not less than 60 days prior to the meeting of stockholders. However, in the event that the date of the meeting is not publicly announced by Federated by inclusion in a report filed with the SEC or furnished to stockholders, or by mail, press release or otherwise more than 75 days prior to the meeting, notice by the stockholder to be timely must be delivered to the Secretary of Federated not later than the close of business on the tenth day following the day on which such announcement of the date of the meeting was so communicated. The By-Laws further require, among other things, that the notice by the stockholder set forth certain information concerning such stockholder and the stockholder's nominees, including their names and addresses, a representation that the stockholder is entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice, the class and number of shares of Federated's stock owned or beneficially owned by such stockholder, a description of all arrangements or understandings between the stockholder and each nominee, such other information as would be required to be included in a proxy statement soliciting proxies for the election of the nominees of such stockholder, and the consent of each nominee to serve as a director of Federated if so elected. The chairman of the meeting may refuse to acknowledge the nomination of any person not made in compliance with these requirements. Similar procedures prescribed by the By-Laws are applicable to stockholders desiring to bring any other business before an annual meeting of the stockholders. See Stockholders Proposals Proposals for 2005 Annual Meeting.

Corporate Governance Guidelines and Code of Business Conduct and Ethics

The Board has approved the adoption by Federated of Corporate Governance Guidelines and a Code of Business Conduct and Ethics, each of which is disclosed on Federated's website at www.fds.com/corporategovernance.

Director Compensation

Non-Management Directors receive an annual base retainer fee in the amount of \$40,000, and a fee of \$2,000 for each Board or Board Committee meeting attended and for each review session with one or more members of management. In addition, each Non-Management Director who chairs a Board Committee receives an annual fee of \$10,000. Since January 1, 1999, the annual base retainer fee (including the fee payable to a committee chair) and the meeting fee payable to Non-Management Directors is being paid 50% (or such greater percentage, in ten percent increments, any individual director may have elected) in credits representing the right to receive shares of common stock, with the balance being paid in cash. Such stock credits will be settled in shares of common stock three years following the issuance of such stock credits (or at such later time as any individual director's service on the Board ends, if such individual director has elected to defer compensation under the directors' deferred compensation plan).

Subject to the holding period described above for stock credits covering a portion of retainer and meeting fees, any Non-Management Director may defer all or a portion of those fees either as stock credits or cash credits under the directors' deferred compensation plan until such director's service on the Board ends.

In connection with the termination of the retirement plan for Non-Management Directors described below, the 1995 Equity Plan was amended to make each Non-Management Director eligible to receive annual grants of options to purchase up to 3,500 shares of common stock. The 1995 Equity Plan was further amended to make each Non-Management Director eligible to receive, commencing with fiscal year 2001, annual grants of options to purchase up to 5,000 shares of common stock. Each Non-Management Director was granted an option to purchase 5,000 shares of common stock in respect of his or her service as such during fiscal 2003. Directors who are also full-time employees of Federated receive no additional compensation for service as directors.

Federated's retirement plan for Non-Management Directors was terminated on a prospective basis effective May 16, 1997 (the Plan Termination Date). As a result of such termination, persons who first become Non-Management Director after the Plan Termination Date will not be entitled to receive any payment thereunder. Persons who were Non-Management Directors as of the Plan Termination Date will be entitled to receive retirement benefits accrued as of the Plan Termination Date. Subject to an overall limit in an amount equal to the aggregate retirement benefit accrued as of the Plan Termination Date (i.e., the product of the amount of the annual base retainer fee earned immediately prior to retirement and the years of Board service prior to the Plan Termination Date), and the vesting requirements described below, persons who retire from service as Non-Management Directors after the Plan Termination Date will be entitled to receive an annual payment equal to the amount of the annual base retainer fee earned immediately prior to retirement, payable in monthly installments, commencing at age 60 (if such person's termination of Board service occurred prior to reaching age 60) and continuing for the lesser of such person's remaining life or a number of years equal to such person's years of Board service prior to the Plan Termination Date. Full vesting will occur for Non-Management Directors who reach age 60 while serving on the Board, irrespective of such person's years of Board service. Vesting will occur as follows for Non-Management Directors whose Board service terminates before the director reaches age 60: 50% vesting after five years of Board service and an additional 10% vesting for each year of Board service after

Table of Contents

five years. Board service following the Plan Termination Date will be given effect for purposes of the foregoing vesting requirements. There are no survivor benefits under the terms of the retirement plan.

Non-Management Directors also receive executive discounts on merchandise purchased.

Certain Relationships and Related Transactions

Dr. Whittington, a director of Federated, is Chief Operating Officer of Allianz Dresdner Asset Management, which through its insurance affiliate, Allianz Insurance Company, provided Federated during fiscal year 2003 portions of Federated's excess casualty insurance coverage at an aggregate premium cost of \$390,000.

Compliance with Section 16(a) of the Securities Exchange of 1934

Section 16(a) of the Securities Exchange Act of 1934 (the Exchange Act) requires Federated's directors and executive officers, and certain persons who own more than 10% of the common stock outstanding, to file with the SEC and the New York Stock Exchange (the NYSE) initial reports of ownership and reports of changes in ownership of common stock. Executive officers, directors and greater than 10% stockholders are required by SEC regulation to furnish Federated with copies of all Section 16(a) reports they file. See Stock Ownership Certain Beneficial Owners.

To Federated's knowledge, based solely on a review of the copies of reports furnished to Federated and written representations signed by all directors and executive officers that no other reports were required with respect to their beneficial ownership of common stock during fiscal 2003, the directors and executive officers and all beneficial owners of more than 10% of the common stock outstanding complied with all applicable filing requirements under Section 16(a) of the Exchange Act with respect to their beneficial ownership of common stock during fiscal 2003.

ITEM 2 APPOINTMENT OF INDEPENDENT ACCOUNTANTS

The Board, upon the recommendation of the Audit Review Committee, has appointed the firm of KPMG LLP independent public accountants, to audit the books, records and accounts of Federated for the fiscal year ending January 29, 2005. The Board's appointment is subject to ratification by Federated's stockholders. KPMG LLP and its predecessors have served as independent accountants for Federated since 1988, and are considered well qualified. Representatives of KPMG LLP are expected to be present at the annual meeting and will have the opportunity to make a statement if they desire to do so. It is also expected that they will be available to respond to appropriate questions.

Fees Paid to Independent Accountants

The table below summarizes the fees paid to KPMG LLP during fiscal 2003 and fiscal year 2002:

<u>Year</u>	<u>Audit(\$)</u>	<u>Audit Related(\$)</u>	<u>Tax(\$)</u>	<u>All Other(\$)</u>	<u>Total(\$)</u>
2003	2,325,650	787,400	162,000	69,000	3,344,050
2002	2,381,816	1,424,800	120,650	190,539	4,117,805

Audit fees represent fees for professional services rendered for the audit of Federated's annual financial statements and the reviews of the interim financial statements included in Federated's Forms 10-Q.

Table of Contents

Audit related fees represent professional services principally related to the audits of financial statements of employee benefit plans, audits of financial statements of certain subsidiaries and certain subsidiaries that were sold and certain agreed upon procedures reports.

Tax fees represent professional services related to tax compliance and consulting services.

All other fees represent professional services other than those covered above. Included in this are fees related to consulting services specifically on two projects in 2002 and one project in 2003.

The Audit Review Committee has adopted policies and procedures for the pre-approval of all permitted non-audit services provided by Federated's independent accountants. A description of such policies and procedures is attached as Appendix C to this Proxy Statement and incorporated herein by reference.

The Board recommends that the stockholders vote FOR such ratification. Proxies solicited by the Board will be so voted unless stockholders specify in their proxies a contrary choice.

ITEM 3 AMENDMENT TO 1995 EQUITY PLAN

One of the key elements of Federated's strategic plan is the practice of linking the compensation of key employees to the achievement of specific performance levels. The 1995 Equity Plan is intended to provide an equity interest in Federated to key management personnel and thereby provide additional incentives for such persons to devote themselves to the maximum extent practicable to the business of Federated and its subsidiaries. The 1995 Equity Plan is also intended to aid in attracting persons of outstanding ability to enter and remain in the employ of Federated and its subsidiaries.

To further the objectives of the 1995 Equity Plan, the Board has accepted the Compensation Committee's recommendation that the 1995 Equity Plan be amended, subject to approval by Federated's stockholders, to increase by 5.0 million shares the total number of shares of common stock available for issuance thereunder (without increasing the number of shares available for issuance thereunder as restricted stock). If the holders of a majority of the shares of common stock present in person or by proxy at the annual meeting vote for the approval of the proposed amendment to the 1995 Equity Plan, such amendment will immediately become effective. If such approval by Federated's stockholders is not obtained at the annual meeting, the proposed amendment to the 1995 Equity Plan will not become effective, and the 1995 Equity Plan as it presently exists will continue in effect. Neither the effectiveness of the proposed amendment to the 1995 Equity Plan nor the failure of such amendment to become effective will have any effect on the awards outstanding under the 1995 Equity Plan at the time of the annual meeting.

The 1995 Equity Plan is administered by the Compensation Committee, no voting member of which may be an employee of Federated or its subsidiaries and, to the extent described in Further Information Concerning the Board of Directors' Committees of the Board Section 162(m) Subcommittee, by the Section 162(m) Subcommittee. Pursuant to the 1995 Equity Plan, the Compensation Committee is authorized to grant stock options (Options), stock appreciation rights (SARs), and shares of restricted stock (Restricted Stock and, collectively with Options and SARs, Awards) to officers and key employees of Federated and its subsidiaries (approximately 1,170 persons in the aggregate at the date of this Proxy Statement). The 1995 Equity Plan also provides for annual grants of Options to purchase up to 5,000 shares of common stock to each Non-Management Director (eight persons in the aggregate at the date of this Proxy Statement). The 1995 Equity Plan provides that Awards generally may be transferred only upon death or pursuant to qualified domestic relations orders, except that certain participants may transfer Awards to members of their immediate family (as defined in the Rule 16a-1(e) under the Exchange Act). Particular Awards may be subject to additional restrictions on transfer.

Table of Contents

As of April 2, 2004, 1,151,490 shares which were not the subject of outstanding Awards remained available for issuance as or pursuant to Awards under the 1995 Equity Plan (of which 54,291 shares were available for issuance as Restricted Stock). Upon the effectiveness of the proposed amendment, the total number of shares available for issuance as or pursuant to Awards under the 1995 Equity Plan will be equal to the sum of (a) the number of shares remaining available for issuance as or pursuant to Awards under the 1995 Equity Plan immediately prior to the effectiveness of such amendment and (b) 5 million. Of such total number of shares, the number of shares that will be available for issuance under the 1995 Equity Plan as Restricted Stock will be 54,291 (subject to reduction on a share-for-share basis on account of any shares of Restricted Stock issued after April 2, 2004).

Options granted under the 1995 Equity Plan may be incentive stock options (ISOs), nonqualified stock options, or combinations of the foregoing. The 1995 Equity Plan specifies a maximum ten year term for Options granted thereunder. A grant of Options may provide for the deferred payment of the exercise price from the proceeds of sales through a bank or broker on the exercise date of some or all of the shares of common stock to which such exercise relates. The exercise price (the Exercise Price) of Options may not be less than (a) the closing sale price per share of the common stock as reported in the NYSE Composite Tape (or any other consolidated transactions reporting system which subsequently may replace such Composite Tape) for the trading day immediately preceding the date determined as the grant date in accordance with the authorization of the Board (and, in the case of nonqualified Options awarded to non employee directors of Federated as described below, the trading day immediately preceding the date of the Award), or if there are no reported sales on such date, on the next preceding day on which there were sales; (b) the average (whether weighted or not) or mean price, determined by reference to the closing sales prices, average between the high and low sales prices, or any other standard for determining price adopted by the Board, per share of the common stock as reported in the NYSE Composite Transactions Report as of the date or for the period determined in accordance with the authorization of the Board; or (c) in the event that the common stock is not listed for trading on the NYSE as of a relevant date of grant, an amount determined in accordance with standards adopted by the Board. In general, among other requirements, in order to permit Federated to exclude any amount reportable as taxable income for federal income tax purposes as a result of the exercise of such Options and SARs in computing compensation that is subject to the \$1.0 million deductibility limit imposed by Section 162(m) (discussed below), Options and SARs granted to executives who are or who could be subject to the \$1.0 million limitation will be granted with an Exercise Price of not less than the market value per share on the date of grant.

Each grant of Options will specify whether the Exercise Price is payable in cash, by the actual or constructive transfer to Federated of nonforfeitable, unrestricted shares of common stock already owned by the participant having an actual or constructive value as of the time of exercise equal to the total Exercise Price, by any other legal consideration authorized by the Compensation Committee, or by a combination of such methods of payment. The 1995 Equity Plan does not require that a participant hold shares received upon the exercise of an Option for a specified period and permits immediate sequential exercises of Options with the Exercise Price therefore being paid in shares of common stock, including shares acquired as a result of prior exercises of Options. Under the 1995 Equity Plan, the Board may not, without further approval of the stockholders of Federated, authorize the amendment of any outstanding option right to reduce the option price, or cancel and replace any such outstanding option right with awards having a lower option price.

SARs may be granted under the 1995 Equity Plan in tandem with the Options. Upon exercise, a holder of a SAR would receive, in the discretion of the Compensation Committee, cash, shares of the common stock, or a combination thereof having an aggregate value equal to all or some portion of the excess of the market value of the shares of common stock in respect of which the SAR is exercised, determined in the manner specified in the

Table of Contents

1995 Equity Plan as of the date of such exercise, over the aggregate Exercise Price of the related Option. The Option to which the SAR is related would be canceled to the extent of the exercise of the SAR. The 1995 Equity Plan specifies a maximum ten year term for SARs granted thereunder and further specifies that the SAR price per share may not be less than the market value thereof as of the grant date. Under the 1995 Equity Plan, the market value of SARs is determined in the same manner as the Exercise Price of Options discussed above.

Restricted Stock involves the immediate transfer by Federated to a participant of ownership of a specified number of shares of common stock in consideration of the performance of services. The participant is entitled immediately to voting, dividend, and other ownership rights in such shares provided, however, that at least a portion of the Restricted Shares covered by such issuance or transfer is subject to a substantial risk of forfeiture within the meaning of section 83 of the Internal Revenue Code for a period of (i) at least one year following the Date of Grant in the case of a performance-based grant of Restricted Shares, and (ii) at least three years following the Date of Grant in the case of any grant of Restricted Shares that is not performance-based.

Options granted under the 1995 Equity Plan may be Options that are intended to qualify as ISOs, or nonqualified stock options that are not intended to so qualify. Nonqualified stock options generally will not result in any taxable income to the optionee at the time of the grant, but the holder thereof will realize ordinary income at the time of exercise of the Options if the optioned shares are not subject to any substantial risk of forfeiture (as defined in section 83 of the Internal Revenue Code). Under such circumstances, the amount of ordinary income is measured by the excess of the fair market value of the optioned shares at the time of exercise over the Exercise Price. If the Exercise Price of a nonqualified stock option is paid for, in whole or in part, by the delivery of shares of common stock previously owned by the optionee, no gain or loss will be recognized to the extent that the shares of common stock received are equal in fair market value to the shares of common stock surrendered. An optionee's tax basis in shares acquired upon the payment of the exercise price of nonqualified stock options in cash is equal to the Exercise Price plus any amount treated as ordinary income.

ISOs normally will not result in any taxable income to the optionee at the time of grant. If certain requirements are met, the excess of the fair market value of the optioned shares (the ISO Shares) over the Exercise Price will not be subject to regular income tax upon the exercise of the Option and will be characterized as a capital gain rather than as ordinary income upon the sale of the ISO Shares. However, the excess of the fair market value of ISO Shares over the Exercise Price is a tax preference item that is potentially subject to the alternative minimum tax. To the extent that the aggregate fair market value of common stock with respect to which ISOs are exercisable for the first time by an employee during any calendar year exceeds \$100,000, such excess ISOs will be treated as Options which are not ISOs. No deduction is available to the employer of an optionee upon the optionee's exercise of an ISO nor upon the sale or exchange of ISO Shares if the holding period requirements for ISO Shares and the statutory employment requirement are satisfied by the holder of the ISO Shares.

In general, the grant of an SAR will not produce taxable income to the recipient. However, upon exercise of an SAR, the amount of any cash received and the fair market value on the exercise date of any shares of common stock received will be taxable as ordinary income to the recipient.

For federal income tax purposes, no taxable income will be recognized by a participant who receives a Restricted Stock Award pursuant to the 1995 Equity Plan in the year such Award is made to the participant. If the participant makes an election under section 83(b) of the Internal Revenue Code to have such stock taxed to him (a Section 83(b) Election), however, he will recognize as ordinary income for such year an amount equal to the excess of the fair market value of the shares of common stock (determined without regard to any lapse restrictions imposed thereon) at the time of transfer over any amount paid by the participant therefor. If a

Table of Contents

participant makes a Section 83(b) Election, no tax deduction will subsequently be allowed to the participant for any amount previously included in income by reason of such election with respect to any common stock later forfeited under the terms of the 1995 Equity Plan. Absent a Section 83(b) Election, a participant will recognize ordinary income for federal income tax purposes in the year or years in which restrictions terminate, in an amount equal to the excess, if any, of the fair market value of such shares of common stock on the date the restrictions expire or are removed over any amount paid by the participant therefor. Assuming no Section 83(b) Election has been made, any dividends received with respect to common stock subject to restrictions will be treated as additional compensation income and not as dividend income.

To the extent that a recipient of an Award recognizes ordinary income in the circumstances described above, Federated would be entitled to a corresponding deduction, provided in general that (a) the amount is an ordinary and necessary business expense and such income meets the test of reasonableness; (b) the deduction is not disallowed pursuant to Section 162(m), as described below; and (c) certain statutory provisions relating to so-called excess parachute payments do not apply. Awards granted under the 1995 Equity Plan are subject to acceleration in the event of a change-in-control of Federated and, therefore, it is possible that these change-in-control features may affect whether amounts realized upon the receipt or exercise of Awards will be deductible by Federated under the excess parachute payments provisions of the Internal Revenue Code.

Section 162(m) generally disallows a tax deduction to public companies for compensation over \$1.0 million accrued with respect to the chief executive officer and the four most highly compensated executive officers in addition to the chief executive officer employed by the company at the end of the applicable year. Qualifying performance-based compensation will not be subject to the deduction limit if certain requirements are met. In the case of options, one requirement is that the plan under which the options are granted state a maximum number of shares with respect to which options may be granted to any one participant during a specified period. Accordingly, the 1995 Equity Plan restricts Awards so that no participant may be granted Options to purchase more than 1,000,000 shares in any period of three fiscal years of Federated, subject to adjustment by the Compensation Committee in certain circumstances to prevent dilution or enlargement of the participant's rights. A second requirement is that the 1995 Equity Plan be approved by stockholders. This requirement has been satisfied with respect to the 1995 Equity Plan as presently in effect.

The foregoing discussion of the material provisions of the 1995 Equity Plan, as proposed to be amended, does not purport to be complete and is qualified in its entirety by reference to the full text thereof, which is attached as Appendix D to this Proxy Statement and incorporated herein by reference. As proposed to be amended, the 1995 Equity Plan would be subject to further amendment from time to time by the Board, except that no amendment to increase the maximum numbers of shares of common stock or shares of Restricted Stock issuable pursuant to the 1995 Equity Plan or the maximum number of shares of common stock that may be subject to Option Rights or Appreciation Rights granted to any participant in any period of three fiscal years of Federated could be effected without the further approval of the holders of a majority of the shares of common stock actually voting thereon at a meeting of Federated's stockholders.

The following table sets forth certain information regarding the Awards granted under the 1995 Equity Plan in fiscal 2003 and fiscal 2004 (through April 2, 2004). No determination has been made with respect to any

specific Award that may be granted under the 1995 Equity Plan after April 2, 2004. On April 2, 2004, the closing price of the common stock was \$53.95.

The Board recommends that stockholders vote FOR the amendment to the 1995 Equity Plan. Proxies solicited by the Board will be so voted unless stockholders specify in their proxies a contrary choice.

ITEM 4 STOCKHOLDER PROPOSAL SEEKING ANNUAL ELECTION OF DIRECTORS

Mrs. Evelyn Y. Davis, Editor, Highlights and Lowlights, Watergate Office Building, 2600 Virginia Avenue, N.W., Suite 215, Washington, DC 20037, who is the beneficial owner of 200 shares of common stock, has notified Federated that she intends to submit the following proposal at the annual meeting:

RESOLVED: That the stockholders of Federated recommend that the Board of Directors take the necessary steps to reinstate the election of directors ANNUALLY, instead of the stagger system which was recently adopted.

REASONS: Until recently, directors of Federated were elected annually by all shareholders.

The proponent has submitted the following statement in support of the proposal, for which Federated and the Board accept no responsibility:

The great majority of New York Stock Exchange listed corporations elect all their directors each year. This insures that ALL directors will be more accountable to ALL shareholders each year and to a certain extent prevents the self-perpetuation of the Board. Last year the owners of 128,943,118 shares, representing approximately 88% of shares voting, voted FOR this proposal. Yet YOUR Board has IGNORED the wishes of 88% of the shares voted FOR!!!

If you AGREE, please mark your proxy FOR this resolution.

For the reasons discussed below, the Board recommends that stockholders vote AGAINST the foregoing proposal.

Federated's Certificate of Incorporation has provided for classified director terms for many years, including prior to the hostile takeover of Federated in 1988 that resulted in its bankruptcy in 1990. According to information provided to Federated by its advisors, approximately 60% of the companies included in the S&P 500 have classified boards of directors.

The Board believes that the classification of director terms provides significant benefits to Federated's stockholders. A classified Board provides for continuity and stability and enhances the Board's ability to implement its long-term strategy and to focus on long-term performance. Because a classified Board makes it

Table of Contents

more difficult for a substantial stockholder to change abruptly the entire Board without the approval, or at least the cooperation, of the incumbent Board, it enhances the ability of the Board to consider whether initiatives proposed by such a substantial stockholder are in the best interests of Federated and all of its stockholders. A classified Board permits a more orderly process for directors to consider, in the exercise of their fiduciary responsibilities, any and all alternatives to maximize stockholder value.

The Board also believes that it has in place procedures, including a policy requiring retirement at age 70 and a policy requiring that any director whose principal occupation changes submit his or her resignation, to provide assurance that its composition is appropriate. The Board is presently comprised of ten members, all but two of whom are believed by the Board to be free of interests or relationships with Federated that could reasonably be expected to compromise the independent discharge of their duties.

For the reasons set forth above, the Board recommends a vote AGAINST this proposal. Proxies solicited by the Board will be so voted unless stockholders specify in their proxies a contrary choice.

Change-in-Control Agreements

Federated has entered into a change-in-control agreement (Change-in-Control Agreement) with each of the Named Executives. Under the Change-in-Control Agreements, if, prior to November 1, 2006, a change in control (as defined in the Change-in-Control Agreements) occurs and within three years thereafter Federated or, in certain circumstances, the executive terminates the executive's employment and, in the case of a termination by Federated, cause (as defined in the Change-in-Control Agreements) therefor does not exist, the executive would be entitled to a cash severance benefit equal to three times the sum of his or her current base salary (or, if higher, the executive's highest salary received for any year in the three full calendar years preceding the Change in Control) and target annual bonus (or, if higher, the executive's highest bonus received for any year in the three full calendar years preceding the Change in Control), payment of any awards under Federated's long-term incentive plan at target (if applicable, and prorated to the executive's participation during each performance period), the continuation of welfare benefits for three years (subject, but only as to welfare benefits, to a requirement in any applicable welfare benefits plan that the executive maintain actively at work status and to early termination on the date the executive secures other full-time employment) and three years of retirement plan credits (but not pursuant to Federated's qualified or non-qualified plans). The cash severance benefit payable under the Change-in-Control Agreements would be reduced by all amounts actually paid to the executive pursuant to any other employment or severance agreement or plan to which the executive and Federated are parties or in which the executive is a participant. In addition, the severance benefits under the Change-in-Control Agreements are subject to reduction in certain circumstances if the excise tax imposed under 280G of the Internal Revenue Code would reduce the net after-tax amount received by the executive.

Retirement Program

Federated's retirement program (the Retirement Program) consists of a defined benefit plan and a defined contribution plan. As of January 1, 2004, approximately 73,100 employees, including the executive officers of Federated, participated in the Retirement Program.

To allow the Retirement Program to provide benefits based on a participant's total compensation, Federated adopted a Supplementary Executive Retirement Plan (the SERP). The SERP, which is a nonqualified unfunded plan, provides to eligible executives retirement benefits based on compensation in excess of Internal Revenue Code maximums, as well as on amounts deferred under Federated's Executive Deferred Compensation Plan (EDCP), in each case employing a formula that is based on the participant's years of vesting service and final average compensation, taking into consideration the participant's balance in the Cash Account Pension Plan and Retirement Profit Sharing Credits (as defined below). As of January 1, 2004, approximately 780 employees were eligible to receive benefits under the terms of the SERP. Federated has reserved the right to suspend or terminate supplemental payments as to any category of employee or former employee, or to modify or terminate any other element of the Retirement Program, in accordance with applicable law.

Under the Retirement Program's Cash Account Pension Plan, a participant retiring at normal retirement age is eligible to receive the amount credited to his or her pension account or the monthly benefit payments determined actuarially based on the amount credited to his or her pension account. Amounts credited to a participant's account consist of an opening cash balance equal to the single sum present value, using stated actuarial assumptions, of the participant's accrued normal retirement benefit earned at December 31, 1996, under the applicable predecessor pension plan, Pay Credits (generally, a percentage of eligible compensation credited annually based on length of service) and Interest Credits (credited quarterly, based on the 30 Year Treasury Bond rate for the November prior to each calendar year). In addition, if a participant retires at or after age 55 having, while employed, both reached age 55 and completed ten or more years of vesting service by December 31, 2001, the pension benefit payable in an annuity form, other than a single life annuity, will not be less than that which would have been payable from the predecessor pension plan under which such participant was covered on December 31, 1996.

Prior to the adoption of the Retirement Program, Federated's primary means of providing retirement benefits to employees was through defined contribution profit sharing plans. An employee's accumulated retirement profit sharing interests in the profit sharing plans (the Retirement Profit Sharing Credits) which accrued prior to the adoption of the pension plans, continue to be maintained and invested until retirement, at which time they are distributed.

With defined benefit plans in place, Federated continued, and presently expects to continue, to make contributions to the Profit Sharing 401(k) Investment Plan. It is impractical to estimate the accrued benefits upon retirement under Federated's Profit Sharing 401(k) Investment Plan because the amount, if any, that will be contributed by Federated and credited to a participant in any year is determined by such variable factors, among others, as the amount of net income of Federated, participants' annual contributions to the plan, the amount of matching contributions of Federated, and the earnings on participants' accounts.

The following table shows the estimated hypothetical total annual benefits payable under the SERP benefit formula pursuant to the Cash Account Pension Plan, Retirement Profit Sharing Credits and the SERP to persons retiring at their normal retirement age in 2004 in specified eligible compensation and years of service classifications, assuming that a retiring participant under the Retirement Program elects a single life annuity distribution of his or her balance in the Cash Account Pension Plan and Retirement Profit Sharing Credits. Such benefits are not subject to any deduction for Social Security or other offset amounts; however, if the total annual

Table of Contents

benefits payable to a person pursuant to the Cash Account Pension Plan and the Retirement Profit Sharing Credits under the foregoing assumptions would exceed the amount set forth below, no benefit would be payable to such person under the SERP. Eligible compensation for this purpose includes amounts reflected in the Annual Compensation portion of the Summary Compensation Table under the headings Salary and Bonus, but excludes amounts reflected in such portion of such table under the heading Other Annual Compensation. With respect to the Annual Compensation portion of the Summary Compensation Table, the eligible compensation of each of the Named Executives did not vary by more than 10% from the total amount of such executive's annual compensation.

Mr. Zimmerman, Mr. Lundgren, Mr. Cody, Mr. Cole, Ms. Grove, Ms. Kronick and Mr. Tysoe have completed 37, 22, 21, 31, 30, 30 and 16 years of vesting service, respectively. Pursuant to the terms of Mr. Tysoe's employment with Federated, Mr. Tysoe, whose actual employment commenced on March 1, 1987, is deemed to have commenced employment on February 19, 1981 for the purpose of calculating years of vesting service for benefit accrual. Pursuant to the terms of Mr. Zimmerman's employment agreement with Federated, Mr. Zimmerman's age will be increased by five years for the purpose of calculating the early retirement monthly and lump sum benefits under the formula used in the SERP. All benefits under the SERP, including the additional benefits payable to Messrs. Tysoe and Zimmerman, are payable out of the general corporate assets of Federated. The present value of the total amount of additional benefits due to Messrs. Tysoe and Zimmerman, assuming they satisfy certain eligibility requirements, is estimated to be approximately \$245,000 and \$2,551,000, respectively, as of January 31, 2004.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION**Overview of Federated's Executive Compensation Policies and Practices**

Federated's executive compensation program, which was developed with the assistance of independent compensation and other advisors, is principally intended to: (a) provide appropriate incentives designed to aid in assuring the accomplishment of Federated's performance and financial objectives; (b) help ensure that Federated is able to attract and retain top-quality management personnel; and (c) ensure that an appropriate portion of

Table of Contents

executive compensation is variable and dependent upon the accomplishment of specific performance and financial objectives, as well as increases in stockholder value.

The key guiding principle of the program is that total compensation opportunities, which include annual cash compensation and the value of long-term stock and cash incentives, should be positioned at competitive levels when performance expectations are met, should lead the industry when performance exceeds expectations and should lag behind the industry when performance falls short. The particular components of this program may vary from year to year. The 2003 program consisted of the following components: (a) Base Salary targeted at competitive levels within the retail industry; (b) Performance-Based Annual Cash Incentive based on attainment of specific financial objectives for the total corporation, operating unit and/or individual; and (c) Equity in the form of stock options, which tie any executive gain directly to value creation and stock price appreciation, and, to a limited extent, the use of restricted stock, the ultimate value of which is also directly tied to creation of stockholder value. Information relating to each of the foregoing components is set forth below.

The Compensation Committee (the Committee) engages outside executive compensation consultants, who, along with Federated management, assist the Committee in periodically reviewing the compensation programs of Federated to determine whether the total compensation provided by these programs is consistent with Federated's performance-driven policies. It is also the Committee's general policy to consider whether particular payments and awards are deductible for federal income tax purposes, along with such other factors as may be relevant in the circumstances, in reviewing executive compensation programs. Consistent with this policy, and in response to the final Treasury regulations regarding the deductibility of executive compensation under Section 162(m), the Committee has taken what it believes to be appropriate steps to maximize the future deductibility of payments under Federated's 1992 Bonus Plan and of stock options awarded under the 1995 Equity Plan.

During fiscal 2003, Federated's overall executive compensation program and each of its components were administered by the Committee and the Section 162(m) Subcommittee, based on authority delegated by the Board. As required by the Compensation Committee charter, all members of the Committee are independent directors and all of the members of the Section 162(m) Subcommittee are outside directors within the meaning of Section 162(m). See Further Information Concerning The Board of Directors Committees of the Board Compensation Committee for further information regarding the Section 162(m) Subcommittee. In the opinion of the Board, each of the Compensation Committee and the Section 162(m) Subcommittee is composed of directors who are independent of any relationships with any officer or other person that would prevent such committee or subcommittee from making independent judgments with respect to matters pertaining to executive compensation generally within its authority or as applied to any specific officer. No executive officer of Federated serves on the board of directors of any other company of which any member of the Board is an executive officer.

Specific Compensation Practices

Employment Agreement with James Zimmerman. Federated and Mr. Zimmerman entered into an employment agreement, dated as of August 27, 1999, which provided for Mr. Zimmerman to serve as Chairman of the Board and Chief Executive Officer of Federated for a term expiring on April 30, 2003. The employment agreement was amended on June 8, 2001 to extend the term of the agreement to February 1, 2004, and amended again as of February 26, 2003 to provide that Mr. Zimmerman would cease to serve as the Chief Executive Officer of Federated as of February 26, 2003, but would continue as the Chairman of the Board until February 1, 2004. Pursuant to an amendment dated December 31, 2003, Mr. Zimmerman ceased to serve as Chairman of the Board as of January 15, 2004, but continued to be employed by Federated through March 31, 2004, receiving

the base salary provided for in the employment agreement through January 31, 2004 and being on an unpaid leave of absence thereafter. Mr. Zimmerman's employment agreement provided for a base salary of \$1.25 million per year, and specifically included Mr. Zimmerman as a participant in the 1992 Bonus Plan. In connection with his agreement to serve as Chairman of the Board and Chief Executive Officer of Federated, Mr. Zimmerman was granted, on August 27, 1999, an option to purchase 450,000 shares of common stock at an exercise price of \$46.75 per share. Twenty-five percent of the option award vested on each of May 1, 2000, May 1, 2001, May 1, 2002 and May 1, 2003. Mr. Zimmerman was also granted, on August 27, 1999, 100,000 shares of restricted stock, with the restrictions on twenty-five percent of such award having lapsed on each of May 1, 2000, May 1, 2001, May 1, 2002 and May 1, 2003. In connection with the amendment of his employment agreement extending the term of the agreement to February 1, 2004, Mr. Zimmerman was granted, on June 8, 2001, an option to purchase 174,419 shares of common stock at an exercise price of \$43.00 per share. One hundred percent of the option award vested on February 1, 2004. Additionally, Mr. Zimmerman's age was increased by five years for the purpose of calculating the early retirement monthly and lump sum benefits under the formula used in the SERP. As a result of Mr. Zimmerman's employment continuing through March 31, 2004 the restrictions on 9,425 shares of restricted common stock previously granted to Mr. Zimmerman lapsed as scheduled on March 24, 2004, and Mr. Zimmerman's retirement benefits increased by an immaterial amount. Mr. Zimmerman's employment agreement contained provisions for compensation in the event of termination of Mr. Zimmerman's employment by Federated other than for cause or by Mr. Zimmerman for good reason substantially identical to the comparable provisions of Mr. Lundgren's employment agreement described below.

Employment Agreement with Terry Lundgren. Federated and Mr. Lundgren have entered into an employment agreement, dated as of March 1, 2003, and amended effective as of January 15, 2004, pursuant to which Mr. Lundgren serves as President and Chief Executive Officer of Federated for a term expiring on February 28, 2007. Mr. Lundgren was appointed Chief Executive Officer of Federated on February 26, 2003 and Chairman of the Board on January 15, 2004. Mr. Lundgren's employment agreement provides for a base salary of \$1.25 million per year, and specifically includes Mr. Lundgren as a participant in the 1992 Bonus Plan. In connection with his agreement to serve as President and Chief Executive Officer of Federated, Mr. Lundgren was granted, on February 24, 2003, an option to purchase 250,000 shares of common stock at an exercise price of \$25.58 per share, which was the closing price of the stock on the trading day immediately preceding the grant date. Twenty-five percent of the option award vested, or is scheduled to vest on each of February 24, 2004, February 24, 2005, February 24, 2006 and February 24, 2007. Mr. Lundgren was also granted on February 24, 2003, 50,000 shares of restricted stock, with the restrictions on one hundred percent of the award scheduled to lapse on February 28, 2007. Pursuant to Section 162(m), annual compensation accrued to Mr. Lundgren that is in excess of \$1.0 million (excluding Mr. Lundgren's bonus earned under the 1992 Bonus Plan, as well as any gains from the stock options awarded) will not be deductible by Federated for federal income tax purposes.

Mr. Lundgren's employment agreement provides that a termination of Mr. Lundgren's employment by Federated other than for cause or by Mr. Lundgren for good reason would entitle Mr. Lundgren to receive all salary and target annual bonuses until the expiration of the stated term thereof. The term cause is defined generally to include (a) willful and material breaches of duties, (b) habitual neglect of duties, or (c) the final conviction of a felony, but generally does not include bad judgment or negligence, any act or omission believed by Mr. Lundgren in good faith to have been in or not opposed to the interests of Federated or any act or omission in respect of which a determination could properly have been made by the Board that Mr. Lundgren met the applicable standard of conduct prescribed for indemnification or reimbursement under the By-Laws or the laws of the state of Delaware. The term good reason is defined generally to include (w) the assignment to Mr. Lundgren of any duties materially inconsistent with his position, authority, duties or responsibilities as contemplated in the agreement, or any other action by Federated which results in a material diminution in such

Table of Contents

position, authority, duties or responsibilities, (x) any material failure by Federated to comply with any of the provisions of the agreement, (y) failure of Mr. Lundgren to be reelected Chairman of the Board of Federated or to be reelected to membership on the Board, or (z) any purported termination by Federated of Mr. Lundgren's employment otherwise than as expressly permitted by the agreement.

Employment Agreements With Other Executive Officers. Each of Federated's other executive officers, along with a number of other key employees, is a party to an employment agreement with Federated. Most of these agreements have a two-year term, although several are for three years or four years, and all incorporate non-compete and mitigation clauses. The agreements with Mr. Cody, Mr. Cole, Ms. Grove, Ms. Kronick and Mr. Tysoe presently specify the following respective annual base salary rates: \$750,000, \$750,000, \$750,000, \$1,000,000 and \$825,000. In connection with employment agreements entered into in June 2001, Mr. Cody, Mr. Cole, Ms. Grove, Ms. Kronick and Mr. Tysoe each received a grant of stock options and restricted stock.

The Committee reviews the compensation levels and other terms of employment of each of Federated's executive officers against the performance of such officers and other factors determined to be appropriate by the Committee on a continuing basis. While the Committee expects Federated will continue its historical practice of entering into employment agreements with its executive officers and other key employees, it reserves the right to modify or terminate that practice generally or in a specific instance upon the expiration of any such agreements.

Annual Cash Incentive. Since fiscal year 1992, Federated's executives have participated in an annual cash bonus plan that was tied directly to Federated's performance. In fiscal 2003, the annual bonus opportunity for Mr. Zimmerman, Mr. Lundgren, Mr. Cody, Mr. Cole, Ms. Kronick and Mr. Tysoe was based approximately 60% upon Federated's performance against a specific EBIT (Earnings Before Interest and Taxes) target, approximately 20% against a specific sales target and approximately 20% against a specific cash flow target. In fiscal 2003, Ms. Grove's annual bonus opportunity was based approximately 27% upon Federated's EBIT target, approximately 20% upon Federated's cash flow target, approximately 27% upon the Federated Merchandising Group (FMG) EBIT target, approximately 13% upon a private label sales target, approximately 6.5% upon the headquarter stores sales target and approximately 6.5% upon a private label margin target. The Committee (or in certain cases, the Section 162(m) Subcommittee) established performance levels for each annual bonus component: threshold, target and above-target levels for Federated EBIT; target and maximum levels for sales and private label margin; and threshold, target and maximum levels for cash flow and FMG EBIT. For 2003, Federated's actual EBIT and FMG EBIT results were over plan, actual private label sales results met plan, actual corporate sales, headquarter store sales, and private label margin results were below plan; and the actual cash flow result exceeded the maximum level. Accordingly, Mr. Zimmerman, Mr. Lundgren, Mr. Cody, Mr. Cole, Ms. Grove, Ms. Kronick and Mr. Tysoe earned bonuses that reflected the amounts for above-target performance for the Federated EBIT result and the maximum bonus for the cash flow result. In addition, Ms. Grove earned a bonus that reflected amounts for target performance for private label sales and for performance between target and maximum for the FMG EBIT result. The Committee (or in certain cases, the Section 162(m) Subcommittee) has reviewed and approved the 2004 annual cash incentive performance targets for the executive group and the corresponding annual bonus opportunities. In 2004 Ms. Grove's bonus components will be the same as the components for the other executive officers.

Long-Term Incentive. The Compensation Committee decided to discontinue, for an indefinite period, which commenced in fiscal year 2002, the use of long-term incentive awards under the 1992 Bonus Plan. Consequently, no long-term incentive award was established for the 2002-2004 performance period or any period commencing after the end of fiscal year 2002. In connection with this decision, long-term incentive awards (and the related performance goals) under the 1992 Bonus Plan for the 2001-2003 performance period were prorated (i.e., reduced by two-thirds). For the fiscal 2001-2003 program, approximately 70% of the incentive opportunity

Table of Contents

was based on Federated's performance against a cumulative corporate EBIT target and an EBIT rate target, with approximately 30% being based on Federated's performance against a specified three-year average corporate ROGI (Return on Gross Investment) target. Historically, consistent with Federated's long-term business plan approved by the full Board, the Committee (or, in certain cases, the Section 162(m) Subcommittee) annually established new three-year threshold, target and maximum EBIT objectives, target and maximum average ROGI objectives and a minimum EBIT rate objective, which generally remained unchanged for each three-year measurement period. Failure to attain the minimum EBIT rate objective resulted in reduction of the bonus otherwise earned based upon EBIT performance. For the fiscal 2001-2003 performance period, EBIT performance did not meet the threshold objective, resulting in no payout to Federated's executive officers for any component of the plan.

Equity-Based Plan. Stock option awards were granted in fiscal 2003 by the Section 162(m) Subcommittee to Mr. Lundgren, Mr. Cody, Mr. Cole, Ms. Grove, Ms. Kronick and Mr. Tysoc.

The fiscal 2003 stock option awards were granted within the guidelines of the equity program established for all executives except Mr. Lundgren. The guidelines featured the use of a range of annual stock option award opportunities for each eligible position within Federated, with the range of opportunity reflecting competitive levels of awards as compared to other retailers and with individual awards reflecting individual performance within Federated. In granting these performance-based awards, key employees were provided with an immediate financial interest in increasing stockholder value. Option awards are typically granted with an exercise price equal to 100% of fair market value at the time of grant, with a 10-year term and vesting over four years.

All equity awards granted in fiscal 2003 were granted pursuant to the 1995 Equity Plan.

Stock Credit Plan. In March 2004, the Committee implemented a new compensation program to further align the interests of key members of senior management, including the Named Executives, with those of Federated's shareholders. Pursuant to this program, the number of stock option awards that would have been granted to participants in fiscal year 2004 and would likely be granted in fiscal year 2005 were reduced by fifty percent. The remaining fifty percent of such stock option awards were converted into stock credits on a ratio of three stock options to one stock credit. One-third of such stock credits are subject to performance criteria established by the Committee based on Federated's four key priorities—merchandise assortments, price simplification, the shopping experience and marketing. At the conclusion of fiscal year 2005, the Committee will evaluate Federated's performance in fiscal year 2004 and fiscal year 2005 against these criteria. Based upon its evaluation, the Committee may reduce the number of stock credits held by participants by up to one-third. After giving effect to any such reduction, the value of one-half of the stock credits held by participants will be paid in cash in the Spring of 2008 and the value of the other half of such stock credits will be paid in cash in the Spring of 2009, the value being determined in each case on the basis of the then-current 20-day average trading price of Federated common stock. In general, each stock credit is intended to represent the right to receive the value associated with one share of Federated common stock, including dividends paid on shares of Federated common stock during the period from the end of 2005 until such stock credit is settled in cash.

Conclusion

The Committee intends to seek to continue to operate under, and to adjust where necessary, these performance-driven compensation policies and practices to assure that they are consistent with the goals and objectives of Federated, and with the primary mission of the full Board of increasing long-term stockholder value.

STOCKHOLDER PROPOSALS

Proposals for 2005 Annual Meeting. Stockholders of Federated may submit proposals on matters appropriate for stockholder action at meetings of Federated's stockholders in accordance with Rule 14a-8 promulgated under the Exchange Act (Rule 14a-8). For such proposals to be included in Federated's proxy materials relating to its 2005 annual meeting of stockholders, all applicable requirements of Rule 14a-8 must be satisfied and such proposals must be received by Federated no later than December 17, 2004.

Except in the case of proposals made in accordance with Rule 14a-8, the By-Laws require that stockholders intending to bring any business before an annual meeting of stockholders deliver written notice thereof to the Secretary of Federated not less than 60 days prior to the meeting. However, in the event that the date of the meeting is not publicly announced by Federated by inclusion in a report filed with the SEC or furnished to stockholders, or by mail, press release or otherwise more than 75 days prior to the meeting, notice by the stockholder to be timely must be delivered to the Secretary of Federated not later than the close of business on the tenth day following the day on which such announcement of the date of the meeting was so communicated. The By-Laws further require, among other things, that the notice by the stockholder set forth a description of the business to be brought before the meeting and certain information concerning the stockholder proposing such business, including such stockholder's name and address, the class and number of shares of Federated's capital stock that are owned beneficially by such stockholder and any material interest of such stockholder in the business proposed to be brought before the meeting. The chairman of the meeting may refuse to permit to be brought before the meeting any stockholder proposal (other than a proposal made in accordance with Rule 14a-8) not made in compliance with these requirements. Similar procedures prescribed by the By-Laws are applicable to stockholders desiring to nominate candidates for election as directors. See Further Information Concerning the Board of Directors Director Nomination Procedures.

OTHER MATTERS

The Board knows of no business which will be presented for consideration at the annual meeting other than that described in this proxy statement. However, if any business shall properly come before the annual meeting, the persons named in the enclosed form of proxy or their substitutes will vote said proxy in respect of any such business in accordance with their best judgment pursuant to the discretionary authority conferred thereby.

The cost of preparing, assembling and mailing the proxy material will be borne by Federated. The Annual Report of Federated for fiscal 2003, which is being mailed to the stockholders with this proxy statement, is not to be regarded as proxy soliciting material. Federated may solicit proxies otherwise than by the use of the mails, in that certain officers and regular employees of Federated, without additional compensation, may use their personal efforts, by telephone or otherwise, to obtain proxies. Federated will also request persons, firms and corporations holding shares in their names, or in the name of their nominees, which are beneficially owned by others, to send proxy material to and obtain proxies from such beneficial owners and will reimburse such holders for their reasonable expenses in so doing. In addition, Federated has engaged the firm of Georgeson Shareholder Communications, Inc. (Georgeson), of New York City, to assist in the solicitation of proxies on behalf of the Board. Georgeson will solicit proxies with respect to common stock held by brokers, bank nominees, other institutional holders and certain individuals, and will perform related services. It is anticipated that the cost of the solicitation service to Federated will not substantially exceed \$12,000.

STANDARDS FOR DIRECTOR INDEPENDENCE

As set forth in Federated's Corporate Governance Principles, a majority of the Board shall consist of directors who the Board has determined do not have any material relationship with the Company and who are otherwise independent. A director shall be presumed independent by the Board if all of the standards set forth below are met.

A. Independence Standards

1. The director may not be (and may not have been within the preceding 60 months) an employee and no member of the director's immediate family may be (and may not have been within the preceding 36 months) an executive officer of Federated or any of its subsidiaries. For purposes of these Standards for Director Independence, immediate family includes a person's spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than domestic employees) who shares such person's home.

2. The director is not a party to any contract pursuant to which such Director provides personal services (other than as a director) to Federated or any of its subsidiaries.

3. Neither the director nor any member of his or her immediate family receives, or has received within the preceding 36 months, direct compensation of more than \$100,000 per year from Federated or any of its subsidiaries (other than director and committee fees and pension or other forms of deferred compensation for prior service that is not contingent on continued service or, in the case of an immediate family member, compensation for service as a non-executive employee).

4. Neither the director nor any member of his or her immediate family is (and has not been within the preceding 60 months) affiliated with or employed in a professional capacity, including as an executive officer, partner or principal, by any corporation or other entity that is or was a paid adviser, consultant or provider of professional services to, or a substantial supplier of, Federated or any of its subsidiaries.

5. The director is not an employee or executive officer and no member of his or her immediate family is an executive officer of (and have not been within the preceding 36 months) a company that makes payments to, or receives payments from, Federated for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues.

7. The director is not a parent, child, sibling, aunt, uncle, niece, nephew or first cousin of any other director of Federated.

8. The director is not a party to any agreement binding him or her to vote, as a stockholder of Federated, in accordance with the recommendations of the Board.

9. The director is not a director of any corporation or other entity (other than Federated) of which Federated's Chairman or Chief Executive Officer is also a director.

Table of Contents

10. Neither the director nor a member of the director's immediate family is employed (and has not been employed for the preceding 12 months) by another company whose compensation committee includes as a member any of Federated's present executive officers.

B. Rules of Application

In determining whether any of the foregoing criteria are satisfied, reference may be made to the commentary accompanying any related NYSE listing standard and any other interpretation or guidance of the NYSE relating to such listing standard.

In making a determination regarding a proposed director's independence, the Board shall consider all relevant facts and circumstances, including the director's commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships.

Any interest or relationship of a director of a type described in Item 404 of Regulation S-K that is outside of the scope of the foregoing criteria and that is not required to be disclosed pursuant to Item 404 shall be presumed not to be inconsistent with the independence of such director.

Except to the extent otherwise provided in the applicable NYSE listing standards, neither the failure of a director to satisfy one or more of the foregoing criteria, nor the existence of any obligation to disclose an interest or relationship of a director pursuant to Item 404, will preclude the Board from determining that such director is independent.

The Board shall determine in its business judgment whether at least one member of the Committee is a **financial expert** within the meaning of Section 407 of the Sarbanes-Oxley Act and the rules promulgated thereunder by the SEC. The designation or identification of a person as an audit committee financial expert shall not (a) impose on such person any duties, obligations or liability that are greater than the duties, obligations and liability imposed on such person as a member of the Committee and Board in the absence of such designation or identification, or (b) affect the duties, obligations or liability of any other member of the Committee or the Board.
3. The members of the Committee, including the Chairperson, shall be appointed by the Board after considering the recommendation of the Board Organization and Corporate Governance Committee. The Board may, at any time and in its complete discretion, add or remove any member of the Committee and may fill any vacancy in the Committee.

The Committee shall have the resources and authority appropriate to discharge its responsibilities as required by law, including the authority to engage (at the Company's expense) independent counsel and other advisors as the Committee deems necessary to carry out its duties. The Committee may also, to the extent it deems necessary or appropriate, meet with the Company's investment bankers or financial analysts who follow the Company.

The Company will provide for appropriate funding, as determined by the Committee, for payment of (i) compensation to the Company's independent auditors engaged for the purpose of rendering or issuing an audit report or related work or performing other audit, review or attest services for the Company, (ii) compensation to independent counsel or any other advisors employed by the Committee and (iii) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

C. Responsibilities

The primary responsibilities of the Committee are as set forth below. The Committee shall:

Independent Auditors

1. Appoint, retain, compensate (at the Company's expense), oversee, evaluate and, if the Committee deems appropriate, terminate the Company's independent auditors. The review and evaluation of the Company's independent auditors will include obtaining and reviewing, at least annually, reports from the independent auditors describing their independence and any other subjects required to be disclosed by the independent auditors to the Committee, and taking any other action that the Committee may deem appropriate to satisfy itself of the auditor's independence.
2. Oversee the work of the independent auditors, review the annual audit plan and determine the fees to be paid to the independent auditors and the other terms of the retention of the independent auditors for audit, audit-related, tax and all other services. The Committee shall require the independent auditors to report directly to the Committee.
3. The Committee shall require all audit, audit-related and non-audit services to be provided by the independent auditors to be pre-approved by the Committee to the extent required by applicable laws and regulations. The

Chairperson of the Committee is authorized to grant any required pre-approval of specific services as required, provided that the full Committee is advised of such approval at the next regularly-scheduled Committee meeting.

4. Review the reports of the independent auditors, including the auditor's conclusions regarding the Company's critical accounting policies, the application of those policies, alternative treatments of financial information within GAAP that have been discussed with management, the ramifications of the use of such alternative disclosures and treatments, the accounting treatment preferred by the independent auditors, material written communications between the Company's management and the independent auditors and any other matters required to be discussed with the independent auditors, including matters required to be reviewed under applicable listing standards of the NYSE and any other applicable laws and regulations.
5. Review with the independent auditors any audit problems or difficulties and management's response thereto. The Committee shall seek to resolve any disagreements between management and the independent auditors regarding financial reporting.
6. Require that the independent auditors provide a report for review by the Committee, at least annually, describing (a) the audit firm's internal quality-control procedures, and (b) any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues.

**POLICY AND PROCEDURES FOR PRE-APPROVAL OF
NON-AUDIT SERVICES BY OUTSIDE AUDITORS**

I. Authority to Approve Non-Audit Services

Except as noted below, the Audit Review Committee (the Committee) will approve in advance all permitted non-audit services(1) (the Permitted NAS).

- A. The Committee may delegate to the Chair of the Committee the authority to pre-approve Permitted NAS; provided that any such pre-approval of Permitted NAS granted by any such delegee must be presented to the Committee at its meeting next following the approval.
- B. Pre-approval is not required for any Permitted NAS if:
 1. the aggregate amount of any such Permitted NAS constitutes no more than five percent (5%) of the total revenues paid by Federated to its auditors during the fiscal year in which the Permitted NAS are provided;
 2. the Permitted NAS were not recognized at the time of the auditor's engagement to be a Permitted NAS (*i.e.*, either a service indicated as an audit service at the time of the engagement evolves over the course of the engagement to become a non-audit service, or a non-audit service not contemplated at all at the time of the engagement is preformed by the outside auditor after the engagement is approved); and
 3. the Permitted NAS are promptly brought to the attention of the Committee (or its delegee) by management and approved prior to the completion of the audit.

II. Disclosure of Permitted Non-Audit Services in Outside Auditor's Engagement Letter

- A. The Committee is to receive an itemization in the outside auditor's engagement letter of Permitted NAS that the outside auditors propose to deliver to Federated during the course of the year covered by the engagement and contemplated at the time of the engagement.
 1. In its submissions to management covering its proposed engagement the outside auditors are to include a statement that the delivery of Permitted NAS during the preceding fiscal year did not impair the independence of the outside auditors.
- B. Whether a Permitted NAS is set out in the auditor engagement letter or proposed by the outside auditors subsequent to the time the engagement letter is submitted, the Committee (or its delegee as described above) is to consider, with input from management, whether delivery of the Permitted NAS impairs independence of the outside auditors.

(1)The nine categories of prohibited non-audit services are: (i) bookkeeping or other services related to the accounting records or financial statements of the audit client; (ii) financial information systems design and implementation; (iii) appraisal or valuation services, fairness opinions, or contribution-in-kind reports; (iv) actuarial services; (v) internal audit outsourcing; (vi) management functions or human resources; (vii) broker or dealer, investment adviser, or investment banking services; (viii) legal services and expert services unrelated to the audit; and (ix) any other service that the Public Company Accounting Oversight Board determines, by regulation, is impermissible.

Table of Contents

1. The Committee is to evaluate, in making such consideration, the non-audit factors and other related principles (the Qualifying Factors) set out below.

Whether the service is being performed principally for the Audit Review Committee;

The effects of the service, if any, on audit effectiveness or on the quality and timeliness of Federated's financial reporting process;

Whether the service would be performed by specialists (*e.g.*, technology specialists) who ordinarily also provide recurring audit support;

Whether the service would be performed by outside audit personnel and, if so, whether it will enhance their knowledge of Federated's business and operations;

Whether the role of those performing the service (*e.g.*, a role where neutrality, impartiality and auditor skepticism are likely to be subverted) would be inconsistent with the outside auditor's role;

Whether the outside audit firm's personnel would be assuming a management role or creating a mutuality of interest with Federated's management;

Whether the outside auditors, in effect, would be auditing their own numbers;

Whether the project must be started and completed very quickly;

Whether the outside audit firm has unique expertise in the service;

Whether the service entails the outside auditor serving in an advocacy role for Federated; and

The size of the fee(s) for the non-audit service(s).

III. Annual Assessment of Policy

The Committee will determine on an annual basis whether to amend this policy.

3. Shares Available Under the Plan. Subject to adjustment as provided in Section 8, the number of Common Shares that may be issued or transferred under this Plan upon the exercise of Option Rights or Appreciation Rights or as Restricted Shares and released from substantial risks of forfeiture thereof, may not exceed the sum of (i) 5 million and (ii) the number of Common Shares which remain available for issuance under this Plan immediately prior to the Effective Date. The aggregate number of Common Shares issued under this Plan upon the grant of Restricted Shares may not exceed the number of Common Shares which remain available for issuance under this Plan upon the grant of Restricted Shares immediately prior to the Effective Date. Shares issued under this Plan may be shares of original issuance or treasury shares or a combination of the foregoing. No Participant will be granted Option Rights or Appreciation Rights, in the aggregate, for more than 1.0 million Common Shares in any period of three fiscal years of the Company, subject to adjustment as provided in Section 8.

4. Option Rights. The Board may from time to time authorize the grant to Participants of options to purchase Common Shares upon such terms and conditions as it may determine in accordance with the following provisions:

Table of Contents

The aggregate number of Common Shares to which the grants to any Non-Employee Director in any fiscal year of the Company pertain shall not exceed 5,000 (subject to adjustment as provided in Section 8).

- (b) Each grant will specify an Option Price per share, which may not be less than the Market Value per Share as of the Date of Grant.
- (c) Each grant will specify whether the Option Price is payable (i) in cash, (ii) by the actual or constructive transfer to the Company of nonforfeitable, unrestricted Common Shares already owned by the Optionees (or other consideration authorized pursuant to Section 4(d)) having an actual or constructive value as of the time of exercise as determined by the Board or in accordance with the applicable agreement referred to in Section 4(i), equal to the total Option Price, or (iii) by a combination of such methods of payment.
- (d) The Board may determine, at or after the Date of Grant, that payment of the Option Price of any option (other than an Incentive Stock Option) may also be made in whole or in part in the form of Restricted Shares or other Common Shares that are forfeitable or subject to restrictions on transfer, or other Option Rights (based on the Spread on the date of exercise). Unless otherwise determined by the Board at or after the Date of Grant, whenever any Option Price is paid in whole or in part by means of any of the forms of consideration specified in this paragraph, the Common Shares received upon the exercise of the Option Rights will be subject to such risks of forfeiture or restrictions on transfer as may correspond to any that apply to the consideration surrendered, but only to the extent of (i) the number of shares surrendered in payment of the Option Price or (ii) the Spread of any unexercisable portion of Option Rights surrendered in payment of the Option Price.
- (e) Any grant may provide for deferred payment of the Option Price from the proceeds of sale through a bank or broker on the exercise date of some or all of the shares to which such exercise relates.
- (f) Successive grants may be made to the same Participant whether or not any Option Rights previously granted to such Participant remain unexercised.
- (g) Each grant will specify the period or periods of continuous service by the Optionee with the Company or any Subsidiary which is necessary before the Option Rights or installments thereof will become exercisable and may provide for the earlier exercise of such Option Rights in the event of a Change in Control or other event.
- (h) Option Rights granted under this Plan may be (i) Incentive Stock Options, (ii) Nonqualified Stock Options, or (iii) combinations of the foregoing.
- (i) Each grant of Option Rights will be evidenced by an agreement executed on behalf of the Company by any officer, director, or, if authorized by the Board, employee of the Company and delivered to the Optionee and containing such terms and provisions as the Board may approve, except that in no event will any such agreement include any provision prohibited by the express terms of this Plan.

5. Appreciation Rights. The Board may also authorize the grant to any Optionee (other than a Non-Employee Director) of Appreciation Rights in respect of Option Rights granted hereunder. An Appreciation Right will be a right of the Optionee, exercisable by surrender of the related Option Right or in accordance with the applicable agreement referred to in Section 5(f), to receive from the Company an amount, as determined by

Table of Contents

the Board, which will be expressed as a percentage of the Spread at the time of exercise. Each such grant will be in accordance with the following provisions:

- (a) Any grant may provide that the amount payable on exercise of an Appreciation Right may be paid by the Company in cash, in Common Shares, or in any combination thereof and may either grant to the Optionee or retain in the Board the right to elect among those alternatives. Any grant will specify the term during which the rights granted thereunder will exist, which shall not exceed ten (10) years from the Date of Grant.
- (b) Any grant may specify that the amount payable on exercise of an Appreciation Right may not exceed a maximum specified by the Board as of the Date of Grant. Any grant will specify an Appreciation Right price per share, which may not be less than the Market Value per Share as of the Date of Grant.
- (c) Any grant may specify waiting periods before exercise and permissible exercise dates or periods and will provide that no Appreciation Right may be exercised except at a time when the related Option Right is also exercisable and at a time when the Spread is positive.
- (d) Any grant may specify that such Appreciation Right may be exercised only in the event of a Change in Control or other event.
- (e) Any grant may provide that, in the event of a Change in Control, then any such Appreciation Right will automatically be deemed to have been exercised by the Optionee, the related Option Right will be deemed to have been surrendered by the Optionee and will be canceled, and the Company forthwith upon the consummation thereof will pay to the Optionee in cash an amount equal to the Spread at the time of such consummation.
- (f) Each grant of Appreciation Rights will be evidenced by an agreement executed on behalf of the Company by any officer, director, or, if authorized by the Board, employee of the Company and delivered to and accepted by the Optionee, which agreement will describe such Appreciation Rights, identify the related Option Rights, state that such Appreciation Rights are subject to all the terms and conditions of this Plan, and contain such other terms and provisions as the Board may approve, except that in no event will any such agreement include any provision prohibited by the express terms of this Plan.

6. Restricted Shares. The Board may also authorize the issuance or transfer of Restricted Shares to Participants (other than Non-Employee Directors) in accordance with the following provisions:

- (a) Each such issuance or transfer will constitute an immediate transfer of the ownership of Common Shares to the Participant in consideration of the performance of services, entitling such Participant to voting, dividend, and other ownership rights, but subject to the substantial risk of forfeiture provided below.
- (b) Each such issuance or transfer may be made without additional consideration.
- (c) Each such issuance or transfer will provide that the Restricted Shares covered thereby will be subject, except (if the Board so determines) in the event of a Change in Control, to a substantial risk of forfeiture within the meaning of Section 83 of the Code, for a period to be determined by the Board at the Date of Grant; provided, however, that at least a portion of the Restricted Shares covered by such issuance or transfer will be subject to a substantial risk of forfeiture within the meaning of Section 83 of the Code for a period of (i) at least one (1) year following the Date of Grant in the case of a performance-based grant of Restricted Shares, and (ii) at least three (3) years following the Date of Grant in the case of any grant of Restricted Shares that is not performance based.

Table of Contents

- (d) Each such issuance or transfer will provide that during the period for which such substantial risk of forfeiture is to continue, the transferability of the Restricted Shares will be prohibited or restricted in the manner and to the extent prescribed in or pursuant to the agreement referred to in Section 6(e) (which restrictions may include, without limitation, rights of repurchase or first refusal or provisions subjecting the Restricted Shares to a continuing substantial risk of forfeiture in the hands of any transferee).
- (e) Each issuance or transfer of Restricted Shares will be evidenced by an agreement executed on behalf of the Company by any officer, director, or, if authorized by the Board, employee of the Company and delivered to and accepted by the Participant and containing such terms and provisions as the Board may approve except that in no event will any such agreement include any provision prohibited by the express terms of the Plan. All certificates representing Restricted Shares will be held in custody by the Company until all restrictions thereon have lapsed, together with a stock power executed by the Participant in whose name such certificates are registered, endorsed in blank and covering such Restricted Shares, which may be executed by any officer of the Company upon a determination by the Board that an event causing the forfeiture of the Restricted Shares has occurred.

7. Transferability.

- (a) Except as provided in Section 7(b), no Option Right, Appreciation Right, or Restricted Share granted, issued, or transferred under this Plan will be transferable otherwise than (i) upon death, by will or the laws of descent and distribution, (ii) pursuant to a qualified domestic relations order, as that term is defined in the Code or the rules thereunder Title I of the Employee Retirement Income Security Act of 1974, as amended (ERISA), or the rules thereunder, or (iii) to a fully revocable trust of which the Optionee is treated as the owner for federal income tax purposes.
- (b) Notwithstanding the provisions of Section 7(a), Option Rights, Appreciation Rights, and Restricted Shares (including Option Rights, Appreciation Rights, and Restricted Shares granted, issued, or transferred under this Plan prior to the Effective Date) will be transferable by a Participant who at the time of such transfer is eligible to earn Long-Term Incentive Awards under the Company's 1992 Incentive Bonus Plan, as amended (or any successor plan thereto) or is a Non-Employee Director, without payment of consideration therefor by the transferee, to any one or more members of the Participant's Immediate Family (or to one or more trusts established solely for the benefit of one or more members of the Participant's Immediate Family or to one or more partnerships in which the only partners are members of the Participant's Immediate Family); provided, however, that (i) no such transfer will be effective unless reasonable prior notice thereof is delivered to the Company and such transfer is thereafter effected in accordance with any terms and conditions that shall have been made applicable thereto by the Company or the Board and (ii) any such transferee will be subject to the same terms and conditions hereunder as the Participant.
- (c) The Board may specify at the Date of Grant that part or all of the Common Shares that are (i) to be issued or transferred by the Company upon the exercise of Option Rights or Appreciation Rights or (ii) no longer subject to the substantial risk of forfeiture and restrictions on transfer referred to in Section 6, will be subject to further restrictions on transfer.

8. Adjustments. The Board may make or provide for such adjustments in the numbers of Common Shares covered by outstanding Option Rights or Appreciation Rights granted hereunder, in the prices per share applicable to such Option Rights and Appreciation Rights, and in the kind of shares covered thereby, as the Board may determine is equitably required to prevent dilution or enlargement of the rights of Participants that

otherwise would result from (a) any stock dividend, stock split, combination of shares, recapitalization, or other change in the capital structure of the Company, (b) any merger, consolidation, spin-off, split-off, spin-out, split-up, reorganization, partial or complete liquidation, or other distribution of assets or issuance of rights or warrants to purchase securities, or (c) any other corporate transaction or event having an effect similar to any of the foregoing; provided, however, that no such adjustment in the numbers of Common Shares covered by outstanding Option Rights or Appreciation Rights will be made unless such adjustment would change by more than 5% the number of Common Shares issuable upon exercise of Option Rights or Appreciation Rights; provided, further, however, that any adjustment which by reason of this Section 8 is not required to be made currently will be carried forward and taken into account in any subsequent adjustment. In the event of any such transaction or event, the Board may provide in substitution for any or all outstanding awards under this Plan such alternative consideration as it may determine to be equitable in the circumstances and may require in connection therewith the surrender of all awards so replaced. The Board may also make or provide for such adjustments in the numbers of shares specified in Section 3 as the Board may determine is appropriate to reflect any transaction or event described in this Section 8.

9. Fractional Shares. The Company will not be required to issue any fractional Common Shares pursuant to this Plan. The Board may provide for the elimination of fractions and for the settlement of fractions in cash.

10. Withholding Taxes. To the extent that the Company is required to withhold federal, state, local, or foreign taxes in connection with any payment made or benefit realized by a Participant or other person under this Plan, and the amounts available to the Company for such withholding are insufficient, it will be a condition to the receipt of such payment or the realization of such benefit that the Participant or such other person make arrangements satisfactory to the Company for payment of the balance of such taxes required to be withheld, which arrangements may include relinquishment of a portion of such benefit.

11. Administration of the Plan.

- (a) This Plan will be administered by the Board, which may from time to time delegate all or any part of its authority under this Plan to the Compensation Committee or any subcommittee thereof.
- (b) The Board will take such actions as are required to be taken by it hereunder, may take the actions permitted to be taken by it hereunder, and will have the authority from time to time to interpret this Plan and to adopt, amend, and rescind rules and regulations for implementing and administering this Plan. All such actions will be in the sole discretion of the Board, and when taken, will be final, conclusive, and binding. Without limiting the generality or effect of the foregoing, the interpretation and construction by the Board of any provision of this Plan or of any agreement, notification, or document evidencing the grant of Option Rights, Appreciation Rights, or Restricted Shares, and any determination by the Board in its sole discretion pursuant to any provision of this Plan or of any such agreement, notification, or document will be final and conclusive. Without limiting the generality or effect of any provision of the Certificate of Incorporation of the Company, no member of the Board will be liable for any such action or determination made in good faith.
- (c) The provisions of Sections 4, 5, and 6 will be interpreted as authorizing the Board, in taking any action under or pursuant to this Plan, to take any action it determines in its sole discretion to be appropriate subject only to the express limitations therein contained and no authorization in any such Section or other provision of this Plan is intended or may be deemed to constitute a limitation on the authority of the Board.

Table of Contents

(d) The existence of this Plan or any right granted or other action taken pursuant hereto will not affect the authority of the Board or the Company to take any other action, including in respect of the grant or award of any option, security, or other right or benefit, whether or not authorized by this Plan, subject only to limitations imposed by applicable law as from time to time applicable thereto.

12. Amendments, Etc.

(a) This Plan may be amended from time to time by the Board, but without further approval by the holders of a majority of the Common Shares actually voting on the matter at a meeting of the Company's stockholders or such other approval as may be required by Rule 16b-3, no such amendment will (i) increase the maximum numbers of Common Shares or Restricted Shares issuable pursuant to Section 3 or the maximum number of Common Shares that may be subject to Option Rights or Appreciation Rights granted to any Participant in any period of three fiscal years of the Company (except that adjustments and additions authorized by this Plan will not be limited by this provision) or (ii) cause Rule 16b-3 to become inapplicable to this Plan or Option Rights, Appreciation Rights, or Restricted Shares granted, issued, or transferred hereunder during any period in which the Company has any class of equity securities registered pursuant to Section 13 or 15 of the Exchange Act.

(b) The Board shall not, without further approval of the shareholders of the Company, authorize the amendment of any outstanding Option Right to reduce the Option Price. Furthermore, no Option Right shall be canceled and replaced with awards having a lower Option Price without further approval of the shareholders of the Company. This Section 12(b) is intended to prohibit the repricing of underwater Option Rights and shall not be construed to prohibit the adjustments provided for in Section 8 of this Plan.

(c) In case of termination of employment by reason of death, disability, or normal or early retirement, or in the case of hardship or other special circumstances, of a Participant who holds an Option Right or Appreciation Right not immediately exercisable in full, or any Restricted Shares as to which the substantial risk of forfeiture or the prohibition or restriction on transfer has not lapsed, or who holds Common Shares subject to any transfer restriction imposed pursuant to Section 7(b), the Board may take such action as it deems equitable in the circumstances or in the best interests of the Company, including without limitation waiving or modifying any other limitation or requirement under any such award.

(d) This Plan will not confer upon any Participant any right with respect to continuance of employment or other service with the Company or any Subsidiary, nor will it interfere in any way with any right the Company or any Subsidiary would otherwise have to terminate or modify the terms of such Participant's employment or other service at any time.

(e) To the extent that any provision of this Plan would prevent any Option Right that was intended to qualify as an Incentive Stock Option from qualifying as such, that provision will be null and void with respect to such Option Right, but will remain in effect for other Option Rights and there will be no further effect on any provision of this Plan.

(f) This Plan will be governed by and construed in accordance with the laws of the State of Delaware, without giving effect to the principles of conflict of laws thereof. If any provision of this Plan is held to be invalid or unenforceable, no other provision of this Plan will be affected thereby.

13. Effectiveness. The amendment and restatement of this Plan set forth herein will not become effective unless the holders of a majority of the Common Shares present in person or by proxy at a meeting of the stockholders of the Company and entitled to vote generally in the election of directors approve the amendments to be effected hereby.
