2

The documents listed below are incorporated by reference into this Registration Statement, and all documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, shall be deemed to be incorporated by reference in this Registration Statement and to be a part thereof from the date of filing of such documents; provided, however, that any information set forth in any proxy statement of the Registrant pursuant to Items 402(k) and/or (1) of Regulation S-K is specifically not incorporated by reference herein.

(a) The Registrant's latest annual report on Form 10-K for the fiscal year ended January 31, 2005, filed with the Securities and Exchange Commission on April 8, 2005 (File Number 000-28132) filed pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934, or the latest prospectus filed pursuant to Rule 424(b) under the Securities Act of 1933 that contains audited financial statements for the Registrant's latest fiscal year for which statements have been filed.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

The validity of the shares of common stock being registered hereby will be passed upon for the Registrant by the law firm of Graydon, Head & Ritchey LLP, Cincinnati, Ohio.

The consolidated financial statements of the Registrant at January 31, 2005 and 2004 and for each of the three years in the period ended January 31, 2005, incorporated by reference, have been audited by Ernst & Young LLP, independent auditors, as set forth in their report thereon, incorporated by reference, and are included in reliance upon such report given upon the authority of such firm as experts in accounting and auditing.

Item 6. Indemnification of Directors and Officers.

The Registrant, being incorporated under the General Corporation Law of the State of Delaware, is empowered by Section 145 of such law ("Statute"), subject to the procedures and limitations stated in the Statute, to indemnify any person ("Indemnitee") against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and

3

reasonably incurred by the Indemnitee in connection with any threatened, pending, or completed action, suit, or proceeding to which an Indemnitee is made a party or threatened to be made a party by reason of the Indemnitee's being or having been a director, officer, employee, or agent of the Registrant or a director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise at the request of the Registrant. The Statute provides that indemnification pursuant to its provisions is not exclusive of other rights of indemnification to which a person may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors, or otherwise. The Statute also provides that the Registrant may purchase insurance on behalf of any director, officer, employee, or agent.

Article IX of the Registrant's Certificate of Incorporation contains provisions permitted by Section 102 of the General Corporation Law of the State of Delaware which eliminate personal liability of members of its board of directors for violations of their fiduciary duty of care. Neither the Delaware General Corporation Law nor the Certificate of Incorporation, however, limits the liability of a director for breaching his duty of loyalty, failing to act in good faith, engaging in intentional misconduct or knowingly violating a law, paying a dividend or approving a stock repurchase under circumstances where such payment or repurchase is not permitted under the Statute, or obtaining an improper personal benefit.

Article VII of the Registrant's Bylaws provides that the Registrant is obligated to indemnify an Indemnitee in each and every situation where the Registrant is required or permitted to make such indemnification pursuant to the

Edgar Filing: LANVISION SYSTEMS INC - Form S-8

Statute. However, before making a permitted, but not required, indemnification, the Registrant shall promptly make or cause to be made, by any of the methods referred to in subsection (d) of the Statute, a determination as to whether the Indemnatee acted in good faith and in a manner such Indemnatee reasonably believed to be in or not opposed to the best interests of the Registrant, and, in the case of any criminal action or proceeding, had no reasonable cause to believe that such Indemnatee's conduct was unlawful.

The Registrant currently maintains an insurance policy that provides coverage pursuant to which the Registrant is to be reimbursed for amounts it may be required or permitted by law to pay to indemnify directors and officers.

Item 7. Exemption from Registration Claimed.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect on the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually, or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which is registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the change in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective

Edgar Filing: LANVISION SYSTEMS INC - Form S-8

registration statement;

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraph (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be determined to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be an initial bona fide offering thereof.

5

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for the purpose of determining any liability under the Securities Act, each of the registrant's annual reports pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such information is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suite or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will govern the final adjudication of such issue.
