Item 1.01 Entry into a Material Definitive Agreement.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On January 3, 2008, PolyOne Corporation (the "Company") entered into a Credit Agreement (the "Credit Agreement") among the Company, the lenders party thereto, Citicorp USA, Inc., as administrative agent and as issuing bank, and The Bank of New York, as paying agent. The Credit Agreement provides for an unsecured revolving and letter of credit facility with total commitments of up to \$40 million. The Credit Agreement expires on March 20, 2011.

Borrowings under the revolving credit facility bear interest, at the Company's option, at either a alternative base rate, which is a rate per annum equal to the higher of an applicable base rate in effect on such day and the Federal Funds Rate in effect on such day plus $\frac{1}{2}$ of 1%, or an interest rate per annum equal to the LIBOR Rate multiplied by an applicable exchange rate adjustment.

The Credit Agreement contains covenants that, among other things, restrict the Company's ability to incur additional indebtedness and incur liens, and contains various other customary provisions, including affirmative and negative covenants, and representations and warranties.

The Credit Agreement also contains events of default customary for such financings, including, but not limited to: nonpayment of principal, interest or fees; violations of covenants; inaccuracies of representations and warranties; default under any mortgage, indenture or debt instrument; and events of bankruptcy or insolvency. Amounts owed under the Credit Agreement may be accelerated upon the occurrence of various events of default set forth therein.

The foregoing description of the Credit Agreement is not complete and is qualified in its entirety by reference to the Credit Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.
