Item 2. ACQUISITION OR DISPOSITION OF ASSETS.

References to we, our and us in this Current Report on Form 8-K refer to Meritage Corporation and its consolidated subsidiaries.

On July 1, 2002, we completed the acquisition of substantially all of the homebuilding and related assets of Hammonds Homes, Ltd., a Texas limited partnership, and Crystal City Land & Cattle, Ltd., a Texas limited partnership (collectively, Hammonds Homes or Hammonds). The purchase price is estimated to be approximately \$82.8 million, subject to final adjustments, comprised of cash payable at closing of \$45.8 million and the repayment of existing debt in the amount of \$37.0 million. The purchase price was based on Hammonds March 31, 2002 balance sheet plus a premium based on projected 2002 EBITDA. We used our working capital, which included borrowings under our existing credit facilities and the proceeds from a recent public common stock offering, to fund the acquisition of Hammonds Homes. A copy of the Master Transaction Agreement, dated June 12, 2002, with exhibits, is filed as Exhibit 10.1 to this Current Report.

Hammonds Homes, established in 1987, builds a wide range of quality homes in approximately 40 communities throughout the Houston, Dallas/Ft. Worth and Austin, Texas areas with a focus on serving the move-up housing market.

In 2000, Hammonds closed 737 homes at an average selling price of approximately \$186,000 resulting in total revenue of \$136.8 million and EBITDA of \$15.2 million. In 2001, Hammonds closed 935 homes at an average selling price of approximately \$194,000, resulting in total revenue of \$181.1 million and EBITDA of \$23.6 million. The estimated purchase price of \$82.8 million was based on projected revenue and EBITDA in 2002 of \$175.0 to \$185.0 million and \$18.0 to \$19.0 million, respectively, before taking into account any potential synergies. Home closings were 183 for the quarter ended March 31, 2002, compared to 201 for the quarter ended March 31, 2001. The decrease in home closings in the first quarter of 2002 compared to the first quarter of 2001 mainly reflects a slower overall demand for homes in the Austin, Texas market. For the quarter ended March 31, 2002, Hammonds had revenue and EBITDA of \$38.2 million and \$3.9 million, respectively, compared to revenue and EBITDA of \$37.1 million and \$4.4 million, respectively, for the quarter ended March 31, 2001. New sales contracts were 268 for the quarter ended March 31, 2002, compared to 253 for the quarter ended March 31, 2001.

We expect that the acquisition of Hammonds Homes will enable us to significantly expand our presence in the Houston and Austin markets and strengthen our Dallas operations. We believe the acquisition will be accretive to our 2002 net earnings.

FORWARD LOOKING STATEMENTS

Certain matters discussed in this Current Report are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements concerning our ability to expand and strengthen our presence in certain Texas markets, and our expectations about the accretive effect of the Hammonds Homes acquisition. Such statements are based upon the current beliefs and expectations of our management and are subject to significant risks and uncertainties. Actual results may differ from those set forth in the forward-looking statements.

With respect to the Hammonds Homes acquisition, these uncertainties include: the risks that the businesses will not be integrated successfully; that Hammonds performance in 2002 will not be as good as in 2001; that the market and financial synergies anticipated from the acquisition may not be fully realized or may take longer to realize than expected; that the acquisition will not be accretive to earnings

within the time period estimated by management, or at all; that unanticipated expenses and liabilities may be incurred; and that the combined companies will lose key employees or suppliers.

In addition, our business is also subject to a number of risks and uncertainties including: the strength and competitive pricing environment of the single-family housing market; changes in the availability and pricing of residential mortgages; changes in the availability and pricing of real estate in the markets in which we operate; our high level of indebtedness; demand for and acceptance of our homes; the success of planned marketing and promotional campaigns; the success of our program to integrate existing operations with our planned new operations or those of past or future acquisitions; our ability to raise additional capital; our success in locating and negotiating favorably with possible acquisition candidates; recent legislative or other initiatives that seek to restrain growth in new housing construction or similar measures; the economic impact of foreign hostilities or military action; general economic slow downs; and other factors identified in documents filed by us with the Securities and Exchange Commission, including those set forth in Meritage's Form 10-K Report for the year ended December 31, 2001 under the captions "Market for the Registrant's Common Stock and Related Stockholder Matters Factors that May Affect Future Stock Performance" and "Management's Discussion and Analysis of Financial Condition and Results of Operations Factors that May Affect Our Future Results and Financial Condition" and in Exhibit 99.1 of Meritage's Form 10-Q for the quarter ended March 31, 2002. As a result of these and other factors, the prices of Meritage's securities may fluctuate dramatically.

All financial and other information relating to the operations of Hammonds Homes has been provided by Hammonds Homes, Ltd. and Crystal City Land & Cattle, Ltd.
