FORWARD-LOOKING STATEMENTS

In order to utilize the "Safe Harbor" provisions of the United States Private Securities Litigation Reform Act of 1995 (the "Reform Act"), Sappi Limited (the "Company") is providing the following cautionary statement. Except for historical information contained herein, statements contained in this Report on Form 6-K may constitute "forward-looking statements" within the meaning of the Reform Act. The words "believe", "anticipate", "expect", "intend", "estimate", "plan", "assume", "positioned", "will", "may", "should", "risk" and other similar expressions, which are predictions of or indicate future events and future trends, which do not relate to historical matters, identify forward-looking statements. In addition, this Report on Form 6-K may include forward-looking statements relating to the Company's potential exposure to various types of market risks, such as interest rate risk, foreign exchange rate risk and commodity price risk. Reliance should not be placed on forward-looking statements because they involve known and unknown risks, uncertainties and other factors which are in some cases beyond the control of the Company, together with its subsidiaries (the "Group"), and may cause the actual results, performance or achievements of the Group to differ materially from anticipated future results, performance or achievements expressed or implied by such forward-looking statements (and from past results, performance or achievements). Certain factors that may cause such differences include but are not limited to: the impact of the global economic downturn, the highly cyclical nature of the pulp and paper industry (and the factors that contribute to such cyclicity, such as levels of demand, production capacity, production, input costs including raw material, energy and employee costs, and pricing), adverse changes in the markets for the group's products, the emergence of new technologies and changes in consumer trends including increased preferences for digital media, consequences of substantial leverage, including as a result of adverse changes in credit markets that affect our ability to raise capital when needed, changing regulatory requirements, unanticipated production disruptions (including as a result of planned or unexpected power outages), economic and political conditions in international markets, the impact of restructurings, investments, acquisitions, dispositions and other strategic initiatives (including related financing), any delays, unexpected costs or other problems experienced in connection with dispositions or with integrating acquisitions or implementing restructurings or other strategic initiatives, and achieving expected savings and synergies, and currency fluctuations. These and other risks, uncertainties and factors are discussed in the Company's Annual Report on Form 20-F and other filings with and submissions to the Securities and Exchange Commission, including this Report on Form 6-K. Shareholders and prospective investors are cautioned not to place undue reliance on these forward-looking statements. These forward-looking statements are made as of the date of the submission of this Report on Form 6-K and are not intended to give any assurance as to future results. The Company undertakes no obligation to publicly update or revise any of these forward looking statements, whether to reflect new information or future events or circumstances or otherwise.

PE Paper Escrow GmbH Commences Cash Tender Offer for Secured Notes due 2014

Vienna, Austria — June 20, 2012 — PE Paper Escrow GmbH (“PE Paper”, “we”, “us”, or the “Company”), a wholly-owned subsidiary of Sappi Papier Holding GmbH (“SPH”), announces the commencement of an offer to purchase for cash (the “Tender Offer”) up to \$300,000,000 aggregate principal amount (the “Maximum Tender Amount”) of PE Paper’s outstanding U.S. dollar-denominated 12.00% Senior Secured Notes due 2014 (the “Dollar Notes”) and euro-denominated 11.75% Senior Secured Notes due 2014 (the “Euro Notes” and, together with the Dollar Notes, the “Notes”).

The Offer is being made upon the terms and subject to the conditions set forth in the offer to purchase statement dated June 20, 2012 (as it may be amended or supplemented from time to time, the “Offer to Purchase”) and in the related letter of transmittal (as it may be amended or supplemented from time to time, the “Letter of Transmittal” and, together with the Offer to Purchase, the “Offer Documents”). Capitalised terms used in this announcement have the meanings ascribed to them in the Offer to Purchase.

The Notes will be purchased according to the Acceptance Priority Level (as defined below) set forth in the table below. All Notes having a higher Acceptance Priority Level will be accepted for purchase before any tendered Notes having a lower Acceptance Priority Level are accepted. The amounts in cash to be paid for the tender of Notes for each \$1,000 principal amount of Dollar Notes accepted for purchase and for each €1,000 principal amount of Euro Notes accepted for purchase are set forth in the table below. In addition, we will pay accrued and unpaid interest (“Accrued Interest”) up to, but not including, the Early Settlement Time (as defined below) or the Settlement Time (as defined below), as applicable.

(1) Does not include Accrued Interest.

Holders of Notes (“Holders”) who validly tender their Notes and do not validly withdraw their Notes on or prior to 5p.m., New York City time, on July 3, 2012, unless extended (the “Early Tender Deadline”), and which Notes are accepted for purchase by us, will be eligible to receive the “Tender Offer Consideration” (indicated in the table above) and the “Early Tender Payment” (indicated in the table above, which together with the Tender Offer Consideration,

amount to the “Total Consideration”). Holders who validly tender their Notes after the Early Tender Deadline and on or before midnight, New York City time, on July 18, 2012, unless extended (the “Expiration Time”), and which Notes are accepted for purchase by us, will be eligible to receive the Tender Offer Consideration. Notes tendered may only be withdrawn prior to the Early Tender Deadline. Notes tendered after the Early Tender Deadline and prior to the Expiration Time may not be withdrawn, except as provided by law.

The Tender Offer is not conditioned upon any minimum amount of Notes being tendered. The aggregate principal amount of Euro Notes being purchased may be prorated as set forth in the Offer to Purchase, subject to the Maximum Tender Amount and the Acceptance Priority Level. See “Maximum Tender Amount and Acceptance Priority Level” in the Offer to Purchase. After we have accepted all Dollar Notes (“Acceptance Priority Level”), if the aggregate principal amount of Euro Notes tendered exceeds the difference between (i) the Maximum Tender Amount and (ii) the aggregate principal amount of all Dollar Notes tendered and not withdrawn, we will prorate the amount of Euro Notes that we will purchase, based on the aggregate principal amount of Euro Notes tendered (with appropriate adjustment to avoid purchases of Euro Notes in a principal amount other than €50,000 and integral multiples of €1,000 in excess thereof).

Outstanding Notes may be tendered, and will be accepted for purchase, only in minimum denominations of \$100,000 and integral multiples of \$1,000, or minimum denominations of €50,000 and integral multiples of €1,000, as applicable, unless such requirement is waived by PE Paper. See “Terms of the Tender Offer—General—Tender Offer” in the Offer to Purchase.

We reserve the right, at any time following the Early Tender Deadline and prior to the Expiration Time, to accept for purchase all the Dollar Notes validly tendered prior to or at the Early Tender Deadline (“Early Settlement Election”). If we make the Early Settlement Election, we will pay the Total Consideration to Holders of Dollar Notes on such date (such date, the “Early Settlement Time”) promptly following the Early Settlement Election. If we do not make the Early Settlement Election, we will accept for purchase all validly tendered Notes at the Expiration Time, subject to the Maximum Tender Amount and the Acceptance Priority Level, and payment for all such Notes will be made promptly thereafter (the “Settlement Time”), except if we terminate the Tender Offer, at our discretion. The payment of the Total Consideration and the Tender Offer Consideration, as the case may be, shall include Accrued Interest up to, but not including, the Early Settlement Time or the Settlement Time, as applicable.

On or about the date on which we make an Early Settlement Election and assuming the New Financing has been consummated, to the extent that PE Paper has received valid tenders with respect to Notes having an aggregate principal amount less than the Maximum Tender Amount, we intend to issue a notice of redemption for Dollar Notes not accepted for purchase in the Tender Offer, in an aggregate principal amount corresponding to the Maximum Tender Amount minus the aggregate principal amount of Notes that have been tendered in the Tender Offer and not withdrawn as of the Early Tender Deadline, and redeem such Dollar Notes in accordance with the terms of the Indenture on or about the 30th day following the issuance of the redemption notice, at a redemption price of 106.000% of the principal amount of each Dollar Note plus accrued and unpaid interest to the date of redemption (subject to the rights of Holders of Dollar Notes on the relevant date to receive interest on the relevant interest payment date). Our plan with respect to the redemption of Notes may be modified if the terms of the New Financing are modified, and may include the redemption of Euro Notes at the applicable redemption price for such notes. In addition, PE Paper and its affiliates expressly reserve the absolute right, in their sole discretion, from time to time to purchase any Notes or other indebtedness, including any Notes that remain outstanding after the consummation of the Tender Offer, through open market purchases, privately negotiated transactions, one or more additional tender or exchange offers or otherwise, at prices that may or may not be equal to the Tender Offer Consideration or the Total Consideration for the Notes.

The Tender Offer is being made in conjunction with the New Financing that is being undertaken by SPH (together with Sappi Limited and its subsidiaries, the “Group”). See “Source of Funds” in the Offer to Purchase.

PE Paper’s acceptance for purchase of Notes validly tendered pursuant to the Tender Offer, and the payment of the applicable Total Consideration or Tender Offer Consideration, as the case may be, are subject to, and conditioned upon, the successful completion of the New Financing and the satisfaction or waiver of certain other conditions. PE Paper reserves the right to waive or modify in whole or in part any and all conditions to the Offer to Purchase and to otherwise amend the Tender Offer. PE Paper also has the right to terminate the Tender Offer at any time and for any reason, and to extend or otherwise amend the Early Tender Deadline or the Expiration Time. Details of any such extension or amendment will be announced as provided in the Offer to Purchase as soon as reasonably practicable after the relevant decision is made. Additionally, PE Paper reserves the right, in its sole and absolute discretion not to accept any tender of Notes. In the event of a termination of the Tender Offer, all Notes tendered pursuant to the Tender Offer will be promptly returned to the tendering Holders. See “Terms of the Tender Offer” in the Offer to Purchase.

The Total Consideration and the Tender Offer Consideration will be payable in cash at the Early Settlement Time or the Settlement Time, as applicable. Under no circumstances will any interest be payable because of any delay in the transmission of funds to Holders by the Tender and Information Agent (as defined below), DTC or any Clearing Systems.

The Tender Offer is not conditioned on any minimum amount of Notes being tendered. Subject to applicable securities laws, if the consideration to be paid in the Tender Offer or the principal amount of Notes subject to the Tender Offer is increased or decreased, the Tender Offer will remain open at least ten business days from the date PE Paper first gives notice to Holders, by public announcement or otherwise, of such increase or decrease.

The Bank of New York Mellon is acting as the Tender and Information Agent (in such capacity, the “Tender and Information Agent”) for the Tender Offer. The Trustee for the Notes is The Bank of New York Mellon (the “Trustee”). The Royal Bank of Scotland plc, Citigroup Global Markets Limited, J.P. Morgan Securities LLC and J.P. Morgan Securities Ltd. are acting as dealer managers (in such capacity, the “Dealer Managers” and each a “Dealer Manager”).

In accordance with normal and accepted market practice, the Trustee expresses no opinion as to the merits of the proposals as presented to Holders in the Offer to Purchase. Furthermore, the Trustee makes no assessment of the impact of the proposals as presented to Holders on the interests of the Holders either as a class or as individuals.

NONE OF PE PAPER, ITS BOARD OF DIRECTORS, THE TRUSTEE, THE DEALER MANAGERS OR ANY OF THEIR RESPECTIVE AFFILIATES MAKES ANY RECOMMENDATION AS TO WHETHER HOLDERS SHOULD TENDER THEIR NOTES PURSUANT TO THE OFFER TO PURCHASE.

THE OFFER TO PURCHASE AND THE ACCOMPANYING LETTER OF TRANSMITTAL SHOULD BE READ CAREFULLY BEFORE A DECISION IS MADE WITH RESPECT TO THE TENDER OFFER.
