Except for historical information contained herein, statements contained in this Report on Form 6-K may constitute "forward-looking statements" within the meaning of the Reform Act. The words "believe", "anticipate", "expect", "intend", "estimate", "assume", "positioned", "will", "may", "should", "risk" and other similar expressions, which are predictions of or indicate future events and future trends, which do not relate to historical matters, identify forward-looking statements. In addition, this Report on Form 6-K may include forward-looking statements relating to the Company's potential exposure to various types of market risks, such as interest rate risk, foreign exchange rate risk and commodity price risk. Reliance should not be placed on forward-looking statements because they involve known and unknown risks, uncertainties and other factors which are in some cases beyond the control of the Company, together with its subsidiaries (the "Group"), and may cause the actual results, performance or achievements of the Group to differ materially from anticipated future results, performance or achievements expressed or implied by such forward-looking statements (and from past results, performance or achievements). Certain factors that may cause such differences include but are not limited to: the impact of the global economic downturn, the highly cyclical nature of the pulp and paper industry (and the factors that contribute to such cyclicity, such as levels of demand, production capacity, production, input costs including raw material, energy and employee costs, and pricing), adverse changes in the markets for the group's products, the emergence of new technologies and changes in consumer trends including increased preferences for digital media, consequences of substantial leverage, including as a result of adverse changes in credit markets that affect our ability to raise capital when needed, changing regulatory requirements, unanticipated production disruptions (including as a result of planned or unexpected power outages), economic and political conditions in international markets, the impact of restructurings, investments, acquisitions, dispositions and other strategic initiatives (including related financing), any delays, unexpected costs or other problems experienced in connection with dispositions or with integrating acquisitions or implementing restructurings or other strategic initiatives, and achieving expected savings and synergies, and currency fluctuations. These and other risks, uncertainties and factors are discussed in the Company's Annual Report on Form 20-F and other filings with and submissions to the Securities and Exchange Commission, including this Report on Form 6-K. Shareholders and prospective investors are cautioned not to place undue reliance on these forward-looking statements. Sappi Limited's Subsidiary, PE Paper Escrow GmbH, Announces Early Tender Offer and Consent Solicitation Results for Remaining Senior Secured Notes due 2014 and Execution of Second Supplemental Indenture

Vienna, Austria — November 22, 2012 — PE Paper Escrow GmbH (“PE Paper”, “we”, “us”, or the “Company”), a wholly-owned subsidiary of Sappi Limited, announces that it has received, on or prior to 5:00 p.m., New York City time, on November 21, 2012 (the “Consent Payment Deadline”), tenders and consents from holders (“Holders”) of approximately 75.72% of the aggregate principal amount of its outstanding euro-denominated 11.75% Senior Secured Notes due 2014 (the “Notes”), in connection with its previously announced offer to purchase for cash any and all of its outstanding Notes (the “Tender Offer”) and solicitation of consents (the “Consents”) from Holders (the “Consent Solicitation”, and together with the Tender Offer, the “Offer”), pursuant to an Offer to Purchase and Consent Solicitation Statement dated November 9, 2012 (the “Offer to Purchase”).

Notes with the aggregate principal amount indicated below were validly tendered and not validly withdrawn, and Consents related to such Notes were validly delivered and not validly revoked, on or prior to the Consent Payment Deadline, according to information provided by DF King Worldwide, the tender and information agent for the Offer (in such capacity, the “Tender and Information Agent”):

Title of Security	Principal Amount Outstanding	Principal Amount Tendered	Percentage of Outstanding Amount Tendered
11.75% Senior Secured Notes due 2014	€31,005,000	€23,476,018.80	75.72%

Holders who validly tendered their Notes and validly delivered their Consents on or prior to the Consent Payment Deadline, and which Notes are accepted for purchase by us, will be eligible to receive the “Tender Offer Consideration” of €1,058.75 per €1,000 principal amount of Notes tendered plus the “Consent Payment” of €7.50 per €1,000 principal amount of Notes tendered (which together with the Tender Offer Consideration, amounts to the “Total Consideration”). We reserve the right, at any time prior to the Expiration Time (as defined below), to accept for purchase all the Notes validly tendered prior to or at the Consent Payment Deadline (“Early Settlement Election”). If we make the Early Settlement Election, we will pay the Total Consideration on a date (such date, the “Early Settlement Time”) promptly following the Early Settlement Election. If we do not make the Early Settlement Election, we will accept for purchase all validly tendered Notes at the Expiration Time, and payment for all such Notes will be made promptly thereafter (the “Settlement Time”), except if we terminate the Tender Offer, at our discretion. Accrued interest up to, but not including, the Early Settlement Time or the Settlement Time, as applicable, shall also be paid in respect of Notes validly tendered and accepted for purchase on or prior to the Consent Payment Deadline. Notes tendered and Consents delivered may not be withdrawn or revoked after the Consent Payment Deadline, except as provided by law.

As a result of the receipt of a majority in aggregate principal amount of the outstanding Notes, excluding for such purposes any Notes owned by the Company or any of its affiliates (the “Majority Consent”), PE Paper, the trustee, the security agent and the other applicable parties under the indenture governing the Notes (the “Indenture”) executed a supplemental indenture (the “Supplemental Indenture”) with respect to the Indenture, which eliminates or modifies substantially all of the restrictive covenants and certain events of default and related provisions (the “Amendments”) contained in the Indenture. Although the Supplemental Indenture became effective upon execution, the Amendments

will not become operative until we accept for purchase a majority in aggregate principal amount of the Notes outstanding and the Early Settlement Time or the Settlement Time, as applicable, has occurred. Any Notes not validly tendered and accepted for purchase pursuant to the Offer will remain outstanding and subject to the terms of the Indenture, as modified by the terms of the Supplemental Indenture, even though Holders of such Notes did not consent to the Amendments.

The Offer will expire at 12:00 midnight, New York City time, on December 10, 2012, unless extended (the “Expiration Time”). Holders who validly tender their Notes and validly deliver their Consents after the Consent Payment Deadline and on or prior to the Expiration Time, and whose Notes are accepted for purchase by us, will be eligible to receive the Tender Offer Consideration of €1,058.75 per €1,000 principal amount of Notes tendered, plus accrued and unpaid interest up to, but not including, the Settlement Time. Notes tendered and Consents delivered after the Consent Payment Deadline and prior to the Expiration Time may not be withdrawn and revoked, except as provided by law.

The complete terms and conditions of the Offer are set forth in the Offer to Purchase that was previously furnished to Holders. Holders are urged to read the Offer to Purchase carefully before making any decision with respect to the Offer. Copies of the Offer to Purchase may be obtained from the Tender and Information Agent, DF King Worldwide, at +44 20 7920 9700 and at sappi@king-worldwide.com or from the dealer manager for the Offer, J.P.
